

AU Small Finance Bank Limited

Our Company was originally incorporated as 'L.N. Finco Gems Private Limited' on January 10, 1996 as a private limited company under the Companies Act, 1956 with the RoC. Pursuant to the change of name of our Company to Au Financiers (India) Private Limited to reflect the diversified finance business of our Company, a fresh certificate of incorporation was issued by the RoC on May 24, 2005. Our Company was converted into a public limited company by way of a special resolution passed by our Shareholders at the EGM held on January 10, 2013 and the name of our Company was changed to 'Au Financiers (India) Limited'. A fresh certificate of incorporation consequent upon conversion to a public limited company was issued by the RoC on January 11, 2013. Our Company was granted the in-principle approval to establish an SFB by the RBI, pursuant to its letter dated October 7, 2015. Subsequently, the RBI granted our Company the final approval to establish an SFB by its letter dated December 20, 2016. Pursuant to our Company being established as an SFB, the name of our Company was changed to 'AU Small Finance Bank Limited' and a fresh certificate of incorporation was issued by the RoC on April 13, 2017. For details of change in the name and registered office of our Company, see "History and Certain Corporate Matters" on page 173.

In terms of Rule 19(2)(b) of the Securities Contracts (Regulation) Rules, 1957, as amended (the "SCRR"), the Net Offer was made for at least 10% of the post-Offer paid-up equity share capital of our Company. The Offer was made through the Book Building Process and in compliance with Regulation 26(1) of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009, as amended (the "SEBI ICDR Regulations"), wherein not more than 50% of the Net Offer was allocated on a proportionate basis to Qualified Institutional Buyers ("QIBs") (the "QIB Category"), provided that our Company and the Selling Shareholders, in consultation with the Book Running Lead Managers, have allocated 60% of the QIB Category to Anchor Investors on a discretionary basis in accordance with the SEBI ICDR Regulations (the "Anchor Investor Portion"), of which one-third was reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the Anchor Investor Offer Price. Further, 5% of the QIB Category (excluding the Anchor Investor Portion) was available for allocation on a proportionate basis only to Mutual Funds, and the remainder of the QIB Category was available for allocation on a proportionate basis to all QIBs (other than Anchor Investors), including Mutual Funds, subject to valid Bids being received at or above the Offer Price. Further, not less than 15% of the Net Offer was available for allocation on a proportionate basis to Non-Institutional Bidders and not less than 35% of the Net Offer was available for allocation to Retail Individual Bidders, in accordance with the SEBI ICDR Regulations, subject to valid Bids being received at or above the Offer Price.

Further, 1,000,000 Equity Shares of Face Value of ₹ 10 each was available for allocation on a proportionate basis to Eligible Employees, subject to valid Bids being received from them at or above the Offer Price. All investors (except Anchor Investors) were required to mandatorily participate in this Offer only through the Application Supported by Blocked Amount ("ASBA") process, by providing details of their respective bank account which were blocked by the Self Certified Syndicate Banks ("SCSBs"). For details, see "Offer Procedure" on page 364.

RISKS IN RELATION TO FIRST OFFER

This being the first public offer of our Company, there has been no formal market for the Equity Shares. The face value of the Equity Shares is ₹ 10 each. The Floor Price is 35.50 times the face value and the Cap Price is 35.80 times the face value. The Offer Price (as has been determined and justified by our Company and the Selling Shareholders in consultation with the BRLMs, and as stated in "Basis for Offer Price" on page 111) should not be taken to be indicative of the market price of the Equity Shares, after the Equity Shares are listed. No assurance can be given regarding an active and / or sustained trading in the Equity Shares or regarding the price at which the Equity Shares will be traded after listing.

GENERAL RISKS

Investments in equity and equity-related securities involve a degree of risk and Bidders should not invest any funds in the Offer unless they can afford to take the risk of losing their investment. Bidders are advised to read the risk factors carefully before taking an investment decision in the Offer. For taking an investment decision, Bidders must rely on their own examination of our Company and the Offer, including the risks involved. The Equity Shares offered in the Offer have not been recommended or approved by the Securities and Exchange Board of India ("SEBI"), nor does SEBI guarantee the accuracy or adequacy of this Prospectus. Specific attention of the investors is invited to the Section "Risk Factors" on page 19.

COMPANY'S AND THE SELLING SHAREHOLDERS' ABSOLUTE RESPONSIBILITY

Our Company, having made all reasonable inquiries, accepts responsibility for and confirms that this Prospectus contains all information with regard to our Company and the Offer, which is material in the context of the Offer, that the information contained in this Prospectus is true and correct in all material aspects and is not misleading in any material respect, that the opinions and intentions expressed herein are honestly held and that there are no other facts, the omission of which makes this Prospectus as a whole or any of such information or the expression of any such opinions or intentions, misleading in any material respect. Further, each Selling Shareholder, severally and not jointly, accepts responsibility for and confirms only statements specifically confirmed or undertaken by such Selling Shareholder in this Prospectus to the extent that the statements specifically pertain to such Selling Shareholder and its portion of the Offered Shares and confirms that such statements are true and correct in all material respects and are not misleading in any material respect. However, each Selling Shareholder does not assume any responsibility for any other statement, including any statements made by or in relation to our Company or the other Selling Shareholders in this Prospectus.

LISTING

The Equity Shares offered through the Red Herring Prospectus are proposed to be listed on the NSE and the BSE. Our Company has received 'in-principle' approvals from the NSE and the BSE for listing of the Equity Shares pursuant to letters dated February 16, 2017 and February 10, 2017, respectively. For the purposes of the Offer, NSE shall be the Designated Stock Exchange. A signed copy of the Red Herring Prospectus has been delivered for registration to the RoC and a signed copy of this Prospectus shall be delivered for registration to the RoC in accordance with Sections 26(4) and 32 of the Companies Act, 2013. For details of material contracts and documents that were available for inspection from the date of the Red Herring Prospectus to the Bid Offer Closing date, see "Material Contracts and Documents for inspection" on page 498.

The words and expressions used but not defined in this Prospectus will have the same meaning assigned to such terms under the Companies Act, the SEBI Act, the SEBI ICDR Regulations, the SCRA, the Depositories Act, the Banking Regulation Act, the SFB Guidelines and the rules and regulations made thereunder, as applicable.

Notwithstanding the foregoing, terms in “*Main Provisions of the Articles of Association*”, “*Statement of Tax Benefits*”, “*Industry Overview*”, “*Regulations and Policies in India*”, “*Financial Statements*”, “*Outstanding Litigation and Material Developments*” and “*Part B*” of “*Offer Procedure*”, will have the meaning ascribed to such terms in these respective sections.

CERTAIN CONVENTIONS PRESENTATION OF FINANCIAL, INDUSTRY AND MARKET DATA

Certain Conventions

All references to “India” in this Prospectus are to the Republic of India and all references to “USA”, “US” and “United States” are to the United States of America.

Unless stated otherwise, all references to page numbers in this Prospectus are to the page numbers of this Prospectus.

Financial Data

Unless stated otherwise or the context requires otherwise, the financial data in this Prospectus is derived from the Restated Financial Statements prepared for the Company as an NBFC.

In this Prospectus, any discrepancies in any table between the total and the sum of the amounts listed are due to rounding off. All figures in decimals have been rounded off to the second decimal and all percentage figures have been rounded off to two decimal places except percentage figures in “*Risk Factors*”, “*Industry Overview*” and “*Our Business*”, which are rounded off to two decimal place and accordingly there may be consequential changes in this Prospectus.

Our Company’s Financial Year commences on April 1 and ends on March 31 of the next year; accordingly, all references to a particular Financial Year, unless stated otherwise, are to the 12 month period ended on March 31 of that year.

There are significant differences between Indian GAAP, IND AS, US GAAP and IFRS. The reconciliation of the financial information to IND AS, IFRS or US GAAP has not been provided. Our Company has not attempted to explain those differences or quantify their impact on the financial data included in this Prospectus and investors should consult their own advisors regarding such differences and their impact on our Company’s financial data. See “*Risk Factors – Internal Risk Factors - Our financial statements for historic periods may not be indicative of our financial position for any future periods as an SFB.*” on page 25 for risks involving differences between Indian GAAP and IFRS or US GAAP and risks in relation to IND AS. On February 16, 2015, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) Rules, 2015 (“**IAS Rules**”) for the purpose of enacting changes to Indian GAAP that are intended to align Indian GAAP further with IFRS. The IAS Rules provide that the financial statements of the companies to which they apply shall be prepared in accordance with the Indian Accounting Standard (“**IND AS**”), although any company may voluntarily implement IND AS for the accounting period beginning from April 1, 2015. Banks are required to mandatorily adopt IND AS for financial statements for the accounting period beginning from April 1, 2018 with comparatives for the period ending on March 31, 2018. We use a variety of financial indicators and ratios to measure and analyze our financial performance and financial condition from period to period and to manage our business. These financial indicators and ratios are defined by our management and are presented, along with a brief explanation, in “*Selected Statistical Information*” on page 281. While these financial indicators and ratios are widely used in our industry, they may not be comparable to similar financial indicators and ratios used by other companies engaged in the financial services industry in India. Other companies may use different financial indicators and ratios or calculate these ratios differently, and similarly titled measures published by them may therefore not be comparable to ours. Several of these financial indicators and ratios are not defined under the Indian GAAP and therefore should not be viewed as substitutes for measures derived to calculate operational performance or profitability under Indian GAAP. Further, these financial measures and ratios have limitations as analytical tools, and should not be considered in isolation from, or as a substitute for, analysis of our historical performance, as reported and presented in our Restated Financial Statements included in this Prospectus.

The degree to which the financial information included in this Prospectus will provide meaningful information is entirely dependent on the reader’s level of familiarity with Indian accounting policies and practices, Indian GAAP, the Companies Act and the SEBI ICDR Regulations. Any reliance by persons not familiar with Indian accounting policies, Indian GAAP, the Companies Act, the SEBI ICDR Regulations and practices on the financial disclosures

presented in this Prospectus should accordingly be limited.

Unless the context otherwise indicates, any percentage amounts, as set forth in “*Risk Factors*”, “*Our Business*” and “*Management’s Discussion and Analysis of Financial Conditions and Results of Operations*” on pages 19, 142 and 289, respectively, and elsewhere in this Prospectus have been calculated on the basis of the Restated Financial Statements of our Company.

Currency and Units of Presentation

All references to:

- “Rupees” or “₹” or “INR” or “Rs.” are to the Indian Rupee, the official currency of the Republic of India; and
- “USD” or “US\$” are to the United States Dollar, the official currency of the United States.

Our Company has presented certain numerical information in this Prospectus in “million” units. One million represents 1,000,000 and one billion represents 1,000,000,000.

Exchange Rates

This Prospectus contains conversions of certain other currency amounts into Indian Rupees that have been presented solely to comply with the SEBI ICDR Regulations. These conversions should not be construed as a representation that these currency amounts could have been, or can be converted into Indian Rupees, at any particular rate or at all.

The following table sets forth, for the periods indicated, information with respect to the exchange rate between the Rupee and the USD (in Rupees per USD):

Currency	As on March 31, 2013 (₹)	As on March 31, 2014 (₹)	As on March 31, 2015 (₹)	As on March 31, 2016 (₹)	As on March 31, 2017 (₹)
1 USD	54.39	60.10	62.59	66.33	64.84

Industry and Market Data

Unless stated otherwise, industry and market data used in this Prospectus has been obtained or derived from publicly available information as well as industry publications and sources.

Industry publications generally state that the information contained in such publications has been obtained from publicly available documents from various sources believed to be reliable but their accuracy and completeness are not guaranteed and their reliability cannot be assured. Although we believe the industry and market data used in this Prospectus is reliable, it has not been independently verified by us or the BRLMs or any of their affiliates or advisors. The data used in these sources may have been reclassified by us for the purposes of presentation. Data from these sources may also not be comparable. Such data involves risks, uncertainties and numerous assumptions and is subject to change based on various factors, including those discussed in “*Risk Factors*” on page 19. Accordingly, investment decisions should not be based solely on such information.

For details of risks in relation to the industry report, see “*Risk Factors*” on page 19.

In accordance with the SEBI ICDR Regulations, “*Basis for Offer Price*” on page 111 includes information relating to our peer group companies. Such information has been derived from publicly available sources, and neither we, nor the BRLMs have independently verified such information.

The extent to which the market and industry data used in this Prospectus is meaningful depends on the reader's familiarity with and understanding of the methodologies used in compiling such data. There are no standard data gathering methodologies in the industry in which the business of our Company is conducted, and methodologies and assumptions may vary widely among different industry sources.

FORWARD-LOOKING STATEMENTS

All statements contained in this Prospectus that are not statements of historical fact constitute “forward-looking statements.” All statements regarding our expected financial condition and results of operations, business, plans and prospects are forward-looking statements. These forward-looking statements include statements with respect to our business strategy, our revenue and profitability, our projects, our objects, our goals, and other matters discussed in this Prospectus regarding matters that are not historical facts. Bidders can generally identify forward-looking statements by terminology such as “aim”, “anticipate”, “believe”, “expect”, “estimate”, “intend”, “likely to”, “objective”, “plan”, “project”, “seek to”, “shall”, “will”, “will continue”, “will pursue” or other words or phrases of similar import. All forward-looking statements (whether made by us or any third party) are predictions and are subject to risks, uncertainties and assumptions about us that could cause actual results to differ materially from those contemplated by the relevant forward-looking statement.

Forward looking statements reflect our current views, plans, estimates, and expectations with respect to future events as of the date of this Prospectus and are not a guarantee of future performance. These statements are based on our management’s beliefs and assumptions, which in turn are based on currently available information. Although we believe the assumptions upon which these forward-looking statements are based are reasonable, any of these assumptions could prove to be inaccurate, and the forward-looking statements based on these assumptions could be incorrect.

Further, the actual results may differ materially from those suggested by the forward-looking statements due to risks or uncertainties associated with our expectations with respect to, but not limited to, regulatory changes pertaining to the industries in India in which we have our businesses and our ability to respond to them, our ability to successfully implement our strategy, our growth and expansion, technological changes, our exposure to market risks, general economic and political conditions in India, which have an impact on our business activities or investments, the monetary and fiscal policies of India, inflation, deflation, unanticipated turbulence in interest rates, foreign exchange rates, equity prices or other rates or prices, the performance of the financial markets in India and globally, changes in domestic laws, regulations and taxes, changes in competition in our industry and incidence of any natural calamities and/or acts of violence. Important factors that could cause actual results to differ materially from our expectations include, but are not limited to, the following:

- Our inability to successfully transition from an NBFC to an SFB;
- Our inability to replace sources of funds that are no longer available to us as a result of our transition to an SFB;
- Our inability to comply with laws and regulations applicable to an SFB;
- Our inability to manage interest rate risk;
- Our inability to maintain or reduce our current levels of NPAs in the future;
- Ability to operate in a highly competitive and fragmented industry and competing successfully against existing or new customers, particularly in the unorganized segment; and
- Adverse changes in the conditions affecting regional markets on which our business is dependent.

For a further discussion of factors that could cause our actual results to differ, see “*Risk Factors*”, “*Our Business*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” on pages 19, 142 and 289, respectively.

By their nature, certain risk disclosures are only estimates and could be materially different from what actually occurs in the future. As a result, actual future gains or losses could materially differ from those that have been estimated, expressed or implied by such forward looking statements. The forward looking statements contained in this Prospectus speak only as of the date of this Prospectus or the respective dates indicated in this Prospectus and

are not guarantees of future performance. Although we believe that the assumptions on which such statements are based are reasonable, any such assumptions as well as the statement based on them could prove to be inaccurate. Our Company, the Selling Shareholders, the Directors, the Syndicate and their respective affiliates or associates do not have any obligation to, and do not intend to, update or otherwise revise any statements reflecting circumstances arising after the date hereof or to reflect the occurrence of underlying events, even if the underlying assumptions do not come to fruition. In accordance with the SEBI requirements, our Company and the BRLMs, will ensure that Bidders in India are informed of material developments until the time of the listing and commencement of trading of the Equity Shares on the Stock Exchanges. Each of the Selling Shareholders (severally and not jointly) will ensure that the Bidders in India are informed of material developments in relation to the statements relating to and undertakings specifically confirmed or undertaken by such Selling Shareholder in relation to them or their portion of the Offered Shares in this Prospectus until the listing and commencement of trading permission by the Stock Exchanges. Further, in accordance with Regulation 51A of the SEBI ICDR Regulations and Regulation 35 of the SEBI Listing Regulations, our Company may be required to undertake an annual updation of disclosures made in this Prospectus and make it publicly accessible in the manner specified by SEBI.

The RBI, through a letter dated December 20, 2016 has granted the license to establish a SFB to our Company under Section 22 of the Banking Regulation Act, subject to certain conditions subsequently our Company has commenced operations as an SFB with effect from April 19, 2017 as announced via RBI's press release dated April 19, 2017. Certain information in this Prospectus, in relation to our SFB operations, has been derived from our correspondences and representation made to the RBI in relation to our application to obtain the SFB License. For details of our business, see "*Our Business*" and for corresponding approvals, see "*Government and Other Approvals*" on pages 142 and 331, respectively.

SECTION II: RISK FACTORS

An investment in Equity Shares involves a high degree of risk. You should carefully consider all the information in this Prospectus, including the risks and uncertainties described below, before making an investment in our Equity Shares. The risks described below are not the only ones relevant to us or our Equity Shares, the industry and segments in which we currently operate or propose to operate in India. Additional risks and uncertainties, not presently known to us or that we currently deem immaterial may also impair our businesses, results of operations, financial condition and cash flows. If any of the following risks, or other risks that are not currently known or are currently deemed immaterial, actually occur, our businesses, results of operations, financial condition and cash flows could suffer, the trading price of our Equity Shares could decline, and you may lose all or part of your investment. To obtain a complete understanding of our Company, prospective investors should read this section in conjunction with “Our Business”, “Industry Overview” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” on pages 142, 119 and 289, respectively, as well as the financial, statistical and other information contained in this Prospectus. In making an investment decision, prospective investors must rely on their own examination of us and the terms of the Offer including the merits and risks involved. You should consult your tax, financial and legal advisors about the particular consequences to you of an investment in our Equity Shares.

Prospective investors should pay particular attention to the fact that our Company is incorporated under the laws of India and is subject to a legal and regulatory environment, which may differ in certain respects from that of other countries. This Prospectus also contains forward-looking statements that involve risks, assumptions, estimates and uncertainties. Our actual results could differ materially from those anticipated in these forward-looking statements as a result of certain factors, including the considerations described below and elsewhere in this Prospectus. See “Forward-Looking Statements” on page 17.

Unless specified or quantified in the relevant risk factors below, we are not in a position to quantify the financial or other implications of any of the risks described in this section. Unless the context requires otherwise, the financial information of our Company has been derived from the Restated Financial Statements.

Internal Risk Factors

Risks Relating to our Business

1. *Our inability to successfully transition from an NBFC to an SFB may have an adverse effect on our business, results of operations, financial condition and cash flows.*

We received a license to set up an SFB on December 20, 2016 from the RBI and commenced SFB operations with effect from April 19, 2017. However, we have no operating history or experience as an SFB and as such are exposed to several risks and uncertainties, including an inability to:

- set up SFB branches and commence SFB operations in a timely manner;
- introduce and manage new product and service offerings;
- maintain our asset quality;
- create value propositions to attract and retain customers and cross-sell our SFB products to them;
- meet our branch and branch infrastructure expansion targets on commercially viable terms, or at all;
- successfully develop and institutionalize our procedures and policies for our SFB operations and manage increased volume of transactions;
- attract deposits from retail and corporate customers;

- recruit suitable personnel and train them for our SFB operations;
- set-up and update our information technology systems for our SFB operations;
- comply with the terms of our licenses and rules and regulations applicable to an SFB; and
- prevent fraud committed by our personnel or customers.

Further, SFB operations pose risk management challenges, including setting up of a comprehensive risk management and reporting framework, audit mechanism and adopting an enhanced asset liability management system, which may cause our management to divert significant time and resources towards such activities. Accordingly, our operations may be subject to higher degree of risk compared to banks with established operational histories and with demonstrated financial performance. We cannot assure you that we will be able to successfully transition from an NBFC to an SFB and sustain our growth or financial performance post the commencement of our SFB operations, which may have an adverse effect on our business, results of operations, financial condition and cash flows.

2. *As an SFB, we will be unable to access some of the sources of funds that were available to us as an NBFC and our inability to replace such sources of funds in an acceptable and timely manner, or at all, may have an adverse effect on our business, results of operations, financial condition and cash flows.*

Our business and results of operations depend on our ability to raise funds from various external sources on suitable terms and in a timely manner. Over the years, we have secured funding from a variety of sources including term loans and working capital facilities; proceeds from loans assigned and securitized; proceeds from the issuance of NCDs and commercial paper; and subordinated debt borrowings from banks, mutual funds, insurance companies and other domestic and foreign financial institutions to meet our funding requirements. However, as an SFB, we will be unable to raise secured borrowings from banks and financial institutions or raise funds from the issuance of secured NCDs. As of March 31, 2017, our aggregate secured borrowings were ₹ 52,312.24 million, or 73.98% of our Total Borrowings.

Further, we securitize and assign loans which qualify as priority sector lending (“PSL”) for banks as well as our non-priority sector loans through securitization or direct assignment to banks, financial institutions and mutual funds, which enables us to optimize our cost of borrowings, funding and liquidity requirements, capital management and asset liability management. However, as an SFB, we are required to extend 75% of our adjusted net bank credit (“ANBC”) to the sectors eligible for classification as PSL and therefore may need to limit securitizations and assignments to comply with such requirement. In addition, money market and interbank borrowings will only be available to us once we become a scheduled commercial bank, which will require additional time after the commencement of our SFB operations.

The RBI issued the SFB guidelines on November 27, 2014 (“**SFB Guidelines**”) to license SFBs in the private sector. The SFB Guidelines and the SFB license issued to us, together with the “Operating Guidelines for Small Finance Banks” issued by RBI on October 6, 2016 (“**SFB Operating Guidelines**”) exempt SFBs from the existing regulatory ceiling on inter-bank borrowings till the existing loans mature or up to three years, whichever is earlier. However, while the SFB Guidelines provide an exemption with respect to legacy borrowings and any borrowings made by us after the commencement of operations as an SFB will be subject to inter-bank borrowing limits, at par with scheduled commercial banks. The SFB Operating Guidelines also provide that the restrictions on loans and advances applicable to scheduled commercial banks will be applicable to SFBs as well.

As an SFB, we believe we will be able to access funds such as savings and current account deposits and term and recurring deposits, which have otherwise not been available to us as a non-deposit accepting NBFC. However, we will have to compete with existing banks by offering attractive interest rates, and may be unable to raise sufficient funds, including at existing or higher interest cost, through such deposits. We also face certain restrictions on our ability to incur debt from international markets, which may further constrain our ability to

raise funds at attractive rates. Consequently, our inability to raise sufficient funds in a timely manner, or at all, may have an adverse effect on our business, results of operations, financial condition and cash flows.

3. *Our inability to comply with laws and regulations applicable to an SFB may have an adverse effect on our business, results of operations, financial condition and cash flows.*

As an SFB, we are subject to laws and regulations that are more stringent than those, which were applicable to us as an NBFC. The SFB Operating Guidelines and our SFB license require us to comply with certain conditions in order to operate our SFB business, including among others:

- our Company is required to be “owned and controlled by residents” in accordance with FEMA at all times from the date of commencement of our SFB operations and our Promoters are required to continue to hold 26% of the share capital in our Company for five years from the commencement of our SFB business;
- our Company is required to maintain a minimum paid-up equity capital and a minimum net worth of ₹1,000 million;
- any change of shareholding by way of fresh issue or transfer of shares to the extent of 5% or more in our Company requires prior RBI approval;
- at least 25% of our total branches have to be located in unbanked rural areas;
- we are subject to certain prudential norms, with specific focus on our risk management framework; for example, the maximum loan size and investment limit exposure to a single and group obligor will be restricted to 10% and 15% of our Company’s capital funds, respectively, and at least 50% of our Company’s loan portfolio will constitute loans and advances of up to ₹ 2.5 million;
- we are not permitted exposure in terms of loans and advances to the companies (and directors of such companies) in which our Directors, our Promoters, major shareholders (holding 10% or more of our paid-up equity share capital), relatives of Promoters and entities in which such Promoters, major shareholders or relatives of Promoters have significant influence or control, or are interested; and
- we will be required to maintain a minimum capital adequacy ratio of 15% on a continuous basis, subject to any higher percentage as may be prescribed by RBI from time to time; further, our Tier I capital should be at least 7.5% of our risk weighted assets (RWAs) and our Tier II capital should be limited to a maximum of 100% of total Tier I capital.

As an SFB, we are also regulated under the Banking Regulation Act and have to comply with circulars and directives issued by the RBI from time to time. We will have to comply with prudential norms specified in respect of market discipline, the classification, valuation and operation of our investment portfolio, income recognition, asset classification and provisioning pertaining to advances, RBI directives on permissible loans and advances, permissible exposures, requisite disclosures in financial statements, fraud classification and reporting, and periodic disclosure requirements (including in presentation of financial information and financial statements). Further, the Banking Regulation Act limits the flexibility of shareholders and management in an SFB in many ways, including by way of specifying certain matters for which a banking company would require RBI approval. Additionally, in the event we fail to meet prescribed prudential norms, the RBI may charge penal interest for the period of default, or restrict our SFB activities, or otherwise enforce increased scrutiny and control over our operations. The RBI may also impose additional conditions on us, and may terminate our SFB license, if we are unable to comply with applicable requirements.

We cannot currently determine the full impact and applicability of the SFB Guidelines and other banking regulations to our SFB business. Uncertainty in the applicability, interpretation or implementation of the governing law, specifically due to the absence of administrative or judicial precedent may be time consuming as well as costly for us to resolve. To ensure compliance with the regulatory framework applicable to SFBs, we

may need to allocate additional resources, which may increase our regulatory compliance costs and divert management attention. Our inability to comply with laws and regulations applicable to an SFB may have an adverse effect on our business, results of operations, financial condition and cash flows.

4. *If our customers default in their repayment obligations, our business, results of operations, financial condition and cash flows may be adversely affected.*

We are primarily focused on serving low and middle-income individuals and businesses that have limited or no access to formal banking and finance channels. A significant number of our customers are first time buyers of financial products and often do not have credit histories supported by tax returns and other documents that would enable us to accurately assess their creditworthiness. We may also not receive updated information regarding any change in the financial condition of our customers or may receive inaccurate or incomplete information as a result of any fraudulent misrepresentation by our customers or employees. Further, in India, there may be less financial information available about individuals, particularly in our customer segments, which primarily comprise low and middle-income earners. It may therefore be difficult for us to carry out precise credit risk analysis for all our customers. Our customers may default in their repayment obligations due to various reasons including insolvency, lack of liquidity, increase in operating costs and failure of their business operations. We cannot assure you that our risk management controls will be sufficient to prevent future losses on account of customer defaults, which may adversely affect our business, results of operations, financial condition and cash flows.

5. *Our operations are concentrated in western India and any adverse developments in this region could have an adverse effect on our business, results of operations, financial condition and cash flows.*

As of May 31, 2017, we conducted our operations through 269 branches and 121 asset centers in India, of which 189 branches and 89 asset centers were located in western India in the states of Rajasthan, Gujarat and Maharashtra. As of March 31, 2017, 79.29% of our Gross AUM was located in such states, with Rajasthan accounting for 53.78% of our Gross AUM. Consequently, any significant social, political or economic disruption, or natural calamities or civil disruptions in this region, or changes in the policies of the state or local governments of this region or the Government of India, could disrupt our business operations, require us to incur significant expenditure and change our business strategies. The occurrence of or our inability to effectively respond to any such event, could have an adverse effect on our business, results of operations, financial condition and cash flows.

6. *We have a substantial amount of outstanding indebtedness, which requires significant cash flows to service and are subject to certain conditions and restrictions in terms of our financing arrangements, which restricts our ability to conduct our business and operations in the manner we desire.*

As of March 31, 2017, our long term borrowings were ₹ 49,367.37 million, short term borrowings were ₹ 9,940.45 million and current maturities of long term borrowings were ₹ 11,401.96 million, and we will continue to incur additional indebtedness in the future. Our level of indebtedness has important consequences to us, such as:

- increasing our vulnerability to general adverse economic, industry and competitive conditions;
- limiting our flexibility in planning for, or reacting to, changes in our business and the industry;
- affecting our credit ratings;
- limiting our ability to borrow additional amounts in the future;
- affecting our capital adequacy requirements; and
- increasing our finance costs.

Our financing agreements contain restrictive covenants that require us to obtain prior approval from our lenders for, among other things:

- change in capital structure of our Company;

- change in the shareholding of our promoters in our Company;
- create any further charge on the secured assets or provide any guarantees to other lenders;
- declare dividend or distribute profits;
- amend charter documents;
- avail any new borrowing or financing;
- sell, transfer or dispose of the whole or substantially part of the undertaking of our Company, property, assets or revenues, whether by a single transaction or a number of transactions (other than in the ordinary course of trading); and
- change in the management and operating structure of our Company.

In the event we breach any financial or other covenants contained in any of our financing arrangements or in the event we had breached any terms in the past which is noticed in the future, we may be required to immediately repay our borrowings either in whole or in part, together with any related costs. As per the terms of certain financing arrangements, our lenders also have the right to appoint a director on our board in the event of any default by our Company. A default by our Company under the terms of any financing document may also trigger a cross-default under some of the other financing documents of our Company, or any other agreements or instruments of our Company containing a cross-default provision, which may individually or in aggregate, have an adverse effect on our operations, financial position and credit rating. If the lenders of a material amount of the outstanding loans declare an event of default simultaneously, our Company may be unable to pay its debts when they fall due. For further details of our Company's borrowings, see "*Financial Indebtedness*" on page 317.

7. *Any downgrade in our credit ratings could increase our finance costs and adversely affect our business, results of operations, financial condition and cash flows.*

The cost and availability of capital depends in part on our short-term and long-term credit ratings. Credit ratings reflect the opinions of rating agencies on our financial strength, operating performance, strategic position and ability to meet our obligations. Any downgrade in our credit ratings could cause our lenders to impose additional terms and conditions to any financing or refinancing arrangements that we enter into in the future. As of the date of this Prospectus, we had received a long-term credit rating of CRISIL A+ / Stable from CRISIL Ratings. For further details of our credit ratings, see "*Management's Discussion and Analysis of Financial Condition and Results of Operations – Credit Ratings*" on page 313. Any downgrade in our credit ratings could increase borrowing costs and adversely affect our business, results of operations, financial condition and cash flows.

8. *Our inability to manage interest rate risk may adversely affect our business, results of operations, financial condition and cash flows.*

Our results of operations depend substantially on the level of our net interest income, which is the difference between our interest income and other charges, and interest expense and other borrowing costs. Any change in interest rates or their volatility would affect our interest expense on our floating interest-bearing liabilities as well as our net interest income and net interest margins. Any increase in our cost of funds may lead to a reduction in our net interest margin, or require us to increase interest rates on loans disbursed to customers in the future to maintain our net interest margin. For the financial years 2017, 2016 and 2015, our finance cost was ₹ 5,003.33 million, ₹ 3,952.53 million and ₹ 2,819.74 million, respectively. For the same periods, our net interest margin was 9.67%, 9.45% and 8.09%, respectively. See "*Selected Statistical Information*" on page 281.

The transition to an SFB could affect our cost of funds as a result of the application of rules, regulations and guidelines applicable to us as an SFB. See "*Risk Factors – Internal Risk Factors - As an SFB, we will be unable to access some of the sources of funds available to us as an NBFC and our inability to replace such sources of funds in an acceptable and timely manner, or at all, may have an adverse effect on our business, results of operations, financial condition and cash flows*" on page 20. Our cost of funds is also dependent upon our level of existing indebtedness. Interest rates are highly sensitive to many factors beyond our control, including the monetary policies of the RBI, deregulation of the financial sector in India, domestic and international economic and political conditions and other factors, which have historically generated a relatively high degree of volatility

in interest rates in India. Sustained levels of high inflation in India may discourage the Government from implementing policies that would cause interest rates to decrease. In the event of an increase in the interest rates that we are required to pay on our borrowings, we cannot assure you that we will be able to pass such increased costs to our customers. Further, to the extent our borrowings are linked to market interest rates which increase, or to the extent we are unable to supplement our sources of liquidity with deposits from our customers, we may have to pay interest on our borrowings at a higher rate. Our inability to effectively manage interest rate risk may cause our net interest income and net interest margin to decline, which may adversely affect our business, result of operations, financial condition and cash flows.

9. *We may face asset-liability mismatches, which could affect our liquidity and consequently may adversely affect our operations and profitability.*

Assets and liability mismatch (“ALM”), which represents a situation when the financial terms of an institution’s assets and liabilities do not match, is a key financial parameter for us. We cannot assure you that we will be able to maintain a positive ALM. We may rely on funding options with a short term maturity period for extending long term loans, which may lead to negative ALM. Further, mismatches between our assets and liabilities are compounded in case of pre-payments of the financing facilities we grant to our customers. Any mismatch in our ALM, may lead to a liquidity risk and have an adverse effect on our operations and profitability.

10. *We have introduced several new products and services as an SFB and we cannot assure you that such products and services will be profitable in the future.*

As an SFB, we have introduced several new products and services in addition to our previous NBFC offerings. For further details of our proposed products and services, see “*Our Business – Description of our Business - Our Product Portfolio*” on page 150. We will incur substantial costs to expand our range of products and services and we cannot assure you that such products and services will be successful once offered, whether due to factors within or outside of our control, such as general economic conditions, a failure to understand customer demand and market requirements or management focus on these new products. Further, we will require approval from regulatory authorities before we commence offering certain products and services. If we fail to obtain such approvals, or to develop and launch such products and services successfully, we may lose a part or all of the costs incurred in the development and promotion of such offerings, or discontinue these offerings, which could in turn adversely affect our business and results of operations.

11. *We have recently upgraded our information technology systems for our SFB operations and any disruptions in such systems, or breach of data, could adversely affect our operations and reputation.*

Our business is dependent upon increasingly complex and interdependent information technology systems and as part of our transition to an SFB, we have recently upgraded such systems. We have commenced utilizing the loan management system capabilities of Oracle Flexcube Core Banking solution and have migrated our data from our previous loan management system, OmniFin to this solution. We have also entered into agreements with several IT companies to set up IT infrastructure for our SFB operations and are in the process of establishing new technology enabled centralized processing units. In addition, our delivery channels include ATMs, call centers, mobile platforms and the internet. For further details, see “*Our Business – Information Technology*” on page 161. If our IT vendors are unable to fulfill their contractual obligations or we encounter any failure in the timely implementation, performance or integration of such systems, we may experience interruptions in our operations, loss of customers, damaged reputation and weakening of our competitive position.

The size and complexity of our computer systems may make them potentially vulnerable to breakdown, system integration problems, malicious intrusion and computer viruses. Although we have not experienced any significant disruptions to our information technology systems in the past, we cannot assure you that we will not encounter disruptions in the future. In addition, our systems are potentially vulnerable to data security breaches, whether by employees, who may have a lack of experience with our newer information technology systems, or others, that may expose sensitive data to unauthorized persons. As an SFB we may have a high volume of transactions, including through internet and mobile banking and although we propose to take adequate measures

to safeguard against system-related and other failures, we cannot assure you that we will be able to prevent such failures. Data security breaches could lead to the loss of trade secrets or other intellectual property, or could lead to the public exposure of personal information (including sensitive financial and personal information) of our customers and employees. Any such security breaches or compromises of technology systems could result in institution of legal proceedings against us and potential imposition of penalties, which may have an adverse effect on our business and reputation.

12. *Our financial statements for historic periods may not be indicative of our financial position for any future periods as an SFB.*

Our Restated Financial Statements included in this Prospectus, have been prepared in accordance with Indian GAAP and the provisions of the RBI that were applicable to us while we were an NBFC and restated as per the SEBI ICDR Regulations. As an SFB, we will adopt a new set of accounting policies to prepare our financial statements. Given our transition from an NBFC to an SFB, our financial statements for the periods beginning April 1, 2017 may not be comparable to our historical financial statements, and our financial statements for historic periods may not be indicative of our financial position for any future periods. For further details, see “*Summary of Significant Differences in Accounting Policies Applicable to our Company as a Systematically Important Non-Banking Financial Company and a Small Finance Bank*” on page 277.

For example, as an NBFC, investments are classified into current investments and non-current investments, while as an SFB, investments are classified into ‘Held for Trading’ (“HFT”), ‘Available for Sale’ (“AFS”) and ‘Held to Maturity’ (“HTM”) categories. As an NBFC, investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments, and all other investments are classified as long-term investments. Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis, whereas long-term investments are carried at cost. As an SFB, investments classified as HTM are carried at amortised cost, whereas investments classified as HFT and AFS are required to be marked-to-market on a periodic basis, as per relevant RBI guidelines. As a result of our transition to an SFB, our investments have significantly increased, primarily for complying with the SLR requirements of investing into Government or other RBI-approved securities. Therefore, we may have to record marked-to-market losses, in case of any adverse movements in the HFT and AFS portfolio, depending on interest rate movements and other factors, which may adversely affect our profitability.

In addition, we are required to prepare our annual and interim financial statements under Indian Accounting Standards (“**Ind AS**”) for the period beginning April 1, 2018 with comparatives for the periods ending March 31, 2018 or thereafter. We have made no attempt to quantify or identify the impact of the differences between Indian GAAP and Ind AS as applied to our financial statements. We cannot assure you that our Company’s financial condition, results of operation and cash flow will not be presented differently under Ind AS than under Indian GAAP or IFRS. Further, when our Company adopts Ind AS reporting, it may encounter difficulties in the ongoing process of implementing and enhancing its management information systems.

13. *We significantly depend on our vehicle finance business and any adverse developments in this sector, or in the other industries in which our MSME and SME customers operate, could adversely affect our business, results of operations, financial condition and cash flows.*

Although we have recently introduced several new product offerings as an SFB, we have historically operated in three business lines of vehicle finance, MSME loans and SME loans. For financial year 2017, the Gross AUM of our vehicle finance, MSME loans and SME loans business accounted for 50.27%, 29.96% and 19.77% of our total Gross AUM, respectively. Consequently, our financial performance significantly depends on our vehicle finance business, which in turn depends on various factors that affect the demand for vehicles, including the demand for transportation services in India, changes in Indian regulations and policies affecting such vehicles, natural disasters, calamities, fuel prices and other macroeconomic conditions in India and globally. Moreover, demand for such vehicles from our customers who are individuals or small and medium sized enterprises that typically have less financial wherewithal than corporate borrowers or fleet owners, is more

likely to be adversely affected by such factors. Any decline in sales of, or in demand for financing of such vehicles could adversely affect our business, results of operations, financial condition and cash flows. Further, any adverse development in the industries in which our MSME and SME loan customers operate, could adversely affect their ability to repay us, which in turn could have an adverse effect on our business, results of operations, financial condition and cash flows.

14. *We may incur losses due to a decline in the value of collateral obtained as security for the loans disbursed by us and our inability to seize and recover the full value of collateral may adversely affect our business, results of operations, financial condition and cash flows.*

We primarily disburse loans that are secured by revenue generating assets and follow certain procedures to evaluate the credit profiles of our customers. However, the value of the collateral obtained by us may decline during the tenure of the loan for reasons including depreciation and deterioration of the collateral. As a result, if our customers default, we may receive less money from liquidating the collateral than is owed under the relevant financing facility, and incur losses, even in cases where we are able to successfully seize and liquidate the collateral. While we require customers to have a guarantor, we may be unable to enforce such guarantees. Further, the collateral for our MSME and SME loans primarily includes mortgage over our customers' residential or commercial property and we are therefore exposed to adverse movements in the price of such immovable property and the real estate market in general. The value of collateral may decline due to adverse conditions or due to downward movement in real estate prices. Further, as of March 31, 2017, we had a direct exposure in relation to lending secured by commercial real estate of ₹ 6,806.20 million and an indirect exposure of ₹ 660.35 million (Only those loans have been classified as an exposure to commercial real estate, the prospects for repayment in respect of which depend primarily on the cash flows generated by such mortgaged asset (including the recovery in the event of default)). For further details, see "*Financial Statements*" on page 222. We cannot assure you that we will be able to successfully seize the collateral in the event of customer default and may face delays and incur legal and administrative costs in the repossession and sale of the collateral. Legal proceedings for such purposes in India are often time consuming and if we are unable to seize and recover the full value of collateral in a timely manner, or at all, our business, results of operations, financial condition and cash flows may be adversely affected.

15. *Our inability to leverage our existing customer base, expand our branch network and attract new customers for our SFB operations may adversely affect our business, results of operations, financial condition and cash flows.*

We intend to leverage our existing customer base for our SFB operations by encouraging our existing customers to open savings and current accounts with us and cross-selling our other products to them. We also intend to grow our branch network in our existing markets and new markets in India and attract new customers. In addition to our existing branches and asset centers, we intend to gradually open 162 additional branches during the financial year 2018 to reach 431 branches and 121 asset centers at the end of the financial year 2018. This proposed branch expansion plan also includes opening 23 SFB branches in Tier 1 centers beyond the 10 states and one union territory in which we are currently present, thereby expanding our geographic reach into new states and regions. We have and will continue to incur substantial expenditure in setting up such branches. However, we cannot assure you that we will succeed in implementing such strategies, as their successful implementation is subject to many factors beyond our control. Factors such as competition and customer requirements, in these new markets may differ from those in our existing markets. In addition, as an SFB, we are likely to compete with not only other banks and financial institutions but also the local unorganized or semi-organized private financiers, who are more familiar with local business practices and customs, and have stronger relationships with the target customers.

As we plan to expand our geographic footprint in India, our business may be exposed to additional challenges, including obtaining additional governmental or regulatory approvals, identifying and collaborating with local business partners with whom we may have no existing relationship, successfully marketing our products in markets in which we have no familiarity, attracting customers in a market in which we do not have significant experience or visibility, maintaining standardized systems and procedures, and adapting our marketing strategy

and operations to new markets in India in which different languages are spoken. To address these challenges, we may have to make significant investments that may not yield desired results or incur costs that we may not be able to recover. If we are unable to implement such growth strategies, our business, results of operations, financial condition and cash flows will be adversely affected.

16. *There are outstanding proceedings involving our Company, and certain of our Promoters and our Directors and any adverse outcome in any of these proceedings may adversely affect our profitability and reputation and may have an adverse effect on our business, results of operations, financial condition and cash flows.*

There are certain outstanding legal proceedings involving our Company, our Promoters and our Directors, that are incidental to our business and operations. These proceedings are pending at different levels of adjudication before various courts, tribunals, quasi-judicial authorities and appellate tribunals. For further details of certain material legal proceedings involving our Company, our Promoters and our Directors, see “*Outstanding Litigation and Material Developments*” on page 321. A summary of the proceedings against our Company, Promoters and Directors as of the date of this Prospectus is provided below:

I. *Litigation involving our Company*

3.	Action taken by statutory and regulatory authorities	-	-	-
4.	Other matters as per our Materiality Policy	-	-	-

The amounts claimed in these legal proceedings have been disclosed to the extent ascertainable and include amounts claimed jointly and severally. If any new developments arise, such as a change in the applicable laws or rulings against us by appellate courts or tribunals, we may need to make provisions in our financial statements that could increase our expenses and current liabilities.

We cannot assure you that these legal proceedings will be decided in favor of our Company, our Promoters and our Directors, as the case may be, or that no further liability will arise out of these proceedings. Further, such legal proceedings could divert management time and attention and consume financial resources. Any adverse outcome in any of these proceedings may adversely affect our profitability and reputation and may have an adverse effect on our results of operations, financial condition and cash flows.

17. *Non-compliance with the RBI's observations made during its periodic inspections could expose us to penalties and restrictions.*

As an NBFC, we were subject to periodic inspection by the RBI under section 45N of the Reserve Bank of India Act, 1934 (the “**RBI Act**”), pursuant to which the RBI inspected our books of accounts and other records for the purpose of verifying the correctness or completeness of any statement, information or particulars furnished to the RBI. As an SFB, we will continue to be subject to RBI inspections, in the course of which, RBI may report on divergence from extant regulatory requirements as applicable to scheduled commercial banks. In its past inspection reports, the RBI has, among other things, identified deficiencies in our operations such as (i) keeping cash in our branches in excess of the cash retention limits and insurance limits; (ii) deviating from our policies while providing loans to real estate companies; (ii) not adequately monitoring the end use of certain loans sanctioned by our Company; (iii) certain loan application forms were not dated or dated incorrectly; and (iv) the need to strengthen control mechanisms. While we have responded to such observations and addressed them, we cannot assure you that the RBI will not make similar or other observations including divergences in the future. In the event we are unable to resolve such deficiencies and other matters to the RBI's satisfaction, we may be restricted in our ability to conduct our business as we currently do. While we seek to comply with all regulatory provisions applicable to us, in the event we are unable to comply with the observations made by the RBI, we could be subject to penalties and restrictions which may be imposed by the RBI. Imposition of any penalty or adverse findings by the RBI during the ongoing or any future inspections may have an adverse effect on our business, results of operations, financial condition and reputation.

18. *Our operations involve handling significant amounts of cash, making us susceptible to loss or misappropriation or fraud by our employees.*

Our employees at our branches are responsible for the collection and deposit of large amounts of cash, thereby exposing us to the risks of loss, fraud, misappropriation and unauthorized transactions by our employees. While we strive to monitor, detect and prevent fraud or misappropriation by our employees, through various internal control measures and insurance coverage, we may be unable to adequately prevent or deter such activities in all cases. In the past there have been instances where our employees have facilitated loans from us with a fictitious security as collateral. For further details, see “*Outstanding Litigations and Material Developments*” on page 321. While we have been able to identify fraud relating to misappropriation of funds in the past, there could be instances of fraud and misconduct by our employees which may go unnoticed for certain periods of time before corrective action is taken. In addition, we may be subject to regulatory or other proceedings in connection with any such unauthorized transaction, fraud or misappropriation by our agents or employees, which could adversely affect our goodwill, business prospects and future financial performance. Even when we identify instances of fraud and other misconduct and pursue legal recourse or file claims with our insurance carriers, we cannot assure you that we will recover any amounts lost through such fraud or other misconduct.

As an SFB, we believe the frequency of, and amount of cash handled by employees at our branches is likely to increase and continue to expose us to risks of loss, fraud, misappropriation and unauthorized transactions by our employees.

19. *We are exposed to operational and credit risks which may result in NPAs, and we may be unable to control or reduce the level of NPAs in our portfolio.*

Our ability to manage the credit quality of our loans, which we measure in part through NPAs, is a key driver of our results of operations. We have a diversified customer base comprising self employed and salaried customers and businessmen who do not have access to formal banking and finance channels. While we try to ensure strict adherence to our internally developed credit policy framework, our customers may, at times, not be able to provide us with requisite or complete information required in connection with our loan products, which may affect our customer on-boarding procedures. Further, our customers may face cash flow constraints due to losses incurred by them in their businesses or in the economic activities pursued by them, which could lead to a diversion of the loan proceeds for purposes other than those for which the loan was sanctioned. Any such cash flow constraints or diversion of loan proceeds may affect the ability of our customers to repay their loans, and in turn, our ability to recover the loans.

As of March 31, 2017, 2016 and 2015, our Gross NPAs were ₹ 1,072.30 million, ₹ 370.61 million and ₹ 326.50 million respectively, while our Gross NPA/Gross Advances was 1.61%, 0.64% and 0.92%, respectively. As of March 31, 2017, 2016 and 2015, our Net NPAs were ₹ 693.41 million, ₹ 221.54 million and ₹ 154.94 million, respectively, while our Net NPA/Net Advances was 1.05%, 0.38% and 0.44%, respectively. For further details, see “*Selected Statistical Information*” on page 281. We cannot assure you that we will be able to maintain or reduce our current levels of NPAs in the future. As the number of our loans that become NPAs increase, the credit quality of our loan portfolio decreases. The significant increase in our Gross NPA from ₹ 370.61 million as on March 31, 2016 to ₹ 1,072.30 million as on March 31, 2017 was primarily on account of the change in the period of classification of loans as an NPA, from 150 days past due as on March 31, 2016 to 120 days past due as on March 31, 2017 in accordance with guidelines issued by the RBI. As an SFB, this period will reduce further to 90 days past due, which may result in a further increase in our Gross NPA, which could reduce the net interest earning asset base and increase provisioning requirements, thereby adversely affecting our results of operations and our financial condition.

Further, as an NBFC, any amount recovered from a loan account (which had been classified as an NPA), pursuant to which the days past due rolls back to less than 120 days, was re-classified as an standard asset. However, as an SFB, even if an outstanding amount is recovered from a loan account (which has been classified as an NPA), pursuant to which the days past due rolls back to less than 90 days, the account cannot be reclassified as a standard asset. Such account can be reclassified as a standard asset, only when the entire amount which is outstanding has been repaid, resulting in zero days past due. This may result in us continuing to report Gross NPAs for a longer period of time in our financial statements as an SFB.

20. *We have recently introduced additional risk management architecture for our SFB operations and any failure or weakness therein, could adversely affect our business, results of operations, financial condition and cash flows.*

We are exposed to a variety of risks, including credit risk, liquidity risk, interest rate risk, operational risk and asset risk and have recently introduced additional risk management architecture for our SFB operations. As an NBFC, our risks were monitored by our Board through the Audit Committee, the Asset Liability Management Committee and the Credit Risk and NPA Committee for retail and wholesale Banking. As an SFB, we have enhanced our risk management architecture by setting up a Risk Management Committee of the Board and an IT & Operational Risk Management Committee. We have also enhanced the scope of our previous committees and implemented a number of additional risk management policies such as an NPA management policy, an internal capital adequacy assessment process policy and a market risk policy. However, such additional risk management measures are untested and may not be fully effective in mitigating our risks in all market environments. Some methods of managing risks are based upon observed historical market behavior. As a result, these methods may not predict future risk exposures, which could be greater than the historical measures indicated. Other risk management methods depend upon an evaluation of information regarding markets, customers or other matters. Such information may not be accurate, complete, current, or properly evaluated in all cases.

We intend to continue to periodically test and update our risk management architecture. However, we are exposed to operational risks arising from inadequacy or failure of internal processes or systems, and our actions may not be sufficient to result in an effective internal control environment. Given our high volume of transactions and changing technology and payments landscape, errors may be repeated or compounded before they are discovered and rectified. Our management information systems and internal control procedures that are designed to monitor our operations and overall compliance may not be able to identify non-compliance or suspicious transactions in a timely manner, or at all. Where internal control weaknesses are identified, our actions may not be sufficient to fully correct such internal control weaknesses. In addition, certain processes are carried out manually, which may increase the risk that human error, tampering, frauds or manipulation will result in losses that may be difficult to detect. As a result, we may suffer monetary losses, which may not be covered by our insurance policies. Any failure or material weakness in our risk management architecture could adversely affect our business, results of operations, financial condition and cash flows.

21. *Our inability to detect money-laundering and other illegal activities fully and on a timely basis may expose us to additional liability and adversely affect our business and reputation.*

We are required to comply with applicable anti-money-laundering (“AML”) and anti-terrorism laws and other regulations in India. In the ordinary course of our SFB operations, we run the risk of failing to comply with the prescribed Know Your Customer (“KYC”) procedures, fraud and money laundering by dishonest customers. Although we believe that we have adequate internal policies, processes and controls in place to prevent and detect any AML activity and ensure KYC compliance, we cannot assure you that we will be able to fully control instances of any potential or attempted violation. Any inability on our part to detect such activities fully and on a timely basis, may subject us to regulatory actions including imposition of fines and penalties and adversely affect our business and reputation.

22. *We provide unsecured trade advances to several vehicle dealers to promote our business. If such advances are not repaid or set off, we may have to write-off such advances, which may have an adverse effect on our results of operations, financial condition and cash flows.*

We provide unsecured trade advances in the normal course of business to several vehicle dealers with whom we have business relationships and we intend to continue to provide such trade advances in the future. As of March 31, 2017, we had trade advances to dealers – considered good of ₹ 609.97 million and trade advances to dealers – considered doubtful of ₹ 23.11 million. We had trade advances to dealers – considered good of ₹ 1,145.91 million and ₹ 629.06 million as at March 31, 2016 and March 31, 2015, respectively. These vehicle dealers are permitted to net the principal amount of loans granted to our customers from such trade advances. These trade advances are not secured and consequently any failure to recover such advances or set these off, will have an adverse effect on our results of operations, financial condition and cash flows.

23. *We may face difficulties and incur additional expenses in operating in rural and semi-urban markets, where infrastructure may be limited.*

A significant number of our customers are located in the rural and semi-urban markets in India, which may have limited infrastructure, particularly for transportation, electricity and internet bandwidth. Out of our 431 branches, which we plan to operationalize by the end of financial year 2018, 119 branches shall be in unbanked centres where we may face difficulties in conducting operations, such as accessing power facilities, transporting our personnel and equipment and implementing technology measures. We may also face increased costs in conducting our business and operations, implementing security measures and expanding our advertising. We cannot assure you that such costs will not increase in the future as we expand our network in rural and semi urban markets, which could adversely affect our profitability.

24. *There is uncertainty on the impact of currency demonetization in India on our business.*

On November 8, 2016, the RBI and the Ministry of Finance of the Government withdrew the legal tender status of the then in circulation ₹ 500 and ₹ 1,000 currency notes pursuant to a notification dated November 8, 2016. The short-term impact of these developments has been, among other things, a decrease in liquidity of cash and

consequently, spending, in India. There is uncertainty on the long-term impact of this action. While we had experienced a short term adverse effect on our disbursements and collections as a result of the demonetization, the short and long-term effects of demonetization on the Indian economy and India's capital markets are uncertain, and we cannot accurately predict its effect on our business, results of operations, financial condition and prospects.

- 25. *We are dependent on our senior management and other key personnel, and the loss of, or our inability to attract or retain, such persons could adversely affect our business, results of operations, financial condition and cash flows.***

Our performance depends largely on the efforts and abilities of our senior management and other key personnel, including our operational, credit managers and branch managers. We believe that the inputs and experience of our senior management, in particular, and other key personnel are valuable for the development of our business and operations and the strategic directions taken by our Company. For details in relation to the experience of our key management personnel, see “*Our Management*” on page 188. We cannot assure you that these individuals or any other member of our senior management team will not leave us or join a competitor or that we will be able to retain such personnel or find adequate replacements in a timely manner, or at all. We may require a long period of time to hire and train replacement personnel when qualified personnel terminate their employment with our Company. We may also be required to increase our levels of employee compensation more rapidly than in the past to remain competitive in attracting employees that our business requires. The loss of the services of such persons may have an adverse effect on our business, results of operations, financial condition and cash flows.

- 26. *In the event our existing customers and targeted customer segments are not receptive to our new brand and identity as an SFB, our business, results of operations, financial condition and cash flows may be adversely affected.***

In order to highlight our new SFB identity and businesses, we have rebranded ourselves as “Au Small Finance Bank Limited”, along with a change in the name and logo of our Company. The shareholders of our Company by way of a special resolution dated on January 24, 2017 had approved the change of name of our Company to “AU Small Finance Bank Limited” which became effective upon commencement of our SFB business. Consequently, our Company has been issued a fresh certificate of incorporation by the RoC on April 13, 2017. Further, our Company has applied for the registration of our trademark for “AU Small Finance Bank Limited” by way of an application dated November 22, 2016. For details, see “*Government and Other Approvals*” on page 331. While we believe our new brand aligns with our transition to an SFB, we cannot assure you that our rebranding exercise will achieve its expected results. In addition, our existing customers may take time to get familiar with our new brand and new identity, or may not accept it at all. If for any reason, our existing customers and targeted customer segments are not receptive to our new brand and new identity, our business, results of operations, financial condition and cash flows may be adversely affected.

- 27. *We have, and will continue to recruit and train additional personnel for our SFB operations and our inability to attract and retain talented professionals may have an adverse effect on our business and prospects.***

As we transitioned from an NBFC to an SFB, we have, and will continue to recruit a significant number of additional personnel for our operations and will incur substantial costs in doing so. Our performance and success depends, in part, on our ability to attract and retain the services of skilled and experienced personnel and their performance. Although we intend to train such personnel along with our existing employees for our SFB operations, they may not perform as successfully as we anticipate. There is significant competition for the recruitment of management and other experienced personnel in the banking industry. Our failure to attract, train and retain skilled personnel for our SFB operations, could adversely affect our business and prospects.

- 28. *Our operations could be adversely affected by strikes, work stoppages or increased wage demands by our employees or any other kind of disputes with our employees.***

As of March 31, 2017, we employed 8,515 personnel across our operations. Although we have not experienced any material labour unrest, we cannot assure you that we will not experience disruptions in work due to disputes or other problems with our work force in the future. Any labour unrest directed against us could prevent or hinder our normal operating activities, and, if not resolved in a timely manner, could lead to disruptions in our operations. These actions are impossible for us to predict or control and any such event could adversely affect our business, results of operations and financial condition.

29. *We do not have certain supporting documents for the information comprising the biographies of certain of our Promoters, Directors and details of SMPs included in the sections “Our Promoters and Promoter Group” and “Our Management” of this Prospectus.*

We do not have certain documents supporting the information included in the biographies, primarily pertaining to their educational qualifications and previous work experience, for certain of our Promoters and Directors, disclosed in the sections “Our Promoters and Promoter Group” and “Our Management” on pages 214 and 188, respectively. Further, we also do not have documents supporting the information in relation to the total work experience of our SMPs. The information included in this Prospectus in relation to certain portions of biographies of such Promoters and Directors and the total work experience of the SMPs is based on the details provided by the respective Promoters, Directors and SMPs by way of affidavits, certifying such information. Therefore, we cannot assure you that all information relating to the educational and professional background of certain of our Promoters and Directors and the total work experience of our SMPs included in the sections “Our Promoters and Promoter Group” and “Our Management”, as may be applicable, is complete, true and accurate.

30. *As an SFB, we are required to extend a minimum level of advances to certain sectors and maintain a prescribed cash reserve ratio, statutory liquidity ratio and minimum capital to risk-weighted assets ratio, which may have an adverse effect on our business operations.*

As an SFB, we are required to extend 75% of our ANBC to the sectors eligible for classification as PSL by RBI, such as agriculture, MSMEs, export credit, education, housing, social infrastructure and renewable energy. Further, while 40% of our ANBC is required to be allocated to different sub-sectors under PSL as per the PSL prescriptions, as an SFB and we can allocate the balance 35% to any one or more sub-sectors under the PSL where we have a competitive advantage. The PSL requirements applicable to an SFB are significantly higher than the PSL limits applicable to scheduled commercial banks, which could subject us to higher delinquency rates and may limit our funding from securitizations and assignments to comply with such requirement. In case of any shortfall by us in meeting the PSL requirements, we would subsequently be required to place the difference between the required lending level and the actual PSL targets in an account with the NABARD under the Rural Infrastructure Development Fund Scheme, or with other institutions specified by the RBI, which may earn lower levels of interest, compared to other interest bearing securities. Our failure to comply with PSL requirements, may have an adverse effect on our business, results of operation, financial condition and cash flows.

The SFB Guidelines mandate that SFBs will be subject to all prudential norms and regulations of the RBI as applicable to existing commercial banks including the requirement of maintenance of cash reserve ratio (“CRR”) and statutory liquidity ratio (“SLR”). All scheduled commercial banks (other than regional rural banks) are required to comply with the statutory reserve requirements prescribed by the RBI. Currently, scheduled commercial banks are required to maintain a CRR of 4% of their total demand and time liabilities (“DTL”), on which no interest is paid. Further, scheduled commercial banks are also required to maintain, under the current requirements, a SLR equivalent to 20.50% of their net demand and time liabilities, to be invested in cash and Government or other RBI-approved securities. As an NBFC, we were not required to maintain a minimum CRR with the RBI or meet any SLR requirements, and such capital was available for our operations, resulting in better net interest margin and return on net worth. As an SFB, our net interest margin and return on net worth may be adversely affected, since we will be required to set aside capital to meet the CRR and SLR requirements of the RBI. Further, until we scale up our deposit base, a significant portion of the CRR and SLR requirements will be met from our borrowings, which may also adversely affect our net interest

margin and return on net worth in the short to medium term.

Further, as we have recently commenced SFB operations, we may be unable to maintain the CRR and SLR as prescribed by the RBI, from time to time, due to limited availability of funds and the time required to establish a strong depositor base. Moreover, if we fail to meet the prescribed norms in our banking operations, the RBI may charge penal interest for the period of default, or restrict our banking activities, or otherwise enforce increased scrutiny and control over our banking operations including by way of withholding approvals, or issuing conditional approvals, in respect of any proposed actions for which we may seek RBI approval in the future, or even cancel our banking license in view of any major and/or sustained non-compliance. Further, maintaining the CRR and SLR may impose liquidity constraints on us by reducing the amount of cash available with us for lending. In the event that the CRR or SLR requirements applicable to us are increased in the future, our resources available for making loans and advances to our borrowers would be correspondingly further reduced. Any such actions or events may adversely affect our business, results of operations, financial condition and cash flows.

Additionally, as per the SFB Guidelines, we are required under applicable laws and regulations to maintain certain minimum capital adequacy, which is currently 15%. As of March 31, 2017, 2016 and 2015 our CRAR was 23.21%, 16.91% and 17.29%, respectively. As we continue to grow our loan portfolio and asset base, we may be required to raise additional capital in order to continue to meet applicable capital adequacy ratios with respect to our business. We cannot assure you that we will be able to raise adequate additional capital in the future on terms favorable to us, or at all, and this may adversely affect the growth of our business.

- 31. *The banking and finance sector in India is highly competitive, with significant presence of public sector banks and established private sector banks that have extensive branch networks, as well as NBFCs, other SFBs, cooperative banks, regional rural banks, payment banks and other financial services companies, against which we may be unable to compete effectively.***

The banking and financing sector in India is highly competitive and we face competition from several Indian and foreign commercial banks in the private sector, as well as public sector. We also face competition from NBFCs, cooperative banks which have significant presence in rural areas, other financial services companies, regional rural banks, other small finance banks and payment banks in India. These existing financial institutions may have a greater customer and depositor base, larger branch networks, and in case of public sector banks, Government support for capital augmentation, due to which they may enjoy greater access to low-cost capital and corresponding economies of scale. Due to intense competition in the banking sector in India, we may also face challenges in hiring and retaining adequate numbers of sufficiently qualified and experienced personnel. Our inability to compete effectively may adversely affect our business, results of operations financial condition and cash flows.

- 32. *One of our Promoters and our Managing Director and CEO, Mr. Sanjay Agarwal, has 49% partnership stake in M/s. Arihant Filling and Service Station and has resigned and disassociated himself from M/s. Arihant Filling and Service Station, which is required to be taken on record by Indian Oil Corporation Limited within six months from April 13, 2017, failing which it may adversely impact his appointment as our Managing Director and CEO.***

One of our Promoters and our Managing Director and CEO, Mr. Sanjay Agarwal, holds 49% partnership stake in M/s. Arihant Filling and Service Station (“**Arihant**”). Arihant currently undertakes the business of operating retail petrol filling outlets/ dealerships. Pursuant to Section 10A(2)(b) of the Banking Regulation Act, the board of directors of a bank are not allowed to have any substantial interest in, *inter-alia*, any firm, which carries on any trade, commerce or industry. For details, see “*Key Regulations and Policies in India*” on page 167. The RBI by way of its letter dated February 20, 2017 has approved the constitution of our Board, subject to certain conditions, including, that the directors having substantial interest (as defined under Section 5(ne) of the Banking Regulation Act) shall not be classified under majority category in terms of Section 10A (2) of the Banking Regulation Act. Pursuant to this, Mr. Sanjay Agarwal by way of his letter dated March 3, 2017 to Arihant, has resigned and disassociated himself from Arihant, which was also intimated to the RBI by way of

our Company's letter dated March 7, 2017. The RBI by way of its letter dated April 13, 2017 (the "**RBI Letter**") has, *inter-alia*, approved the appointment of Mr. Sanjay Agarwal as the Managing Director and Chief Executive Officer of our Company, subject to the Indian Oil Corporation Limited ("**IOCL**") taking on record Mr. Sanjay Agarwal's resignation from Arihant within a period of six months from the date of the RBI Letter. While, Arihant by way of its letter dated March 7, 2017 has intimated IOCL regarding the resignation and proposed divestment by Mr. Sanjay Agarwal and the consequent reconstitution of Arihant, IOCL is yet to take the resignation and reconstitution of Arihant on record. Since Arihant currently undertakes the business of operating retail petrol filling outlets/ dealerships, it is therefore governed by the guidelines issued by Ministry of Petroleum and Natural Gas, GOI. A press release dated October 16, 2008 issued by the Ministry of Petroleum and Natural Gas, GOI, ("**Press Release**") stipulates that reconstitution of retail petrol filling outlets/ dealerships will be permitted by indication of minority partner(s) only after five years of commission of the outlet/dealership and any subsequent reconstitution shall be considered only after five years from the date of last reconstitution. According to the stipulation provided in the Press Release and the last reconstitution undertaken by Arihant, reconstitution of Arihant would only be possible during the first quarter of the financial year 2018 and therefore we cannot assure that IOCL would take on record such resignation and reconstitution within the time-period stipulated in the RBI Letter. Any delay by IOCL in this regard, will lead to non-compliance with the terms of the RBI Letter and may also adversely impact Mr. Sanjay Agarwal's appointment as the Managing Director and Chief Executive Officer of our Company. For further information, see "*Our Management*" and "*Our Promoter and Promoter Group*" on pages 188 and 214, respectively.

33. Regulation with respect to ownership and eligibility requirements of shareholders of equity securities of an SFB may hamper our ability to raise capital and restrict investment in our Company.

Investment in an SFB is subject to restrictions under the laws governing banking companies including the Banking Regulation Act and the Small Finance Bank Guidelines. The Small Finance Bank Guidelines refer to Section 12B of the Banking Regulation Act, which provides that any acquisition of 5.00% or more of the paid-up share capital of a banking company will require prior approval of RBI. This will also apply to an SFB. Section 12B of the Banking Regulation Act further requires any person to seek prior approval of the RBI to acquire, or agree to acquire, shares or voting rights of a bank, either directly or indirectly, by himself or acting in concert with other persons, wherein such acquisition (taken together with shares or voting rights held by him or his relative or associate enterprise or persons acting in concert with him) results in the aggregate shareholding of such persons to be 5.00% or more of the paid-up share capital of a bank or entitles him to exercise 5.00% or more of the voting rights in a bank. Such approval may be granted by the RBI if it is satisfied that the applicant meets certain "Fit and Proper" criteria.

The terms of the RBI In-Principle Approval provide that, upon conversion of our Company into an SFB, the non-promoter shareholders of our Company are mandatorily required to reduce their respective shareholding to below 5.00% of the share capital in our Company, unless prior approval from the RBI is obtained. The RBI, by its letters dated October 13, 2016, has granted approvals (the "**RBI Approvals**") to Redwood Investment Ltd, International Finance Corporation, Ourea Holdings Limited and Labh Investments Limited ("**Non-Promoter Shareholders**") to hold more than 5.00% but less than 10.00% of the share capital of our Company, even after our Company converts into an SFB. However, the RBI Approvals provide that Redwood Investment Ltd, International Finance Corporation, and Labh Investments Limited are required to reduce their shareholding to less than 10.00% by October 6, 2018. The RBI Approvals further provide that the RBI may impose additional conditions if Redwood Investment Ltd, International Finance Corporation, and Labh Investments Limited are not found to be "Fit and Proper".

We cannot assure that we or our shareholders will be able to comply with the requirements under the Banking Regulation Act and the RBI Approvals. Further, these restrictions also limit our ability to raise further capital and could also have an adverse effect on our business, results of operations, financial condition and prospects. For further details in relation to the restrictions on shareholding, refer to "*Key Regulations and Policies in India*" and "*Offer Procedure*" on pages 167 and 364, respectively.

34. Some of our corporate records including certain secretarial records for transfer of Equity Shares are not

traceable.

Our Company does not have access to certain filings pertaining to certain historical legal and secretarial information in relation to certain disclosures in this Prospectus. These include, maintaining of transfer forms for the following transactions:

(i) transfer of 125,000 Equity Shares by Mr. Laxmi Narayan Goyal to Mr. Sanjay Agarwal on October 1, 2005; (ii) transfer of 125,000 Equity Shares by Mr. Laxmi Narayan Goyal to Ms. Jyoti Aggarwal on October 1, 2005; (iii) transfer of 329,800 Equity Shares by Mr. Nipin Goyal to Ms. Jyoti Agarwal on September 9, 2006; (iv) transfer of 50,000 Equity Shares by Mr. Laxmi Narayan Goyal to Ms. Jyoti Agarwal on August 15, 2007; (v) transfer of 10 Equity Shares by Mr. Sunil Soni to Ms. Shakuntala Agarwal on January 1, 2003; (vi) transfer of 100,000 Equity Shares by Ms. Pushpa Goyal to Ms. Shakuntala Agarwal on September 8, 2006; (vii) transfer of 120,000 Equity Shares by Mr. Nipin Goyal to Ms. Shakuntala Agarwal on September 9, 2006; (viii) transfer of 50,000 Equity Shares by Lunkad Textiles Private Limited to Ms. Shakuntala Agarwal on September 20, 2007; (ix) transfer of 50,000 Equity Shares by Dolex Finvest Private Limited to Ms. Shakuntala Agarwal on September 20, 2007; (x) transfer of 100,000 Equity Shares by Khushagra Software Limited to Ms. Shakuntala Agarwal on September 20, 2007; (xi) transfer of 50,000 Equity Shares by Shipra Fabrics Private Limited to Ms. Shakuntala Agarwal on September 20, 2007; (xii) transfer of 50,000 Equity Shares by Mr. Pawan Khandelwal to Ms. Shakuntala Agarwal on September 20, 2007; (xiii) transfer of 10,000 Equity Shares by Ms. Hemlata Saini to Ms. Shakuntala Agarwal on September 20, 2007; (xiv) transfer of 10,000 Equity Shares by Mr. O.P. Saini to Ms. Shakuntala Agarwal on September 20, 2007; (xv) transfer of 10 Equity Shares by Geetanjali Enterprise to Mr. Chiranji Lal Agarwal on January 1, 2003; and (xvi) transfer of 150,000 Equity Shares by Mr. Laxmi Narayan Goyal to Mr. Chiranji Lal Agarwal on September 9, 2006.

While information in relation to such transfers have been disclosed in the section titled “Capital Structure” in this Prospectus, based on information in our statutory registers, we may not be able to furnish any further instrument of transfers evidencing such transfers. We cannot further assure you that we will not be penalized by the relevant supervisory and regulatory authorities in India for not maintaining or executing such instruments of transfers. For details of such transfers in relation to acquisition and transfer of equity shares of our Company, see, “*Capital Structure - Build-up of Promoters' shareholding in our Company*” on page 80.

35. *We require certain statutory and regulatory approvals for conducting our business and our inability to obtain, retain or renew them in a timely manner, or at all, may adversely affect our operations.*

We are required to obtain and maintain certain approvals, licenses, registrations and permits from statutory and regulatory authorities. While we have obtained a number of approvals for our operations, certain approvals for which we have submitted applications are currently pending before relevant authorities including certain approvals that we require for our SFB operations from the RBI. We are yet to obtain the following approvals as on date:

S. No.	Approval details	Relevant Authority	Status
1.	Registration as an Other Service Provider under the revised “Terms and conditions – Other Service Provider (“OSP”) Category, 2008	Department of Telecommunications, Ministry of Communication	Not applied
2.	Approval for Negotiated Dealing System (NDS)	Reserve Bank of India	Applied
3.	Inclusion of our Company's name in Second Schedule to the RBI Act, 1934	Reserve Bank of India	Applied

Further, we may need to apply for new licenses and approvals and renew our existing ones, which expire from time to time. For further details of key approvals that have not been applied for and have not yet been obtained, see “*Government and Other Approvals*” on page 331. If we fail to obtain or retain any of these approvals or licenses, or renewals thereof, in a timely manner or at all, our business may be adversely affected.

In addition, we are required to obtain certain approvals, including under shops and establishment laws,

employee provident fund and employee state insurance laws. Further, our approvals and licenses are subject to numerous conditions, some of which are onerous and may require us to incur substantial expenditure in order to comply with such conditions. We cannot assure you that the approvals, licenses, registrations or permits issued to us will not be suspended or revoked, or that applicable penalties will not be imposed on us in the event of non-compliance with any terms and conditions. We may also incur substantial costs related to litigation if we are subject to significant regulatory action, which may adversely affect our business, future financial performance and results of operations.

- 36. *We have not obtained revised registrations for certain existing branches and are in the process of obtaining certain new registrations under shops and establishment laws. Any failure to obtain such registration in a timely manner may adversely affect our proposed SFB operations.***

We require registration under the applicable shops and establishments laws to conduct business in our branches in certain states. As on May 31, 2017, we held valid registrations under the applicable shops and establishment law for 118 branches, 72 asset centers, nine offices and one centralized processing center. As on May 31, 2017, we had applied for and were yet to obtain registrations under the applicable shops and establishment laws for 55 branches, eight asset centres and one office.

For details, see “Government and Other Approvals” on page 331. We cannot assure you that we will obtain such registrations in a timely manner, or at all. If we fail to obtain such registrations, we may be subject to penalties and may not be able to conduct our SFB operations.

- 37. *All our branches and most of our asset centers are on leased premises and we are in the process of entering into new lease arrangements for our branches. Any inability on our part to identify suitable premises or enter into or renew lease agreements on terms acceptable to us, may have an adverse effect on our operations.***

As of May 31, 2017, we conducted our operations through 269 branches, 121 asset centers, one central processing center and 10 offices. All our branches and most of our asset centers and offices are on leased premises. In addition, we intend to gradually open 162 additional branches during the financial year 2018, all of which will be on leased premises. We are currently in the process of identifying such premises and entering into lease agreements. Consequently, any inability on our part to identify suitable branches, or enter into or renew lease agreements on terms acceptable to us, may have an adverse effect on our operations.

- 38. *Our insurance coverage may not be sufficient or may not adequately protect us against any or all hazards, which may adversely affect our business, results of operations, financial condition and cash flows.***

While we believe that the insurance coverage which we maintain would be reasonably adequate to cover the normal risks associated with the operation of our businesses, we cannot assure you that any claim under the insurance policies maintained by us will be honored fully, in part or on time, or that we have obtained sufficient insurance to cover all our losses. In addition, our insurance coverage expires from time to time. We apply for the renewal of our insurance coverage in the normal course of our business, but we cannot assure you that such renewals will be granted in a timely manner, or at acceptable cost, or at all. To the extent that we suffer loss or damage, or successful assertion of one or more large claims against us for events for which we are not insured, or for which we did not obtain or maintain insurance, or which is not covered by insurance, exceeds our insurance coverage or where our insurance claims are rejected, the loss would have to be borne by us and our results of operations, financial condition and cash flows could be adversely affected. For further details on our insurance arrangements, see “Our Business – Insurance” on page 164.

- 39. *Our ability to pay dividends in the future will depend on our earnings, financial condition, cash flows, capital requirements, capital expenditures and restrictive covenants of our financing arrangements.***

Our ability to pay dividends in the future will depend on our earnings, financial condition, cash flows, capital requirements, capital expenditure and restrictive covenants of our financing arrangements. Any future determination as to the declaration and payment of dividends will be at the discretion of our Board and subsequent approval of shareholders and will depend on factors that our Board and shareholders deem relevant,

including among others, our future earnings, financial condition, cash flows, capital requirements, capital expenditures, business prospects and restrictive covenants under our financing arrangements. We may decide to retain all of our earnings to finance the development and expansion of our business and, therefore, may not declare dividends on our Equity Shares. We cannot assure you that we will be able to pay dividends at any point in the future. For details of dividend paid by our Company in the past, see “Dividend Policy” on page 221.

40. *We utilize the services of certain third parties for our operations. Any deficiency or interruption in their services could adversely affect our business and reputation.*

We engage third party service providers from time to time for services including the valuation of assets and legal services, and as collection agents. Further, we also engage third parties for services such as cash management, file storage, operations and maintenance of ATMs and switch provider services. Our ability to control the manner in which services are provided by third party service providers is limited and we may be held liable on account of any deficiency of services on the part of such service providers. We cannot assure you that we will be successful in continuing to receive uninterrupted and quality services from our third party service providers. Any disruption or inefficiency in the services provided by our third party service providers could affect our business and reputation.

41. *We have relied on third party industry reports which have been used for industry related data in this Prospectus and such data have not been independently verified by us.*

We relied on the CRISIL Research report titled “NBFC Report 2016” published in April 2016 along with subsequent impact notes published by CRISIL Research post the demonetization policy introduced by the Government and “CRISIL Inclusix Report June 2015”, the ICRA report titled “RBI’s Operating Guidelines for Small Finance Banks” published in October 2016, the India Brand Equity Foundation – Banking, published in December 2016, which have been used for industry related data that has been disclosed in this Prospectus. The reports use certain methodologies for market sizing and forecasting. We have not independently verified such data and therefore, while we believe them to be true, we cannot assure you that they are complete or reliable. Accordingly, investors should read the industry related disclosure in this Prospectus in this context. Industry sources and publications are also prepared based on information as of specific dates and may no longer be current or reflect current trends. Industry sources and publications may also base their information on estimates, projections, forecasts and assumptions that may prove to be incorrect. While industry sources take due care and caution while preparing their reports, they do not guarantee the accuracy, adequacy or completeness of the data. Accordingly, investors should not place undue reliance on, or base their investment decision solely on this information. Please see “Industry Overview” and “Certain Conventions, Use of Financial Information and Market Data and Currency of Presentation –Industry and Market Data” on pages 142 and 14, respectively.

42. *We have certain contingent liabilities that have not been provided for in our financial statements, which, if they materialize, may adversely affect our results of operations, financial condition and cash flows.*

The following table sets forth certain information relating to our contingent liabilities which have not been provided for, as of March 31, 2017, as per AS-29 issued by the ICAI:

Particulars	Amount (₹ in million)
Credit enhancements provided by the Company towards asset assignment / securitisation (including cash collaterals, principal and interest subordination)	3,041.77
Corporate Guarantees on borrowings taken by Aavas Financiers Limited (formerly known as Au Housing Finance Limited)	1,280.40
Claims against our Company not acknowledged as debts	28.15
Value added tax	1.39
Income tax demand	47.26
Service tax	204.75
Total	4,603.72

We sold 90.10% of outstanding equity shares of Aavas Financiers Limited (formerly known as Au Housing Finance Limited) on June 22, 2016.

If a significant portion of these liabilities materialize, it could have an adverse effect on our results of operations, cash flows and financial condition. For details, see “*Financial Statements – Annexure 31.3: Restated standalone statement of Contingent liability not provided for*” on page 267.

43. We have had negative net cash flows in the past and may continue to have negative cash flows in the future.

The following table sets forth our cash flow for the periods indicated:

	Financial Year		
	2017 (₹ in million)	2016 (₹ in million)	2015 (₹ in million)
Net cash generated/(used in) Operating Activities	(4,955.55)	(19,380.36)	(7,471.42)
Net cash generated/(used in) Investing Activities	(15,797.91)	(333.74)	(228.40)
Net cash generated/(used in) Financing Activities	24,876.87	19,639.29	7,824.15
Net increase/(decrease) in Cash and Cash Equivalents	4,123.41	(74.81)	124.33

For further details, see “*Financial Statements*” and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations*” on pages 222 and 289, respectively. We cannot assure you that our net cash flows will be positive in the future.

44. Our Promoters and Promoter Group will continue to retain control over our Company after completion of the Offer, which will allow them to influence the outcome of matters submitted for approval of our shareholders.

Our Promoters and Promoter Group currently together own 36.03% of our Equity Shares. Following the completion of the Offer, our Promoters and Promoter Group will continue to hold together approximately 32.87% of our post-Offer Equity Share capital. As a result, they will have the ability to influence matters requiring share-holders approval, including the ability to appoint Directors to our Board and the right to approve significant actions at Board and at shareholders’ meetings, including the issue of Equity Shares and dividend payments, business plans, mergers and acquisitions, any consolidation or joint venture arrangements, any amendment to our Memorandum of Association and Articles of Association, and any assignment or transfer of our interest in any of our licenses. We cannot assure you that our Promoters and Promoter Group will not have conflicts of interest with other shareholders or with our Company. Any such conflict may adversely affect our ability to execute our business strategy or to operate our business.

45. We have in the past entered into related party transactions and may continue to do so in the future, which may potentially involve conflicts of interest with the equity shareholders.

We have entered into various transactions with related parties, including for payment of salaries and wages of key management persons. While we believe that all such transactions have been conducted on an arm’s length basis and contain commercially reasonable terms, we cannot assure you that we could not have achieved more favorable terms had such transactions been entered into with unrelated parties. It is likely that we may enter into related party transactions in the future. Although going forward, all related party transactions that we may enter into, will be subject to board or shareholder approval, as necessary under the Companies Act, 2013 and the SEBI Listing Regulations, we cannot assure you that such transactions, individually or in the aggregate, will not have an adverse effect on our financial condition and results of operations or that we could not have achieved more favorable terms if such transactions had not been entered into with related parties. Such related party transactions may potentially involve conflicts of interest. For details, see “*Related Party Transactions*” on page 220. We cannot assure you that such transactions, individually or in the aggregate, will always be in the best interests of our minority shareholders and will not have an adverse effect on our business, results of operations, financial condition and cash flows.

46. *Certain of our Promoters, Directors and key management personnel have interests in us other than reimbursement of expenses incurred and normal remuneration or benefits.*

Certain of our Promoters, Directors and key management personnel may be regarded as having an interest in our Company other than reimbursement of expenses incurred and normal remuneration or benefits. Certain Directors and Promoters and key management personnel may be deemed to be interested to the extent of Equity Shares held by them and by members of our Promoter Group, as well as to the extent of any dividends, employee stock options, bonuses or other distributions on such Equity Shares. We cannot assure you that our Promoters, Directors and our key management personnel will exercise their rights as shareholders to the benefit and best interest of our Company. For further details, see “*Capital Structure*”, “*Our Promoters and Promoter Group*” and “*Our Management*” on pages 76, 214 and 188, respectively.

47. *We have in the last 12 months issued Equity Shares at a price that could be lower than the Offer Price.*

We have in the last twelve months prior to filing this Prospectus, issued Equity Shares at a price that could be lower than the Offer Price. For further details, see “*Capital Structure*” on page 76.

48. *The average cost of acquisition of Equity Shares by our Promoters, may be less than the Offer Price.*

The average cost of acquisition of Equity Shares by our Promoters Mr. Sanjay Agarwal, Ms. Jyoti Agarwal, Ms. Shakuntala Agarwal and Mr. Chiranjil Lal Agarwal is ₹ 28.75, ₹ 2.47, ₹ 7.78 and ₹ 11.22, per Equity Share, respectively. For further details, see sections “*Risk Factors – Prominent Notes*” and “*Capital Structure*” on page 44 and 76 of the Prospectus. We cannot assure you that the Offer Price will not be less than the average cost of acquisition of Equity Shares held by our Promoters.

49. *Our Promoters, Mr. Sanjay Agarwal and Ms. Jyoti Agarwal, have provided personal guarantees to secure a significant portion of our borrowings and the invocation of such guarantees may adversely affect their reputation and net worth.*

Our Promoters, Mr. Sanjay Agarwal and Ms. Jyoti Agarwal, have provided personal guarantees to secure a significant portion of our existing borrowings, and may continue to provide such guarantees and other security after the listing of our equity shares. In this regard, it should be noted that (i) Mr. Sanjay Agarwal has provided personal guarantees for borrowings of the Company amounting to ₹ 11,377.28 million which amounts to 16.09% of the total borrowings of the Company as on March 31, 2017, and (ii) Ms. Jyoti Agarwal has provided personal guarantees for borrowing of the Company amounting to ₹ 526.40 million which amounts to 0.74% of the total borrowings of the Company as on March 31, 2017. In the event of a default under our loan agreements, such personal guarantees may be invoked which could adversely affect their reputation and net worth. For further details, see “*Financial Indebtedness*” on page 317.

50. *Our Company will not receive any proceeds from the Offer. Our Promoters and Promoter Group are also selling shares in the Offer and will receive proceeds as part of the Offer for Sale*

The Offer comprises of an offer for sale of up to 53,422,169 Equity Shares by the Selling Shareholders which includes our Promoters and Promoter Group. The proceeds from the Offer will be paid to Selling Shareholders, in proportion of the respective portion of the Offered Shares transferred pursuant to the Offer, and we will not receive any such proceeds. Our Promoters and Promoter Group being part of the Selling Shareholders will receive such proceeds from the Offer for Sale. For further details, see “*Objects of the Offer*” and “*Capital Structure*” on pages 109 and 76, respectively.

51. *We may be required to withhold U.S. tax on payments made on the Equity Shares after December 31, 2018.*

The United States has enacted legislation (commonly referred to as “*Foreign Account Tax Compliance Act*” or “**FATCA**”), a new information reporting regime for tax purposes, which affects financial institutions across the world, including us. Under FATCA, non-U.S. financial institutions are obligated to identify and report to the U.S. Inland Revenue Service (the “**IRS**”) financial accounts held by U.S. persons or entities with substantial

U.S. ownership, as well as accounts of other “financial institutions” that are not themselves participating in (or otherwise exempt from) the FATCA reporting regime. Failure to identify and report such information can result in a 30% withholding tax on certain U.S. source payments made to the financial institution. India has signed an intergovernmental agreement (“IGA”) with the United States. Accordingly, we, as a financial institution, are obligated to provide such information to the IRS. If a withholding tax in respect of FATCA were to be deducted or withheld from any payments, neither us nor any other person will pay to investors additional amounts as a result of the deduction or withholding.

Similarly, the Common Reporting Standard (“CRS”) is a global level uniform standard for the automatic exchange of financial account information. India has signed the Multilateral Competent Authority Agreement (“MCAA”) for CRS. Under this standard, jurisdictions other than the United States may obtain financial information from their financial institutions and exchange that information with other jurisdictions on an automatic annual basis.

External Risk Factors

Risks Related to India

52. Recent global economic conditions have been unprecedented and challenging and continue to affect the Indian market, which may adversely affect our business, financial condition, results of operations and prospects.

The Indian economy and its securities markets are influenced by economic developments and volatility in securities markets in other countries. Investors’ reactions to developments in one country may have adverse effects on the market price of securities of companies located in other countries, including India. For instance, the economic downturn in the U.S. and several European countries during a part of financial years 2008 and 2009 adversely affected market prices in the global securities markets, including India. Negative economic developments, such as rising fiscal or trade deficits, or a default on national debt, in other emerging market countries may also affect investor confidence and cause increased volatility in Indian securities markets and indirectly affect the Indian economy in general.

Any worldwide financial instability could also have a negative impact on the Indian economy, including the movement of exchange rates and interest rates in India. In June 2016, a majority of voters in the United Kingdom elected to withdraw the United Kingdom from the European Union in a national referendum. The referendum was advisory, and the terms of any withdrawal are subject to a negotiation period that could last at least two years after the government of the United Kingdom initiated the withdrawal process. These developments, or the perception that any of them could occur, have had and may continue to have an adverse effect on global economic conditions and the stability of global financial markets, and may significantly reduce global market liquidity and restrict the ability of key market participants to operate in certain financial markets. Any of these factors could depress economic activity and restrict our access to capital, which could have an adverse effect on our business, financial condition and results of operations and reduce the price of our equity shares. Any financial disruption could have an adverse effect on our business, future financial performance, shareholders’ equity and the price of our Equity Shares.

53. Political, economic or other factors that are beyond our control may have an adverse effect on our business and results of operations.

We are dependent on domestic, regional and global economic and market conditions. Our performance, growth and market price of our Equity Shares are and will be dependent to a large extent on the health of the economy in which we operate. There have been periods of slowdown in the economic growth of India. Demand for our products may be adversely affected by an economic downturn in domestic, regional and global economies. Economic growth in the countries in which we operate is affected by various factors including domestic consumption and savings, balance of trade movements, namely export demand and movements in key imports (oil and oil products), global economic uncertainty and liquidity crisis, volatility in exchange currency rates, and annual rainfall which affects agricultural production. Consequently, any future slowdown in the Indian

economy could harm our business, results of operations, financial condition and cash flows. Also, a change in the government or a change in the economic and deregulation policies could adversely affect economic conditions prevalent in the areas in which we operate in general and our business in particular and high rates of inflation in India could increase our costs without proportionately increasing our revenues, and as such decrease our operating margins.

54. *Changing laws, rules and regulations and legal uncertainties, including adverse application of corporate and tax laws, may adversely affect our business, prospects and results of operations.*

The regulatory and policy environment in which we operate is evolving and subject to change. Such changes, including the instances mentioned below, may adversely affect our business, results of operations and prospects, to the extent that we are unable to suitably respond to and comply with any such changes in applicable law and policy. For example:

- the GAAR has been implemented from April 1, 2017. The tax consequences of the GAAR provisions being applied to an arrangement could result in denial of tax benefit amongst other consequences. In the absence of any precedents on the subject, the application of these provisions is uncertain. If the GAAR provisions are made applicable to our Company, it may have an adverse tax impact on us; and
- the Government of India has implemented a comprehensive national goods and services tax (“GST”) regime that combines taxes and levies by the Central and State Governments into a unified rate structure. While the Government of India and certain state governments have announced that all committed incentives will be protected following the implementation of the GST, given the limited availability of information in the public domain concerning the GST, we cannot provide you with any assurance as to this or any other aspect of the tax regime following implementation of the GST. Since the implementation of this rationalized tax structure is still at a nascent stage, this may create uncertainty, and any future increases or amendments may affect the overall tax efficiency of companies operating in India and may result in significant additional taxes becoming payable. If, as a result of a particular tax risk materializing, the tax costs associated with certain transactions are greater than anticipated, it could affect the profitability of such transactions.

We have not determined the impact of such proposed legislations on our business. In addition, unfavourable changes in or interpretations of existing, or the promulgation of new, laws, rules and regulations including foreign investment laws governing our business, operations and group structure could result in us being deemed to be in contravention of such laws and/or may require us to apply for additional approvals. We may incur increased costs and other burdens relating to compliance with such new requirements, which may also require significant management time and other resources, and any failure to comply may adversely affect our business, results of operations and prospects. Uncertainty in the applicability, interpretation or implementation of any amendment to, or change in, governing law, regulation or policy, including by reason of an absence, or a limited body, of administrative or judicial precedent may be time consuming as well as costly for us to resolve and may impact the viability of our current business or restrict our ability to grow our business in the future.

55. *Investors may not be able to enforce a judgment of a foreign court against our Company.*

Our Company is incorporated under the laws of India. Our Company’s assets are primarily located in India and all of our Company’s Directors and Key Managerial Personnel are residents of India. As a result, it may not be possible for investors to effect service of process upon our Company or such persons in jurisdictions outside India, or to enforce against them judgments obtained in courts outside India. Moreover, it is unlikely that a court in India would award damages on the same basis as a foreign court if an action were brought in India or that an Indian court would enforce foreign judgments if it viewed the amount of damages as excessive or inconsistent with Indian public policy.

56. *Under Indian law, foreign investors are subject to investment restrictions that limit our ability to attract foreign investors, which may adversely affect the trading price of the Equity Shares.*

Under foreign exchange regulations currently in force in India, transfer of shares between non-residents and residents are freely permitted (subject to certain exceptions), if they comply with the valuation and reporting requirements specified by the RBI. If a transfer of shares is not in compliance with such requirements and does not fall under any of the exceptions specified by the RBI, then the RBI's or Government's prior approval is required. As per the extant FDI policy, foreign direct investment in our Company while conducting operations as an NBFC was 100% under the automatic route. Further, pursuant to conversion to an SFB and as per the extant FDI Policy and SFB Guidelines, foreign direct investment in our Company is permitted up to 49% under the automatic route and up to 74% under government route in a private sector Indian bank. Currently, 46.94% of our Equity Share capital is held by foreign entities. As an SFB, if any foreign investor purchases or applies for purchasing our Equity Shares which, either exceeds the 49% automatic investment threshold or increases the foreign shareholding percentage of our Company in excess of 49%, the Stock Exchanges may alert the RBI regarding such purchase and consequently, the RBI may either direct the investor to seek its approval prior to such purchase or to bring down the foreign shareholding of our Company below the permissible limit. Any such restrictions may adversely impact your ability to sell Equity Shares. Further, the restrictions on foreign shareholding may adversely affect the price of the Equity Shares.

Additionally, shareholders who seek to convert Rupee proceeds from a sale of shares in India into foreign currency and repatriate that foreign currency from India require a no objection or a tax clearance certificate from the Indian income tax authorities. We cannot assure you that any required approval from the RBI or any other governmental agency can be obtained on any particular terms or at all.

57. Investors may be subject to Indian taxes arising out of capital gains on the sale of the Equity Shares.

Under current Indian tax laws, unless specifically exempted, capital gains arising from the sale of Equity Shares in an Indian company are generally taxable in India. Any gain realized on the sale of listed equity shares on a stock exchange held for more than 12 months will not be subject to capital gains tax in India if Securities Transaction Tax ("STT") has been paid on the transaction. STT will be levied on and collected by a domestic stock exchange on which the Equity Shares are sold. Any gain realized on the sale of equity shares held for more than 12 months, which are sold other than on a recognized stock exchange and on which no STT has been paid to an Indian resident, will be subject to long term capital gains tax in India.

Further, any gain realized on the sale of listed equity shares held for a period of 12 months or less will be subject to short term capital gains tax in India. Capital gains arising from the sale of the Equity Shares will be exempt from taxation in India in cases where the exemption from taxation in India is provided under a treaty between India and the country of which the seller is resident. Generally, Indian tax treaties do not limit India's ability to impose tax on capital gains. As a result, residents of other countries may be liable for tax in India as well as in their own jurisdiction on a gain upon the sale of the Equity Shares.

58. Rights of shareholders under Indian laws may be more limited than under the laws of other jurisdictions.

Indian legal principles related to corporate procedures, directors' fiduciary duties and liabilities, and shareholders' rights may differ from those that would apply to a company in another jurisdiction. Shareholders' rights including in relation to class actions, under Indian law may not be as extensive as shareholders' rights under the laws of other countries or jurisdictions. Investors may have more difficulty in asserting their rights as shareholder in an Indian company than as shareholder of a corporation in another jurisdiction.

59. Our ability to raise foreign capital may be constrained by Indian law.

As an Indian company, we are subject to exchange controls that regulate borrowing in foreign currencies. Such regulatory restrictions limit our financing sources and could constrain our ability to obtain financing on competitive terms and refinance existing indebtedness. In addition, we cannot assure you that any required regulatory approvals for borrowing in foreign currencies will be granted to us without onerous conditions, or at all. Limitations on foreign debt may have an adverse effect on our business growth, financial condition and results of operations.

Risks Related to the Offer

- 60. *The Equity Shares have never been publicly traded, and, after the Offer, the Equity Shares may experience price and volume fluctuations, and an active trading market for the Equity Shares may not develop. Further, the price of the Equity Shares may be volatile, and you may be unable to resell the Equity Shares at or above the Offer Price, or at all.***

Prior to the Offer, there has been no public market for the Equity Shares, and an active trading market on the Stock Exchanges may not develop or be sustained after the Offer. Listing and quotation does not guarantee that a market for the Equity Shares will develop, or if developed, the liquidity of such market for the Equity Shares. The Offer Price of the Equity Shares is proposed to be determined through a book-building process and may not be indicative of the market price of the Equity Shares at the time of commencement of trading of the Equity Shares or at any time thereafter. The market price of the Equity Shares may be subject to significant fluctuations in response to, among other factors, variations in our operating results of our Company, market conditions specific to the industry we operate in, developments relating to India, volatility in securities markets in jurisdictions other than India, variations in the growth rate of financial indicators, variations in revenue or earnings estimates by research publications, and changes in economic, legal and other regulatory factors.

- 61. *Fluctuation in the exchange rate between the Indian Rupee and foreign currencies may have an adverse effect on the value of our Equity Shares, independent of our operating results.***

On listing, our Equity Shares will be quoted in Indian Rupees on the Stock Exchanges. Any dividends in respect of our Equity Shares will also be paid in Indian Rupees and subsequently converted into the relevant foreign currency for repatriation, if required. Any adverse movement in currency exchange rates during the time that it takes to undertake such conversion may reduce the net dividend to foreign investors. In addition, any adverse movement in currency exchange rates during a delay in repatriating outside India the proceeds from a sale of Equity Shares, for example, because of a delay in regulatory approvals that may be required for the sale of Equity Shares may reduce the proceeds received by Equity Shareholders. For example, the exchange rate between the Rupee and the U.S. dollar has fluctuated substantially in recent years and may continue to fluctuate substantially in the future, which may have an adverse effect on the trading price of our Equity Shares and returns on our Equity Shares, independent of our operating results.

- 62. *The Offer Price of the Equity Shares may not be indicative of the market price of the Equity Shares after the Offer.***

The Offer Price of the Equity Shares will be determined by our Company and the Selling Shareholders in consultation with the BRLMs, and through the Book Building Process. This price will be based on numerous factors, as described under “Basis for Offer Price” on page 111 and may not be indicative of the market price for the Equity Shares after the Offer. The market price of the Equity Shares could be subject to significant fluctuations after the Offer, and may decline below the Offer Price. We cannot assure you that the investor will be able to resell their Equity Shares at or above the Offer Price.

- 63. *Any future issuance of Equity Shares, or convertible securities or other equity linked securities by us and any sale of Equity Shares by our Promoters or Promoter Group may dilute your shareholding and adversely affect the trading price of the Equity Shares.***

After the completion of the Offer our Promoters and Promoter Group will own, directly and indirectly, approximately 32.87% of our outstanding Equity Shares. Any future issuance of the Equity Shares, convertible securities or securities linked to the Equity Shares by us, including through exercise of employee stock options may dilute your shareholding in our Company, adversely affect the trading price of the Equity Shares and our ability to raise capital through an issue of our securities. In addition, any perception by investors that such issuances or sales might occur could also affect the trading price of the Equity Shares. We cannot assure you that we will not issue additional Equity Shares. The disposal of Equity Shares by any of our Promoters and Promoter Group, or the perception that such sales may occur may significantly affect the trading price of the

Equity Shares. Except as disclosed in “*Capital Structure*” on page 76, we cannot assure you that our Promoters and Promoter Group will not dispose of, pledge or encumber their Equity Shares in the future.

64. *Holders of Equity Shares may be restricted in their ability to exercise pre-emptive rights under Indian law and thereby suffer future dilution of their ownership position.*

Under the Companies Act, a company incorporated in India must offer its equity shareholders preemptive rights to subscribe and pay for a proportionate number of equity shares to maintain their existing ownership percentages prior to issuance of any new equity shares, unless the pre-emptive rights have been waived by the adoption of a special resolution by holders of three-fourths of the equity shares voting on such resolution.

However, if the law of the jurisdiction that you are in does not permit the exercise of such pre-emptive rights without our filing an offering document or registration statement with the applicable authority in such jurisdiction, you will be unable to exercise such pre-emptive rights, unless we make such a filing. If we elect not to file a registration statement, the new securities may be issued to a custodian, who may sell the securities for your benefit. The value such custodian receives on the sale of any such securities and the related transaction costs cannot be predicted. To the extent that you are unable to exercise pre-emptive rights granted in respect of our Equity Shares, your proportional interests in our Company may be reduced.

65. *QIBs and Non-Institutional Investors are not permitted to withdraw or lower their Bids (in terms of quantity of Equity Shares or the Bid Amount) at any stage after submitting a Bid.*

Pursuant to the SEBI Regulations, QIBs and Non-Institutional Investors are not permitted to withdraw or lower their Bids (in terms of quantity of Equity Shares or the Bid Amount) at any stage after submitting a Bid. Retail Individual Investors can revise their Bids during the Bid/Offer Period and withdraw their Bids until Bid/Offer Closing Date. While our Company is required to complete Allotment pursuant to the Offer within six Working Days from the Bid/Offer Closing Date, events affecting the Bidders’ decision to invest in the Equity Shares, including material adverse changes in international or national monetary policy, financial, political or economic conditions, our business, results of operation or financial condition may arise between the date of submission of the Bid and Allotment. Our Company may complete the Allotment of the Equity Shares even if such events occur, and such events limit the Bidders’ ability to sell the Equity Shares Allotted pursuant to the Offer or cause the trading price of the Equity Shares to decline on listing.

Prominent Notes:

1. Initial public offering of 53,422,169 Equity Shares of face value of ₹ 10 each for cash at a price of ₹ 358 per Equity Share including a share premium of ₹ 348 per Equity Share, aggregating to ₹ 19,125.14 million* through the Offer for Sale by the Selling Shareholders. The Offer includes an Employee Reservation Portion of 1,000,000 Equity Shares aggregating ₹ 358 million, for subscription by Eligible Employees not exceeding 5% of our post-Offer paid-up Equity Share capital. The Net Offer constituted 18.44% of the post-Offer paid-up Equity Share capital of our Company.
**Subject to finalization of Basis of Allotment.*
2. Other than the change in name of our Company on account of our Company being established as an SFB, there has been no change in name of our Company at any time during the last three years immediately preceding the date of filing this Prospectus. For further details of change in the name of our Company, see “*History and Certain Corporate Matters*” on page 173.
3. For details of related party transactions by our Company during the last year, together with the nature and cumulative value of such transactions, see “*Related Party Transactions*” on page 220.
4. As on the date of this Prospectus, our Company does not have any Group Company.
5. As on March 31, 2017, our net worth, was ₹ 19,995.60 million, as derived from our Restated Financial Statements.

6. As on March 31, 2017, the net asset value per Equity Share was ₹ 70.34, as per our Restated Financial Statements.
7. Details of the average cost of acquisition per Equity Share by our Promoters as on the date of this Prospectus are set forth hereunder:

Name of the Promoter	Number of Equity Shares held	Average price per Equity Share (in ₹)
Mr. Sanjay Agarwal	58,477,128	28.75
Ms. Jyoti Agarwal	14,182,272	2.47
Ms. Shakuntala Agarwal	14,094,756	7.78
Mr. Chiranjil Lal Agarwal	8,119,770	11.22

8. There are no financing arrangements whereby our Promoter Group, the Directors, or their relatives may have financed the purchase of our Equity Shares by any other person other than in the normal course of business of the financing entity in the six months immediately preceding the date of filing of the Draft Red Herring Prospectus.
9. Bidders may contact any of the BRLMs who have submitted the due diligence certificate to SEBI, for any complaint, information or clarifications in relation to the Offer. For further details on investor grievance, including contact details of BRLMs, see “*General Information*” on page 65.

The Indian Economy

India has the fourth largest economy in the world by purchasing power parity (Source: <https://www.cia.gov/library/publications/the-world-factbook/geos/in.html>). Against a background of global instability, India registered a growth of 7.6% during the financial year 2016, becoming the fastest growing major economy in the world. During the same period, macroeconomic parameters such as inflation, fiscal deficit and current account balance all exhibited signs of improvement. The financial year 2016 has also witnessed the launch of several government programs and initiatives designed to boost manufacturing, industrial growth, foreign direct investment and ease of doing business. Financial, insurance, real estate and professional services are estimated to have achieved double-digit growth for the financial year 2016. The industrial sector, broadly comprising mining, manufacturing, electricity and construction is estimated to have grown to 7.3% of India’s economy for the financial year 2016 from 5.9% for the financial year 2015. (Source: *Economic Survey 2015-16*, available at indiabudget.nic.in).

Financial Inclusion in India

In 2012, the Reserve Bank of India (“RBI”) set up an advisory body, the Financial Inclusion Advisory Committee (“FIAC”) to review financial inclusion policies on an on-going basis. FIAC’s aims include preparing a national strategy for financial inclusion, monitoring progress on financial literacy and tracking progress of the RBI’s Financial Inclusion Plan, which is designed to provide a structured and planned approach to financial inclusion. Under the Financial Inclusion Plan, 1,670 new rural bank branches were opened between April 2015 and March 2016.

Financial literacy is crucial for making financial inclusion initiatives effective. As of March 2016, 1,384 financial literacy centers were operational in the country, and 87,710 financial literacy activities were conducted. (Source:

Demonetization

On November 8, 2016, the Government announced the demonetization of ₹ 500 and ₹ 1,000 currency notes. Since then, the RBI has collected over US \$185.81 billion from various bank branches. Between November 8 and November 25, bank credit decreased by 0.8%, with US \$9.85 billion paid by defaulters. Banks all over the country also witnessed a surge in card usage, particularly of debit cards, for purchasing and making payments. (Source: *IBEF Report*)

Non-Banking Financial Companies

Non-Banking Financial Companies (“NBFCs”) are a group of institutions which perform the function of financial intermediation in a wide variety of ways, for example, by accepting deposits, making loans and advances and financing leasing and hire purchase transactions. NBFCs often advance loans to customers in rural and semi-urban areas who lack credit histories and may be excluded from being served by banks or large financial institutions. Institutions whose principal business is agricultural activity, industrial activity or the sale, purchase and construction of immovable property cannot be classified as NBFCs.

(Source: *CRISIL Report*)

NBFC Types

NBFCs are classified into the following types by the RBI:

- *Asset Finance Company*: an NBFC whose principal business is that of financing the physical assets which support various productive or economic activities. For this purpose, “principal business” means the aggregate of financing real or physical assets supporting economic activity and income arising therefrom is not less than 60% of total assets and total income respectively;
- *Investment Company*: an NBFC whose principal business is that acquisition of securities;
- *Loan Company*: an NBFC whose principal business is that of providing finance whether by making loans or advances or otherwise for any activity other than its own, not including an equipment leasing company or a hire-purchase finance company;
- *Infrastructure Finance Company*: an NBFC that deploys at least 75% of its total assets in infrastructure loans, has minimum net owned funds of ₹ 3,000 million, has a minimum credit rating of ‘A’ or equivalent, and a CRAR of 15%;
- *Systemically Important Core Investment Company*: an NBFC carrying on the business of the acquisition of shares and securities which satisfy the following conditions:
 - a) it holds not less than 90% of its total assets in the form of investment in equity shares, preference shares, debt or loans in group companies;
 - b) its investments in the equity shares (including instruments compulsorily convertible into equity shares within a period not exceeding 10 years from the date of issue) in group companies constitutes not less than 60% of its Total Assets;
 - c) it does not trade in its investments in shares, debt or loans in group companies except through block sale for the purpose of dilution or disinvestment;

- d) it does not carry on any other financial activity referred to in Section 45I(c) and 45I(f) of the RBI Act, 1934 except investment in bank deposits, money market instruments, government securities, loans to and investments in debt issuances of group companies or guarantees issued on behalf of group companies;
- e) its asset size is ₹ 1,000 million or above; and
- f) it accepts public funds;
- *Infrastructure Debt Fund Company*: an NBFC that facilitates the flow of long term debt into infrastructure projects and raises resources through the issue of rupee or dollar denominated bonds of a minimum five year maturity. Only Infrastructure Finance Companies can sponsor Infrastructure Debt Fund Companies.
- *Microfinance Institution*: a non-deposit taking NBFC having not less than 85% of its assets in the nature of qualifying assets which satisfy the following criteria:
 - a) loan disbursed by an NBFC-MFI to a borrower with a rural household annual income not exceeding ₹ 100,000 or urban and semi-urban household income not exceeding ₹ 1,60,000;
 - b) loan amount does not exceed ₹ 50,000 in the first cycle and ₹ 100,000 in subsequent cycles;
 - c) total indebtedness of the borrower does not exceed ₹ 100,000;
 - d) tenure of the loan not to be less than 24 months for loan amount in excess of ₹ 30,000 with prepayment without penalty;
 - e) loan to be extended without collateral;
 - f) aggregate amount of loans, given for income generation, is not less than 50% of the total loans given by the MFIs;
 - g) loan is repayable on weekly, fortnightly or monthly installments at the choice of the borrower; and
- *Factors*: a non-deposit taking NBFC engaged in the principal business of factoring. The financial assets in the factoring business should constitute at least 50% of its total assets and its income derived from factoring business should not be less than 50% of its gross income.

NBFCs are further categorized based on liabilities into those accepting deposits, or deposit-taking NBFCs, or those not accepting deposits, or non-deposit taking NBFCs. Non deposit taking NBFCs may be further classified, based on their size, as systemically important non-deposit taking NBFCs.

Financing needs in India have risen along with economic growth over the past decade. By complementing banks and other financial institutions, NBFCs have played a major role in meeting this need. Outstanding loans held by NBFCs grew at a CAGR of an estimated 20% between the financial years 2012 and 2016, accounting for 15% of overall systemic credit as of March 2016. While microfinance has recorded the highest CAGR at 49% between the financial years 2012 and 2016, MSME finance and loans against property also grew with a CAGR of over 40% and 33% respectively. Housing, transport and infrastructure loans grew moderately at a CAGR of approximately 15% each. The following chart sets forth outstanding loans of NBFCs for the periods indicated:

Source: RBI, CRISIL Research

In recent years, the NBFC sector has witnessed the emergence of large companies with diversified activities. Consolidation and acquisition have increased the number of NBFCs with an asset base larger than ₹ 5 million. The following chart sets forth the average asset size of NBFCs:

Banks are a major source of funding for NBFCs, accounting for almost a third of borrowings for the financial year 2016. However, over the years, NBFCs have increased their borrowings from the bond market. Since yields are more than 100 basis points lower than bank lending rates, NBFCs have successfully reduced their cost of borrowing.

Going forward, NBFC growth is expected to moderate significantly given increased regulation. While traditional businesses are expected to achieve stable growth, NBFCs are also looking towards niche segments such as SME loans and low cost housing finance for diversification. Low penetration in Tier-II and Tier-III cities, product and process innovation and a continued focus on core businesses will be key growth drivers.

Housing finance is expected to grow at 13-14% and 17-18% during the Financial Years 2017 and 2018, respectively, after being impacted by the demonetization move, which has affected housing demand, existing buffer levels built into loan to value, and collections. However, long-term growth in the sector is expected to remain intact as the real estate industry becomes more transparent post demonetization. The Government's push for affordable housing, declining rates, and rising affordability will also support growth. Due to increased demand, Government initiatives

and improved information, low cost housing finance is expected to grow at a CAGR of 23% over the next two years. Profitability of low cost housing finance is also expected to improve marginally alongside a decline in cost of funds.

Vehicle finance is expected to grow at a CAGR of 15% over the next two years. Since the demonetization has also affected the vehicle finance industry, growth for the Financial Year 2017 is expected to be similar to that in the financial year 2016. The impact of demonetization is expected to be offset by better-than-expected two-wheeler and car sales in the second quarter of the Financial Year 2017. Growth is expected to rebound in the financial year 2018 helped by growth in the economy and lower interest rates. The profitability of the vehicle finance industry is expected to be lower in the Financial Year 2017 on account of pressure on yields due to short-term weakness in demand caused by slower economic activity. However, this will be offset by the lower cost of funds and better funding mix which will help it to improve marginally in the financial year 2018.

SUMMARY OF OUR BUSINESS

Overview

We are a small finance bank (“**SFB**”) that has recently transitioned from a prominent, retail focused non-banking finance company (“**NBFC**”), which primarily served low and middle-income individuals and businesses that have limited or no access to formal banking and finance channels. We received a license from the Reserve Bank of India to set up an SFB on December 20, 2016 and we were the only NBFC categorized as an asset finance company to obtain such license. We commenced our SFB operations with effect from April 19, 2017. Prior to such date, our Company was categorized as a “Systemically Important, Non-Deposit Accepting Asset Finance Company” (NBFC-ND-AFC) by the RBI.

As an NBFC, we operated in three business lines: vehicle finance; micro, small and medium enterprises (“**MSMEs**”) loans; and small and medium enterprises (“**SMEs**”) loans. As we commenced our SFB operations, we have expanded and strengthened our business model to offer a diverse suite of banking products and services by leveraging our asset-based lending strengths, NBFC customer base and cost efficient, technology driven hub-and-spoke branch operating model to successfully operate our SFB. In addition to our vehicle finance, MSME and SME offerings, our asset product offerings include working capital facilities, gold loans, agriculture related term loans, Kisan credit cards for farmers and loans against securities. Our liability product offerings include current accounts, savings accounts, term deposits, recurring deposits and collections and payments solutions for MSME and SME customers. We believe that transitioning to an SFB has offered us significant growth potential and we aim to be a retail focused, preferred trusted SFB offering integrated and tailored solutions to customers.

Our vehicle finance business extends loans for the purchase of new and pre-owned vehicles and for refinancing of vehicles, which are primarily used for revenue generating activities. For the financial year 2017, the average ticket size of our vehicle finance loans was ₹ 0.34 million. Loan tenures for our vehicle finance loans are up to five years. Our MSME loans business extends loans to MSMEs primarily for business expansion, working capital and the purchase of equipment. For the financial year 2017, the average ticket size of our MSME loans was ₹ 1.08 million. Loan tenures for our MSME loans are up to 12 years. Our SME loans business extends loans to several types of small and medium sized businesses. For the financial year 2017, the average ticket size of our SME loans was ₹ 21.92 million. Loan tenures for our SME loans are up to 15 years. We categorize our MSME and SME loans on the basis of ticket size, with the initial MSME loan disbursed for an amount up to ₹ 5.00 million and the initial SME loan disbursed for amounts over ₹ 5.00 million. As of March 31, 2017, 98.99% of our total receivables under financing activity were secured.

We adopted a strategy of contiguous expansion across regions and as of March 31, 2017, we conducted our operations through 301 NBFC branches spread across 10 states and one union territory in India, with significant presence in the states of Rajasthan, Gujarat, Maharashtra and Madhya Pradesh and employed 8,515 personnel serving 280,349 active loan accounts. The credit penetration of Gujarat, Madhya Pradesh and Rajasthan is below average, while the credit penetration of Maharashtra is above average (*Source: CRISIL Inclusix Report, June 2015*), thus offering us significant growth potential.

As of May 31, 2017, we conducted our operations through 269 branches, 121 asset centers, one central processing center and 10 offices. In addition, we plan to set up an additional 162 branches and seven central processing centers during the financial year 2018.

The following table sets forth certain key financial and operational information while we continued to operate as an NBFC:

^{***} Total active loan accounts represent the aggregate number of loan accounts outstanding as of the end of the relevant year including loan accounts which have been transferred by our Company by way of securitization or assignment and are outstanding as of the last day of the relevant year.

As of and for the year ended March 31, 2017, our Total Borrowings were ₹70,709.78 million and our average cost of borrowings was 10.13%. Our average cost of borrowings has reduced from 12.61% for the financial year 2013 to 10.13% for the financial year 2017, including as a result of improvement of our credit ratings during such periods. For details, see “Our Business – Our Competitive Strengths - Access to Diversified Sources of Funding” on page 146.

Our Company commenced operations in 1996 in Jaipur, Rajasthan and was registered as an NBFC with the RBI in 2000. In 2005, our Company became a commercial associate of HDFC Bank for originating and servicing vehicle loans and such relationship assisted us in the implementation of various processes and systems. We continued expanding the scale of our business with a vision to cater to the unserved and underserved customer segments. We expanded our product portfolio to include MSME loans in 2007, housing finance in 2011 (a business which we have since sold) and SME loans in 2012, to cater to the evolving needs of our customers. We commenced our SFB operations with effect from April 19, 2017.

Our Promoters include Mr. Sanjay Agarwal, our managing director and CEO, who is a first generation entrepreneur. Our shareholders include marquee investors such as the International Finance Corporation (part of the World Bank Group), Redwood Investment Ltd (belonging to the Warburg Pincus group), Labh Investments Limited (a wholly-owned subsidiary of ChrysCapital VI, LLC), Ourea Holdings Limited (a wholly-owned subsidiary of Kedaara Capital I Limited) and Kedaara Capital Alternative Investment Fund - Kedaara Capital AIF 1. Our Company was featured in the September 2013 publication of Forbes India as one of the 14 hidden gems of India and was awarded the ‘Best PE-Backed Financial Services Company 2012’ at the VC Circle Awards.

Our Competitive Strengths

Our principal competitive strengths are as follows:

Diversified Product Portfolio and Revenue Streams

We are a retail focused, technology driven SFB with a diversified portfolio of financial products comprising:

Asset Products

- ***Vehicle finance loans***

We extend loans for new and pre-owned vehicles and for refinancing of vehicles across several categories including: (i) multi-utility vehicles (“**MUVs**”); (ii) cars; (iii) small commercial vehicles; (iv) light commercial vehicles; (v) medium and heavy commercial vehicles; (vi) tractors; (vii) three-wheelers; (viii) two-wheelers; and (ix) construction equipment. We commenced our vehicle finance business in 1996, and diversified our product portfolio by offering MSME and SME loans subsequently. Our vehicle finance business, which accounted for 79.11% of our total AUM as of March 31, 2013, accounted for 50.27% of our total AUM as of March 31, 2017 (while continuing to grow in absolute terms during such period), primarily on account of increased contribution from our MSME and SME loans businesses. Our Gross AUM for our vehicle finance business grew from ₹ 29,305.98 million as of March 31, 2013 to ₹ 53,956.82 million as of March 31, 2017 at a CAGR of 16.49%, constituting 50.27% of our total Gross AUM as of March 31, 2017. Our vehicle loans are secured by the vehicles we finance.

- ***MSME loans***

We introduced our MSME loan business in 2007 to cater to the emerging needs of our underserved customers and we extend loans to MSMEs primarily for business expansion, working capital and the purchase of equipment. Our Gross AUM for our MSME loans business grew from ₹ 5,613.70 million as of March 31, 2013 to ₹ 32,163.38 million as of March 31, 2017 at a CAGR of 54.71%, constituting 29.96% of our total gross AUM as of March 31, 2017. Our MSME loans are secured by immoveable property.

- ***SME loans***

We commenced our SME loan business in 2012. Our SME loans business extends loans to several types of small and medium sized businesses. Our Gross AUM for our SME loans business grew from ₹ 2,123.56 million as of March 31, 2013 to ₹ 21,218.39 million as of March 31, 2017 at a CAGR of 77.79%, constituting 19.77% of our total Gross AUM as of March 31, 2017. Our SME loans are secured by immoveable property or receivables.

Other asset products

Our other asset product offerings include working capital facilities, gold loans, agriculture related term loans and Kisan credit cards for farmers and loans against securities. We also intend to commence offering unsecured business loans and housing finance loans during the financial year 2018.

Liability Products

Our liability product offerings include current accounts, savings accounts, term deposits and recurring deposits and collections and payments solutions for MSME and SME customers. We also intend to commence offering payment wallets and customized prepaid instruments during the financial year 2018.

Other Products and Services

We intend to engage in the sale of third party investment products such as mutual funds, insurance and risk management products, as well as offer financial advisory and education programs for individual and new entrepreneurs, subject to receipt of requisite approvals from regulatory authorities.

Customer Centric Organizational Commitment

We are a customer centric organization and serviced 280,349 active loan accounts as of March 31, 2017. We have developed strong relationships with our customers through in-person contact by addressing their financial needs, our knowledge of the local markets and our widespread network of branches. Interactions with our customers are primarily undertaken by our own employees. As part of our customer-centric approach, we have undertaken the following steps:

- *Hire local personnel.* We primarily recruit employees locally, which ensure better understanding of customers in that region and their requirements. In our experience, personal contact with customers in rural and semi-urban markets encourages repeat business, leads to business referrals and results in high collection efficiency.
- *Establish relationships with vehicle manufacturers and dealers.* In our vehicle finance business, we benefit from our relationships with vehicle manufacturers and dealers with whom we enter into preferred financing arrangements from time to time.
- *Set up call centers.* We have set up a team of tele-callers to primarily generate new business, while also focusing on customer service and collections. These call centers operate in English and select regional languages. We have separate tele-calling teams for our vehicle finance and MSME loans business, which enables us to have a more focused approach towards our customers.
- *Conduct referral and other programs.* We introduced customer retention programs such as our ‘*Dost Banaye Dost Programme*’, which is a referral program for our customers. Our employee business referrals program offers incentives to employees who refer their family and friends to us and incentivizes our sales team to cross sell products to the same customer. We also conduct customer literacy programs from time to time.

Significant Presence in Rural and Semi-Urban Markets with Focus on Low and Middle Income Customers

We have over 20 years of operating experience in rural and semi-urban markets of India and as of March 31, 2017, 146 of our 301 NBFC branches were located in such markets. We believe that we have successfully adopted a strategy of contiguous expansion across regions, which has enabled us to increase our customer base in the 10 states and one union territory in which we operate. A large segment of India’s rural and semi-urban population is currently unserved and underserved by formal financial institutions. According to the Global Findex Database 2014, India is home to 21% of the world’s unbanked adults and approximately two-thirds of South Asia’s. Over the years, we have focused on customers in such markets, particularly those without a credit history, that offer us significant growth opportunities and customer loyalty. We believe that our understanding of the local characteristics of these markets and customers has allowed us to address the unique needs of our low and middle income customers and assisted us to penetrate deeper into such markets. The reach of our branches allows us to service our existing customers and attract new customers as a result of personal relationships cultivated through proximity and frequent interaction by our employees.

Through our decentralized model, we believe we have been able to optimize turn around times for our customers while managing our credit requirements and associated risks. As of March 31, 2017, our NBFC branch network was structured along a two-tiered hub-and-spoke model with 55 of our branches classified as hubs and 246 as spokes and we leveraged this network for our SFB operations to set up 269 branches, 121 asset centers, one central processing center and 10 offices, as of May 31, 2017. In addition, we plan to set up an additional 162 branches and seven central processing centers during the financial year 2018. Certain administrative and other functions have been centralized to allow us to benefit from economies of scale and uniformity in operations.

Robust and Comprehensive Credit Assessment and Risk Management Framework

We have a robust and comprehensive credit assessment and risk management framework to identify, monitor and manage risks inherent in our operations. Credit management is crucial to our business since a significant number of our customers are from the unserved or underserved financial segment and primarily first-time purchasers of financial products. We have a risk management policy and several processes in place to assist our personnel to take significant measures to mitigate risks and have set up separate credit teams for our key business lines of vehicle finance, MSME loans and SME loans. Our credit teams, through in-house field investigation officers, conduct an independent verification of customers and evaluate their business and financing needs, and analyze their ability to repay loans.

In our vehicle finance and MSME loans business, we are focused on disbursing loans primarily towards revenue generating assets, which we believe results in lower risk. We have adopted a multi-layered system to strengthen our credit assessment process. We have a deep understanding of the cost of ownership and resale potential for various vehicle types in each geography, which we use in determining our credit policies and we have customized such policies and periodically update them to cater to the requirements of the different markets in which we are present. We have set up a robust collections management system, which includes a collection control room that centrally manages allocations among collection executives and we use analytics for the optimum allocation of cases to the collections team. We have also set up a specialized collections team to manage cases where collections are overdue for a certain period. Our effective credit risk management is reflected in our portfolio quality indicators such as high repayment rates, and low rates of GNPA's and NNPA's across business and economic cycles. As of March 31, 2017, our GNPA's accounted for 1.61% of our Gross Advances, while our NNPA's accounted for 1.05% of our Net Advances. For details, see "*Selected Statistical Information*" on page 281.

We have set-up an Asset Liability Management Committee and a Credit Risk and NPA Committee for retail and wholesale Banking. Our Asset Liability Management Committee evaluates liquidity and other risks, devises strategies to mitigate such risks and reports its findings to our Board. Our Credit Risk and NPA Committee for retail and wholesale Banking was formed to review and identify current and emerging risks, develop risk assessment and measurement systems and establish policies, practices and other control mechanisms. As an SFB, we have enhanced our risk management framework by setting up a Risk Management Committee of the Board and an IT & Operational Risk Management Committee as well as introduced new internal audits to ensure rigorous monitoring and compliance. We have also formulated a vigil mechanism framework to enable employees to report genuine concerns about unethical behavior and actual or suspected fraud or violation of any of our policies. Our anti-bribery policy mechanism is designed to check corrupt practices and report any issues to our Board.

Access to Diversified Sources of Funding

We have set up a Treasury department that is responsible for fund raising and asset liability management, minimizing the cost of our borrowings, liquidity management and control, diversify fund raising sources, managing interest rate risk and investing funds in accordance with the criteria set forth in our investment policy. Prior to the commencement of our SFB operations, our sources of liquidity included term loans and working capital facilities; proceeds from loans assigned and securitized; proceeds from the issuance of non-convertible debentures ("NCDs") and commercial paper; and subordinated debt borrowings from banks, mutual funds, insurance companies and other domestic and foreign financial institutions.

As an SFB, we will be able to access funds such as savings accounts, current accounts, term deposits and recurring deposits. We will also be able to raise funds from liquidity adjustment facility and market stabilization fund of the RBI, refinance facilities from financial institutions, capital market borrowings such as infrastructure bonds, tier II bonds and perpetual bonds. We will continue to securitize and assign loans, which qualify as priority sector lending, as well as our non-priority sector loans through securitization or direct assignment to banks, financial institutions and mutual funds, which enables us to optimize our cost of borrowings, funding and liquidity requirements, capital management and asset liability management. We will also have access to inter-bank participatory certificates and will be able to participate in the priority sector lending certificates market wherein we will be able to trade our right of claim for priority sector loans for a fee. Money market borrowings, interbank borrowings and issuance of certificates of deposit will only be permitted or available to us once we become a scheduled commercial bank, which will require additional time. However, we will be unable to raise secured borrowings from banks and financial

institutions or raise funds from the issuance of secured NCDs as a result of transitioning to an SFB.

As of March 31, 2017, our Total Borrowings were ₹ 70,709.78 million comprising 50.03% of NCDs, 32.94% of term loans, 6.78% of commercial paper, 4.67% of subordinated debt borrowings, and 5.58% of working capital facilities. In addition, we securitize and assign loans to meet our funding requirements from time to time. Our average cost of borrowings has reduced from 12.61% for the financial year 2013 to 10.13% for the financial year 2017. We believe that we have been able to access cost-effective debt financing due to our stable credit history, improving credit ratings and conservative risk management policies. The following table reflects the improvement in our credit ratings for the periods indicated:

Rating Agency	Term	Credit rating as of March 31, 2013	Current credit ratings

Internal accruals constitute a significant portion of the net worth of our Company as at March 31, 2017. While our net worth was ₹ 19,995.60 million as at March 31, 2017, as of such date, our Company had received a total equity investment of ₹ 5,791.17 million, and had recognized profit on sale of shares of Aavas Financiers Limited (formerly known as Au Housing Finance Limited), Index Money LLP (formerly known as Index Money Limited), M Power Micro Finance Private Limited and Au Insurance Broking Services Private Limited of ₹ 5,168.58 million (net of the expenses incurred in connection with such sale and net of tax) for the financial year ended March 31, 2017.

Experienced Management Team and Qualified Operational Personnel

We have an experienced management team, which is supported by a qualified, capable and motivated pool of managers and other employees. Our Key Management Personnel have been with us for an average of over 15 years. Our management team and managers have diverse experience in a range of financial products and functions related to our business and operations. Our managers have an in-depth understanding of the geographic regions, loan products and types of collateral and businesses of our borrowers. In connection with our transition to an SFB, we had undertaken an extensive recruitment drive focusing on growing our team at all levels of management and employees. We are focused on hiring individuals with experience, drive and commitment. We believe we have benefited significantly from the vision, leadership, innovation and experience of our promoter, Mr. Sanjay Agarwal, who is a first generation entrepreneur.

Our Strategies

Leverage Our Existing Capabilities and Customer Base

We received a license from the RBI to set up an SFB on December 20, 2016 and we were the only NBFC categorized as an asset finance company to obtain such license. We commenced our SFB operations with effect from April 19, 2017. We intend to leverage our capabilities as a former asset finance NBFC including our branch network, customer base, technology driven, low cost hub-and-spoke model and local know-how in the geographical areas in which we operate for our SFB operations. As an SFB, we intend to strategically expand our operations by offering a diverse suite of banking products and services at our branches. We have developed and set up additional branch architecture, improved our technology backbone for our SFB operations in a phased manner and established our consumer branch footprint in the geographical regions in which we conducted our NBFC operations. We will continue to focus on our go-to-market approach to increase our customer base, implement customer reach programs

and will encourage all our NBFC customers to open bank accounts with us.

We believe our operational experience as an asset finance NBFC, as well as our NBFC customer base, will enable us to develop our SFB operations to create a single platform for multiple financial products and services. Our transition into an SFB, we believe, has synergies with, and demand from our NBFC customer base enabling us to open their bank accounts and receive deposits from them. We focus on building long-term relationships with our customers and address specific requirements in a particular region and believe we have developed a strong connection with our customers over 20 years of our operations. Through our SFB offerings, we will seek to further strengthen our relationship with our NBFC customers and attract new customers. As an SFB, we offer a diverse suite of products and services to our NBFC customers, which will lead to repeat business and opportunities to scale up our SFB operations in an efficient manner. We believe that our transition to an SFB offers us significant growth potential and we aim to be a retail focused, preferred trusted SFB that offers integrated and tailored solutions to customers.

Grow Our Branch Network

As of May 31, 2017, we conducted our operations through 269 branches, 121 asset centers, one central processing center and 10 offices in 10 states and one union territory in India. While historically most of our operations were focused in Rajasthan, Gujarat and Maharashtra, we have grown our operations in relatively newer contiguous markets such as Madhya Pradesh, Punjab, Haryana, the National Capital Region and Himachal Pradesh. We intend to continue expanding our branch network to drive greater and deeper penetration in the western and northern states of India in which we operate, focusing on low and middle income individuals and businesses that have limited or no access to formal banking and finance channels, spread across rural, semi-urban and urban markets.

We believe our NBFC branch infrastructure and cost efficient hub-and-spoke model has allowed us to develop and commence our SFB operations. We have converted 121 of our NBFC branches into asset centers where we only offer vehicle finance, MSME and SME loans. In addition to our existing branches and asset centers, we intend to gradually open 162 additional branches during the financial year 2018 to reach 431 branches and 121 asset centers at the end of the financial year 2018. This proposed branch expansion plan also includes opening 23 branches in Tier 1 centers beyond the 10 states and one union territory in which we are currently present, thereby expanding our geographic reach into new states and regions. We will evaluate the offerings at our branches to customize our products to the needs and demands of our customers in the region in which our branches are located and correspondingly update existing operations and resources utilized in a territory.

Provide a Comprehensive Suite of Banking Services

We have commenced offering a broad range of banking and financing products and services as part of our SFB business. We have expanded beyond our previous business lines to offer additional asset products such as working capital facilities, gold loans, agriculture related term loans, Kisan credit cards for farmers and loans against securities. We also intend to provide unsecured business loans and housing finance loans during the financial year 2018. Our liability product offerings include current accounts, savings accounts, term deposits and recurring deposits, payment wallets and customized prepaid instruments and collections and payments solutions for MSME and SME customers. We also intend to sell mutual funds, insurance and risk management products and provide financial advisory services, subject to receipt of requisite approvals from regulatory authorities. In 2011, we had set up a wholly owned subsidiary, Aavas Financiers Limited (formerly known as Au Housing Finance Limited) to provide housing finance loans and in June 2016, we divested 90.10% of the outstanding equity shares of this company for ₹ 8,283.54 million. We believe that our prior experience in the housing finance business will assist us as we develop our home loans business as an SFB, while our experience in our current business lines will assist us in developing our liability business and introduce new products and services to meet the evolving needs of our customers. We intend to operate as a one-stop shop, delivering high quality products and services, along with a standardized customer experience across branches to a diversified customer base.

We believe that the growth of our transaction banking operations will provide support across our various product offerings and business verticals and enable us to serve our existing customers' liquidity and cash flow requirements more effectively. Further, our new product offerings would enable us to supplement our existing sources of liquidity.

As an SFB, we will be able to access funds such as savings and current accounts, term deposits and recurring deposits, which have otherwise not been available to us as a non-deposit accepting NBFC and consequently be able to strengthen our liability profile. Our new product and service offerings combined with our historical NBFC offerings and infrastructure presents us with an opportunity to cross-sell a diverse range of financial products and services to our existing and potential customer base.

Leverage Technology to Grow Our Business

We have upgraded, and intend to continue to upgrade our technology systems with automated, digitized and other technology-enabled platforms and tools, to strengthen our banking and financing initiatives and derive greater operational, cost and management efficiencies. We have entered into agreements with several IT companies to assist us in setting up our IT infrastructure for our SFB operations. We entered into a master services agreement with Accenture Services Private Limited and have implemented certain IT systems including a core banking solution, internet and mobile banking solutions, enterprise mobile applications and enterprise risk management systems. We have deployed the Oracle Flexcube Core Banking solution (“**Flexcube CBS**”) for various banking functions, which we believe will support our SFB offerings and assist us in handling large transaction volumes. Further, we commenced utilizing the loan management system capabilities of Flexcube CBS and have migrated data from our previous loan management system, OmniFin to Flexcube CBS.

We have also entered into a master services agreement with Netmagic Solutions Private Limited and their affiliates to avail services including co-location hosting, managed hosting, remote infrastructure monitoring and management services, security services, application hosting, and disaster recovery services. We also entered into a master services agreement with Acidaes Solutions Private Limited and have commissioned a comprehensive customer relationship management (“**CRM**”) solution and we have migrated all our previous leads and customer data to this system. We have also entered into a master services agreement with Newgen Software Technologies Limited and implemented a workflow based loan origination and collections system and cheque truncation solution.

We seek to provide a differentiated technology framework, enhancing convenience for our customers and reducing operational expenditure at our branches. We intend to distribute tablets integrated with biometric devices and Bluetooth printers to our SFB personnel to enable faster customer verification and account opening and activation. We have commenced using interactive voice response systems (“**IVR**”) in English and select regional languages to cater to our extensive customer base. Further, we intend to explore delivering services through alternate digital channels such as secure online banking, mobile banking, digital wallets and online loan processing and credit approvals. We believe greater adoption of our digital service delivery mechanisms will enable us to be more efficient, customer friendly and over time perform more reliable data analytics, resulting in target customer profiling, customized and tailor-made products to suit the diverse requirements of our customers and improved customer satisfaction. For details, see “*Our Business - Information Technology*” on page 161.

Enhance Our Brand Presence

We seek to leverage and enhance our brand to build our presence in the banking sector and develop new customer and industry relationships beyond our existing business lines. In this regard, we may explore opportunities to enter into strategic as well as service-level collaborations for customer aggregation and servicing, to take our SFB to the customer and thereby build and expand our network of branches and increase our penetration of the non-institutional depositor and customer base. We seek to build our brand by continuing to engage with existing and potential customers thorough customer literacy programs, sponsor popular events in the regions we operate and place advertisements in newspapers, on the radio and in other advertising media. We have recently launched our new logo for our SFB operations and will continue to invest in various brand enhancement initiatives.

Experts

The expert opinions have been obtained from the following:

Our Company has received written consent from the Statutory Auditors namely, S. R. Batliboi & Associates LLP, Chartered Accountants, to include their name as required under Section 26(1)(a)(v) of the Companies Act, 2013 in this Prospectus and as an “Expert” as defined under Section 2(38) of the Companies Act, 2013, in respect of the reports of the Statutory Auditors on the Restated Financial Statements dated June 2, 2017, and the statement of tax benefits dated May 31, 2017, included in this Prospectus and such consent has not been withdrawn as on the date of this Prospectus. However, the term “expert” shall not be construed to mean an “expert” as defined under the Securities Act. In addition, M/s G.M. Kapadia and Co., Chartered Accountants, has provided written consent to be named as “expert” in this Prospectus in respect of its report dated July 3, 2017 and the contents or any extracts thereof being included and/or reproduced in this Prospectus and such consent has not been withdrawn as on the date of this Prospectus.

IPO Grading

No credit agency registered with SEBI has been appointed in respect of obtaining grading for the Offer.

Monitoring Agency

The Offer being an offer for sale of Equity Shares, our Company will not receive any proceeds from the Offer and is not required to appoint a monitoring agency.

Appraising Entity

No appraising agency has been appointed in respect of any project of our Company.

Credit Rating

As this is an offer of Equity Shares, there is no credit rating required.

Trustees

As this is an offer of Equity Shares, the appointment of trustees is not required.

Book Building Process

The book building, in the context of the Offer, refers to the process of collection of Bids from the Bidders on the basis of this Prospectus and the Bid cum Application Form within the Price Band, which was decided by our Company and the Selling Shareholders in consultation with the BRLMs, and published in all editions of Financial Chronicle (a widely circulated English national newspaper), all editions of Rashtriya Sahara (a widely circulated Hindi national newspaper, Hindi also being the regional language in the place where our Registered Office is located), at least five Working Days prior to the Bid/Offer Opening Date and was made available to the Stock Exchanges for the purpose of uploading on their respective websites. The Offer Price has been determined by our Company and the Selling Shareholders in consultation with the BRLMs after the Bid/Offer Closing Date. Further, 1,000,000 Equity Shares were available for allocation on a proportionate basis to Eligible Employees under the Employee Reservation Portion, subject to valid Bids being received from them at or above the Offer Price.

All Bidders, except Anchor Investors, were required to mandatorily use the ASBA process by providing the details of their respective bank accounts in which the corresponding Bid Amount was blocked by the SCSBs.

In accordance with the SEBI ICDR Regulations, QIBs bidding in the QIB Portion and Non-Institutional Bidders bidding in the Non-Institutional Portion were not allowed to withdraw or lower the size of their Bids (in terms of the quantity of the Equity Shares or the Bid Amount) at any stage. Retail Individual Bidders and Eligible Employees bidding in the Employee Reservation Portion could revise their Bids during the Bid/Offer Period and withdraw their Bids until the Bid/Offer Closing Date. Further, Anchor Investors could not withdraw their Bids after the Anchor Investor Bid/Offer Period. Allocation to the Anchor Investors has been done on a discretionary basis.

For details on the method and procedure for Bidding, see “*Offer Procedure*” on page 364.

Illustration of Book Building Process and Price Discovery Process

For an illustration of the Book Building Process and the price discovery process, see “*Offer Procedure – Part B – Basis of Allocation - Illustration of the Book Building and Price Discovery Process*” on page 403.

Underwriting Agreement

Our Company and the Selling Shareholders have entered into an Underwriting Agreement with the Underwriters for the Offered Shares. It is proposed that pursuant to the terms of the Underwriting Agreement, each of the BRLMs will be severally responsible for bringing in the amount devolved in the event that any of the Syndicate Members do not fulfill their underwriting obligations. The Underwriting Agreement is dated July 3, 2017. Pursuant to the terms of the Underwriting Agreement, the obligations of the Underwriters will be several and will be subject to certain conditions specified therein.

The Underwriters have indicated their intention to underwrite the following number of Equity Shares:

*Subject to finalization of Basis of Allotment.

- (iii) Our Promoters have confirmed to our Company and the BRLMs, that the Equity Shares held by them that will be deployed towards Promoters' contribution were allotted to them pursuant to bonus issue on Equity Shares held for a period of one year preceding the date of the Draft Red Herring Prospectus and therefore no loans or financial assistance from any bank or financial institution were availed by them for acquisition of such Equity Shares.
- (iv) The minimum Promoters' contribution has been brought in to the extent of not less than the specified minimum lot and from the persons defined as 'promoter' under the SEBI ICDR Regulations. Our Company undertakes that the Equity Shares that are being locked-in are not ineligible for computation of minimum Promoters' contribution in terms of Regulation 33 of SEBI ICDR Regulations.
- (v) In this connection, we confirm the following:
 - The Equity Shares offered for minimum Promoters' contribution have not been acquired in the last three years (a) for consideration other than cash and revaluation of assets or capitalisation of intangible assets; or (b) bonus shares issued out of revaluation reserves or unrealised profits of our Company or bonus shares issued against Equity Shares which are otherwise ineligible for computation of minimum Promoters' contribution;
 - The minimum Promoters' contribution does not include any Equity Shares acquired during the preceding one year and at a price lower than the price at which the Equity Shares are being offered to the public in the Offer and being ineligible for computation of minimum Promoters' contribution;
 - All the Equity Shares held by our Promoters are in dematerialised form; and
 - The Equity Shares forming part of the minimum Promoters' contribution are not subject to any pledge.
 - Our Company has not been formed by the conversion of a partnership firm into a company and thus, no equity shares of our Company have been issued to our Promoters upon conversion of a partnership firm, in the last one year.
- (d) *Other lock-in requirements:*
 - (i) In addition to the 20% of the fully diluted post-Offer shareholding of our Company held by our Promoters and locked in for three years as specified above, the entire pre-Offer Equity share capital of our Company shall be locked-in for a period of one year from the date of Allotment.
 - (ii) Further, pursuant to Regulation 39 of the SEBI ICDR Regulations, the Equity Shares held by our Promoters which are locked-in for a period of one year from the date of Allotment may be pledged only with scheduled commercial banks or public financial institutions as collateral security for loans granted by such banks or public financial institutions, provided that such pledge of the Equity Shares is one of the terms of the sanction of such loans.
 - (iii) The Offered Shares which will be transferred by the Selling Shareholders in the Offer for Sale shall not be subject to lock-in. However, any unsubscribed portion of Equity Shares offered by the Selling Shareholders in the Offer for Sale would be locked-in as required under the SEBI ICDR Regulations.
 - (iv) The Equity Shares held by our Promoters which are locked-in may be transferred to and among the Promoters and members of the Promoter Group or to any new promoter or persons in control of our Company, subject to continuation of the lock-in in the hands of the transferees for the remaining period and compliance with the Takeover Regulations, as applicable.

- (v) The Equity Shares held by persons other than our Promoters and locked-in for a period of one year from the date of Allotment in the Offer may be transferred to any other person holding the Equity Shares which are locked-in, subject to the continuation of the lock-in in the hands of transferees for the remaining period and compliance with the Takeover Regulations.
- (vi) The Equity Shares allotted to eligible employees (who will continue to be employees of our Company as on the date of Allotment) under the ESOP Scheme 2011, ESOP Scheme 2015 and ESOP Scheme 2016 shall not be subject to lock in (except any Equity Shares that may be allotted to Promoter Group).
- (vii) Any Equity Shares allotted to Anchor Investors under the Anchor Investor Portion shall be locked-in for a period of 30 days from the date of Allotment.
- (viii) Pursuant to the RBI In-principle Approval dated October 7, 2015 and the RBI Final Approval dated December 20, 2016, our Promoter Group is required to maintain shareholding of our Company at a minimum of 26% for a period of five years from the date of commencement of business as an SFB.

15. Neither our Company nor our Directors have entered into any buy-back and/or standby arrangements for purchase of Equity Shares from any person. Further, the BRLMs have not made any buy-back and/or standby arrangements for purchase of Equity Shares from any person.
16. All Equity Shares issued pursuant to the Offer will be fully paid-up at the time of Allotment and there are no partly paid-up Equity Shares as on the date of this Prospectus.
17. Any oversubscription to the extent of 10% of the Offer can be retained for the purposes of rounding off to the nearer multiple of minimum allotment lot.
18. Except for the sale of Equity Shares in the Offer for Sale, our Promoters and our Promoter Group will not participate in the Offer.
19. There have been no financing arrangements whereby our Promoters, Promoter Group, our Directors, and their relatives have financed the purchase by any other person of securities of our Company, other than in the normal course of the business during a period of six months preceding the date of filing of the Draft Red Herring Prospectus.
20. Our Company presently does not intend or propose to alter its capital structure for a period of six months from the Bid/Offer Opening Date, by way of split or consolidation of the denomination of Equity Shares or further issue of Equity Shares (including issue of securities convertible into or exchangeable, directly or indirectly for Equity Shares) whether on a preferential basis or by way of issue of bonus shares or on a rights basis or by way of further public issue of Equity Shares or qualified institutions placements or otherwise. Provided, however, that the foregoing restrictions do not apply to: (a) the issuance of any Equity Shares under this Offer; and (b) any issuance, offer, sale or any other transfer or transaction of a kind referred to above of any Equity Shares under or in connection with the exercise of any options, as granted under ESOP Scheme 2015 and ESOP Scheme 2016, or similar securities, as disclosed in this Prospectus, provided they have been approved by our Board.
21. Pursuant to Rule 19(2)(b) of the SCRR, the Net Offer was made for at least 10% of the post-Offer paid-up equity share capital of our Company. The Offer has been made under Regulation 26(1) of the SEBI ICDR Regulations and through a Book Building Process wherein 50% of the Net Offer shall be Allotted on a proportionate basis to QIBs. Our Company and the Selling Shareholders, in consultation with the BRLMs, have allocated 60% of the QIB Portion to Anchor Investors at the Anchor Investor Allocation Price, on a discretionary basis, out of which at least one-third was available for allocation to domestic Mutual Funds only. 5% of the QIB Portion (excluding the Anchor Investor Portion) was available for allocation on a proportionate basis to Mutual Funds only, and the remainder of the QIB Portion was available for allocation on a proportionate basis to all QIB Bidders other than Anchor Investors, including Mutual Funds, subject to valid Bids being received at or above the Offer Price. Further, not less than 15% of the Net Offer was available for allocation to Non-Institutional Bidders and not less than 35% of the Net Offer was available for allocation to Retail Individual Bidders in accordance with SEBI ICDR Regulations, subject to valid Bids being received at or above the Offer Price. All potential investors, other than Anchor Investors, are mandatorily required to utilise the ASBA process by providing details of their respective bank accounts which were blocked by the SCSBs, to participate in this Offer. For further details, see “*Offer Procedure*” on page 364.
22. Under-subscription, if any, in any category, except in the QIB Portion, would be allowed to be met with spill over from any other category or a combination of categories at the discretion of our Company and the Selling Shareholders in consultation with the BRLMs and the Designated Stock Exchange. Under-subscription, if any, in the Employee Reservation Portion will be added back to the Net Offer to the public.

23. There shall be only one denomination of the Equity Shares, unless otherwise permitted by law.
24. Our Company shall comply with such disclosure and accounting norms as may be specified by SEBI from time to time.
25. Our Company shall ensure that transactions in the Equity Shares by our Promoters and the Promoter Group between the date of registering of the Red Herring Prospectus with RoC and the date of closure of the Offer shall be intimated to the Stock Exchanges within 24 hours of such transaction.
26. No person connected with the Offer, including, but not limited to, the BRLMs, the members of the Syndicate, our Company, the Directors, the Promoters, members of our Promoter Group, has offered any incentive, whether direct or indirect, in any manner, whether in cash or kind or services or otherwise to any Bidder for making a Bid.
27. Except options granted pursuant to ESOP Scheme 2015 and ESOP Scheme 2016, there are no outstanding convertible securities or any other right which would entitle any person any option to receive Equity Shares, as on the date of this Prospectus.
28. Only Eligible Employees were eligible to apply in the Offer under the Employee Reservation Portion on a competitive basis. Bids by Eligible Employees could also be made in the Net Offer and such Bids shall not be treated as multiple Bids. If the aggregate demand in the Employee Reservation Portion is greater than 1,000,000 Equity Shares at or above the Offer Price, allocation shall be made on a proportionate basis. The Employee Reservation Portion will not exceed 5% of the post-Offer capital of our Company.

SECTION IV: PARTICULARS OF THE OFFER

OBJECTS OF THE OFFER

The objects of the Offer are to achieve the benefits of listing the Equity Shares on the Stock Exchanges and for the Offer for Sale of 53,422,169 Equity Shares. For further details, see the section titled “*The Offer*” on page 63.

Our Company expects that listing of the Equity Shares will enhance our visibility and brand and provide liquidity to its existing shareholders. Listing will also provide a public market for the Equity Shares in India. Our Company will not receive any proceeds from the Offer. All proceeds from the Offer will go to each of the Selling Shareholders, in proportion to its portion of the Offered Shares.

Offer related expenses

The total expenses of the Offer are estimated to be approximately ₹ 1,000.03 million. The expenses of this Offer include, among others, underwriting and lead management fees, selling commissions, SCSBs’ commissions/ fees, printing and distribution expenses, legal fees, Offer related advertisements and publicity, registrar and depository fees and listing fees.

Other than listing fees, which will be paid by our Company, all costs, fees and expenses with respect to the Offer will be shared between the Selling Shareholders, in proportion to their respective proportion of the Offered Shares, upon successful completion of the Offer. Upon the successful completion of the Offer, each of the Selling Shareholders agree that they shall severally and not jointly reimburse our Company, on a pro-rata basis, in proportion to their respective proportion of the Offered Shares, for any expenses incurred by our Company on behalf of such Selling Shareholder. However, in the event that the Offer is withdrawn or not completed for any reason whatsoever, all Offer related expenses will be borne by our Company.

The estimated Offer expenses are as under:

S. No.	Activity Expense	Estimated amount (₹ in million) ⁽¹⁾	Percentage of Total Estimated Offer Expenses ⁽¹⁾	Percentage of Offer Size

*Portion for Non-Institutional Bidders: 0.15 % of the Amount Allotted**

*Portion for Eligible Employees: 0.15 % of the Amount Allotted**

3. *Registered Brokers will be entitled to a commission of ₹10 per every valid ASBA Form submitted to them and uploaded on the electronic bidding system of the Stock Exchanges*
4. *All of the above are exclusive of applicable taxes*

**Amount Allotted is the product of the number of Equity Shares Allotted and the Offer Price.*

Monitoring of Utilization of Funds

As the Offer is an Offer for Sale and our Company will not receive any proceeds from the Offer, our Company is not required to appoint a monitoring agency for the Offer.

BASIS FOR OFFER PRICE

The Offer Price has been determined by our Company and the Selling Shareholders, in consultation with the BRLMs on the basis of assessment of market demand for the Equity Shares through the Book Building Process and on the basis of the following qualitative and quantitative factors. The face value of the Equity Shares is ₹ 10 each and the Offer Price is 35.50 times the face value at the lower end of the Price Band and 35.80 times the face value at the higher end of the Price Band. Investors should also refer to the sections “*Our Business*”, “*Risk Factors*” and “*Financial Statements*” on pages 142, 19 and 222, respectively, to have an informed view before making an investment decision.

Qualitative Factors

We believe the following are our competitive strengths:

- Diversified Product portfolio and revenue streams
- Customer centric organisational commitment
- Significant presence in rural and semi-urban markets with focus on low and middle income customers
- Robust and comprehensive credit assessment and risk management framework
- Access to diversified sources of funding
- Experienced management team and qualified operational personnel

For further details, please see “*Our Business*” and “*Risk Factors*” on pages 142 and 19, respectively.

Quantitative factors

Some of the information presented in this section relating to our Company is derived from the Restated Financial Statements prepared in accordance with the Indian GAAP and restated as per the SEBI ICDR Regulations. Some of the quantitative factors, which form the basis for computing the Offer Price, are as follows:

1. *Basic Earnings Per Share (Basic EPS) & Diluted Earnings Per Share (Diluted EPS)*

Financial Period	Basic EPS (including exceptional item) (₹) ⁽¹⁾	Diluted EPS (including exceptional item) (₹) ⁽¹⁾	Basic EPS (excluding exceptional item) (₹)	Diluted EPS (excluding exceptional item) (₹)	Weight

Source: All the financial information for listed industry peers mentioned above is on a consolidated basis and is sourced from the BSE announcements of the respective companies for the year ended as on March 31, 2017 unless provided otherwise. All the financial information for our Company mentioned above for the year ended March 31, 2017 is standalone as our Company does not have any subsidiary or associate as on the date of this Prospectus.

* Includes exceptional item

Notes:

- (1) NAV is computed as the closing net worth divided by the closing outstanding number of equity shares adjusted for subsequent change in capital structure
- (2) P/E Ratio has been computed based on the closing market price of equity shares on May 26, 2017 on NSE, divided by the Diluted EPS
- (3) P/B Ratio has been computed based on the closing market price of equity shares on May 26, 2017 on NSE, divided by the NAV
- (4) RONW is computed as net profit after tax (after extra-ordinary item) divided by net worth excluding revaluation reserve at the end of the year. Net worth represents the aggregate of the paid up share capital and reserves and surplus (excluding revaluation reserve) as reduced by the aggregate of miscellaneous expenditure (to the extent not adjusted or written off) and the debit balance of the profit and loss account
- (5) Basic & Diluted EPS calculated excluding exceptional item
- (6) Basic & Diluted EPS calculated post exceptional item

Details of the effective cost of acquisition per Equity Share by our Promoters as on the date of this Prospectus are set forth hereunder:

Name of the Promoter	Number of Equity Shares held	Average price per Equity Share (in ₹)
Mr. Sanjay Agarwal	58,477,128	28.75
Ms. Jyoti Agarwal	14,182,272	2.47
Ms. Shakuntala Agarwal	14,094,756	7.78
Mr. Chiranjil Lal Agarwal	8,119,770	11.22

The Offer Price of ₹ 358 has been determined by our Company and the Selling Shareholders, in consultation with the BRLMs on the basis of assessment of demand from investors for the Equity Shares through the Book Building Process and is justified in view of the above qualitative and quantitative parameters. Investors should read the above mentioned information along with the sections titled “*Risk Factors*”, “*Our Business*” and “*Financial Statements*” beginning on pages 19, 142 and 222, respectively, to have a more informed view. The trading price of the Equity Shares of our Company could decline due to the factors mentioned in “*Risk Factors*” and you may lose all or part of your investments.

**STATEMENT OF POSSIBLE TAX BENEFITS AVAILABLE TO THE COMPANY AND ITS
SHAREHOLDERS UNDER THE APPLICABLE LAWS IN INDIA**

The Board of Directors

AU Small Finance Bank Limited (formerly known as Au Financiers (India) Limited)

19-A, Dhuleshwar Garden

Ajmer Road, Jaipur - 302001

1. We hereby confirm that the enclosed Annexure, prepared by AU Small Finance Bank Limited (formerly known as Au Financiers (India) Limited) (the "Company"), provides the possible tax benefits available to the Company and to the shareholders of the Company under the Income Tax Act, 1961 (the "Act") as amended by the Finance Act, 2016, i.e. applicable for the financial year 2016-17 relevant to the assessment year 2017-18, presently in force in India. Several of these benefits are dependent on the Company or its shareholders fulfilling the conditions prescribed under the relevant provisions of the Act. Hence, the ability of the Company and / or its shareholders to derive the tax benefits is dependent upon their fulfilling such conditions which, based on business imperatives the Company faces in the future, the Company or its shareholders may or may not choose to fulfil.

The Central Board for Direct Taxes ('CBDT') has constituted a Committee to suggest framework to compute book profit which constitutes the tax base for Minimum Alternate Tax ('MAT') levy for companies converging to Ind-AS. Till date the Committee has made two reports, which are yet to be accepted by the Government. Since the Committee recommendations do not carry any weightage in law as they may or may not be accepted we have not expressed our opinion on the transitional impact of Ind-AS, which maybe applicable to the Company from FY 2018-19 onwards.

The Company has commenced operations as a small finance bank as notified *via* RBI press release dated April 19, 2017 and has made an application with the RBI for listing of its name in the Schedule II of the Reserve Bank of India Act, 1934 in order to attain the status of a scheduled commercial bank. Accordingly, the enclosed statement has been prepared by the Company considering the specific benefits that may become available to the Company or its shareholders as a scheduled commercial bank.

2. The benefits discussed in the enclosed statement are not exhaustive and the preparation of the contents stated is the responsibility of the Company's management. We are informed that this statement is only intended to provide general information to the investors and is neither designed nor intended to be a substitute for professional tax advice. In view of the individual nature of the tax consequences and the changing tax laws, each investor is advised to consult his or her own tax consultant with respect to the specific tax implications arising out of their participation in the issue.
3. We do not express any opinion or provide any assurance as to whether:
 - i) the Company or its shareholders will continue to obtain these benefits in future;
 - ii) the conditions prescribed for availing the benefits have been / would be met with; and
 - iii) the revenue authorities/courts will concur with the views expressed herein.
4. The contents of the enclosed statement are based on information, explanations and representations obtained from the Company and on the basis of their understanding of the business activities and operations of the Company.

ANNEXURE

Special tax benefits available under the Income Tax Act, 1961 (the “Act”):

TO THE COMPANY

1. As per the provisions of section 36(1)(iiia) of the Act, the Company is entitled to claim deduction in respect of pro-rata amount of discount on a zero coupon bond, having regard to the period of life of such bond, calculated in the manner as may be prescribed by rules in this behalf. Zero coupon bond is defined under section 2(48) of the Act to mean a bond issued by any infrastructure capital company or infrastructure capital fund or public sector company or scheduled bank on or after June 1, 2005 in respect of which no payment and benefit is received or receivable before maturity or redemption from infrastructure capital company or infrastructure capital fund or public sector company or scheduled bank and which is notified by the Central Government in this behalf.
2. In terms of Section 36(1)(viia) of the Act, the Company is entitled to claim deduction in respect of any provision for bad and doubtful debts made by the bank of an amount not exceeding 7.5% of the total income (computed before making any deduction under this clause and Chapter VIA of the Act) and an amount not exceeding 10% of the aggregate average advances made by rural branches computed in the manner prescribed under Rule 6ABA of Income Tax Rules, 1962.
3. Under section 36(1)(vii) of the Act, the amount of any bad debts, or part thereof, written off as irrecoverable in the accounts of the bank for the previous year is allowable as deduction. However, the amount of the deduction relating to any such debt or part thereof shall be limited to the amount by which such debt or part thereof exceeds the credit balance in the provision for bad and doubtful debts account including provisions made towards rural advances made under section 36(1)(viia) of the Act. Further, if the amount subsequently recovered on any such debt or part is greater than the difference between the debt or part of debt and the amount so allowed, the excess shall be deemed to be profits and gains of business or profession and accordingly, chargeable to tax in accordance with Section 41(4) of the Act in the year in which it is recovered.
4. In terms of Section 36(1)(viii) of the Act, the Company is allowed deduction in respect of any special reserve created and maintained by the bank for an amount not exceeding 20% of the profits derived from the business of long term finance for industrial or agricultural development or development of infrastructure facility in India or development of housing in India. Further, if the aggregate amount carried to the Special Reserve account from time to time exceeds twice the paid-up capital and general reserves, no deduction shall be allowed on the excess amount under the Section 36(1)(viii) of the Act. The amount withdrawn from such a Special Reserve Account would be chargeable to income tax in the year of withdrawal, in accordance with the provisions for Section 41(4A) of the Act.
5. In terms of section 43D of the Act, interest on certain categories of bad and doubtful debts as specified in Rule 6EA of the Income Tax Rules, 1962, shall be chargeable to tax only in the year of receipt or credit to Profit and Loss Account, whichever is earlier.
6. Under section 80LA of the Act, where the specified entities (including scheduled bank) total income, in any previous year, includes income from an Offshore Banking Unit in a Special Economic Zone or income from the banking business (as defined in section 6(1) of Banking Regulation Act, 1949) with an undertaking located in a Special Economic Zone or any other undertaking which develops, develops and operates or develops, operates and maintains a Special Economic Zone or from any Unit of the International Financial Services Centre from its business for which it has been approved for setting up in such a Centre in a Special Economic Zone, then it shall, subject to the fulfilment of the conditions specified in section 80LA, be entitled to 100% deduction of such income for five consecutive assessment years, beginning with the assessment year relevant to the previous year in which the permission under section 23(1)(a) of the Banking Regulation Act, 1949 or registration under the Securities and Exchange Board of

India Act, 1992 or any other relevant law is obtained, and after those five years, 50% of deduction of such income for the next five consecutive assessment years.

7. Under Section 47(xv) of the Act, no capital gain is chargeable on any transfer in a scheme of lending of any securities under an agreement or arrangement, which the assessee has entered into with the borrower of such securities and which is subjected to the guidelines issued by the Securities and Exchange Board of India or Reserve Bank of India, in this regard.

TO THE SHAREHOLDERS OF THE COMPANY

There are no special tax benefits available to the shareholders of the Company.

Notes:

1. The above statement of possible tax benefits (“Statement”) sets out the provisions of law in a summary manner only and is not a complete analysis or listing of all potential tax consequences of the purchase, ownership and disposal of shares.
2. The above Statement covers only certain relevant direct tax law benefits and does not cover any indirect tax law benefits or benefit under any other law.
3. The above Statement are as per the current direct tax laws relevant for the assessment year 2017-18. Several of these benefits are dependent on the Company or its shareholder fulfilling the conditions prescribed under the relevant tax laws.
4. This Statement is intended only to provide general information to the investors and is neither designed nor intended to be a substitute for professional tax advice. In view of the individual nature of tax consequences, each investor is advised to consult his/her own tax advisor with respect to specific tax consequences of his/her investment in the shares of the Company.
5. In respect of non-residents, the tax rates and consequent taxation mentioned above will be further subject to any benefits available under the relevant DTAA, if any, between India and the country in which the non-resident has fiscal domicile.
6. We have not commented upon the taxation aspect under any law for the time being in force, as applicable, of any country other than India. Each investor is advised to consult its own tax consultant for taxation in any country other than India.
7. No assurance is given that the revenue authorities/courts will concur with the views expressed herein. Our views are based on the existing provisions of law and its interpretation, which are subject to changes from time to time. We do not assume responsibility to update the views consequent to such changes.

The Indian Economy

India has the fourth largest economy in the world by purchasing power parity (*Source: <https://www.cia.gov/library/publications/the-world-factbook/geos/in.html>*). Against a background of global instability, India registered a growth of 7.6% during the financial year 2016, becoming the fastest growing major economy in the world. During the same period, macroeconomic parameters such as inflation, fiscal deficit and current account balance all exhibited signs of improvement. The financial year 2016 has also witnessed the launch of several government programs and initiatives designed to boost manufacturing, industrial growth, foreign direct investment and ease of doing business. Financial, insurance, real estate and professional services are estimated to have achieved double-digit growth for the financial year 2016. The industrial sector, broadly comprising mining, manufacturing, electricity and construction is estimated to have grown to 7.3% of India’s economy for the financial year 2016 from 5.9% for the financial year 2015. Financial Inclusion in India

In 2012, the Reserve Bank of India (“RBI”) set up an advisory body, the Financial Inclusion Advisory Committee (“FIAC”) to review financial inclusion policies on an on-going basis. FIAC’s aims include preparing a national strategy for financial inclusion, monitoring progress on financial literacy and tracking progress of the RBI’s Financial Inclusion Plan, which is designed to provide a structured and planned approach to financial inclusion. Under the Financial Inclusion Plan, 1,670 new rural bank branches were opened between April 2015 and March 2016.

Financial literacy is crucial for making financial inclusion initiatives effective. As of March 2016, 1,384 financial

literacy centers were operational in the country, and 87,710 financial literacy activities were conducted. (Source: Reserve Bank of India Annual Report 2016, available at <https://rbidocs.rbi.org.in/rdocs/AnnualReport/PDFs/0RBIAR2016CD93589EC2C4467793892C79FD05555D.PDF>)

Demonetization

On November 8, 2016, the Government announced the demonetization of ₹ 500 and ₹ 1,000 currency notes. Since then, the RBI has collected over US \$185.81 billion from various bank branches. Between November 8 and November 25, bank credit decreased by 0.8%, with US \$9.85 billion paid by defaulters. Banks all over the country also witnessed a surge in card usage, particularly of debit cards, for purchasing and making payments. (Source: IBEF Report)

Non-Banking Financial Companies

Non-Banking Financial Companies (“NBFCs”) are a group of institutions which perform the function of financial intermediation in a wide variety of ways, for example, by accepting deposits, making loans and advances and financing leasing and hire purchase transactions. NBFCs often advance loans to customers in rural and semi-urban areas who lack credit histories and may be excluded from being served by banks or large financial institutions. Institutions whose principal business is agricultural activity, industrial activity or the sale, purchase and construction of immovable property cannot be classified as NBFCs.

(Source: CRISIL Report)

NBFC Types

NBFCs are classified into the following types by the RBI:

- *Asset Finance Company*: an NBFC whose principal business is that of financing the physical assets which support various productive or economic activities. For this purpose, “principal business” means the aggregate of financing real or physical assets supporting economic activity and income arising therefrom is not less than 60% of total assets and total income respectively;
- *Investment Company*: an NBFC whose principal business is that acquisition of securities;
- *Loan Company*: an NBFC whose principal business is that of providing finance whether by making loans or advances or otherwise for any activity other than its own, not including an equipment leasing company or a hire-purchase finance company;
- *Infrastructure Finance Company*: an NBFC that deploys at least 75% of its total assets in infrastructure loans, has minimum net owned funds of ₹ 3,000 million, has a minimum credit rating of ‘A’ or equivalent, and a CRAR of 15%;
- *Systemically Important Core Investment Company*: an NBFC carrying on the business of the acquisition of shares and securities which satisfy the following conditions:
 - a) it holds not less than 90% of its total assets in the form of investment in equity shares, preference shares, debt or loans in group companies;
 - b) its investments in the equity shares (including instruments compulsorily convertible into equity shares within a period not exceeding 10 years from the date of issue) in group companies constitutes not less than 60% of its Total Assets;
 - c) it does not trade in its investments in shares, debt or loans in group companies except through block sale for

the purpose of dilution or disinvestment;

- d) it does not carry on any other financial activity referred to in Section 45I(c) and 45I(f) of the RBI Act, 1934 except investment in bank deposits, money market instruments, government securities, loans to and investments in debt issuances of group companies or guarantees issued on behalf of group companies;
- e) its asset size is ₹ 1,000 million or above; and
- f) it accepts public funds;
- *Infrastructure Debt Fund Company*: an NBFC that facilitates the flow of long term debt into infrastructure projects and raises resources through the issue of rupee or dollar denominated bonds of a minimum five year maturity. Only Infrastructure Finance Companies can sponsor Infrastructure Debt Fund Companies.
- *Microfinance Institution*: a non-deposit taking NBFC having not less than 85% of its assets in the nature of qualifying assets which satisfy the following criteria:
 - a) loan disbursed by an NBFC-MFI to a borrower with a rural household annual income not exceeding ₹ 100,000 or urban and semi-urban household income not exceeding ₹ 1,60,000;
 - b) loan amount does not exceed ₹ 50,000 in the first cycle and ₹ 100,000 in subsequent cycles;
 - c) total indebtedness of the borrower does not exceed ₹ 100,000;
 - d) tenure of the loan not to be less than 24 months for loan amount in excess of ₹ 30,000 with prepayment without penalty;
 - e) loan to be extended without collateral;
 - f) aggregate amount of loans, given for income generation, is not less than 50% of the total loans given by the MFIs;
 - g) loan is repayable on weekly, fortnightly or monthly installments at the choice of the borrower; and
- *Factors*: a non-deposit taking NBFC engaged in the principal business of factoring. The financial assets in the factoring business should constitute at least 50% of its total assets and its income derived from factoring business should not be less than 50% of its gross income.

NBFCs are further categorized based on liabilities into those accepting deposits, or deposit-taking NBFCs, or those not accepting deposits, or non-deposit taking NBFCs. Non deposit taking NBFCs may be further classified, based on their size, as systemically important non-deposit taking NBFCs.

Financing needs in India have risen along with economic growth over the past decade. By complementing banks and other financial institutions, NBFCs have played a major role in meeting this need. Outstanding loans held by NBFCs grew at a CAGR of an estimated 20% between the financial years 2012 and 2016, accounting for 15% of overall systemic credit as of March 2016. While microfinance has recorded the highest CAGR at 49% between the financial years 2012 and 2016, MSME finance and loans against property also grew with a CAGR of over 40% and 33% respectively. Housing, transport and infrastructure loans grew moderately at a CAGR of approximately 15% each. The following chart sets forth outstanding loans of NBFCs for the periods indicated:

Source: RBI, CRISIL Research

In recent years, the NBFC sector has witnessed the emergence of large companies with diversified activities. Consolidation and acquisition have increased the number of NBFCs with an asset base larger than ₹ 5 million. The following chart sets forth the average asset size of NBFCs:

Banks are a major source of funding for NBFCs, accounting for almost a third of borrowings for the financial year 2016. However, over the years, NBFCs have increased their borrowings from the bond market. Since yields are more than 100 basis points lower than bank lending rates, NBFCs have successfully reduced their cost of borrowing.

Going forward, NBFC growth is expected to moderate significantly given increased regulation. While traditional businesses are expected to achieve stable growth, NBFCs are also looking towards niche segments such as SME loans and low cost housing finance for diversification. Low penetration in Tier-II and Tier-III cities, product and process innovation and a continued focus on core businesses will be key growth drivers.

Housing finance is expected to grow at 13-14% and 17-18% during the Financial Years 2017 and 2018, respectively, after being impacted by the demonetization move, which has affected housing demand, existing buffer levels built into loan to value, and collections. However, long-term growth in the sector is expected to remain intact as the real estate industry becomes more transparent post demonetization. The Government's push for affordable housing, declining rates, and rising affordability will also support growth. Due to increased demand, Government initiatives

and improved information, low cost housing finance is expected to grow at a CAGR of 23% over the next two years. Profitability of low cost housing finance is also expected to improve marginally alongside a decline in cost of funds.

Vehicle finance is expected to grow at a CAGR of 15% over the next two years. Since the demonetization has also affected the vehicle finance industry, growth for the Financial Year 2017 is expected to be similar to that in the financial year 2016. The impact of demonetization is expected to be offset by better-than-expected two-wheeler and car sales in the second quarter of the Financial Year 2017. Growth is expected to rebound in the financial year 2018 helped by growth in the economy and lower interest rates. The profitability of the vehicle finance industry is expected to be lower in the Financial Year 2017 on account of pressure on yields due to short-term weakness in demand caused by slower economic activity. However, this will be offset by the lower cost of funds and better funding mix which will help it to improve marginally in the financial year 2018.

Tier-Wise Classification of Centers in India

The following table sets forth RBI classification of centers in India, tier-wise, based on population:

Classification of centers (tier-wise)	Population (as per 2001 census)
Tier 1	100,000 and above
Tier 2	50,000 to 99,999
Tier 3	20,000 to 49,999
Tier 4	10,000 to 19,999
Tier 5	5,000 to 9,999
Tier 6	Less than 5000

The following table sets forth population-group wise classification of centers:

Classification of center	Population
Rural center	Up to 9,999
Semi-urban Center	From 10,000 to 99,999
Urban Center	From 1,00,000 to 9,99,999
Metropolitan Center	1,000,000 and above

Vehicle Finance Industry

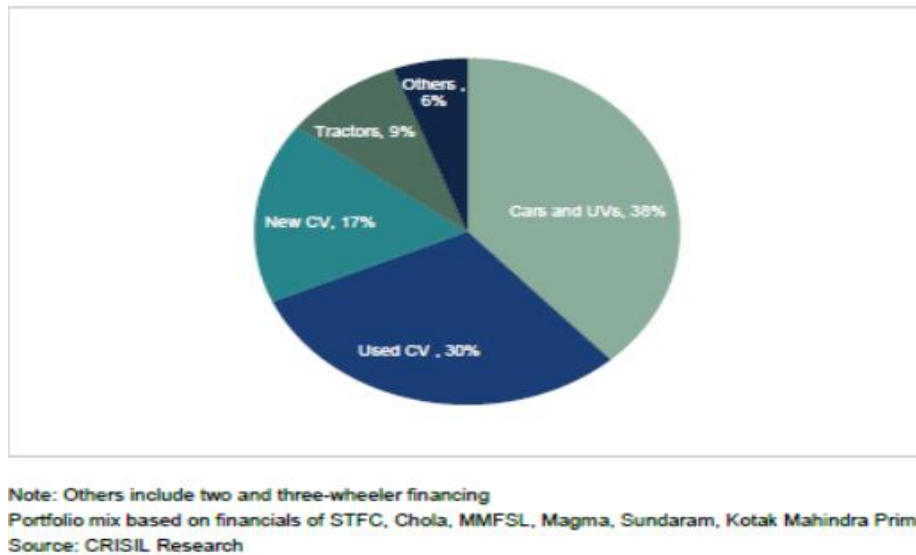

As a result of low fuel prices, interest rates cuts and an increase in demand from the mining and construction sectors, automobile sales grew by 8% during the financial year 2016. The vehicle finance industry grew by 13% during the same period, reaching a value of ₹ 4,738 billion due to an increase in new commercial vehicle disbursements, a recovery in new private vehicle disbursements and muted growth in used vehicle loans. The growth outlook for vehicle finance remains positive due to a continued fall in fuel prices and inflation, as well as improving income growth.

The following table sets forth growth rates for sales of vehicles for the periods indicated:

Category of Vehicle	FY13	FY14	FY15	FY16	FY17P	FY18P
Medium and Heavy Commercial Vehicles	-23%	-27%	21%	32%	1%	2%
Light Commercial Vehicles	14%	-18%	-13%	-1%	7%	6%
Cars	-8%	-5%	5%	7%	6%	7%
Utility Vehicles	32%	-9%	1%	9%	20%	8%
Two-Wheelers	3%	7%	8%	4%	11%	9%
Tractors	-2%	20%	-13%	-10%	17%	10%

P=Projected

The following table sets forth the portfolio break-up of auto finance NBFCs:

The following table sets forth a comparison of key operating metrics across different segments in vehicle finance (this does not include the impact of demonetization.):

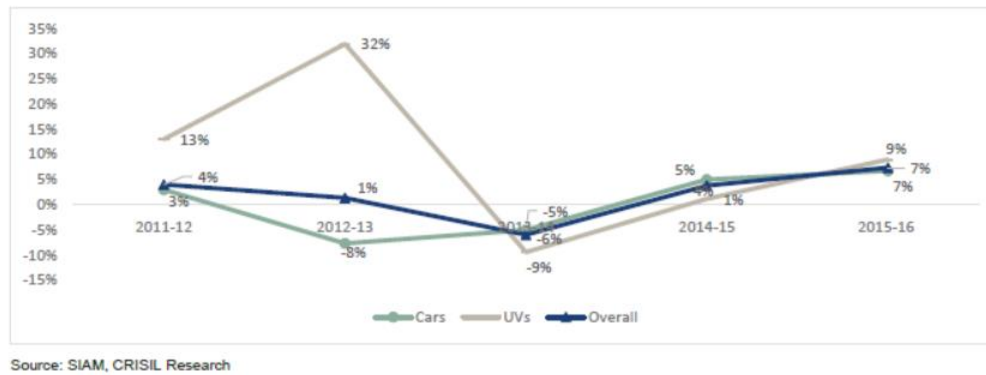

Category of Vehicle	Indicative yields	Gross non-performing assets	Comments
Used cars and utility vehicles	15% - 18%	2 – 2.5%	Attractive for financiers due to higher margins; Disbursement growth to moderate going forward; GNPAs higher in new cars and utility vehicles due to relatively weaker borrower profile.
New cars and utility vehicles	11% - 13%	0.5% - 1.5%	Profitability of car and used vehicle financiers to remain stable in the short term; Loan disbursement growth to be higher on account of higher LTV and sales growth; Despite early recognition of NPA norms, NBFCs are expected to limit their credit costs with better monitoring and recovery mechanisms.
Used commercial vehicles	17 – 20%	3.5% - 4.5%	Used commercial vehicle sales to grow by 6%;
New commercial vehicles	13% - 15%	3.5% - 4.0%	New commercial vehicle disbursements expected to increase at a much faster rate in the Financial Year 2017 due to higher competition, growth in MHCV sales and higher vehicle prices.
Tractors	18% - 20%	5.5% - 6.0%	Inherent risk in tractor financing keeps delinquencies high; Tractor financing to grow at a 14% CAGR over the next two years.

Passenger Vehicles

For the financial year 2016, car and utility vehicle sales grew by 7% and 9%, respectively. For the same period, passenger vehicle disbursements increased by 15%. Car sales were driven primarily by an increase in disposable income, a marginal decline in the cost of car ownership and the introduction of a host of global players that introduce new models. Passenger vehicle disbursements grew primarily due to the upward revision of vehicle prices, an increase in loan-to-values (“LTV”), and higher vehicle finance penetration levels.

The historic growth rates for car and utility vehicle sales are set out below for the periods indicated:

India’s car ownership ratio, at 20 cars per 1,000 people, continues to remain relatively low compared to peer countries like Brazil, which has 147 cars per 1,000 people, and Thailand, with 93 cars per 1,000 people. Along with rising income levels, this under-penetration suggests potential for a long-term growth in car sales. Though the sales growth is impacted by the demonetization in the second half of the Financial Year 2017, cars sales are expected to grow at approximately 6% and utility vehicle sales are expected to grow at approximately 20% during the Financial Year 2017, as a result of a near-normal monsoon and faster growth in disposable income due to lower inflation.

(Source: CRISIL Report)

Growth Drivers for Passenger Vehicles

Increase in addressable households. Between the financial years 2011 and 2016, the number of households that could afford a car went up by a CAGR of 15%, along with a rise in disposable income. It is expected that the number of such households will grow at a CAGR of 14% over the next five years, boosted by wage hikes for government employees. In addition, the demand for a second car per family is increasing in urban areas.

Marginal decline in cost of ownership. The cost of car ownership is also expected to decline marginally during the Financial Year 2017 due to the launch of new, entry-level models.

Entry of new players. Over the past decade, a host of global companies have established production facilities in India in order to capitalize on growth opportunities. These companies have launched international best-selling models as well as India-specific models. Car sales have risen significantly after the introduction of new models, and auto-makers continue to attract sales with special editions and new variants.

Increase in dealerships, urbanization and access to finance. While most urban centers are already covered by dealership networks, car manufacturers are setting up new dealerships in smaller towns to increase penetration and sales. Greater distribution will push up sales of passenger cars, and enhanced penetration of financing will improve passenger car sales across segments.

Shorter replacement cycles. The average replacement cycle for cars has shrunk from a decade ago, implying

frequent upgrades to models from the same segment or higher-end models. A growing middle class with a larger disposable income is driving replacement demand.

Commercial Vehicles

Commercial vehicles include light commercial vehicles (“LCVs”) and medium and heavy commercial vehicles (“MHCVs”). During the financial year 2016, sales of commercial vehicles grew by 11%. While LCV sales fell 1% in the financial year 2016, MHCV sales grew by 32%, supported by an improvement in agricultural output, industrial activity and a focus on infrastructure project execution. Financiers remained cautious while lending to LCV customers, who were mostly small fleet operators and first time buyers with weaker credit profiles.

The historic growth rates for commercial vehicle sales are set out below for the periods indicated:

As private spending is expected to rise, sales of LCVs are expected to grow, driven by an increase in private final consumption expenditure. Sales of MHCVs are expected to be stagnant as it is impacted by demonetization, fall in replacement demand and subdued industrial growth.

(Source: CRISIL Report)

Growth Drivers for Commercial Vehicles

Growth in economic activity. Commercial vehicles transport over half of the total freight handled in the country. As a result, demand for commercial vehicles, particularly for MHCVs, is strongly linked to overall economic growth, freight movement and industrial and agricultural production.

Commercial vehicle financing. Since majority of vehicles purchased by transporters require funding assistance from financial institutions, improved finance availability remains a significant growth driver for the commercial vehicles industry. Disbursements depend on the sale of commercial vehicles which, in turn, depend on overall economic growth. On the other hand, rising fuel and maintenance costs and spare capacity can adversely affect the sale of commercial vehicles.

Entry of new players. The of new international players such as Daimler, Forton and General Motors, along with the expansion of product portfolios by local players is expected to intensify competition and accelerate product development for commercial vehicles.

Other long-term drivers. Infrastructure development and government initiatives are long-term drivers for the commercial vehicle industry. Improvement of road infrastructure would improve connectivity and facilitate the sale of higher-tonnage vehicles, including MHCVs.

Used Passenger Vehicles

During the financial year 2016, used car disbursements grew 10%. Used car sales in India originate primarily through references and brokers. The share of used car sales from organized dealers, who largely operate in metros, big cities and state capitals, is under 20%. Consumer to consumer transactions account for 30% of used car sales, while unorganized players contribute over 50% to used car sales. The average price of a used car is between ₹ 300,000 and ₹ 400,000.

The used car market depends on growth in new car sales and retention period. Over the past five years, the launch of new models by manufacturers and the rising income of the Indian middle class has reduced the average retention period. As a result, the used car finance market is expected to grow at a CAGR of 11% over the next two years. Online classifieds are playing a major role in helping customers carry out price checks and locate inventory. Dealers are entering into tie-ups with online portals for price discovery and sales generations. Financiers also use these portals as reference for asset valuation. It is expected that used car sales from organized players will grow at a CAGR of 20% over the next five years, due to the capacity of organized players to offer a wide choice of multi-brand cars, warranty, insurance and competitive prices.

The following chart sets forth used car disbursements for the periods indicated (the projected growth numbers have not incorporated the demonetization impact):

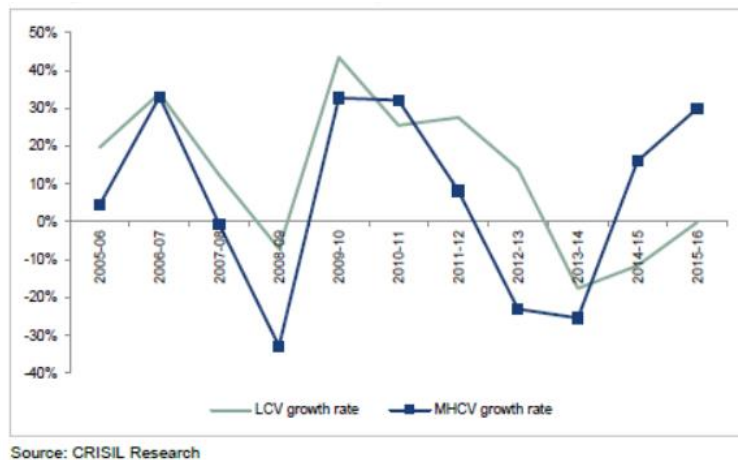

(Source: CRISIL Report)

Used Commercial Vehicles

Used commercial vehicle disbursements are expected to grow at a CAGR of 6% over the next two financial years. Both used LCV and used MHCV disbursements are expected to grow at a CAGR of 6%.

A sharp decline in commercial vehicle sales over the last few years has adversely impacted the stock of commercial vehicles available for resale. This decline was partly due to economic slowdown that resulted in subdued growth in rail freight loading, mining activity and port traffic in the years prior to the financial year 2016. As a result, disbursement remained low for the financial year 2016, particularly for used MHCVs. The improving economic scenario and higher freight availability is expected to result in high utilization of commercial vehicles.

The following chart sets forth commercial vehicle sales for the periods indicated:

The profitability of used commercial financing is linked to the performance of the Indian economy. The fragmented nature of the market and the nature of the customer class allows financiers to generate higher yields. These higher yields typically compensate for the increase in operating expenditure and cash losses that often incur. Higher yields also translate into financiers earning better profit margins in used commercial vehicle financing than for new vehicles.

Used commercial vehicle customers include drivers turned owners, first time users, small fleet operators and first time buyers. Interest rates differ based on customer profile, and are generally higher for first time users and small fleet operators who have a weaker credit profile. Interest rates and LTV ratios also differ based on the age of vehicles as the maintenance cost of a vehicle rises along with its age. The average interest rate for used LCVs is 19% to 20%, while the average interest rate for used MHCVs is 17% to 18%.

Financiers who operate in the used commercial vehicle market must have the ability to assess vehicle quality and pricing risk. In addition, financiers need to put in place stringent appraisal norms and documentation to assess the credit worthiness of the borrower. 30% to 40% of clientele are typically repeat customers with demonstrated repayment records. The operating and managing efficiency of financiers depends on their ability to set up a strong distribution network with deployment of employees at the grassroots level to ensure timely collection. 60% to 70% of collections are in the form of cash deposits. The average price of a used LCV is ₹ 475,000, while the average price of a used MHCV is ₹ 925,000.

Key success factors in the used commercial vehicle business include:

- *Valuation.* The lack of a transparent pricing mechanism makes valuation a challenge. Good quality appraisers and trained staff, however, can be mitigating factors.
- *Credit appraisal.* Borrowers often do not have income tax returns or documentation. In addition, 75% of buyers own less than three trucks. Mitigating factors include requiring the personal guarantee of customer and guarantor, checking moveable and immovable property of the customer and the guarantor, and having power of the attorney signed by the customer in the name of the company for repossession in case of default.
- *Collection recovery.* Since assets and borrowers are both mobile, and 60% to 70% of collection is through cash, collection recovery remains a challenge. Locals who are comfortable dealing with transport operators need to be employed, and collection should multiple times a month.

NBFCs in Vehicle Finance

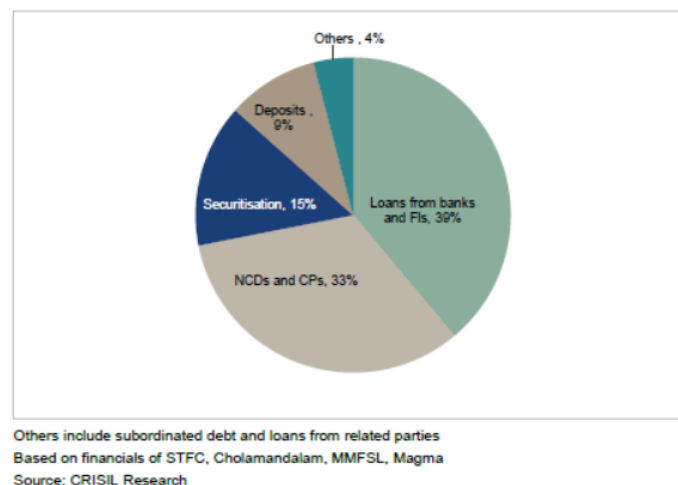

NBFCs have increased their market share in the vehicle finance industry from an estimated 40% for the financial year 2012 to 47% for the financial year 2016. This growth is partially due to NBFCs developing stronger risk management capabilities and a better understanding of their customers, and consequently being able to serve customers that banks do not have the risk appetite to cater to. These customers, many of whom may have weaker credit profiles, include small fleet operators, first time buyers, first time users and used vehicle buyers.

The following chart sets forth NBFCs' share in vehicle finance for the periods indicated:

Vehicle finance NBFCs largely depend on wholesale borrowings from banks and financial institutions, which constituted 39% of their total borrowings for the financial year 2016. All major NBFCs have good credit ratings, so their debt instruments are well accepted across various investor classes such as banks, insurance companies and mutual funds. On account of strong credit ratings, their spreads over government securities are lower, keeping their cost of borrowings low. Vehicle finance NBFCs have also lowered their cost of borrowings by increasing their share of market borrowings through commercial papers and non-convertible debentures.

The following chart sets out funding sources for vehicle finance NBFCs:

For passenger vehicles, NBFCs focus on tour and taxi vehicles in urban areas and on self-employed customers in rural areas. New and used commercial vehicles account for nearly half the total portfolio of NBFCs, with target customers including first-time entrepreneurs, first time users and small road vehicle operators.

The following chart sets out the portfolio composition of NBFCs that engage in vehicle finance:

Banks have also had minimal exposure to the used commercial vehicle segment, allowing NBFCs to account for a large part of organized used commercial vehicle disbursements. NBFCs have an estimated 80% share of the used commercial vehicle disbursement market. In the organized used car finance market, banks and NBFCs enjoy equal market share. As NBFCs lend to customers with a weaker credit profile, the risk of customer default is higher compared to banks. Low freight demand and high operating costs over the past two years have impacted commercial vehicle operator earnings, resulting in a sharp rise in delinquencies. NPAs in the used commercial vehicle portfolio were as high as 7% to 8% for the financial year 2016. Consequently, over the last two years, NBFCs have tightened their appraisal process and restricted funding to customers with comparatively better credit profiles.

It is expected that NBFCs will expand their operations steadily, claiming more market share from unorganized financiers and money-lenders. For the Financial Year 2017, the cost of funds for financiers is expected to fall by 15 to 20 basis points, partially due to the lowering of base rates by banks. NBFCs are expected to pass on the benefit of lowered borrowing costs to customers. Higher volumes and efficient expenses management will keep the operating costs in check. However, return on assets for vehicle finance NBFCs is expected to fall during the Financial Year 2017 on account of higher credit cost and to remain at low levels till the financial year 2018. Asset quality is also expected to deteriorate during the Financial Year 2017 as collection efficiency will be severely impacted in the short term post demonetization since over 40% of the industry's collections are in cash. Further, the Gross NPA levels will remain elevated till the financial year 2018 despite a growth in economic activity, as the industry moves to a 90 days past due policy by the financial year 2018.

The following chart sets forth GNPA's for vehicle finance NBFCs for the periods indicated:

Asset quality to remain weak

P: Projected FY18 numbers are based on 150 dpd, FY17 numbers are based on 120 dpd, and FY18 numbers are based on 90 dpd. Aggregate includes STFC, Mahindra & Mahindra Financial Services, Magma Fincorp, Kotak Mahindra Prime, Sundaram Finance, and Cholamandalam. Source: CRISIL Research

Some of the key risks for vehicle finance NBFCs include the changing regulatory framework and higher provisioning requirements that will impact profitability and increase competition, particularly from banks. In addition, NBFCs in vehicle finance do not access to low-cost deposits, resulting in costs of funds being higher than for banks. Managing cost of funds is vital for NBFCs to be competitive in this space.

New vehicle financing is expected to be the key growth driver for vehicle finance NBFCs in the short term. As private spending is expected to increase, sales growth of new light commercial vehicles is expected to turn positive. Tractor sales are expected to grow in double digits, and cars and utility vehicle sales are expected to grow at a CAGR of 7% and 14%, respectively, between the financial years 2016 and 2018.

MSME Finance Industry

Micro, small and medium enterprises (“MSMEs”) are key parts of the Indian economy, accounting for an estimated 45% of India’s manufacturing output and 40% of total exports for the financial year 2016. The RBI defines MSMEs in line with the Micro, Small and Medium Enterprises Development Act, 2006. The following table sets forth the RBI classification of MSMEs:

Investment in plant and machinery		
	Manufacturing	Services
Micro	Below ₹ 2.5 million	Below ₹ 1.0 million
Small	₹ 2.5 million – ₹ 50.0 million	₹ 1 million – ₹ 20 million
Medium	₹ 50 million – ₹ 100 million	₹ 20 million – ₹ 50 million

The number of MSMEs has been growing between 4% and 5% over the past five to six years. MSME credit rose at a CAGR of 11% between the financial years 2012 and 2016, as organized financiers increased their focus on MSME finance. MSME credit is further expected to grow 10 to 12% annually over the next two years (this does not include the impact of demonetization). This growth is partly fueled by a recovery in the economy that has resulted in significant unmet demand for credit in the MSME sector.

The following chart sets forth the trajectory of MSME credit for the periods indicated (projected numbers have not incorporated the impact of demonetization):

P: Projected

Source: RBI, CRISIL Research

MSME lending in banks' loan portfolios has increased steadily since the financial year 2013, with the segment comprising approximately 25% of the total credit disbursed to corporates in the financial year 2016. Traditionally, public sector banks held the dominant share of the MSME lending space. However, their share has contracted over the past four to five years as private banks and NBFCs have increased their presence in Tier-II and lower centers. NBFCs and banks have both seen increased secured lending with stricter lending norms, and security provided through both primary and secondary collateral. Due to regulatory restrictions, NBFCs are not able to provide working capital loans to MSMEs. As a result, their entire portfolio consists of term loans. Banks do not have such a restriction, and 75 to 80% of the banks' loans are working capital loans.

Only a quarter of the total lending to MSMEs in the financial year 2015 was undertaken through formal sources such as scheduled commercial banks, NBFCs and developmental financial institutions. It is expected that the total credit demand from the MSME sector over the medium term is ₹ 45 trillion.

The following table sets forth the source and proportion of finance provided to the MSME sector:

Source	Proportion of finance
Finance from institutional sources	5.2%
Finance from non-institutional sources	2.0%
No access to credit or self-financing	92.8%

(Source: CRISIL Report)

Customer Sourcing and Profile

Approximately 60 to 65% of the MSME finance business for NBFCs is obtained through direct sales teams and relationship managers. MSME borrowers operate in industries including retail, trading, real estate, education institutions and hotels. The average MSME loan ticket size for NBFCs is ₹ 1.5-2.0 million, with a tenure of 2-4 years, while the average ticket size for a large private bank is approximately ₹ 20 million, with a tenure that varies based on the nature of the loan.

(Source: CRISIL Report)

NBFCs in MSME Finance

With increasing penetration, NBFCs have grown their share in overall MSME credit over the past 4 to 5 years. Presence in untapped territories has helped NBFCs reach out to unorganized sectors. System and process innovation, superior product delivery and a focus on relationship building have resulted in improved operating efficiency of NBFCs. NBFCs have strengthened their presence in non-metros, Tier-II and Tier-III cities.

NBFCs are expanding their MSME loan book and targeting new customers. Growth will also be supported by better customer reach, faster documentation and NBFCs having a higher risk appetite. In addition, NBFCs loan books are growing as they replace credit typically extended by the unorganized sector. NBFCs are also attracting bank customers by offering higher loan amounts, a shorter turnaround time, greater market penetration and better operating efficiency.

The following chart sets forth growth of NBFCs in MSME credit for the periods indicated:

P: Projected

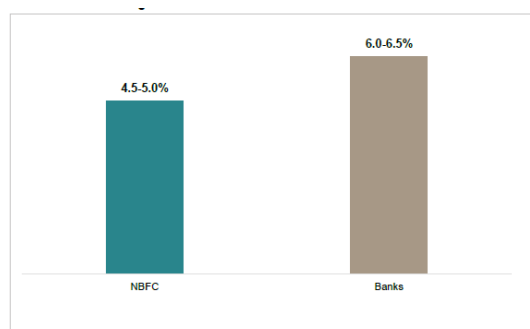

Note: 'Loan against property' portfolio of NBFCs has been excluded wherever possible.

Source: RBI, CRISIL Research

Due to higher yields and strong appraisal and collection systems, NBFCs have a net profitability of 4%. Operating expenditure is high for financiers given the relatively low ticket size, making it imperative for them to have a workforce that is capable of soliciting new business as well as appraising and collecting payments. Increasing GNPA's and competition may result in a medium-term reduction in profitability.

As a result of a general slowdown in the economy, non-performing asset ("NPA") levels have increased. Loans to MSMEs also have a higher chance of defaulting and turning into NPAs, since MSMEs are more vulnerable to business cycles. In addition, MSMEs suffer from technological obsolescence due to lower net worth, and weak bargaining power with customers and raw material suppliers. However, due to the effective collection and recovery mechanisms of NBFCs, NPA levels are lower than banks.

The following chart sets forth gross NPAs ("GNPAs") among NBFCs and banks for the financial year 2016:

MSME financiers face several challenges. MSMEs are highly heterogeneous in terms of size, variety of products and level of technology, which makes it tough for financiers to identify MSMEs with a good business and financial profile. The following chart sets forth some of the key risk areas within MSME finance include lack of skilled manpower, lack of information, time lag in CIBIL updating, deciding focus sectors, vulnerability to industry cycles and technological progress and identification of key risk factors.

Market Trends in MSME Credit

Increased secured lending with stricter lending norms. Approximately 80% to 85% of NBFC lending is secured. In contrast, banks secure 60% to 70% of their lending portfolio. Security is primarily provided through collateral such as plant and machinery, and current assets of the MSME. To add another layer of security, secondary collateral is collected in the form of immovable assets such as commercial and residential property and shares. Approval rates vary across NBFCs at between 70% and 75%.

Sourcing through own networks. Approximately 60% to 65% of NBFC business is brought in by direct sales teams and relationship managers. Apart from this, branch walk-ins contributed 15% to 20% of business sourcing.

Regional concentration most evident in MSME lending. NBFCs have strengthened their presence in non-metro, Tier-II and Tier-III cities. States such as Tamil Nadu, Karnataka, Kerala, Andhra Pradesh and Telangana in South India and Gujarat, Maharashtra, Madhya Pradesh in West India attract maximum lending in the MSME segment by NBFCs due to high concentration of MSMEs in these regions. Other major states with a high share in MSME lending are Uttar Pradesh, West Bengal and Rajasthan.

Trading and services form major part of MSME borrowers for NBFCs. The majority of lending is to trading companies. Some of the other industries where the significant lending is undertaken are retail customers, traders, real estate, educational institutions and hotels.

Low Cost Housing Finance

The Indian housing market can be divided based on ticket size of the mortgage loan into three categories:

- *Above ₹ 2.5 million.* The bulk of this market comprises traditional lending to salaried individuals in urban and metro cities. Large banks and housing finance companies dominate this market.
- *Between ₹ 1.0 million and ₹ 2.5 million.* Loans in this category are primarily extended towards individuals in semi-urban towns and satellite towns around large cities. Large and mid-sized housing finance companies operate in this market.
- *Below ₹ 1.0 million.* These are low-cost housing loans, directed towards housing for lower-income group households. Some NBFCs operate in this area.

The Indian housing finance loan market has grown rapidly, with housing loans held by housing finance companies growing at a CAGR of approximately 21% between the financial years 2011 and 2016. This growth has occurred

due to rising finance penetration and the growth of non-metro cities.

Despite high demand, supply of low-cost housing finance has been constrained due to banks' inability to accurately assess credit risk associated with low-income borrowers, and the high costs associated with smaller ticket sizes and lower volumes. Banks are also reluctant to lend to rural and semi-urban areas due to higher levels of GNPA's. As a result, metros and urban areas accounted for an estimate of nearly 80% of housing loans extended by public sector banks for the financial year 2016. It is expected that banks will be more cautious in lending to rural areas, but will increase lending in semi-urban areas.

There is significant opportunity within the low cost housing finance market. Continued urbanization will guarantee strong demand for housing in Tier-II and Tier-III cities as well as smaller towns. In addition, government initiatives such as the "Pradhan Matri Awas Yojana," under which the government intends to construct more than 20 million houses across India by 2022, will continue to augment housing supply.

Low cost housing finance sees a high proportion of bank lending due to the fact that housing finance sees low delinquency rates. Investments in low income housing also qualify as priority sector loans for banks. In July 2014, the RBI exempted long-term bonds from mandatory cash reserve ratios and statutory liquidity ratio norms if the money raised was used for infrastructure development and affordable housing. Banks are allowed to raise bonds of a minimum maturity of seven years for lending to long-term project in infrastructure sub-sectors and for affordable housing.

Key Risks in Low Cost Housing Finance

Collateral fraud. One of the key risks facing players in this market is collateral fraud that forces lending institutions to implement additional control measures which increase underwriting expenses.

High risk customers. Financiers typically extend lower LTVs to customers in the low cost housing finance market due to the high risks associated with the business. Lower LTVs in turn result in lower disbursements for financiers.

Funding disadvantages. Most small housing finance companies are at a disadvantage as they have to compete with large banks which have a lower cost of funds.

Delays in project approvals and construction. Cash flows are also dependent upon the timely completion of housing project in which customers have already made purchases. If a project gets delayed, the borrower may start defaulting on loans. As such, project delays can impact the loan book.

Credit appraisal challenges. Despite the presence of several credit bureaus, credit score availability in India is at a nascent stage. In several cases, borrowers lack formal proof of income document, which makes it difficult to judge the borrower's repayment capabilities.

(Source: CRISIL Report)

Customer Sourcing and Profile

Prompted by the high cost of serving customers, financiers targeting low-income customers often adopt innovative models to source business. Housing finance companies assume a hub and spoke model, where retail branches of the company operate as a hub in urban areas, while project site kiosks source customers. Direct customer contact enables better visibility and helps limit fraud, making for more reliable customer assessment.

Customer appraisal for low-cost housing finance is fundamentally different from traditional housing finance, since customers rarely have proof of income and expenditure documents that conventional mortgage lenders rely on to

assess credit. Evaluating customers requires more of a field-based approach to verify cash flow, and it is necessary to use surrogates and build up knowledge about customer sub-segments to increase assessment reliability.

Banking Industry in India

The Indian banking system consists of 26 public sector banks, 25 private sector banks, 43 foreign banks, 56 regional rural banks, 1,589 urban cooperative banks and 93,550 rural cooperative banks, in addition to cooperative credit institutions. Standard & Poor's estimates that credit growth in India's banking sector would improve to 11 to 13% in the Financial Year 2017 from less than 10% in the second half of the calendar year 2014. As of September 2016, outstanding credit to NBFCs stood at US \$55.27 billion, growing at a rate of 25% on a year on year basis. Bank credit granted to NBFCs has reached the highest it has been in three years. Despite healthy growth over the last few years, there is limited banking penetration in India.

The following chart sets forth branches per 100,000 adults in India in 2014:

Rising incomes are expected to enhance the need for banking services in rural areas and therefore drive growth in the sector. The real annual disposable household income in rural India is forecasted to grow at a CAGR of 3.6% over the next 15 years.

According to the Global Findex Database 2014, India is home to 21% of the world's unbanked adults and approximately two-thirds of South Asia's. The following chart sets forth real disposable household income in rural India for the periods indicated:

(Source: IBEF)

Key Growth Drivers for the Banking Industry

Economic and demographic changes. Favorable demographics, structural economic stability and rising income levels are expected to facilitate expansion of the banking sector.

Policy support. The Government has undertaken several measures to strengthen the Indian banking sector. For example, in July 2016, the government allocated US\$ 3.41 billion as capital infusion in 13 public sector banks, which is expected to improve their liquidity and lending operations, and boost economic growth in the country. The simplification of know your customer norms, reduction of repo rates by 25 basis points and introduction of simple bank accounts are also expected to increase banking penetration.

Rising rural income. The real annual disposable household income in rural India is forecasted to grow at a CAGR of 3.6% over the next fifteen years. Rising incomes are expected to enhance the need for banking services in rural areas, and therefore drive growth of the sector.

Technological innovation. Between 2007 and 2016, telephone density increased at a CAGR of nearly 71%. Banks, telecom providers and the RBI are making efforts to reach the unbanked rural India through mobile banking solutions. Increased use of technology is expected to improve products and services as well as improve access in a cost-effective way.

Given the importance of NBFCs in the financial sector, they are subject to regulation by the RBI. While these regulations are moving towards a convergence of norms for banks and NBFCs, there are certain differences in statutory liquidity ratio requirements, applicability of cash reserve ratios and priority sector norms. NBFCs lend and make investments like banks, but cannot accept demand deposits or issue checks drawn on themselves. NBFCs do not form part of the payment and settlement system and the deposit insurance facility of Deposit Insurance and Credit Guarantee Corporation is not available to depositors of NBFCs, unlike for banks.

The following chart sets forth the key regulatory distinctions between banks and systematically important non-deposit taking NBFCs (“NBFC-ND-SI”):

Small Finance Banks

In 2014, the RBI released a set of draft guidelines for the licensing of small banks in the private sector, issuing requirements relating to size, area of operations, exposure norms and regulatory prescriptions. These small finance banks (“SFBs”) were intended to be set up to encourage financial inclusion in unbanked and under-banked regions. (Source: *Guidelines for Licensing of Small Finance Banks in the Private Sector*, available at https://rbi.org.in/scripts/bs_viewcontent.aspx?Id=2901). The RBI issued in-principle approval for the set-up of 11 payments banks and ten SFBs in 2015 (RBI Annual Report).

SFBs are intended to primarily cater to provision of savings vehicles for the unserved and underserved sections of the population. They also help supply credit to small business units and micro and small industries through high technology and low cost operations. SFBs can also under take other simple financial services activities, such as the distribution of mutual fund units, insurance products and pension products. The minimum paid-up equity capital for SFBs is ₹ 1,000 million.

The entities eligible to set up an SFB include resident individuals or professionals with ten years of experience in banking and finance, companies and societies, existing NBFCs, microfinance institutions and local area banks. SFBs are subject to all prudential norms and RBI regulations applicable to existing commercial banks, including the requirement to maintain cash reserve ratio and statutory liquidity ratio. They are also required to have 25% of all branches in unbanked rural centers within one year from the date of commencement of operations. The priority sector lending requirement for SFBs is 75% of adjusted net bank credit, which is considerably higher than the 40% requirement for small commercial banks. At least 50% of an SFB’s loan portfolio should constitute loans and advances of a size up to ₹ 2.5 million. (Source: *Operating Guidelines for Small Finance Banks* available at <https://rbi.org.in/Scripts/NotificationUser.aspx?ID=10636>).

The following table sets forth key capital adequacy parameters for SFBs compared to scheduled commercial banks (“SCBs”):

The following table sets forth the key differences between universal banks and SFBs:

Parameters	Universal Banks	Small Finance Banks
Minimum Net Worth	₹ 5 billion	₹ 1 billion
Promoters Shareholding	Non-operative Financial Holding Company (“NOFHC”) shall hold a minimum of 40% of the paid-up voting capital of the bank, which shall be locked in for a period of 5 years	Minimum promoter shareholding of 40%, which will be locked in for a period of five years. If the existing NBFCs, MFIs or LABs have diluted the promoter shareholding, it should be at least above 26%.
Timeframe for Dilution of Promoters’ Equity	Shareholding of NOFHC to be brought down to 20% of the paid-up voting equity capital within a period of 10 years and to 15% within 12 years	If the initial shareholding by promoter in the bank is above 40%, it should be brought down to 40% within a period of 5 years, 30% within a period of 10 years, and to 26% within 12 years
Maximum Foreign Shareholding	Cannot exceed 49% of the paid-up voting equity capital for the first 5 years from the date of licensing of the bank. After 5 years, it will be as per FDI policy for private sector banks	Aggregate foreign investment in an SFB will be allowed up to a maximum of 74% (automatic up to 49% and approval route beyond 49 % to 74%)
Maximum Shareholding of Entities Other than Promoter or NOFHC	No single entity or group of related entities, shall have directly or indirectly in excess of 10% of the voting equity capital of the bank	No single entity or group of related entities shall have shareholding in excess of 10% of the paid-up equity capital of the bank. In case of existing NBFCs, MFIs or LABs converting into an SFB, where there is shareholding in excess of 10% of the paid-up equity capital by entities other than the promoters, RBI may consider providing up to 3 years for the shareholding to be brought down to 10%
Listing Requirement	Within 3 years of commencement of business by the bank.	After the SFB reaches the net worth of ₹ 5 billion, listing will be mandatory within three years
Capital Adequacy Norm	13% for first three years of commencement of operations	15% (under Basel II standardized approach for credit risk)

Key Challenges and Progress

Transitioning into an SFB presents several challenges, including meeting equity requirements for growth and regulatory norms. As of October 2016, eight SFB licensees have raised an aggregate amount of ₹ 25 billion of equity year to year to date Financial Year 2017. With entities raising fresh equity to meet foreign shareholding norms, a significant part of the equity required for growth and complying with regulatory norms has already been met.

Maximum foreign shareholding and promoter shareholding regulations also present SFBs with challenges. In order to address these challenges, SFB in-principle licensees raise domestic equity to bring foreign shareholding down to below 50%, and plan to follow holding company structures. Over the past twelve months, licensees have been in the process of implementing IT systems, setting up branches and new personnel. Most licensees are in the process of obtaining funds from non-bank sources such as non-convertible debentures and re-financing from SIDBI and NABARD.

Of the ten entities awarded in-principle SFB licenses, two entities have already commenced operations as SFBs, while various entities have applied to the RBI for their final license, suggesting that some of the regulatory challenges of the transition have been addressed.

OUR BUSINESS

Overview

We are a small finance bank (“**SFB**”) that has recently transitioned from a prominent, retail focused non-banking finance company (“**NBFC**”), which primarily served low and middle-income individuals and businesses that have limited or no access to formal banking and finance channels. We received a license from the Reserve Bank of India to set up an SFB on December 20, 2016 and we were the only NBFC categorized as an asset finance company to obtain such license. We commenced our SFB operations with effect from April 19, 2017. Prior to such date, our Company was categorized as a “Systemically Important, Non-Deposit Accepting Asset Finance Company” (NBFC-ND-AFC) by the RBI.

As an NBFC, we operated in three business lines: vehicle finance; micro, small and medium enterprises (“**MSMEs**”) loans; and small and medium enterprises (“**SMEs**”) loans. As we commenced our SFB operations, we have expanded and strengthened our business model to offer a diverse suite of banking products and services by leveraging our asset-based lending strengths, NBFC customer base and cost efficient, technology driven hub-and-spoke branch operating model to successfully operate our SFB. In addition to our vehicle finance, MSME and SME offerings, our asset product offerings include working capital facilities, gold loans, agriculture related term loans, Kisan credit cards for farmers and loans against securities. Our liability product offerings include current accounts, savings accounts, term deposits, recurring deposits and collections and payments solutions for MSME and SME customers. We believe that transitioning to an SFB has offered us significant growth potential and we aim to be a retail focused, preferred trusted SFB offering integrated and tailored solutions to customers.

Our vehicle finance business extends loans for the purchase of new and pre-owned vehicles and for refinancing of vehicles, which are primarily used for revenue generating activities. For the financial year 2017, the average ticket size of our vehicle finance loans was ₹ 0.34 million. Loan tenures for our vehicle finance loans are up to five years. Our MSME loans business extends loans to MSMEs primarily for business expansion, working capital and the purchase of equipment. For the financial year 2017, the average ticket size of our MSME loans was ₹ 1.08 million. Loan tenures for our MSME loans are up to 12 years. Our SME loans business extends loans to several types of small and medium sized businesses. For the financial year 2017, the average ticket size of our SME loans was ₹ 21.92 million. Loan tenures for our SME loans are up to 15 years. We categorize our MSME and SME loans on the basis of ticket size, with the initial MSME loan disbursed for an amount up to ₹ 5.00 million and the initial SME loan disbursed for amounts over ₹ 5.00 million. As of March 31, 2017, 98.99% of our total receivables under financing activity were secured.

We adopted a strategy of contiguous expansion across regions and as of March 31, 2017, we conducted our operations through 301 NBFC branches spread across 10 states and one union territory in India, with significant presence in the states of Rajasthan, Gujarat, Maharashtra and Madhya Pradesh and employed 8,515 personnel serving 280,349 active loan accounts. The credit penetration of Gujarat, Madhya Pradesh and Rajasthan is below average, while the credit penetration of Maharashtra is above average (*Source: CRISIL Inclusix Report, June 2015*), thus offering us significant growth potential.

As of May 31, 2017, we conducted our operations through 269 branches, 121 asset centers, one central processing center and 10 offices. In addition, we plan to set up an additional 162 branches and seven central processing centers during the financial year 2018.

The following table sets forth certain key financial and operational information while we continued to operate as an NBFC:

As of and for the year ended March 31, 2017, our Total Borrowings were ₹70,709.78 million and our average cost of borrowings was 10.13%. Our average cost of borrowings has reduced from 12.61% for the financial year 2013 to 10.13% for the financial year 2017, including as a result of improvement of our credit ratings during such periods. For details, see “Our Business – Our Competitive Strengths - Access to Diversified Sources of Funding” on page 146.

Our Company commenced operations in 1996 in Jaipur, Rajasthan and was registered as an NBFC with the RBI in 2000. In 2005, our Company became a commercial associate of HDFC Bank for originating and servicing vehicle loans and such relationship assisted us in the implementation of various processes and systems. We continued expanding the scale of our business with a vision to cater to the unserved and underserved customer segments. We expanded our product portfolio to include MSME loans in 2007, housing finance in 2011 (a business which we have since sold) and SME loans in 2012, to cater to the evolving needs of our customers. We commenced our SFB operations with effect from April 19, 2017.

Our Promoters include Mr. Sanjay Agarwal, our managing director and CEO, who is a first generation entrepreneur. Our shareholders include marquee investors such as the International Finance Corporation (part of the World Bank Group), Redwood Investment Ltd (belonging to the Warburg Pincus group), Labh Investments Limited (a wholly-owned subsidiary of ChrysCapital VI, LLC), Ourea Holdings Limited (a wholly-owned subsidiary of Kedaara

Capital I Limited) and Kedaara Capital Alternative Investment Fund - Kedaara Capital AIF 1. Our Company was featured in the September 2013 publication of Forbes India as one of the 14 hidden gems of India and was awarded the 'Best PE-Backed Financial Services Company 2012' at the VC Circle Awards.

Our Competitive Strengths

Our principal competitive strengths are as follows:

Diversified Product Portfolio and Revenue Streams

We are a retail focused, technology driven SFB with a diversified portfolio of financial products comprising:

Asset Products

- *Vehicle finance loans*

We extend loans for new and pre-owned vehicles and for refinancing of vehicles across several categories including: (i) multi-utility vehicles ("MUVs"); (ii) cars; (iii) small commercial vehicles; (iv) light commercial vehicles; (v) medium and heavy commercial vehicles; (vi) tractors; (vii) three-wheelers; (viii) two-wheelers; and (ix) construction equipment. We commenced our vehicle finance business in 1996, and diversified our product portfolio by offering MSME and SME loans subsequently. Our vehicle finance business, which accounted for 79.11% of our total AUM as of March 31, 2013, accounted for 50.27% of our total AUM as of March 31, 2017 (while continuing to grow in absolute terms during such period), primarily on account of increased contribution from our MSME and SME loans businesses. Our Gross AUM for our vehicle finance business grew from ₹ 29,305.98 million as of March 31, 2013 to ₹ 53,956.82 million as of March 31, 2017 at a CAGR of 16.49%, constituting 50.27% of our total Gross AUM as of March 31, 2017. Our vehicle loans are secured by the vehicles we finance.

- *MSME loans*

We introduced our MSME loan business in 2007 to cater to the emerging needs of our underserved customers and we extend loans to MSMEs primarily for business expansion, working capital and the purchase of equipment. Our Gross AUM for our MSME loans business grew from ₹ 5,613.70 million as of March 31, 2013 to ₹ 32,163.38 million as of March 31, 2017 at a CAGR of 54.71%, constituting 29.96% of our total gross AUM as of March 31, 2017. Our MSME loans are secured by immoveable property.

- *SME loans*

We commenced our SME loan business in 2012. Our SME loans business extends loans to several types of small and medium sized businesses. Our Gross AUM for our SME loans business grew from ₹ 2,123.56 million as of March 31, 2013 to ₹ 21,218.39 million as of March 31, 2017 at a CAGR of 77.79%, constituting 19.77% of our total Gross AUM as of March 31, 2017. Our SME loans are secured by immoveable property or receivables.

Other asset products

Our other asset product offerings include working capital facilities, gold loans, agriculture related term loans and Kisan credit cards for farmers and loans against securities. We also intend to commence offering unsecured business loans and housing finance loans during the financial year 2018.

Liability Products

Our liability product offerings include current accounts, savings accounts, term deposits and recurring deposits and

collections and payments solutions for MSME and SME customers. We also intend to commence offering payment wallets and customized prepaid instruments during the financial year 2018.

Other Products and Services

We intend to engage in the sale of third party investment products such as mutual funds, insurance and risk management products, as well as offer financial advisory and education programs for individual and new entrepreneurs, subject to receipt of requisite approvals from regulatory authorities.

Customer Centric Organizational Commitment

We are a customer centric organization and serviced 280,349 active loan accounts as of March 31, 2017. We have developed strong relationships with our customers through in-person contact by addressing their financial needs, our knowledge of the local markets and our widespread network of branches. Interactions with our customers are primarily undertaken by our own employees. As part of our customer-centric approach, we have undertaken the following steps:

- *Hire local personnel.* We primarily recruit employees locally, which ensure better understanding of customers in that region and their requirements. In our experience, personal contact with customers in rural and semi-urban markets encourages repeat business, leads to business referrals and results in high collection efficiency.
- *Establish relationships with vehicle manufacturers and dealers.* In our vehicle finance business, we benefit from our relationships with vehicle manufacturers and dealers with whom we enter into preferred financing arrangements from time to time.
- *Set up call centers.* We have set up a team of tele-callers to primarily generate new business, while also focusing on customer service and collections. These call centers operate in English and select regional languages. We have separate tele-calling teams for our vehicle finance and MSME loans business, which enables us to have a more focused approach towards our customers.
- *Conduct referral and other programs.* We introduced customer retention programs such as our ‘Dost Banaye Dost Programme’, which is a referral program for our customers. Our employee business referrals program offers incentives to employees who refer their family and friends to us and incentivizes our sales team to cross sell products to the same customer. We also conduct customer literacy programs from time to time.

Significant Presence in Rural and Semi-Urban Markets with Focus on Low and Middle Income Customers

We have over 20 years of operating experience in rural and semi-urban markets of India and as of March 31, 2017, 146 of our 301 NBFC branches were located in such markets. We believe that we have successfully adopted a strategy of contiguous expansion across regions, which has enabled us to increase our customer base in the 10 states and one union territory in which we operate. A large segment of India’s rural and semi-urban population is currently unserved and underserved by formal financial institutions. According to the Global Findex Database 2014, India is home to 21% of the world’s unbanked adults and approximately two-thirds of South Asia’s. Over the years, we have focused on customers in such markets, particularly those without a credit history, that offer us significant growth opportunities and customer loyalty. We believe that our understanding of the local characteristics of these markets and customers has allowed us to address the unique needs of our low and middle income customers and assisted us to penetrate deeper into such markets. The reach of our branches allows us to service our existing customers and attract new customers as a result of personal relationships cultivated through proximity and frequent interaction by our employees.

Through our decentralized model, we believe we have been able to optimize turn around times for our customers while managing our credit requirements and associated risks. As of March 31, 2017, our NBFC branch network was structured along a two-tiered hub-and-spoke model with 55 of our branches classified as hubs and 246 as spokes and

we leveraged this network for our SFB operations to set up 269 branches, 121 asset centers, one central processing center and 10 offices, as of May 31, 2017. In addition, we plan to set up an additional 162 branches and seven central processing centers during the financial year 2018. Certain administrative and other functions have been centralized to allow us to benefit from economies of scale and uniformity in operations.

Robust and Comprehensive Credit Assessment and Risk Management Framework

We have a robust and comprehensive credit assessment and risk management framework to identify, monitor and manage risks inherent in our operations. Credit management is crucial to our business since a significant number of our customers are from the unserved or underserved financial segment and primarily first-time purchasers of financial products. We have a risk management policy and several processes in place to assist our personnel to take significant measures to mitigate risks and have set up separate credit teams for our key business lines of vehicle finance, MSME loans and SME loans. Our credit teams, through in-house field investigation officers, conduct an independent verification of customers and evaluate their business and financing needs, and analyze their ability to repay loans.

In our vehicle finance and MSME loans business, we are focused on disbursing loans primarily towards revenue generating assets, which we believe results in lower risk. We have adopted a multi-layered system to strengthen our credit assessment process. We have a deep understanding of the cost of ownership and resale potential for various vehicle types in each geography, which we use in determining our credit policies and we have customized such policies and periodically update them to cater to the requirements of the different markets in which we are present. We have set up a robust collections management system, which includes a collection control room that centrally manages allocations among collection executives and we use analytics for the optimum allocation of cases to the collections team. We have also set up a specialized collections team to manage cases where collections are overdue for a certain period. Our effective credit risk management is reflected in our portfolio quality indicators such as high repayment rates, and low rates of GNPA's and NNPA's across business and economic cycles. As of March 31, 2017, our GNPA's accounted for 1.61% of our Gross Advances, while our NNPA's accounted for 1.05% of our Net Advances. For details, see “*Selected Statistical Information*” on page 281.

We have set-up an Asset Liability Management Committee and a Credit Risk and NPA Committee for retail and wholesale Banking. Our Asset Liability Management Committee evaluates liquidity and other risks, devises strategies to mitigate such risks and reports its findings to our Board. Our Credit Risk and NPA Committee for retail and wholesale Banking was formed to review and identify current and emerging risks, develop risk assessment and measurement systems and establish policies, practices and other control mechanisms. As an SFB, we have enhanced our risk management framework by setting up a Risk Management Committee of the Board and an IT & Operational Risk Management Committee as well as introduced new internal audits to ensure rigorous monitoring and compliance. We have also formulated a vigil mechanism framework to enable employees to report genuine concerns about unethical behavior and actual or suspected fraud or violation of any of our policies. Our anti-bribery policy mechanism is designed to check corrupt practices and report any issues to our Board.

Access to Diversified Sources of Funding

We have set up a Treasury department that is responsible for fund raising and asset liability management, minimizing the cost of our borrowings, liquidity management and control, diversify fund raising sources, managing interest rate risk and investing funds in accordance with the criteria set forth in our investment policy. Prior to the commencement of our SFB operations, our sources of liquidity included term loans and working capital facilities; proceeds from loans assigned and securitized; proceeds from the issuance of non-convertible debentures (“NCDs”) and commercial paper; and subordinated debt borrowings from banks, mutual funds, insurance companies and other domestic and foreign financial institutions.

As an SFB, we will be able to access funds such as savings accounts, current accounts, term deposits and recurring deposits. We will also be able to raise funds from liquidity adjustment facility and market stabilization fund of the RBI, refinance facilities from financial institutions, capital market borrowings such as infrastructure bonds, tier II

bonds and perpetual bonds. We will continue to securitize and assign loans, which qualify as priority sector lending, as well as our non-priority sector loans through securitization or direct assignment to banks, financial institutions and mutual funds, which enables us to optimize our cost of borrowings, funding and liquidity requirements, capital management and asset liability management. We will also have access to inter-bank participatory certificates and will be able to participate in the priority sector lending certificates market wherein we will be able to trade our right of claim for priority sector loans for a fee. Money market borrowings, interbank borrowings and issuance of certificates of deposit will only be permitted or available to us once we become a scheduled commercial bank, which will require additional time. However, we will be unable to raise secured borrowings from banks and financial institutions or raise funds from the issuance of secured NCDs as a result of transitioning to an SFB.

As of March 31, 2017, our Total Borrowings were ₹ 70,709.78 million comprising 50.03% of NCDs, 32.94% of term loans, 6.78% of commercial paper, 4.67% of subordinated debt borrowings, and 5.58% of working capital facilities. In addition, we securitize and assign loans to meet our funding requirements from time to time. Our average cost of borrowings has reduced from 12.61% for the financial year 2013 to 10.13% for the financial year 2017. We believe that we have been able to access cost-effective debt financing due to our stable credit history, improving credit ratings and conservative risk management policies. The following table reflects the improvement in our credit ratings for the periods indicated:

Rating Agency	Term	Credit rating as of March 31, 2013	Current credit ratings

Internal accruals constitute a significant portion of the net worth of our Company as at March 31, 2017. While our net worth was ₹ 19,995.60 million as at March 31, 2017, as of such date, our Company had received a total equity investment of ₹ 5,791.17 million, and had recognized profit on sale of shares of Aavas Financiers Limited (formerly known as Au Housing Finance Limited), Index Money LLP (formerly known as Index Money Limited), M Power Micro Finance Private Limited and Au Insurance Broking Services Private Limited of ₹ 5,168.58 million (net of the expenses incurred in connection with such sale and net of tax) for the financial year ended March 31, 2017.

Experienced Management Team and Qualified Operational Personnel

We have an experienced management team, which is supported by a qualified, capable and motivated pool of managers and other employees. Our Key Management Personnel have been with us for an average of over 15 years. Our management team and managers have diverse experience in a range of financial products and functions related to our business and operations. Our managers have an in-depth understanding of the geographic regions, loan products and types of collateral and businesses of our borrowers. In connection with our transition to an SFB, we had undertaken an extensive recruitment drive focusing on growing our team at all levels of management and employees. We are focused on hiring individuals with experience, drive and commitment. We believe we have benefited significantly from the vision, leadership, innovation and experience of our promoter, Mr. Sanjay Agarwal, who is a first generation entrepreneur.

Our Strategies

Leverage Our Existing Capabilities and Customer Base

We received a license from the RBI to set up an SFB on December 20, 2016 and we were the only NBFC categorized as an asset finance company to obtain such license. We commenced our SFB operations with effect from April 19, 2017. We intend to leverage our capabilities as a former asset finance NBFC including our branch network, customer base, technology driven, low cost hub-and-spoke model and local know-how in the geographical areas in which we operate for our SFB operations. As an SFB, we intend to strategically expand our operations by offering a diverse suite of banking products and services at our branches. We have developed and set up additional branch architecture, improved our technology backbone for our SFB operations in a phased manner and established our consumer branch footprint in the geographical regions in which we conducted our NBFC operations. We will continue to focus on our go-to-market approach to increase our customer base, implement customer reach programs and will encourage all our NBFC customers to open bank accounts with us.

We believe our operational experience as an asset finance NBFC, as well as our NBFC customer base, will enable us to develop our SFB operations to create a single platform for multiple financial products and services. Our transition into an SFB, we believe, has synergies with, and demand from our NBFC customer base enabling us to open their bank accounts and receive deposits from them. We focus on building long-term relationships with our customers and address specific requirements in a particular region and believe we have developed a strong connection with our customers over 20 years of our operations. Through our SFB offerings, we will seek to further strengthen our relationship with our NBFC customers and attract new customers. As an SFB, we offer a diverse suite of products and services to our NBFC customers, which will lead to repeat business and opportunities to scale up our SFB operations in an efficient manner. We believe that our transition to an SFB offers us significant growth potential and we aim to be a retail focused, preferred trusted SFB that offers integrated and tailored solutions to customers.

Grow Our Branch Network

As of May 31, 2017, we conducted our operations through 269 branches, 121 asset centers, one central processing center and 10 offices in 10 states and one union territory in India. While historically most of our operations were focused in Rajasthan, Gujarat and Maharashtra, we have grown our operations in relatively newer contiguous markets such as Madhya Pradesh, Punjab, Haryana, the National Capital Region and Himachal Pradesh. We intend to continue expanding our branch network to drive greater and deeper penetration in the western and northern states of India in which we operate, focusing on low and middle income individuals and businesses that have limited or no access to formal banking and finance channels, spread across rural, semi-urban and urban markets.

We believe our NBFC branch infrastructure and cost efficient hub-and-spoke model has allowed us to develop and commence our SFB operations. We have converted 121 of our NBFC branches into asset centers where we only offer vehicle finance, MSME and SME loans. In addition to our existing branches and asset centers, we intend to gradually open 162 additional branches during the financial year 2018 to reach 431 branches and 121 asset centers at the end of the financial year 2018. This proposed branch expansion plan also includes opening 23 branches in Tier 1 centers beyond the 10 states and one union territory in which we are currently present, thereby expanding our geographic reach into new states and regions. We will evaluate the offerings at our branches to customize our products to the needs and demands of our customers in the region in which our branches are located and correspondingly update existing operations and resources utilized in a territory.

Provide a Comprehensive Suite of Banking Services

We have commenced offering a broad range of banking and financing products and services as part of our SFB business. We have expanded beyond our previous business lines to offer additional asset products such as working capital facilities, gold loans, agriculture related term loans, Kisan credit cards for farmers and loans against securities. We also intend to provide unsecured business loans and housing finance loans during the financial year 2018. Our liability product offerings include current accounts, savings accounts, term deposits and recurring deposits, payment wallets and customized prepaid instruments and collections and payments solutions for MSME and SME customers. We also intend to sell mutual funds, insurance and risk management products and provide financial advisory services, subject to receipt of requisite approvals from regulatory authorities. In 2011, we had set up a wholly owned subsidiary, Aavas Financiers Limited (formerly known as Au Housing Finance Limited) to

provide housing finance loans and in June 2016, we divested 90.10% of the outstanding equity shares of this company for ₹ 8,283.54 million. We believe that our prior experience in the housing finance business will assist us as we develop our home loans business as an SFB, while our experience in our current business lines will assist us in developing our liability business and introduce new products and services to meet the evolving needs of our customers. We intend to operate as a one-stop shop, delivering high quality products and services, along with a standardized customer experience across branches to a diversified customer base.

We believe that the growth of our transaction banking operations will provide support across our various product offerings and business verticals and enable us to serve our existing customers' liquidity and cash flow requirements more effectively. Further, our new product offerings would enable us to supplement our existing sources of liquidity. As an SFB, we will be able to access funds such as savings and current accounts, term deposits and recurring deposits, which have otherwise not been available to us as a non-deposit accepting NBFC and consequently be able to strengthen our liability profile. Our new product and service offerings combined with our historical NBFC offerings and infrastructure presents us with an opportunity to cross-sell a diverse range of financial products and services to our existing and potential customer base.

Leverage Technology to Grow Our Business

We have upgraded, and intend to continue to upgrade our technology systems with automated, digitized and other technology-enabled platforms and tools, to strengthen our banking and financing initiatives and derive greater operational, cost and management efficiencies. We have entered into agreements with several IT companies to assist us in setting up our IT infrastructure for our SFB operations. We entered into a master services agreement with Accenture Services Private Limited and have implemented certain IT systems including a core banking solution, internet and mobile banking solutions, enterprise mobile applications and enterprise risk management systems. We have deployed the Oracle Flexcube Core Banking solution ("**Flexcube CBS**") for various banking functions, which we believe will support our SFB offerings and assist us in handling large transaction volumes. Further, we commenced utilizing the loan management system capabilities of Flexcube CBS and have migrated data from our previous loan management system, OmniFin to Flexcube CBS.

We have also entered into a master services agreement with Netmagic Solutions Private Limited and their affiliates to avail services including co-location hosting, managed hosting, remote infrastructure monitoring and management services, security services, application hosting, and disaster recovery services. We also entered into a master services agreement with Acidaes Solutions Private Limited and have commissioned a comprehensive customer relationship management ("**CRM**") solution and we have migrated all our previous leads and customer data to this system. We have also entered into a master services agreement with Newgen Software Technologies Limited and implemented a workflow based loan origination and collections system and cheque truncation solution.

We seek to provide a differentiated technology framework, enhancing convenience for our customers and reducing operational expenditure at our branches. We intend to distribute tablets integrated with biometric devices and Bluetooth printers to our SFB personnel to enable faster customer verification and account opening and activation. We have commenced using interactive voice response systems ("**IVR**") in English and select regional languages to cater to our extensive customer base. Further, we intend to explore delivering services through alternate digital channels such as secure online banking, mobile banking, digital wallets and online loan processing and credit approvals. We believe greater adoption of our digital service delivery mechanisms will enable us to be more efficient, customer friendly and over time perform more reliable data analytics, resulting in target customer profiling, customized and tailor-made products to suit the diverse requirements of our customers and improved customer satisfaction. For details, see "*Our Business - Information Technology*" on page 161.

Enhance Our Brand Presence

We seek to leverage and enhance our brand to build our presence in the banking sector and develop new customer and industry relationships beyond our existing business lines. In this regard, we may explore opportunities to enter into strategic as well as service-level collaborations for customer aggregation and servicing, to take our SFB to the

customer and thereby build and expand our network of branches and increase our penetration of the non-institutional depositor and customer base. We seek to build our brand by continuing to engage with existing and potential customers thorough customer literacy programs, sponsor popular events in the regions we operate and place advertisements in newspapers, on the radio and in other advertising media. We have recently launched our new logo for our SFB operations and will continue to invest in various brand enhancement initiatives.

DESCRIPTION OF OUR BUSINESS

Overview

We received a license from the RBI to set up an SFB on December 20, 2016 and we were the only NBFC categorized as an asset finance company to obtain such license. We commenced our SFB operations with effect from April 19, 2017. Prior to such date, our Company was previously categorized as a “Systemically Important, Non-Deposit Accepting Asset Finance Company” (NBFC-ND-AFC) by the RBI. Our decision to transition to an SFB was pursuant to our mission of financial inclusion and offering a diverse range of financial products and services to the underserved and unserved segments of the Indian population. We aim to be a retail focused, preferred trusted SFB, providing integrated and tailor made solutions for the underserved ecosystem with a technology led model for superior service and low cost reach, supported by robust IT, risk management and human resource processes, policies and systems.

We believe we can leverage our experience in our NBFC business lines, brand and relationship with customers and financial institutions to build our presence in the banking sector. We also believe that we can gain access to low-cost funds in the form of savings and current account deposits as well as term deposits, which would otherwise not be accessible to us as an NBFC. We have obtained a significant understanding of low and middle income customers through our NBFC operations and we have expanded and strengthened our business model to offer banking services by leveraging our understanding of customers, asset lending strengths and cost efficient hub-and-spoke branch operating model to successfully operate our SFB.

Our Product Portfolio

We provide products and services to different customer segments with differentiated propositions for their personal and business banking needs. In addition to our vehicle finance loans, MSME loans and SME loans business, our product portfolio includes:

Deposit Built-up

We believe that as an SFB we will be able to attract new customers, increase our geographical reach and build our deposit base. Our deposit products are classified into retail deposits and wholesale deposits:

Retail Deposits

- *Savings accounts.* We intend to cross sell savings accounts to our NBFC and potential customers and their employees and families in addition to having a branch based acquisition sales strategy that will acquire new customers across various income segments. We will encourage our NBFC customers to open a bank account with us and will assist them with operating their accounts.
- *Current accounts.* We intend to cross sell current accounts to the micro and small enterprise owners with whom we currently have credit relations and to other self-employed customers in the regions in which we operate.
- *Retail term deposits.* We intend to supplement our deposit offerings with retail term deposits.

Wholesale Deposits

We intend to seek deposits, particularly term deposits, from high net worth individuals, corporate bodies, financial institutions, trusts, associations, Government entities and societies and clubs by leveraging our existing relations and introducing competitive pricing strategies. For details, see “*Risk Factors – Internal Risk Factors - As an SFB, we will be unable to access some of the sources of funds available to us as an NBFC and our inability to replace such sources of funds in an acceptable and timely manner, or at all, may have an adverse effect on our business, results of operations, financial condition and cash flows.*” on page 20.

Vehicle Finance Business

We divide the vehicles we finance into several categories of vehicles: (i) MUVs (ii) cars; (iii) small commercial vehicles; (iv) light commercial vehicles; (v) medium and heavy commercial vehicles; (vi) tractors; (vii) three-wheelers; (viii) two-wheelers; and (ix) construction equipment. We also finance the purchase of pre-owned vehicles. Loan tenures for our vehicle finance loans are up to five years. For the financial year 2017, the average ticket size of our vehicle finance loans was ₹ 0.34 million. As of March 31, 2017, we offered our vehicle finance products at 291 NBFC branches.

The following table sets forth details of our Gross AUM and loans disbursed for our vehicle finance business, for the periods indicated:

* Includes trade advances to dealers – considered good of ₹ 609.97 million and trade advances to dealers – considered doubtful of ₹ 23.11 million as at March 31, 2017. Also includes trade advances to dealers – considered good of ₹ 1,145.91 million, ₹ 629.06 million, ₹ 504.71 million and ₹ 1,010.53 million as at March 31, 2016, March 31, 2015, March 31, 2014 and March 31, 2013, respectively.

Customers

Our target customer segment comprises low and middle-income individuals and businesses in rural, semi-urban and urban markets who have limited or no access to formal banking and finance channels. Our NBFC customers have generally included self-employed individuals or small road transport operators, many of whom may even be first time purchasers of vehicles. Employees at our branches are responsible for connecting with new customers and addressing queries. Many of our customers who are individuals do not have proof of income, pay slips, or file income tax returns, and as such may be excluded from being served by banks or large financial institutions. We source new customers through several initiatives including from vehicle dealers, tele-calling, online marketing through reputed websites and loan referral programs for existing customers and employees.

We provide trade advances to some of the vehicle dealers with whom we have relationships. As of March 31, 2017 and March 31, 2016, the total trade advances outstanding to dealers were ₹ 633.08 million and ₹ 1,145.91 million, respectively. Once these vehicle dealers sell vehicles to our customers, they are permitted to net the principal amount of loan granted to our customers from such trade advances. For details, see “*Risk Factors – Internal Risk Factors - We provide unsecured trade advances to several vehicle dealers to promote our business. If such advances are not repaid or set off, we may have to write-off such advances, which may have an adverse effect on our results of operations, financial condition and cash flows.*” on page 30.

Credit Approval and Disbursement

Upon sourcing a customer, a marketing executive assesses the customer based on several parameters including vehicle type, experience in transportation, repayment track record (if available), age and usage of vehicle. A field investigation officer also confirms the accuracy of the information on a loan application by visiting the applicant’s residence, office or business premises and preparing a profile report. A member of the credit team then verifies the applicant’s credit history through a credit bureau check. Subsequently, a member of the credit team contacts the

customer and makes a final assessment of the application. We use a risk based pricing matrix to determine the interest rate to be charged for different loans. We have customized our disbursement policies and periodically update them to cater to the requirements of the different markets in which we are present. For example, we have in the past, reduced our exposure to medium and heavy commercial vehicles on account of an overall slowdown in the economy and reduced our exposure to certain vehicle models on account of a reduction in their secondary market value.

We believe it is critical that the vehicles we finance and have as collateral deliver a high operating efficiency, low maintenance costs, easy serviceability and strong secondary market value. We categorize vehicle manufacturers and vehicle models on the basis of such criteria and centrally approve them for the funding of their vehicles. From time to time, we review and update such criteria and the vehicles that qualify under such criteria. Since customers often lack sufficient knowledge of the products offered by manufacturers, we advise customers on the suitability of their chosen vehicle for the purpose for which they propose to use the vehicle. For pre-owned vehicles, we provide customers with an assessment of the vehicle's value through our sales personnel, internal valuation grid or Insurance Regulatory and Development Authority ("IRDA") licensed valuers.

Secured Business Loans

Our secured business loans business comprises our MSME and SME businesses:

MSME Business

As part of our MSME loans business, we primarily extend loans to micro and small manufacturing firms, service enterprises and traders. Loan tenures for our MSME loans are up to 12 years. For the financial year 2017, the average ticket size of our MSME loans was ₹ 1.08 million. As of March 31, 2017, we offered our MSME loan products at 187 NBFC branches.

The following table sets forth details of our Gross AUM and loans disbursed in our MSME loans business, for the periods indicated:

(₹ in million)

Parameter	As of and for the				
	Year ended March 31, 2017	Year ended March 31, 2016	Year ended March 31, 2015	Year ended March 31, 2014	Year ended March 31, 2013
Gross AUM	32,163.38	22,176.02	13,755.83	9,102.68	5,613.70
Disbursement	17,039.98	13,142.60	7,444.52	5,170.74	3,453.78

Customers

Our target customer segment comprises micro and small business customers with a turnover of over ₹ 1.00 million. We generally extend MSME loans for business expansion, working capital and purchase of equipment. Our MSME loan customers typically include provision stores, dairy businesses, hotels and restaurants. We acquire customers through our sales team, referrals by existing customers, cross selling products to existing vehicle finance customers, and employee referrals.

Credit Approval and Disbursement

Upon sourcing a customer, a relationship officer visits the customer's business premises to assess credit needs, the collateral offered and repayment capabilities. A cash flow assessment is drawn on the basis of business and financial documents and other information received. An appraisal officer verifies documents such as bills of purchase and sale, stock registers, cash books, fuel and energy consumption bills to assess the turnover and margins of a customer's business and his repayment capability. We also conduct credit bureau checks and assess the value of the collateral through internal and external teams. We use a risk based pricing matrix to determine the interest rate to be charged for different loans. The loan application is then approved by a credit officer and sent to our sanctioning

authority for final approval.

SME Business

Our SME loans business extends loans to several types of small and medium sized businesses including HFCs and MFIs. Loan tenures for our SME loans are up to 15 years. For the financial year 2017, the average ticket size of our SME loans was ₹ 21.92 million. We offer our SME loan products through our centralized team in Jaipur and sales personnel at select branches. We categorize our SME loans into: (i) SME business loans; (ii) construction finance loans and (iii) NBFC finance loans.

The following table sets forth details of our Gross AUM and loans disbursed in our SME loans business, for the periods indicated:

(₹ in million)

Category	Parameter	As of and for the period

*Includes unsecured short term loans extended to certain customers

Customers

Our target customer segment comprises customers with a turnover of over ₹ 10.00 million. We provide loans for purposes such as expansion of businesses, working capital and purchase of equipment. Our customers typically include small and medium sized enterprises, traders, wholesalers, distributors, retailers, self-employed professionals and small construction companies. We acquire customers through our sales team, referrals by existing customers, cross selling products to our existing vehicle finance and MSME customers, employee referrals and through advertisements.

Credit Approval and Disbursement

Upon sourcing a customer, a relationship officer visits the customer's business premises to assess credit needs, the collateral offered and repayment capabilities. A detailed cash flow assessment is created by examining business and financial documents, the continuity of the business, market reputation of the customer and his business and track record of loan repayment. The viability of a customer's business is assessed by examining factors such as inventory levels, number of employees and operational machinery. A financial assessment is also conducted on the basis of the customer's tax returns and examination of business expenses. An appraisal officer verifies documents such as bills of purchase and sale, stock registers, cash books and fuel and energy consumption bills to assess the turnover and margins of a customer's business and his repayment capability. These processes and the review of business margins prevalent in the corresponding industry and regions enable us to estimate the turnover and profit of a customer's business. We also conduct a credit bureau check and assess the value of the collateral through internal and external teams. A technical evaluation is conducted by two different evaluators to arrive at a fair market value of the collateral and the lower of the two values is considered by us while extending a loan. A collateral of value in excess of ₹ 10.00 million is also examined by the head of our technical valuation team. We use a risk based pricing matrix to determine the interest rate to be charged for different loans. The loan application is then approved by a credit officer and sent to our sanctioning authority for final approval. We seek to mitigate the risk of default by including

specific covenants in the loan documentation in addition to our general terms and conditions, on a case-by-case basis.

Branch Network

As of March 31, 2017, our NBFC branch network was structured along a two-tiered hub-and-spoke model with 55 of our branches classified as hubs and 246 as spokes and we have leveraged this network for our SFB operations to set up 269 branches, 121 asset centers, one central processing center and 10 offices, as of May 31, 2017. All our branches are optimally equipped in terms of personnel, infrastructure and product offerings, and we intend to offer customers a standardized experience across all branches.

Branch Locations

Our urban branches are located in urban and metro centers while our semi-urban branches are located in semi-urban centers that have growth potential. Our rural branches have cost-effective and lean infrastructure and are located in rural areas that have growth potential targeting the disbursement of credit to low and middle income individuals and micro businesses. We also intend to engage business correspondent partners to enhance our reach in unbanked locations for the sale and service of deposit and asset products.

Branch Expansion Plans

In addition to our existing branches, we intend to gradually open 162 additional branches during the financial year 2018 to reach 431 branches at the end of the financial year 2018. This proposed branch expansion plan also includes opening 23 branches in Tier 1 centers beyond the 10 states and one union territory in which we are currently present, thereby expanding our geographic reach into new states and regions.

Our 431 branches will comprise 164 branches in Tier 1 centers and 267 branches in Tier 2 to Tier 6 centers. Of our 431 branches, 119 branches are expected to be located in unbanked rural centers. For details, see “*Risk Factors – Internal Risk Factors - Our inability to leverage our existing customer base, expand our branch network and attract new customers for our SFB operations may adversely affect our business, results of operations, financial condition and cash flows*” on page 26.

The following table sets forth the state-wise distribution of our proposed branch network, as submitted to the RBI:

Loan Collection and Monitoring

Loan Collection

We have a collections team that comprised 1,155 employees and 139 external collection agents as of March 31, 2017. Collections are organized by geography, and are further divided based on delinquency, products and customer repayment history. We have a collection control room that ensures that appropriate information is provided on a timely basis to the relevant collection officers and manages collection allocations among them. At the branch level, the collections team uses a collections application on their mobile phones and Bluetooth printers to generate receipts and update data while collecting payments from customers.

We employ a structured collection process wherein we remind our customers of their payment schedules through text messages, pre-recorded voice calls and calls from our tele-callers. In certain cases, our in-house team also visits our customers. If the customer has not made his payment by his due date and despite regular follow-ups for a certain period of time, a senior member of our collections team visits the customer and legal action is initiated if the customer's ability or intent to repay is suspect. We have set up a specialized collections team to review cases in our vehicle finance and MSME business who work with our business team to initiate recovery 90 days after the payment from customers is overdue. This team comprises experienced professionals who are trained in negotiation and legal processes. Our specialized collections team initiates recovery by contacting the customers' referees, checking recent bureau records, tracing the collateral and follow up with law enforcement authorities. In cases where the payment is more than 90 days overdue, our legal team may initiate recovery proceedings. In the event of a default under a loan agreement, we may initiate the process for repossessing collateral. We may use external collection agencies to repossess collateral.

We offer several payment options, such as cash, post-dated cheques and electronic bank transfers. We attempt to

minimize risks associated with cash collection by ensuring that cash collected at our branches up to a certain time is deposited on the same day by our employees. Every branch has a cashier who manages cash, reconciles balances and issues receipts to clients. We have also entered into agreements with certain banks for the collection and deposit of cash from certain of our existing branches.

Use of Analytics

We have also developed a business information management system to track and monitor the status of loan documentation and turn around times. We have implemented an analytics platform to maintain customer profiles and increase business while managing risks. We commenced using analytics driven programs with our customer loyalty program where we identified and rewarded customers who made timely repayments and purchased additional products from us. We then used our analytics platform to identify and cross-sell products to existing customers, improve turn around times and as a tool for customer retention. In October 2015, we implemented a collection allocation optimization model to estimate the likelihood of customer default and categorize customers based on propensity to pay. Our collection allocation optimization model is used to determine the optimal collection strategy for each individual customer, allowing us to reduce costs associated with collection. For example, we re-allocated low default probability customers from field allocation to tele-calling and reduced collection costs. To assist us in planning our SFB operations in setting up branches in rural and unbanked areas, we utilize geanalytics to rank villages in the country based on their liability potential.

We have also developed and deployed sales dashboards wherein our dashboards present daily, monthly and yearly sales figures by city, region, state and product category. Our portfolio dashboard provides various type of information including customer profile, product category, regional classifications and origination for different days past due buckets. Our portfolio managers can review such information, identify areas of concern and initiate prompt action.

Portfolio Monitoring

We have set up a central and product specific teams to periodically monitor and analyze our loan portfolio. The portfolio monitoring teams monitor conditions and takes corrective measures based on pre-default and post-default behavior of a customer and prevailing economic conditions. These teams provide periodic reports along with geographical and collateral risk notes to assist us in developing our product strategies. We have setup an early warning framework with pre-defined triggers to identify areas of concern. We conduct a periodic review of our portfolio and monitor and identify external events that could have an impact on our portfolio. We have also setup an annual monitoring system for loans disbursed in excess of ₹ 20.00 million.

Treasury Department

We have set up a Treasury department that is responsible for fund raising and asset liability management, minimizing the cost of our borrowings, liquidity management and control, diversify fund raising sources, managing interest rate risk and investing funds in accordance with the criteria set forth in our investment policy. Prior to the commencement of our SFB operations, our sources of liquidity included term loans and working capital facilities; proceeds from loans assigned and securitized; proceeds from the issuance of NCDs and commercial paper; and subordinated debt borrowings from banks, mutual funds, insurance companies and other domestic and foreign financial institutions.

As an SFB, we will be able to access funds such as savings accounts, current accounts, term deposits and recurring deposits. We will also be able to raise funds from liquidity adjustment facility and market stabilization fund of the RBI, refinance facilities from financial institutions, capital market borrowings such as infrastructure bonds, tier II bonds and perpetual bonds. We will continue to securitize and assign loans, which qualify as priority sector lending, as well as our non-priority sector loans through securitization or direct assignment to banks, financial institutions and mutual funds, which enables us to optimize our cost of borrowings, funding and liquidity requirements, capital management and asset liability management. We will also have access to inter-bank participatory certificates and

will be able to participate in the priority sector lending certificates market wherein we will be able to trade our right of claim for priority sector loans for a fee. Money market borrowings, interbank borrowings and issuance of certificates of deposit will only be permitted or available to us once we become a scheduled commercial bank, which will require additional time. However, we will be unable to raise secured borrowings from banks and financial institutions or raise funds from the issuance of secured NCDs as a result of transitioning to an SFB. Our treasury and finance team periodically submit their reports to the Asset Liability Management Committee which submits its findings to our Board.

As of March 31, 2017, our Total Borrowings were ₹ 70,709.78 million comprising 50.03% of NCDs, 32.94% of term loans, 6.78% of commercial paper, 4.67% of subordinated debt borrowings, and 5.58% of working capital facilities. In addition, we securitize and assign loans to meet our funding requirements from time to time. Our average cost of borrowings has reduced from 12.61% for the financial year 2013 to 10.13% for the financial year 2017. We believe that we have been able to access cost-effective debt financing due to our stable credit history, improving credit ratings and conservative risk management policies.

Capital Adequacy Ratios

Our CRAR was 23.21%, 16.91% and 17.29% as of March 31, 2017, 2016 and 2015, respectively, which was computed in accordance with the extant master direction and prudential norms issued by RBI as applicable to a NBFC-ND-SI. Under the SFB Operating Guidelines, we are required to maintain a minimum capital adequacy of 15% to be computed as per the Basel III norms prescribed by RBI, including a minimum Tier I capital of 7.5 %, and the Tier II capital should be limited to a maximum of 100% of total Tier I capital. However, under the SFB Operating Guidelines, we are not required to maintain any capital conservation buffer or any counter-cyclical capital buffer.

Risk Management

Risk management forms an integral part of our business. As a lending institution, we are exposed to several risks related to our lending business and operating environment. We have established a risk management and audit framework to identify, assess, monitor and manage various types of internal and external risks. This framework is driven by the Board through the Audit Committee, Credit Risk and NPA Committee for retail and wholesale Banking and the Asset Liability Management Committee. Our Credit Risk and NPA Committee for retail and wholesale Banking was formed to review and identify current and emerging risks, develop risk assessment and measurement systems and establish policies, practices and other control mechanisms. As an SFB, we have enhanced our risk management framework by setting up a Risk Management Committee of the Board and an IT & Operational Risk Management Committee as well as introduced new internal audits to ensure rigorous monitoring and compliance.

Credit Risk

Credit risk is the risk of loss that may occur from defaults by our customers under our loan agreements. In order to address credit risk, each of our business lines has a separate set of credit policies that outline a standardized approach for customer selection. Credit approvers and field investigation officers are responsible for ensuring adherence to these policies. We have set-up a robust collections management system, which includes a collection control room that centrally manages allocations between collection agents and we use analytics for the optimum allocation of cases to the collections team. We have also established standardized operating procedures that are backed by our technology platform. We have implemented a real time analytics software for risk management through portfolio profiling, early warning systems, static pool reports, delinquency trend analysis, geographical mapping of risk areas and collection predictive reports. Our credit teams track cases for early signs of stress, ensuring that corrective action is taken in the case of non-starter or early delinquency cases.

Interest Rate Risk

We are subject to interest rate risk, principally because we lend to our vehicle finance, MSME and SME customers

at fixed interest rates and for periods that may differ from our funding sources, while our borrowings are at both fixed and variable interest rates for different periods. We assess and manage our interest rate risk by managing our assets and liabilities. Our Asset Liability Management Committee evaluates asset liability management, and ensures that all significant mismatches, if any, are being managed appropriately. For details, see *“Risk Factors – Internal Risk Factors - Our inability to manage interest rate risk may adversely affect our business, results of operations, financial condition and cash flows.”* on page 23.

Liquidity Risk

Liquidity risk arises due to the unavailability of adequate funds at an appropriate cost or tenure. Our treasury department sources funds from multiple sources, including from banks, financial institutions and capital markets, while our liabilities department sources funds in the form of deposits from wholesale and retail customers. Our treasury department is responsible for diversifying fundraising sources, managing interest rate risks and maintaining a strong relationship with banks, financial institutions, mutual funds, insurance companies, other domestic and foreign financial institutions and rating agencies. For details, see *“Risk Factors – Internal Risk Factors - As an SFB, we will be unable to access some of the sources of funds available to us as an NBFC and our inability to replace such sources of funds in an acceptable and timely manner, or at all, may have an adverse effect on our business, results of operations, financial condition and cash flows.”* on page 20.

Operational Risk

Operational risks arise from inadequate or failed internal processes, people or systems, or from external events. We control our operational risk by maintaining a comprehensive system of internal controls. Our dedicated operation risk management team identifies all people and process related risks and updates them in a risk register with rank, impact and controllability. In addition, we have leveraged technology to protect us from fraud by taking measures such as verifying customer details and documentation online and using credit bureau data to get information on potential frauds. Our team also manages compliance with requirements set forth by regulatory bodies and our internal standards. For details, see *“Risk Factors – Internal Risk Factors - We have recently introduced additional risk management architecture for our SFB operations and any failure or weakness therein, could adversely affect our business, results of operations, financial condition and cash flows.”* on page 29.

Cash Management Risk

Our branches collect and deposit a large amount of cash through a high volume of transactions taking place in our branch network. To address the cash management risks, we have developed advanced cash management checks that we employ at every level to track and tally accounts. We ensure that cash collected up to a certain time is deposited at local bank branches on the same day. Cash that is to be deposited is accounted for at the branch level and at a central level to avoid discrepancies. Moreover, we conduct regular audits to ensure the highest levels of compliance with our cash management systems. For details, see *“Risk Factors – Internal Risk Factors - Our operations involve handling significant amounts of cash, making us susceptible to loss or misappropriation or fraud by our employees.”* on page 28.

Asset Risk

Asset risks arise due to the decrease in the value of collateral over time. The selling price of a re-possessed asset may be less than the total amount of loan and interest outstanding in such borrowing and we may be unable to realize the full amount lent to our customers due to such a decrease in the value of collateral. We may also face certain practical and execution difficulties during the process of seizing collateral of defaulting customers. We engage collections agencies to repossess such assets and ensure that these repossession agents follow legal procedures and take appropriate care in dealing with customers for seizing assets. We have also set up a collateral appraisal system and legal and technical teams for our MSME and SME loan business to mitigate collateral risk across geographies. For details, see *“Risk Factors – Internal Risk Factors - We may incur losses due to a decline in the value of collateral obtained as security for the loans disbursed by us and our inability to seize and recover the full value of collateral may adversely affect our business, results of operations, financial condition and cash flows.”*

on page 26.

Inflation Risk

Inflation rates in India have been volatile in recent years, and such volatility may continue in the future. A return of high inflation rates may result in an increase in overall interest rates which may adversely affect our results of operations. High rates of inflation in the Indian economy could impact the results of our operations, by leading to a lower demand for our vehicle finance and SME and MSME loans. High inflation rates may also adversely affect growth in the Indian economy and our operating expenses.

Risk Management Architecture

In order to address the risks that are inherent to our business, we have developed a risk management architecture that includes monitoring by our Board through the Risk Management Committee of the Board, Audit Committee, Asset Liability Management Committee, Credit Risk and NPA Committee for retail and wholesale Banking and IT & Operational Risk Management Committee.

- *Risk Management Committee of the Board.* The Risk Management Committee of the Board will assist our Board by overseeing and reviewing our SFB's risk management principles, policies, strategies, processes and controls. Its functions will include reviewing the credit risk policies and overseeing credit risk management of our SFB, reviewing NPAs, reviewing capital adequacy computations, reviewing audit and regulatory findings and any related non-compliances. This committee is supported by our Credit Risk and NPA Committee for retail and wholesale Banking, Asset Liability Management Committee and the IT & Operational Risk Management Committee.
- *Audit Committee.* Our Audit Committee reviews reports of the statutory, internal and branch auditors, selects and establishes accounting policies, evaluates internal financial controls and risk management systems. The Audit Committee acts as a link between the management, internal auditors and statutory auditors.
- *Asset Liability Management Committee.* The Asset Liability Management Committee evaluates liquidity and other risks, devises strategies to mitigate such risks and reports its findings to our Board. It annually reviews and approves our risk management policy and reviews the effectiveness of asset liability management.
- *Credit Risk and NPA Committee for retail and wholesale Banking.* The Credit Risk and NPA Committee for retail and wholesale Banking was formed to review and identify current and emerging risks, develop risk assessment and measurement systems and establish policies, practices and other control mechanisms to manage risks, develop risk tolerance limits for approval by management, and monitor positions against approved risk tolerance limits. The Credit Risk and NPA Committee for retail and wholesale Banking also monitors and ensures compliance with regulatory bodies and third parties.
- *IT & Operational Risk Management Committee.* The IT & Operational Risk Management Committee will identify, evaluate, control and work to mitigate operational risks at our SFB. We will follow a basic indicator approach for calculating operational risk capital requirements.

We have also formulated a vigil mechanism framework to enable employees to report genuine concerns about unethical behavior and actual or suspected fraud or violation of any of our policies. Our anti-bribery policy mechanism is designed to check corrupt practices and report issues to our Board.

We have also enhanced the scope of our Credit Risk and NPA Committee for retail and wholesale Banking and Asset Liability Management Committee and formed the Risk Management Committee of the Board in connection with the commencement of our SFB operations and implement a number of additional risk management policies such as an NPA management policy, an internal capital adequacy assessment process policy and a market risk policy.

Comprehensive Audit Mechanism

We currently work with internal and external audit teams and the audit reports are tracked by the enterprise risk management team to address any deviations from our policies that are observed. As an SFB, we have introduced new internal audits to ensure rigorous monitoring and compliance, such as:

- risk-based process audits for all branch and non-branch processes;
- know your customer (“KYC”) audits for all new and existing accounts at liabilities processing hub and loan processing centers;
- ATM and vault audit and currency chest audit;
- management audit for all functional departments at our head office and regional offices;
- compliance audit for ensuring compliance with all regulatory requirements;
- snap audits for new branches and existing branches identified as high risk branches;
- system-based offsite surveillance to detect risk triggers and provide inputs to field auditors before branch audits; and
- self-audits by branches at periodic intervals to ensure compliance with our policies and applicable rules and regulations.

The internal audit team will be required to conduct an audit of all departments of our SFB and at frequencies depending on the level of risk categorization of each department. We intend to ensure that no department remains unaudited for a period in excess of three years. To provide adequate support for internal audits, we have set up a state level audit team headed by the state audit lead with a team of field auditors for conducting branch based audits and other audits. They will be supported by a team based out of the regional office for periodic follow-up with branches for closure of audit irregularities. We have also set up an offsite surveillance team to remotely monitor the branch operations for irregularities and send periodic reports. The team of field auditors will be strengthened to undertake additional audits. Periodic internal audit reports will be made available to our Audit Committee for regular tracking and follow-up with branches and processing units to rectify any audit irregularities that are observed.

In addition, we propose to set up a fund transfer pricing and cost allocation framework. We have implemented policies and applications for functions such as risk, treasury, anti-money laundering, KYC, regulatory and compliance. We have also set up a project management office which oversees our transition to an SFB.

Information Technology

Our IT support systems aid us in performing several processes involved in the life cycle of a loan transaction. We have made significant investments in our IT infrastructure to be able to provide quality service at low costs as an SFB. For our NBFC operations, we utilized an enterprise-wide loan management system, OmniFin, to provide an integrated platform for credit processing, credit management, general ledger, debt management and reporting. OmniFin also assisted us with automation of loan origination system, credit underwriting process, underwriting rule engine, deviation triggers to minimize human errors, branch accounting system and maintaining customer history. As we transitioned to an SFB and continue our NBFC business lines, we have migrated our data from OmniFin to Oracle Flexcube Core Banking solution. We use the Oracle Flexcube Core Banking solution for various functions, which we believe will support our SFB offerings and assist us in handling large transaction volumes.

We entered into a master services agreement with Accenture Services Private Limited and have implemented certain IT systems including a core banking solution, while we are in the process of implementing internet and mobile banking solutions, mobile applications and enterprise risk management systems.

We have also entered into a master services agreement with Netmagic Solutions Private Limited and their affiliates to avail services including co-location hosting, managed hosting, remote infrastructure monitoring and management services, security services, application hosting, and disaster recovery services. We also entered into a master services agreement with Acidaes Solutions Private Limited and have commissioned a comprehensive customer relationship management (“CRM”) solution and migrated all our previous leads and customer data to this system. We have also entered into a master services agreement with Newgen Software Technologies Limited and implemented a workflow based loan origination and collections system and cheque truncation solution. This will be coupled with system upgrades to support the increased number of branches and increased volume of business.

Our collections team uses a collections application on their mobile phones to review cases assigned to them, follow up with customers, update data while collecting payments and also use Bluetooth printers to generate receipts.

We have invested in a robust data security infrastructure, and have a dedicated data centre which is further backed up by a disaster recovery centre. Our customer relationship and human resource management systems are integrated across branches.

We intend to undertake the following IT initiatives to enhance our services:

- *Mobility solutions for our customers and sales force.* We intend to launch internet banking and mobile banking services for our customers. We have also entered into agreements with leading IT companies for the development of mobile and tablet based solutions for our sales and collection teams, loan origination, field investigation, and capturing leads and opening current and savings accounts. These solutions will also enable our sales teams to upload documents, conduct certain transactions and check online credit history reports. We also plan to utilize electronic KYC and biometric verification, allowing customers to digitally sign documents.
- *Door-step banking through micro ATMs.* While all our metro, urban and semi-urban branches are equipped with ATMs, we will use micro ATMs to ensure last mile reach to unbanked customers. These micro ATMs will be deployed through our sales force and business correspondents in rural and unbanked regions to ensure easy accessibility to transaction processing services.
- *Customer data analytics.* We have integrated customer data across multiple touch points such as call centers, our sales force, branches and web based and mobile applications to design custom offerings for our target customers through the use of data analytics. Analytic insights will be used to launch new campaigns and loyalty programs.
- *Internal processing and monitoring.* A detailed credit score model will be built for certain products based on statistical tools to model the credit assessment process with a simplified interface to ensure faster and more effective credit assessment. We believe that a centralized risk-based loan-to-value pricing matrix and asset selection matrix enable faster credit assessment while ensuring low risk.

We have established one central processing center and are in the process of establishing seven additional processing centers and intend to upgrade our existing platforms for our SFB operations through the following initiatives:

- *Call center operations.* We intend to increase our call center staff to approximately 300 personnel over five years of SFB operations with IVR systems integrated with the CRM systems. We have set up IVR systems in select regional languages to cater to our extensive customer base.
- *Liability processing hub.* We aim to provide high quality service and low turn around time to our liability customers as well. Accordingly, we have set up a central liability processing hub focused on executing back end

operations including account opening, preparing and dispatching welcome kits and generating personal identification numbers. This hub utilizes scanning solutions, e-KYC systems and workflows to expedite processing times and provide a single-window experience to our customers.

- *Cheque processing hub.* The cheque processing hub has implemented a cheque truncation system and uses a capture system as per the specifications and standards prescribed for data and images by regulatory authorities. For inward clearing, the data and captured images duly signed and encrypted are sent to the central processing hub for onward transmission to the paying bank. For all outward clearing, the encoding will happen at branches, while data entry and verification will happen at every branch.
- *Complaints management and grievance redressal system.* We will continue to use our dedicated grievance helpline and grievance redressal mechanism through our call center to resolve customer complaints in an effective way.

To assist us with our SFB operations, we have purchased cash dispensers from AGS Transact Technologies Limited and NCR Corporation India Private Limited and automated cash recyclers from Hitachi Payment Services Private Limited. We have entered into a master services agreement with Euronet Services India Private Limited for the monitoring of ATM services including card management, digital banking, fraud management services and back-end services.

We have entered into an agreement with Sify Technologies Limited for the design, implementation and management of our network infrastructure through interconnecting our branches. We have also entered into master services agreement with Yethi Consulting Private Limited for the provision of services in relation to functional testing, security testing and performance testing of software solutions deployed by our various providers. We have entered into a master service agreement with Servion Global Solutions Limited for the development and management of a CISCO contact centre solution. For details, see “*Risk Factors – Internal Risk Factors - We have recently upgraded our information technology systems for our SFB operations and any disruptions in such systems, or breach of data, could adversely affect our operations and reputation.*” on page 24.

Intellectual Property

Our Company has filed applications for registering certain trademarks including for our corporate logo as an SFB. For details, see “*Government and Other Approvals*” on page 331.

Marketing

Our marketing initiatives include product promotion activities and referral programs. Some initiatives we have undertaken include joint marketing activities with OEMs, event sponsorships and the broadcast of short advertisements in multiplexes. We have also engaged in data collection and increased brand visibility through strategies such as providing road safety training to drivers and arranging meetings at tea stalls.

We also introduced customer retention programs such as our ‘*Dost Banaye Dost Programme*’, which is a referral program for our existing customers. Our employee business referrals program offers incentives to employees who refer their family and friends to us and incentivizes our sales team to cross sell products to the same customer. In addition, we have separate tele-calling departments for each of our vehicle finance and MSME business that capture data from existing customers and generate new customers through referrals.

Competition

We face significant competition from unorganized, small participants in the market across all our business segments in addition to other small finance banks, scheduled commercial banks and NBFCs as well as local moneylenders in rural areas.

Insurance

We maintain insurance policies that we believe are customary for companies operating in our industry. Our principal types of coverage include insurance for cyber commercial crime insurance, cyber liability insurance, debit card insurance, electronic equipment insurance, burglary, standard fire and special perils insurance for bank infrastructure, group personal accident insurance, group health insurance, group life insurance, fidelity policy, public liability insurance, and directors and officers liability insurance. In addition, we have a money insurance policy pertaining to cash in safes and in transit. Our insurance policies may not be sufficient to cover our economic loss. For details, see “*Risk Factors – Internal Risk Factors - Our insurance coverage may not be sufficient or may not adequately protect us against any or all hazards, which may adversely affect our business, results of operations, financial condition and cash flows.*” on page 36.

Employees

As of March 31, 2017, we had 8,515 employees. As part of our customer-centric approach, we recruit employees locally, which assists us in gaining a better understanding of customers in that region and their requirements. We train our employees on a regular basis, and focus primarily on three areas through our training programs: leadership development, behavioral development and functional development. We have also developed a seven to ten day program through which we will train new employees for each of our business lines. We have also implemented an ESOP scheme for our employees, along with a range of incentives and employee engagement programs.

The following table sets forth employee details as of March 31, 2017:

Particulars	Number of Employees
Sales	4,446
Collections	1,155
Credit	855
Operations	419
Finance and accounts	120

HR	71
Infrastructure and administration	84
Internal control	38
Internal audit	12
Treasury	13
Others	1,073
Total	8,515

As an SFB, we have commenced undertaking the following initiatives:

- *Manpower planning and recruitment.* We intend to continue hiring personnel from local communities to build our sales force and hire qualified personnel for functions such as risk management and IT. We plan to conduct a training program for new personnel with classroom sessions on our Company’s values and culture, advanced banking concepts, processes and systems complemented by field visits and branch-based training for fresh recruits.
- *Skill-building.* We have introduced training programs for all employees and ensure that all employees undergo 20 hours of training each year. We will focus on training our sales personnel about the terms of our new products and services. We will utilize the services of in-house trainers and external training agencies to train our personnel for credit assessment, risk modeling and IT security.

- *Performance management.* We will continue to utilize our current appraisal process and incentive structure and augment them with a recognition mechanism of monthly and quarterly awards for special contributions.
- *Leadership development.* We will continue to invest in developing leaders across business functions in the organization through targeted coaching and mentoring programs. We will also introduce a succession-planning program to ensure a sustainable supply of in-house talent for various business functions.
- *Well defined HR structure.* With a significant increase in our employee base, our HR team will be strengthened to ensure adequate focus on employee engagement and development. Our HR team will be governed by well defined policies on all HR processes including recruitment, training and performance management. Our central HR team will consist of HR managers reporting to the HR head. Each HR manager will have teams for performing functions such as recruitment, training and development, talent management, resource deployment and payroll management.

We have also entered into master consulting agreements with Aon Services India Private Limited for training our management and leadership team, reviewing our human resources policies, and validating and analyzing our recruitment program.

Corporate Social Responsibility

We have adopted a Corporate Social Responsibility (“CSR”) policy in compliance with the requirements of the Companies Act, 2013 and the Companies (Corporate Social Responsibility) Rules, 2014 notified by the Central Government. We believe that our CSR initiatives contribute to our overall strategy of engaging with marginalized communities and we have contributed to CSR initiatives in areas such as education, healthcare and community development.

Key social welfare initiatives recently undertaken by us include:

- *Education.* We collaborate with schools and trusts to improve the quality of education for children. We assisted Netraheen Kalyan Sangh, an NGO based in Jaipur, to build facilities and distribute computers to the visually impaired; made financial contributions to Banasthali Vidyapeeth, Niwai, Rajasthan, a deemed university focusing on women education, to construct a building for scientific research; made financial contributions to Akshaya Patra, an NGO that provides mid-day meals to children; and to the Marwar Muslim Educational and Welfare Society.
- *Healthcare.* We have installed water coolers and purifiers across Jaipur and adjoining areas and have associated with the Indian Cancer Society. We have also organized blood donation camps and camps for eye checkups.
- *Community Development.* We have conducted workshops under the guidance of the Muskaan Foundation to impart training related to road safety measures and organized a skill development program in fashion design to upgrade skills. Our Company has contributed to the Shree Raj Jankalyan Trust to promote vocational training and also contributed to the Sahaj Marg Spirituality Foundation engaged in relief for Chennai flood disaster.

KEY REGULATIONS AND POLICIES IN INDIA

Given below is an indicative summary of certain relevant laws, regulations and policies as prescribed by the central and the state government in India that is applicable to the SFB business of our Company. The information in this section has been obtained from publications available in the public domain. The description of the applicable regulations as given below has been provided in a manner to provide general information to the investors and may not be exhaustive and is neither designed nor intended to be a substitute for professional legal advice. The statements below are based on the current provisions of applicable law, which are subject to change or modification by subsequent legislative, regulatory, administrative or judicial decisions.

Under the provisions of various Central Government and State Government statutes and legislations, our Company is required to obtain and regularly renew certain licenses or registrations and to seek statutory permissions to conduct our business and operations.

Key regulations applicable to our Company

Banking Regulation Act, 1949 (“B.R. Act”)

Banks in India are required to obtain a license from the RBI to carry on banking business in India. Such license is granted to the bank subject to compliance with certain conditions some of which include: (i) that the bank has the ability to pay its present and future depositors in full as their claims accrue; (ii) that the affairs of the bank will not be or are not likely to be conducted in a manner detrimental to the interests of present or future depositors; (iii) that the bank has adequate capital structure and earnings prospects; and (iv) that public interest will be served if such license is granted to the bank. The RBI has the power to cancel the license if a bank fails to meet the conditions or if the bank ceases to carry on banking operations in India. Additionally, the RBI has issued various reporting and record-keeping requirements for such commercial banks. The appointment of the auditors of the banks is subject to the approval of the RBI. The RBI can direct a special audit in public interest, or in the interest of the banking company, or in the interest of its depositors. It also sets out the provisions in relation to the loan granting activities of a banking company. The Banking Regulation Act specifies the business activities in which a bank may engage. Banks are prohibited from engaging in business activities other than the specified activities. No shareholder in a bank can exercise voting rights on poll in excess of 10% of total voting rights of all the shareholders of the bank. However, the RBI may increase this ceiling to 26% in a phased manner. Pursuant to amendments to the Banking Regulation Act in January 2013, private sector banks are permitted, subject to the guidelines framed by the RBI, to issue perpetual, redeemable or irredeemable preference shares in addition to ordinary equity shares.

Further, the B.R. Act, as amended, requires any person to seek prior approval of the RBI, to acquire or agree to acquire, directly or indirectly, shares or voting rights of a bank, by himself or with persons acting in concert, wherein such acquisition (taken together with shares or voting rights held by him or his relative or associate enterprise or persons acting in concert with him) results in aggregate shareholding of such person to be 5% or more of the paid up capital of a bank or entitles him to exercise 5% or more of the voting rights in a bank. Further, the RBI may, by passing an order, restrict any person holding more than 5% of the total voting rights of all the shareholders of the banking company from exercising voting rights on poll in excess of the said 5%, if such person is deemed to be not fit and proper by the RBI. Under the RBI (Prior approval for acquisition of shares or voting rights in private sector banks) Directions, 2015, an existing shareholder who has already obtained prior approval of RBI for having a “major shareholding” in a private sector bank, need not obtain approval for an additional fresh acquisition resulting up to 10% aggregate shareholding in such bank. However, if the additional acquisition results in an aggregate shareholding that is in excess of 10%, the prior approval of RBI must be obtained. Further, persons with ‘major shareholding’ shall also periodically report to the concerned bank on continuing to be fit and proper.

Further, the RBI requires the banks to create a reserve fund to which it must transfer not less than 25% of the net profit before appropriations. If there is an appropriation from this account, the bank is required to report the same to the RBI within 21 days, explaining the circumstances leading to such appropriation.

Certain amendments also permit the RBI to establish a 'Depositor Education and Awareness Fund', which will take over the bank's deposit accounts that have not been claimed or operated for a period of 10 years or more.

The amendments also confer power on the RBI (in consultation with the central government) to supersede the board of directors of a banking company for a period not exceeding a total period of 12 months, in public interest or for preventing the affairs of the bank from being conducted in a manner detrimental to the interest of the depositors or any banking company or for securing the proper management of any banking company.

The appointment, re-appointment, or termination of the appointment of a chairman, managing director or whole-time director, manager, chief executive officer of a bank shall have effect only if it made with the previous approval of the RBI. Further, no amendment in relation to the remuneration of the chairman, managing director, whole-time director or any other director, manager, chief executive officer shall have effect unless approved by the RBI. RBI is also empowered to remove a chairman, managing director and whole-time directors from office on the grounds of public interest, interest of depositors, securing the proper management. Moreover, RBI may order meetings of the board of directors to discuss any matter in relation to the bank, appoint observers to such meetings, make such changes to the management as it may deem necessary, and may also order the convening of a general meeting of the bank's shareholders to elect new directors.

The RBI may impose penalties on banks, directors and its employees in case of infringement of regulations under the Banking Regulation Act. The penalty may be a fixed amount or may be related to the amount involved in the contravention. The penalty may also include imprisonment. Banks are also required to disclose the penalty in their annual report.

Reserve Bank of India's Guidelines for Licensing of "Small Finance Banks" in the Private Sector dated November 27, 2014 ("SFB Guidelines")

The RBI issued the SFB Guidelines for licensing of SFBs in the private sector. The following is an indicative list of guidelines applicable to our Company:

1. Registration, licensing and regulations: The SFB is required to be registered as a public limited company under the Companies Act and will be licensed under Section 22 of the BR Act. The SFB will be required to use the words "Small Finance Bank" in its name. It will be governed by the provisions of the B.R. Act, RBI Act, FEMA, Payment and Settlement Systems Act, 2007, Credit Information Companies (Regulation) Act, 2005, Deposit Insurance and Credit Guarantee Corporation Act, 1961, and other relevant statutes and the directives, prudential regulations and other guidelines/instructions issued by RBI and other regulators from time to time.
2. Eligible promoters: Resident individuals/professionals with ten years of experience in banking and finance and companies and societies owned and controlled by residents will be eligible as promoters to set up SFBs. Existing NBFCs or MFIs that are owned and controlled by residents can also opt for conversion into an SFB. Promoter/ promoter groups should be 'fit and proper' with a sound track record of professional experience or of running their business for at least a period of five years in order to be eligible to promote SFB.
3. Scope of activities: The SFB is required to primarily undertake basic banking activities of acceptance of deposits and lending to unserved and underserved sections. It can also undertake other non-risk sharing simple financial services activities, not requiring any commitment of own fund, such as distribution of mutual fund units, insurance products, pension products, etc. with the prior approval of RBI and after complying with the requirements of the sectoral regulator for such products. It cannot set up subsidiaries to undertake non-banking financial services activities. Further, the other financial and non-financial services activities of the promoters, if any, should be kept distinctly ring-fenced and not comingled with the banking business.
4. Capital requirement: The minimum paid-up equity capital shall be ₹ 1,000 million. It shall be required to

maintain a minimum capital adequacy ratio of 15% of its risk weighted assets on a continuous basis, subject to any higher percentage as may be prescribed by RBI from time to time.

5. Promoter's contribution: The promoter's minimum initial contribution to the paid-up equity capital shall at least be 40% which shall be locked in for a period of 5 years from the date of commencement of business of the SFB. However, promoter's contribution will be exempted from lock-in when promoter shareholding is above 26% but less than 40%. Further, the promoter's shareholding should be brought down in prescribed phases to 26% within 12 years from the date of commencement of business of the SFB. Further, if an SFB reaches the net worth of ₹ 5,000 million, listing will be mandatory within 3 years of reaching that net worth.
6. Foreign shareholding: Foreign shareholding would be as per the FDI Policy for private sector banks. As per the current FDI Policy, Foreign direct investment is permitted up to 49% under the automatic route and up to 74% under government route in a private sector Indian bank.
7. Voting rights and transfer/ acquisition of shares: As per section 12 (2) of the BR Act, 1949, any shareholder's voting rights in private sector banks are capped at 10 per cent. This limit can be raised to 26 per cent in a phased manner by RBI. Further, as per section 12B of the BR Act, 1949, any acquisition or transfer of 5 per cent or more of the paid-up share capital in a private sector bank will require prior approval of RBI. This will also apply to SFBs.
8. Prudential norms: The SFB will be subject to all prudential norms and regulations of RBI as applicable to existing commercial banks. Further, the SFB will have to comply with additional conditions/ norms such as extending 75% of its adjusted net bank credit to sectors eligible for classification as priority sector lending by RBI, maximum loan size and investment limit exposure to a single and group obligor being restricted to 10% and 15% of its capital funds, respectively, at least 50% of its loan portfolio should constitute loans and advances of up to ₹ 2.5 million, etc. The SFB is also precluded from having any exposure to its promoters, major shareholders, relatives of the promoters as also the entities in which they have significant influence or control.
9. Corporate Governance: The Board of the SFB should have a majority of independent directors. Further, the SFB will have to comply with the corporate governance guidelines including 'fit and proper' criteria for directors as issued by RBI from time to time.
10. Others:
 - Individuals (including relatives) and entities other than the promoters will not be permitted to have shareholding in excess of 10% of the paid-up equity capital. In case of NBFCs or MFIs converting to an SFB, if shareholding of entities (other than the promoters) in the NBFC is in excess of 10% of the paid-up equity capital, RBI may consider providing time up to 3 years for the shareholding to be brought down to 10%.
 - The SFB cannot be a Business Correspondent ("BC") for another bank. However, it can have its own BC network.
 - If the SFB wishes to transit into a universal bank, it would have to apply to the RBI for such conversion and fulfilling minimum paid-up capital / net worth requirement as applicable to universal banks and comply with certain other prescribed criteria.

Reserve Bank of India's Operating Guidelines for Small Finance Bank dated October 6, 2016 ("SFB Operating Guidelines")

The SFB Operating Guidelines are supplementary to SFB Guidelines. The SFB Operating Guidelines came into

force considering the differentiated nature of business and financial inclusion of SFB Banks. The SFB Operating Guidelines set out the following:

1. Prudential Regulation: The prudential regulatory framework for the SFBs will be largely drawn from the Basel standards. However, given the financial inclusion focus of these banks, it will be suitably calibrated:
 - a) Capital adequacy framework: The minimum capital requirement is 15%;
 - b) Leverage ratio: The leverage ratio is 4.5%, calculated as percentage of Tier I capital of total exposure; and
 - c) Inter-bank borrowings: SFBs are allowed exemption from the existing regulatory ceiling of inter-bank borrowings till the existing loans mature or up to three years, whichever is earlier. Afterwards, it will be on par with scheduled commercial banks.
2. Corporate governance:
 - a) Constitution and functioning of board of directors: The extant provisions as applicable to banking companies shall be applicable to NBFCs as well. Specifically in case of converting entities, the existing terms and conditions of appointment of directors will be grandfathered till completion of their present term; and
 - b) Constitution and functioning of the board, management level committees, and remuneration policies: The extant provisions in this regard as applicable to private sector banks, shall be applicable to SFBs as well.
3. Banking operations:
 - a) Branch authorization policy: SFBs should follow the extant instructions pertaining to the branch authorization applicable to scheduled commercial banks as laid down in the Rationalisation of Branch Authorisation Policy - Revision of Guidelines issued by the RBI on May 18, 2017. SFBs are required to have 25% of their branches in unbanked rural centres within one year from the date of commencement of operations. Pursuant to RBI letter dated November 16, 2016, our Company has been permitted to open 431 general banking branches, consisting of 164 branches in Tier 1 centres and 267 branches in Tier 2 to Tier 6 centres, which includes 119 branches in unbanked rural centres;
 - b) Regulation of Business Correspondents: The SFBs may engage all permitted entities including the companies owned by their business partners and own group companies on an arm's length basis as business correspondents; and
 - c) Bank charges, lockers, nominations, facilities to disabled persons: The extant provisions applicable to scheduled commercial banks shall be applicable to SFBs as well.
4. KYC requirements: At their discretion, SFBs may (like all other banks) decide not to take the wet signature while opening accounts, and instead rely upon the authentication/ confirmation of the terms and conditions of the banking relationship or account relationship keeping in view their confidence in legal validity of such authentications or confirmations. However, all the extant regulations concerning KYC including those covering the Central KYC registry, and any subsequent instructions in this regard, as applicable to commercial banks, would be applicable to SFBs;

Reserve Bank of India's Guidelines on Compensation of Non-executive Directors of Private Sector Banks dated June 1, 2015.

The board of directors of a private sector bank is required to formulate and adopt a comprehensive compensation policy for non-executive directors. The Board may, at its discretion, provide for in the policy, payment of compensation in the form of profit related commission to the non-executive directors, subject to bank making profits. Such compensation, however, shall not exceed ₹ one million per annum for each non-executive director. In addition to the directors' compensation, the bank is required to pay sitting fees to the non-executive directors and reimburse their expenses for participation in the board.

Master Circular-Mobile Banking Transactions in India- Operative Guidelines for Banks dated July 1, 2015 ("Mobile Banking Transaction-Operative Guidelines")

The Mobile Banking Transaction- Operative Guidelines contains all rules, regulations and procedures prescribed to be followed by banks for operationalizing mobile banking in India. Banks which are licensed, supervised and having physical presence in India are permitted to offer mobile banking services. Only banks who have implemented core banking solutions are permitted to provide mobile banking services. Banks are required to put in place a system of registration of customers for mobile banking.

The RBI Act, 1934 ("RBI Act"), as amended

RBI Act provides a framework for supervision of banking firms in India. RBI Act was passed to constitute a central bank to, *inter alia*, regulate the issue of bank notes and keeping of reserves with a view to securing monetary stability in India and generally to operate the currency and credit system of the country.

Consolidated FDI Policy Circular of 2016, issued by the Department of Industrial Policy and Promotion, Ministry of Commerce and Industry, Government of India, effective June 7, 2016 ("FDI Policy")

Foreign investment in an Indian company, engaged only in the activity of investing in the capital of other Indian companies, will require prior Government or departmental approval, regardless of the amount or extent of foreign investment. Foreign investment in private sector banks, carrying on activities approved for FDI, will be subject to the conditions specified in paragraph 5.2.18 of the FDI Policy.

Master Direction - Know Your Customer (KYC) Direction, 2016 dated February 25, 2016 ("KYC Directions")

KYC Directions are applicable to every entity regulated by RBI specifically, scheduled commercial banks, regional rural banks, local area banks, primary (urban) co-operative banks, all India financial institutions, NBFCs, miscellaneous non-banking companies and residuary non-banking companies, amongst others. In terms of the KYC Directions, every entity regulated thereunder is required to formulate a KYC policy which is duly approved by the board of directors of such entity or a duly constituted committee thereof. The KYC policy formulated in terms of the KYC Directions is required to include four key elements, being customer acceptance policy, risk management, customer identification procedures and monitoring of transactions. The KYC Directions also prescribe detailed instructions in relation to, *inter alia*, the due diligence of customers, record management and reporting requirements to Financial Intelligence Unit – India.

Prudential norms on income recognition, asset classification and provisioning pertaining to advances ("Prudential Norms")

The RBI, pursuant to its "Master Circular on Prudential Norms on Income Recognition, Asset Classification and Provisioning Pertaining to Advances" issued on July 1, 2015, classifies NPAs into (i) sub-standard assets; (ii) doubtful assets; and (iii) loss assets. The circular also specifies provisioning requirements specific to the classification of the assets.

In July 2005, the RBI issued guidelines on sales and purchases of NPAs between banks, financial institutions and NBFCs. These guidelines require that the board of directors of a bank must establish a policy for purchases and sales of NPAs. An asset must have been classified as non-performing for at least two years by the seller bank to be eligible for sale. In October 2007, the RBI issued guidelines regarding valuation of NPAs being put up for sale.

The RBI revised the “Prudential Guidelines on Restructuring of Advances by Banks and Financial Institutions” on May 30, 2013. Pursuant to the revised guidelines the provisioning requirement has been increased to 5% in respect of new restructured standard accounts (flow) with effect from June 1, 2013 and in a phased manner for the stock of restructured standard accounts as of March 31, 2013 as follows:

- (a) 3.50% with effect from March 31, 2014 (spread over the four quarters of 2013-2014);
- (b) 4.25% with effect from March 31, 2015 (spread over the four quarters of 2014-2015); and
- (c) 5% with effect from March 31, 2016 (spread over the four quarters of 2015-2016).

The Recovery of Debts Due to Banks and Financial Institutions Act, 1993 (“RDDBFI Act”)

The RDDBFI Act was enacted for adjudication of disputes pertaining to debts due to banks and financial institutions exceeding ₹ 10 million. The RDDBFI Act provides for the constitution of debt recovery tribunals, before which banks and financial institutions may file applications for recovery of debts. Further, no court or other authority, except the Supreme Court or a High Court exercising jurisdiction under Articles 226 and 227 of the Constitution of India, shall have, or is entitled to exercise, any jurisdiction, powers or authority in relation to the aforementioned matter. The tribunals may pass orders for directions including *inter- alia* recovery of such dues by the bank as may be deemed fit along with a recovery certificate to such effect from the presiding officer of the respective tribunal; attachment of the secured properties towards the dues to the bank; injunctive orders restraining the debtors from alienating, transferring or disposing of such secured properties; appointment of receivers and/or local commissioners with respect to such secured properties and distribution of proceeds from sale of such secured properties towards dues. Pursuant to the recovery certificate being issued, the recovery officer of the respective debt recovery tribunal shall effectuate the final orders of the debt recovery tribunal in the application. Unless such final orders of the debt recovery tribunal have been passed with the consent of the parties to an application, an appeal may be filed against such final orders of the debt recovery tribunal before the debt recovery appellate tribunal, which is the appellate authority constituted under the RDDBFI Act.

The Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (“SARFAESI Act”)

The SARFAESI Act governs securitization of assets in India. The SARFAESI Act provides that any securitization or reconstruction company may acquire the assets of a bank or financial institution by either entering into an agreement with such bank or financial institution for the transfer of such assets to the company or by issuing a debenture or bond or any other security in the nature of the debenture, for consideration, as per such terms and conditions as may be mutually agreed between them. The SARFAESI Act further provides that if the bank or financial institution is a lender in relation to any financial assets acquired by the securitization/reconstruction company as stated above, then such company shall be deemed to be the lender in relation to those financial assets.

Further, upon such acquisition, all material contracts entered into by the bank or financial institution, in relation to the financial assets, shall also get transferred in favour of the securitization/reconstruction company. The SARFAESI Act also enables banks and notified financial institutions to enforce the underlying security of an NPA without court intervention. Pursuant to an asset being classified as an NPA, the security interest can be enforced as per the procedure laid down in the Security Interest Enforcement Rules, 2002.

Other Regulations

In addition to the above, our Company is required to comply with the provisions of the Companies Act, Payment and Settlements Systems Act, 2007 and the regulations framed thereunder, read with the applicable RBI guidelines, FEMA, Competition Act, labour laws, various tax related legislations and other applicable statutes for its day-to-day operations.

The 2010 SHA conferred certain shareholders' rights and obligations such as corporate governance rights, tag along rights and drag along rights, certain exit rights, among others. In terms of the 2010 SHA, our Company shall not, without the prior written consent of the IBE Fund, IBE Fund - I and IFC, take including, without limitation, the following actions: (i) any amendment or repealing or authorisation of any amendment or other actions in relation to Company's Documents (as defined in the 2010 SHA) and major operating policies; (ii) authorising or making any changes in the issued, subscribed or paid-up share capital of our Company; (iii) issuing any Equity Shares or share equivalents having structural or legal or other preference over or senior to (or *pari passu* with) the securities held by IBE Fund, IBE Fund – I and IFC; (iv) reorganising the share capital of our Company; (v) any amalgamation, merger or acquisition; (vi) making any changes to its business; (vii) authorise or undertake any listing; and (viii) appointment or removal of any KMP; and (ix) undertake any diversification not in accordance with the 2010 SHA.

IFC Covenants

Pursuant to the IFC policy covenants as set out under the 2010 SHA, our Company shall also adhere to certain other covenants, *inter alia*, with respect to the IFC ("**IFC Covenants**"). Certain of these covenants are described hereunder:

- (i) Inform the IFC of any litigation or investigations or proceedings which may have a material adverse effect or any criminal investigations or proceedings against our Company or any related party;
- (ii) Ensure compliance with certain environment covenants such as using all reasonable efforts to ensure, assess and manage the social and environmental performance of the relevant financing operation in compliance with the social and environmental requirements (as defined in 2010 SHA) and shall not amend or waive the application of the social and environmental management system (including the social and environmental requirements) (as defined in 2010 SHA);
- (iii) The 2010 SHA also provides certain additional IFC rights such as right to appoint nominee director, subject to a prescribed minimum shareholding by IFC; and
- (iv) Our Company also needs to adhere to certain anti-corruption guidelines for IFC related transactions. Further, the 2010 SHA also precludes lending to entities engaged in activities forming part of an IFC "exclusion list" as set out in the 2010 SHA.

Subsequently, the termination agreement entered amongst our Promoters, IFC, IBE Fund and IBE Fund - I dated March 7, 2012 (“**Termination Agreement**”) resulted in termination of the 2010 share subscription agreement and its terms.

Explanatory notes for the above adjustments:

(1) Income relating to cheque return charges, legal and courier charges and seizing charges was being recognised on an accrual basis till September 30, 2013. The accounting policy in this regard was revised w.e.f. October 1, 2013 whereby the policy for recognition was changed prospectively, to treat such charges to accrue on realisation, due to the uncertainty of their realisation. The above adjustment has been made to give effect of such change in the accounting policy in the respective years.

(2) Income relating to overdue (penal) interest was being recognised on an accrual basis till March 31, 2015. The accounting policy in this regard was revised w.e.f. April 1, 2015 whereby the policy for recognition was changed prospectively, to treat such penal interest to accrue on realisation, due to the uncertainty of its realisation. The above adjustment has been made to give effect of such change in the accounting policy in the respective years.

(3) Since overdue (penal) interest was earlier recognized on an accrual basis (as explained in note 2), the total outstanding from a customer comprised overdue instalments as well as the penal interest accrued. Accordingly, the days-past-due (DPD) considered for identification of loans as non-performing assets (NPA) were based on such total outstanding. The change in recognition of penal interest required a change in the manner of computation of DPD, with a resultant change in interest income reversal for NPA, loan assets written off, provision for NPA and contingent provision against standard assets as adjusted above.

(4) Due to the change in computation of DPD explained above, certain loan assets have moved from write off category to NPA category. Consequent to such movement, the amounts received in respect of the then written off loans have been allocated to their loan outstanding (principal and interest) instead of recognising them as bad debts recovery. Such adjustments have been made in all the respective years.

(5) No provision for bonus was made in FY 2011-12. However the payment in this regard was made in subsequent year FY 2012-13 and recorded as an expense in the year of payment as a prior period item. Accordingly, the same has been adjusted in the year to which the expense pertains.

(6) The above restatement will have corresponding impact on deferred taxes. Accordingly, the timing differences arising on account of restatement for the above years have been considered in the respective financial years.

4.2 Non adjusting items

The auditor's report dated May 13, 2017 on the standalone financial statements of the Company as at and for the year ended March 31, 2017, included the following modification in respect of the matter to be reported in accordance with Rule 11 (d) of the Companies (Audit and Auditors) Rules, 2014, as amended, which does not require any corrective adjustment in the Restated Standalone Summary Statements:

The Company has provided disclosures in Note 35 to these financial statements as to the holding of Specified Bank Notes (SBNs) on November 8, 2016 and December 30, 2016 as well as dealings in Specified Bank Notes during the period from November 9, 2016 to December 30, 2016. Based on audit procedures and relying on management representations, except for the segregation between SBNs and other denominations as more fully described in Note 35 (a) to these financial statements, on which we are unable to comment in the absence of sufficient appropriate audit evidence, we report that the amounts disclosed in the said note are in accordance with the books of account maintained by the Company and produced before us for verification. Further, as stated in Note 35 (e) to the financial statements, the borrowers of the Company have directly deposited cash in the Company's bank accounts and, as represented to us, the denomination wise details of all such deposits are not available with the Company and accordingly, in the absence of sufficient appropriate audit evidence in this regard, we are unable to comment on the matter.

(The aforesaid Note 35 to the standalone financial statements for the year ended March 31, 2017 has been reproduced as Note 7 of Annexure 31 to the Restated Standalone Summary Statements.)

Other audit qualifications included in the Annexure to the auditors' reports issued under Companies (Auditor's Report) Order, 2016, 2015 and 2003 (as amended), respectively on the Standalone financial statements for the years ended March 31, 2017, 2016, 2015, 2014 and 2013, which do not require any corrective adjustment in the Restated Standalone Summary Statements are as follows:

5.3 Summary of significant accounting policies

(a)(i) Change in method of depreciation and useful lives of assets

(i) With effect from April 1, 2016, the Company revised the method of depreciation of fixed assets from 'written down value method' to 'straight line method' and has also reassessed the estimates of useful lives of certain classes of fixed assets. As a result of these changes in the estimates, the depreciation for the year ended March 31, 2017 is lower by Rs.50.18 million.

(ii) In accordance with the requirements to schedule II to the Companies Act, 2013, the Company reassessed the useful lives of the fixed assets as on April 01, 2014 :

- (a) An amount of Rs. 1.62 Million has been charged to the opening balance of the retained earnings in respect of the assets whose remaining useful life is Nil as at April 01, 2014.
- (b) An amount of Rs 20.97 Million for the year ended March 31, 2015 representing the additional depreciation on the carrying value of the assets as at April 01, 2014 due to change in the useful life of the assets.

AU SMALL FINANCE BANK LIMITED
(Formerly Au Financiers (India) Limited)

ANNEXURE 5 : Significant Accounting Policies

(a)(ii) Change in provisioning for loan portfolio

(i) With effect from April 1, 2016, the Company revised its estimates of provisioning for loan portfolio, in line with the requirements of the RBI Master Direction DNBR.PD.008/03.10.119/2016-17 dated September 01, 2016. As a result of such change, the profit for the year ended March 31, 2017 is lower by Rs 45.53 million (including the effect of income reversal on non-performing assets).

(ii) With effect from April 1, 2015, the Company revised its estimates of provisioning for loan portfolio, in line with the requirements of the RBI Notification No. DNBR. 009/ CGM (CDS) -2015 dated March 27, 2015 and revised its estimate of provisioning for loans over due for a period between 180 to 365 days. As a result of such change, the profit for the year ended March 31, 2016 is lower by Rs 29.63 million (including the effect of income reversal on non-performing assets).

(iii) For the purpose of Restated Standalone Summary Statements the above changes in estimates have not been restated.

(b) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles in India (Indian GAAP) requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, these assumptions and estimates could result in the outcomes requiring an adjustment to the carrying amounts of assets or liabilities in future periods.

(c) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be measured reliably.

(i) Income from financing activities

(a) Interest Income is recognized on a time proportion accrual basis taking into account the amount outstanding and the interest rate implicit in the underlying agreements. Income or any other charges on non-performing assets or on assets taken in custody for recovery of loan through disposal of such assets during the period are recognized only when realized. Any such income recognized and remaining unrealized, before the asset became non-performing or before disposal of assets in custody of the company, is reversed. Overdue interest is recognized on realization basis. Overdue interest is treated to accrue on realisation, due to the uncertainty of their realisation.

(b) Loan origination income i.e. processing fee and other charges collected upfront are recognised at the inception of the loan.

(c) All other charges such as cheque return charges, legal charges, seizing charges, etc. are recognised on realisation basis. These charges are treated to accrue on realisation, due to the uncertainty of their realisation.

(ii) Income from assignment/securitization

(a) For assignment transactions done prior to RBI circular no. DNBS.PD.No. 301/3.10.01/2012-13 dated August 21, 2012.

In case of assignment of loan assets and related receivables "at par", income is accounted for by applying the interest rate implicit in such assigned contracts as reduced by Internal Rate of Return (IRR) committed to the purchaser of loan assets.

In case of assignment of loan assets and related receivables "at premium", the difference between the consideration received representing the net present value of future receivable assigned and the principal loan amount outstanding as per books is recognized upfront as gain or loss on assignment in the year of assignment.

(b) For transactions done after issuance of RBI circular no. DNBS.PD.No. 301/3.10.01/2012-13 dated August 21, 2012.

Gains arising on securitisation of assets is recognised over the tenure of securities issued by SPV as per guidelines on securitisation of standard assets issued by RBI. Income from excess interest spread is accounted for net of losses when redeemed in cash. Expenditure in respect of securitisation (except bank guarantee fees for credit enhancement) is recognised upfront. Bank guarantee fees for credit enhancement are amortised over the tenure of the agreements. Income arising on direct assignment is recognised over the tenure of agreement on accrual basis.

(iii) Income from channel finance business:

Income in the nature of interest rate differential i.e., applying the interest rate implicit in the loan contracts as reduced by Internal Rate of Return (IRR) committed to the bank who records the channel finance business, including related incidental charges are recognized on accrual basis.

(iv) Income from deposits:

Interest income on deposits with banks and other financial institutions is recognised on a time proportion accrual basis taking into account the amount outstanding and the rate applicable.

(v) Income from investment:

(a) Dividend is recognised as income when right to receive dividend is established by the date of balance sheet.

(b) Interest income on investment is recognised on accrual basis.

AU SMALL FINANCE BANK LIMITED
(Formerly Au Financiers (India) Limited)

ANNEXURE 5 : Significant Accounting Policies

(d) Property, Plant and Equipment/ Intangible Assets/ Capital work-in-progress/ Intangible assets under development, Depreciation/ Amortisation and Impairment

(i) Property, Plant and Equipment

Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use.

Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

(a) Depreciation on property, plant and equipment:

Leasehold land is amortized on a straight line basis over the period of lease.

With effect from April 1, 2016, depreciation on property, plant and equipment is calculated on a straight-line basis using the rates arrived at, based on the useful lives estimated by the management as given below. Such useful lives, being different from those prescribed under Schedule II to the Companies Act, 2013, are supported by appropriate technical advice and are a matter of judgment, based on various factors such as type and make of an item, its place and pattern of usage, nature of technology, obsolescence factors, availability of spares, etc. which have a significant impact on the useful life of an asset.

Particulars	Useful Life (years) adopted from April 1, 2016
Buildings	60
Addition to Leased Premises	10
Furniture and Fixtures	10
Vehicles	8
Computers, Printers, servers and other office equipments	3-6
Vaults, Strong Room Doors, ATM and other equipments for Bank Operations	10-15

For the period prior to April 1, 2016, depreciation was provided on written down value method as per the rates and manner prescribed under :

- Schedule XIV to the Companies Act, 1956 for the period upto March 31, 2014; and
- Schedule II to the Companies Act, 2013 for the period from April 1, 2014 to March 31, 2016

Further, assets individually costing Rs. 5,000 or less are fully depreciated in the year of installation/purchase as the management estimates the useful life of such assets as one year. Depreciation on assets acquired/sold during the period is recognised on a pro-rata basis upto the date of such acquisition/sale.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial period end and adjusted prospectively, if appropriate.

(ii) Intangible assets

Intangible assets are amortized on a straight line basis over the estimated useful economic life. The Company uses a rebuttable presumption that the useful life of an intangible asset will not exceed seven years with effect from April 01, 2016 (four years in March 31, 2016, March 31, 2015, March 31, 2014 and March 31, 2013) from the date when the asset is available for use. If the persuasive evidence exists to the affect that useful life of an intangible asset exceeds seven years with effect from April 01, 2016 (four years in year March 31, 2016, March 31, 2015, March 31, 2014 and March 31, 2013), the company amortizes the intangible asset over the best estimate of its useful life.

The amortization period and the amortization method are reviewed at least at each financial period end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern. Such changes are accounted for in accordance with AS 5 Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

AU SMALL FINANCE BANK LIMITED
(Formerly Au Financiers (India) Limited)

ANNEXURE 5 : Significant Accounting Policies

(iii) Impairment of assets

The carrying amount of assets is reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognised wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets, net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

(iv) Capital work-in-progress/ Intangible assets under development

Costs incurred towards acquisition of assets, including expenses incurred prior to those assets being put to use and directly attributable to bringing them to their working condition are included under "Capital Work in Progress" or "Intangible assets under development". Capital Work in Progress and Intangible assets under development are stated at the amount incurred up to the date of Balance Sheet including advances given to vendors.

(e) Retirement and other employee benefits

(i) Defined Contribution Plans

The Provident Fund and Employees State Insurance are defined contribution plans and the contribution to the same are charged to the statement of profit and loss during the year in which the services are rendered.

(ii) Defined Benefit Plans

Gratuity is a defined benefit obligation and is provided for at the year end on the basis of an actuarial valuation using the Projected Unit Credit method. Actuarial gains and losses are recognised in the statement of profit and loss as and when incurred.

(iii) Compensated absences

Compensated absences are considered as a long-term employee benefit and is provided for based on an actuarial valuation using Projected Unit Credit method. Actuarial gains and losses are recognised in the statement of profit and loss as and when incurred.

(f) Taxes on Income

Tax expenses comprises of current income tax and deferred tax.

Income tax

Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised directly in equity is recognised in equity and not in statement of Profit and Loss.

Deferred taxes

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the respective reporting date. Deferred income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognised for all taxable timing differences. Deferred tax assets are recognised for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

The carrying cost of the deferred tax assets are reviewed at each balance sheet date. The Company writes down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

(g) Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

ANNEXURE 5 : Significant Accounting Policies

(h) Borrowing cost

Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

- (i) Share/ Debenture issue expenses incurred are expensed in the year of issue and redemption premium payable on debentures is expensed over the term of debentures. These are adjusted to the securities premium account in accordance with Section 52 of the Act to the extent of balance available in such premium account.

(j) Operating Leases

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognised as an expense in the statement of profit and loss on a straight-line basis over the lease term.

(k) Provisioning / write off of assets

- (i) Secured / unsecured loans and receivables are provided for/written off as per the Company's provisioning estimates, given in sub-para (ii) below, subject to the minimum provision required as per the extant RBI Prudential Norms/Master Directions applicable to a Systemically Important Non-Deposit taking Non-Banking Financial Company (NBFC-ND-SI).

- (ii) Loans with principal and / or interest overdue have been classified as sub-standard assets, in accordance with the extant RBI Prudential Norms/Master Directions applicable to NBFC-ND-SI after giving effect to the restatements, and have been provided for at the following rates:

ANNEXURE 5 : Significant Accounting Policies

(l) Provisions, contingent liabilities

A provision is recognised when the Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

(m) Earning Per Share (EPS)

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

(n) Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand, short-term deposits with an original maturity of three months or less and stamping/franking balance.

(o) Foreign currency transactions

(i) Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(ii) Foreign currency monetary items are retranslated using the exchange rate prevailing on the close of the financial year.

(iii) Exchange differences arises on the settlement of monetary items or on reporting the Company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

(iv) Forward exchange contracts entered into to hedge foreign currency risk of an existing asset/liability

The premium or discount arising at the inception of the forward exchange contract is amortized and recognised as an income/expense in the statement of profit and loss over the life of the contract. Exchange difference on such contracts are recognised in the statement of profit and loss in the period in which the exchange rates change.

(p) Share based payments

In case of stock option plan, measurement and disclosure of the employee share-based payment plans is done in accordance with the Guidance Note on Accounting for Employee Share-based Payments, issued by the Institute of Chartered Accountants of India as applicable for equity-settled share based payments.

The cost of equity-settled transactions is measured using the intrinsic value method and recognised, together with a corresponding increase in the "Stock options outstanding account" in reserves. The cumulative expense recognised for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and the Company's best estimate of the number of equity instruments that will ultimately vest. The expense or credit recognised in the statement of profit and loss for a period represents the movement in cumulative expense recognised as at the beginning and end of that period and is recognised in employee benefits expense.

ANNEXURE 6 : Restated Standalone Statement of Share capital

(c) Terms/ rights attached to Preference Share

(1) 2008 Preference Shares

The Compulsorily Convertible Preference Shares of Rs. 100 each issued in 2008 and in 2009 were fully convertible into Equity Shares of the Company of Rs. 10 each at the option of the investors upon exercise of the Option on occurrence of any one of the events mutually agreed upon amongst the shareholders at a premium to be arrived at by dividing (a) the existing preference share subscription price by (b) the Base Conversion Price. Pending such exercise of Option by the Investors, the Investors concurred to be allotted 75,01,961 Equity shares upon exercise of such "Option" at any time prior to/with the date of conversion of "2010 Preference Shares", issued, subscribed and allotted in 2010.

In partial exercise of the above "Option" by a holder of Compulsorily Convertible Preference Shares during the FY 10-11, an allotment of 26,25,686 equity shares of Rs. 10/- each against conversion of 7,00,000 Compulsorily Convertible Preference Shares of Rs. 100/- each was made. For the remaining of 13,00,000 of Compulsory Convertible Preference Shares of Rs. 100 each outstanding as at March 2012, upon exercise of "Option" by such date stated above, a total of 48,76,275 Equity Shares of Rs. 10/- each issued as mutually agreed as per shareholders agreement.

(2) 2010 Preference Shares

The "2010 Compulsorily Convertible Preference shares" of Rs. 100 each, allotted during the year 2009-10, were fully convertible into Equity Shares of the Company of Rs. 10 each at the option of the investor on occurrence of any one event mutually agreed upon among the shareholders at a premium arrived at by dividing (a) the 2010 Preference Subscription Price by (b) the Base Conversion Price, which "base conversion price" in turn was based upon a formula which was further dependent upon the performance of the Company during financial year 2009-10 to 2011-12.

On partial exercise of the above "Option" by holders of 2010 Compulsorily Convertible Preference Shares during the FY 11-12, 18,13,709 of equity shares of Rs. 10/- each were allotted on conversion of 11,00,000 Compulsory Convertible Preference Shares of Rs. 100/- each.

"For the remaining 48,99,990 Compulsorily Convertible Preference Shares of Rs. 100 each of 2010 which were outstanding as at March 31, 2012, 80,79,233 Equity Shares of Rs. 10/- each were issued in terms of shareholders agreement, pending the exercise of the option by the preference shareholder".

(3) 2012 Preference Shares

The "2012 Compulsorily Convertible Preference shares" of Rs. 100 each, i.e. 12,20,281 Convertible Preference Shares of Rs. 100/- each allotted during the year 2011-12, were fully convertible into Equity Shares of the Company of Rs. 10 each at the mandatory conversion date, which were no later than Forty Five days after the completion of calculation of the "Aggregate Actual PAT" based on the audited financial statements for the Financial Year 2009-10, 2010-11 and 2011-12. The Base conversion price determined on the basis of formula given in Section 5(a) of Annexure 3 "Terms of 2012 Preference Shares" a total of 91,42,716 of Equity shares were allotted on Conversion of "2012 Preference Shares".

Holders of 2008 Preference Shares, holders of 2010 Preference Shares and as holders of 2012 Preference Shares, as investors in the company had a right to number of votes equal to number of Equity Shares issuable upon conversion of such shares and were eligible to vote with Equity Shares on all matters except as specifically provided or as otherwise required by law. If the holders of 2008/2010/2012 Preference Shares were at any time restricted by applicable law from exercising votes equal to number of Equity Shares issuable upon their respective conversion, each of the promoters (sponsor) share holders were to vote in accordance with the instructions of the holders of the Preference Shares at a General Meeting or were to provide proxies without instructions to the holders of the Preference Shares for the purposes of voting at the General Meeting. The obligation of each of the promoters (Sponsors) were to vote on the basis of their Equity Shares holding as aforesaid were pro-rated in accordance with their respective shareholding in the Company.

1. The figures disclosed above are based on the restated standalone summary statements of the Company.

2. The above statement should be read with the notes to restated standalone summary statements of assets and liabilities, profits and losses and cash flows appearing in Annexure 4.

3. The ratios have been computed as per the following formulae:

(i) Earnings per share

$$= \frac{\text{Net profit available to equity shareholders (including and excluding exceptional items)}}{\text{Weighted average number of equity shares outstanding during the year}}$$

(ii) Net asset value per equity share

$$= \frac{\text{Net worth excluding revaluation reserve as at the end of the year}}{\text{Number of equity shares outstanding at the end of the year}}$$

(iii) Return on net worth (%)

$$= \frac{\text{Net profit after tax (after extra- ordinary items)}}{\text{Net worth excluding revaluation reserve at the end of the year}}$$

4. Weighted average number of equity shares is the number of equity shares outstanding at the beginning of the year/period adjusted by the number of equity shares issued during year/period multiplied by the time weighting factor. The time weighting factor is the number of days for which the specific shares are outstanding as a proportion of total number of days during the year/period.

5. Net worth for ratios mentioned in above note represents the aggregate of the paid up share capital and reserves and surplus (excluding revaluation reserve) as reduced by the aggregate of miscellaneous expenditure (to the extent not adjusted or written off) and the debit balance of the profit and loss account.

6. Earnings per share calculations are in accordance with Accounting Standard 20 on Earnings Per Share notified under section 133 of the Companies Act 2013, read together along with paragraph 7 of the Companies (Accounts) Rules, 2014.

7 The number of equity shares and resultant EPS and DPS in respect of financial year ended March 31, 2016, March 31, 2015, March 31, 2014 and March 31, 2013 considered above is adjusted for the issue of bonus shares in the financial year ended March 31, 2017 in the ratio of 5:1.

**SUMMARY OF SIGNIFICANT DIFFERENCES IN ACCOUNTING POLICIES APPLICABLE TO
OUR COMPANY AS A SYSTEMICALLY IMPORTANT NON-BANKING FINANCIAL COMPANY
AND A SMALL FINANCE BANK**

Our financial statements have been prepared in accordance with the provisions of the RBI as applicable to a Systemically Important Non-Banking Financial Company, which differs in certain material respects from the requirements prescribed under the Third Schedule (Form A and Form B) of the Banking Regulation Act and RBI Circulars as applicable to a Small Finance Bank.

The following table summarizes differences in accounting policies applicable to a Systemically Important Non-Banking Financial Company and Small Finance Bank.

This summary should not be taken as an exhaustive list of all the differences; accordingly, no assurance is provided that the following summary is complete. Our Company has not prepared any reconciliation of our financial statements and no attempt has been made to identify all recognition and measurement, disclosures, presentation or classification differences that would affect the manner in which transactions or events are presented in our financial statements (or notes thereto). Our management has not quantified any of the effects of the differences discussed below. Accordingly, no assurance can be provided to investors that upon commencement of our SFB operations our financial statements would not be materially different if prepared in accordance with requirements prescribed under the Third Schedule (Form A and Form B) of the Banking Regulation Act and RBI Circulars as applicable to a Small Finance Bank.

Potential investors should consult their own advisers for an understanding of the principal differences in the accounting policies of a Systemically Important Non-Banking Financial Company and a Small Finance Bank and how these differences might affect the financial statements appearing in this DRHP.

Investments, which the SFB intends to hold till maturity will be classified as HTM investments. Investments that are held principally for resale within a short period, including short sale, will be classified as HFT investments. All other investments will be classified as AFS investments.</p> <p>For the purpose of disclosure in the financial statements, the Investments will be classified under six groups a) Government Securities b) Other Approved Securities c) Shares d) Debentures, Subsidiaries and Joint Ventures e) Bonds and f) Others.</p>
<p><u>Recognition and Valuation:</u></p> <p>On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.</p> <p>Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.</p> <p>On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.</p>	<p><u>Recognition and Valuation:</u></p> <p>Investments are classified as performing or non-performing as per the RBI guidelines.</p> <p>Investments classified as HTM will be carried at amortised cost. Any premium paid on acquisition, over the face value, will be amortised over the remaining period of maturity by applying constant yield method. Such amortisation of premium is adjusted against interest income under the head Income from investments as per the RBI guidelines. Where in the opinion of the management, a diminution, other than temporary in the value of investments classified under HTM has taken place, suitable provisions will be made.</p> <p>Investments classified as AFS and HFT will be marked to-market on a periodic basis as per relevant RBI guidelines. The securities will be valued scrip-wise, depreciation and appreciation will be aggregated for each category. Net appreciation in each category, if any, shall be ignored, while net depreciation will be provided for. The book value of individual securities will not be changed consequent to the periodic valuation of investments.</p>

Au Financiers (India) Limited (as an NBFC)	Au Small Finance Bank Limited (as an SFB)
	<p>Quoted investments” in Held for Trading” and “Available for Sale” categories will be valued at traded or quoted price available on the recognised stock exchanges, subsidiary general ledger account transactions, price list of the RBI or prices declared by the Primary Dealers Association of India (“PDAI”) jointly with the Fixed Income Money Market and Derivatives Association (“FIMMDA”) applicable as at the balance sheet date. For deriving market value of unquoted fixed income securities (other than Central and State Government securities), yields or mark-up rates (reflecting associate credit risk) declared by the FIMMDA in consultation with the PDAI will be used.</p> <p>Unquoted equity shares will be valued at the break-up value, if the latest balance sheet is available (which should not be more than one year prior to the date of valuation) and in absence of such balance sheet at ₹1 as per the RBI guidelines.</p> <p>Treasury bills, commercial papers and certificates of deposit will be valued at carrying cost including the pro rata discount accreted for the holding period.</p> <p>Quoted mutual fund units will be valued as per stock exchange quotations and un-quoted mutual fund units will be valued at last available re-purchase price or net asset value (where re-purchase price is not available).</p> <p>Units of Venture Capital Funds (“VCF”) held under AFS category will be valued using the Net Asset Value (“NAV”) shown by VCF units as per the financial statement. The VCFs will be valued based on the audited results once in a year. In case the audited financials are not available for a period beyond 18 months, the investments will be valued at ₹ 1 per VCF unit.</p> <p>Transfer between categories:</p> <p>a) Transfer from AFS or HFT to HTM will be made at the lower of book value or market value at the time of transfer. The depreciation, if any, on such transfer would be fully provided for.</p> <p>b) Transfer from HTM to AFS or HFT will be made at acquisition price or book value if originally placed in HTM at par or at a discount and at amortised cost if originally placed in HTM at a premium.</p> <p>c) Transfer from AFS to HFT category or vice-versa will be made at book value and the provision for the accumulated depreciation, if any, held is transferred to the provisions for depreciation against the HFT securities or vice-versa</p> <p>Investments will be classified as performing and non performing, based on the applicable guidelines/ directions issued by RBI from time to time.</p>

MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

You should read the following discussion in conjunction with our restated standalone financial statements as of and for the financial years ended March 31, 2017, 2016, and 2015 including the related notes, schedules and annexures. These Restated Financial Statements are prepared in accordance with Indian GAAP and the provisions of the RBI that were applicable to us while we were an NBFC and restated as per the SEBI ICDR Regulations.

Indian GAAP differs in certain material respects with Ind AS, IFRS and U.S. GAAP. See "Risk Factors - Internal Risk Factors - Our financial statements for historic periods may not be indicative of our financial position for any future periods as an SFB." on page 25.

Our financial year ends on March 31 of each year. Accordingly, all references to a particular financial year are to the 12-month period ended March 31 of that year. Our financial statements have been prepared in accordance with the provisions of the RBI as applicable to a Systemically Important Non-Banking Financial Company, which differs in certain material respects from the requirements prescribed under the Third Schedule (Form A and Form B) of the Banking Regulation Act and RBI Circulars as applicable to a Small Finance Bank. See "Summary Of Significant Differences In Accounting Policies Applicable To Our Company As A Systemically Important Non-Banking Financial Company And A Small Finance Bank" on page 276.

This discussion contains forward-looking statements that involve risks and uncertainties and reflects our current view with respect to future events and financial performance. Actual results may differ from those anticipated in these forward-looking statements as a result of factors such as those set forth under "Forward-looking Statements" and "Risk Factors" on pages 17 and 19, respectively.

Overview

We are a small finance bank ("SFB") that has recently transitioned from a prominent, retail focused non-banking finance company ("NBFC"), which primarily served low and middle-income individuals and businesses that have limited or no access to formal banking and finance channels. We received a license from the Reserve Bank of India to set up an SFB on December 20, 2016 and we were the only NBFC categorized as an asset finance company to obtain such license. We commenced our SFB operations with effect from April 19, 2017. Prior to such date, our Company was categorized as a "Systemically Important, Non-Deposit Accepting Asset Finance Company" (NBFC-ND-AFC) by the RBI.

As an NBFC, we operated in three business lines: vehicle finance; micro, small and medium enterprises ("MSMEs") loans; and small and medium enterprises ("SMEs") loans. As we commenced our SFB operations, we have expanded and strengthened our business model to offer a diverse suite of banking products and services by leveraging our asset-based lending strengths, NBFC customer base and cost efficient, technology driven hub-and-spoke branch operating model to successfully operate our SFB. In addition to our vehicle finance, MSME and SME offerings, our asset product offerings include working capital facilities, gold loans, agriculture related term loans, Kisan credit cards for farmers and loans against securities. Our liability product offerings include current accounts, savings accounts, term deposits, recurring deposits and collections and payments solutions for MSME and SME customers. We believe that transitioning to an SFB has offered us significant growth potential and we aim to be a retail focused, preferred trusted SFB offering integrated and tailored solutions to customers.

Our vehicle finance business extends loans for the purchase of new and pre-owned vehicles and for refinancing of vehicles, which are primarily used for revenue generating activities. For the financial year 2017, the average ticket size of our vehicle finance loans was ₹ 0.34 million. Loan tenures for our vehicle finance loans are up to five years. Our MSME loans business extends loans to MSMEs primarily for business expansion, working capital and the purchase of equipment. For the financial year 2017, the average ticket size of our MSME loans was ₹ 1.08 million. Loan tenures for our MSME loans are up to 12 years. Our SME loans business extends loans to several types of small and medium sized businesses. For the financial year 2017, the average ticket size of our SME loans was ₹ 21.92 million. Loan tenures for our SME loans are up to 15 years. We categorize our MSME and SME loans on the basis of ticket size, with the initial MSME loan disbursed for an amount up to ₹ 5.00 million and the initial SME loan disbursed for amounts over ₹ 5.00 million. As of March 31, 2017, 98.99% of our total receivables under financing activity were secured.

We adopted a strategy of contiguous expansion across regions and as of March 31, 2017, we conducted our operations through 301 NBFC branches spread across 10 states and one union territory in India, with significant presence in the states of Rajasthan, Gujarat, Maharashtra and Madhya Pradesh and employed 8,515 personnel serving 280,349 active loan accounts. The credit penetration of Gujarat, Madhya Pradesh and Rajasthan is below average, while the credit penetration of Maharashtra is above average (*Source: CRISIL Inclusix Report, June 2015*), thus offering us significant growth potential.

As of May 31, 2017, we conducted our operations through 269 branches, 121 asset centers, one central processing center and 10 offices. In addition, we plan to set up an additional 162 branches and seven central processing centers during the financial year 2018.

The following table sets forth certain key financial and operational information while we continued to operate as an NBFC:

* Gross assets under management ("AUM") comprise the sum of principal outstanding and overdue principal outstanding, if any, for all loan assets under management which includes loan assets held by us as of the last day of the relevant year as well as loan assets which have been assigned or securitized and are outstanding as of the last day of the relevant year.

** Includes trade advances to dealers – considered good of ₹ 609.97 million and trade advances to dealers – considered doubtful of ₹ 23.11 million as at March 31, 2017. Also includes trade advances to dealers – considered good of ₹ 1,145.91 million and ₹ 629.06 million as at March 31, 2016 and March 31, 2015, respectively.

[#] Includes ₹ 5,168.58 million (net of the expenses incurred in connection with such sale and net of tax) on account of sale of investments in two subsidiaries and two associate companies.

Our Company sold 90.10% of the outstanding equity shares of Aavas Financiers Limited (formerly known as Au Housing Finance Limited), 100% of the outstanding equity shares of Index Money LLP (formerly known as Index Money Limited), 29.53% of the outstanding equity shares of M Power Micro Finance Private Limited and 26% of the outstanding equity shares of Au Insurance Broking Services Private Limited during the financial year ended March 31, 2017.

*** Total active loan accounts represent the aggregate number of loan accounts outstanding as of the end of the relevant year including loan accounts which have been transferred by our Company by way of securitization or assignment and are outstanding as of the last day of the relevant year.

As of and for the year ended March 31, 2017, our Total Borrowings were ₹ 70,709.78 million and our average cost of borrowings was 10.13%. Our average cost of borrowings has reduced from 12.61% for the financial year 2013 to 10.13% for the financial year 2017, including as a result of improvement of our credit ratings during such periods. For details, see "Our Business – Our Competitive Strengths - Access to Diversified Sources of Funding" on page 146.

Our Company commenced operations in 1996 in Jaipur, Rajasthan and was registered as an NBFC with the RBI in 2000. In 2005, our Company became a commercial associate of HDFC Bank for originating and servicing

vehicle loans and such relationship assisted us in the implementation of various processes and systems. We continued expanding the scale of our business with a vision to cater to the unserved and underserved customer segments. We expanded our product portfolio to include MSME loans in 2007, housing finance in 2011 (a business which we have since sold) and SME loans in 2012, to cater to the evolving needs of our customers. We commenced our SFB operations with effect from April 19, 2017.

Our Promoters include Mr. Sanjay Agarwal, our managing director and CEO, who is a first generation entrepreneur. Our shareholders include marquee investors such as the International Finance Corporation (part of the World Bank Group), Redwood Investment Ltd (belonging to the Warburg Pincus group), Labh Investments Limited (a wholly-owned subsidiary of ChrysCapital VI, LLC), Ourea Holdings Limited (a wholly-owned subsidiary of Kedaara Capital I Limited) and Kedaara Capital Alternative Investment Fund - Kedaara Capital AIF 1. Our Company was featured in the September 2013 publication of Forbes India as one of the 14 hidden gems of India and was awarded the 'Best PE-Backed Financial Services Company 2012' at the VC Circle Awards.

Significant Factors Affecting our Results of Operations

Our results of operations and financial condition are affected by a number of important factors including:

SFB Operations

Our Company was categorized as an NBFC-ND-AFC and we received a license to set up an SFB on December 20, 2016 from the RBI. We commenced our SFB operations with effect from April 19, 2017. We aim to be a preferred SFB providing integrated and tailor made solutions for the underserved ecosystem, with a technology led model and low cost reach, supported by robust IT, risk management and human resources platform. In the short term, our focus is on developing and embedding key systems and processes, building our team, setting up the branch architecture in a phased manner and achieving asset and deposit growth.

In addition to our NBFC product portfolio, we provide a diverse range of asset, liability and other products at our SFB branches for the personal and business banking needs of our customers. Our future revenue and profitability will therefore be impacted by the introduction of additional products and services as we implement our business strategies and address market opportunities.

We have incurred and will continue to incur significant expenditure on our branch network, human resources and IT platforms for our SFB operations. In addition to our existing 269 branches and 121 asset centers, we intend to gradually open 162 additional branches during the financial year 2018 to reach 431 branches and 121 asset centers at the end of the financial year 2018. Our 431 branches will comprise 164 branches in Tier 1 centers and 267 branches in Tier 2 to Tier 6 centers. Of our 431 branches, 119 branches are expected to be located in unbanked rural centers. As of March 31, 2017, we had 8,515 employees. Further, as of March 31, 2017, we had invested ₹ 800.37 million in setting up our IT platform for our SFB operations.

The banking industry in India is subject to extensive regulation by Governmental and regulatory authorities, including the RBI. These rules and regulations govern issues such as foreign investment, corporate governance and market conduct, customer protection, foreign exchange management, capital adequacy, margin requirements, anti-money laundering and provisioning for NPAs. As an SFB, we will need to comply with such additional rules and regulations, which will affect our business, operations, cash flows, profitability and financial condition. Our CRAR as of March 31, 2017, March 31, 2016 and March 31, 2015 was 23.21%, 16.91% and 17.29%, respectively, which was computed in accordance with the extant master direction and prudential norms issued by RBI as applicable to a NBFC-ND-SI. Under the SFB Operating Guidelines, we are required to maintain a minimum capital adequacy of 15% to be computed as per the Basel III norms prescribed by RBI, including a minimum Tier I capital of 7.5 %, and the Tier II capital should be limited to a maximum of 100% of total Tier I capital. However, under the SFB Operating Guidelines, we are not required to maintain any capital conservation buffer or any counter-cyclical capital buffer.

Further, in our banking operations, under the current requirements, we are required to maintain a minimum CRR of 4% of our net demand and time liabilities in a current account with the RBI. We will not earn interest income on the CRR. We will also be required to maintain, under the current requirements, a SLR equivalent to 20.50% of our net demand and time liabilities, to be invested in cash and Government or other RBI-approved securities. As an NBFC, we were not required to maintain a minimum CRR with the RBI or meet any SLR requirements, and

such capital was available for our operations, resulting in better net interest margin and return on net worth. As an SFB, our net interest margin and return on net worth may be adversely affected, since we will be required to set aside capital to meet the CRR and SLR requirements of the RBI. Further, until we scale up our deposit base, a significant portion of the CRR and SLR requirements will be met from our borrowings, which may also adversely affect our net interest margin and return on net worth in the short to medium term. In addition, under the SFB Operating Guidelines, we are required to extend 75% of our adjusted net bank credit to the sectors eligible for classification as priority sector lending by the RBI. See *“Risk Factors – Internal Risk Factors - Our inability to comply with laws and regulations applicable to an SFB may have an adverse effect on our business, results of operations, financial condition and cash flows”* on page 21.

We have no operating history as an SFB and the success of our SFB operations depends on a number of factors, including the demand for our services at these locations and our ability to compete with other banks and financial institutions effectively. For further details, see *“Risk Factors - Internal Risk Factors - Our inability to successfully transition from an NBFC to an SFB may have an adverse effect on our business, results of operations, financial condition and cash flows.”* on page 19.

Availability of Cost-Effective Sources of Funding

The availability of cost-effective funding affects our results of operations. Our funding sources are varied, as we believe that a diversified debt profile ensures that we are not overly dependent on any one type or source for funding. As an NBFC-ND-AFC, we had access to diverse sources of liquidity, such as term loans and working capital facilities, proceeds from loan assets assigned and securitized, proceeds from the issuance of NCDs and commercial paper and subordinated debt borrowings from banks, mutual funds, insurance companies and other domestic and foreign financial institutions to meet our funding requirements. This enabled us to optimize our cost of borrowings, funding and liquidity requirements, capital management and asset liability management.

As an SFB, we believe we will be able to access funds such as savings accounts, current accounts, term deposits and recurring deposits. We will also be able to raise funds from liquidity adjustment facility and market stabilization fund of the RBI, refinance facilities from financial institutions, capital market borrowings such as infrastructure bonds, tier II bonds and perpetual bonds. We will continue to securitize and assign loans, which qualify as priority sector lending, as well as our non-priority sector loans through securitization or direct assignment to banks, financial institutions and mutual funds, which enables us to optimize our cost of borrowings, funding and liquidity requirements, capital management and asset liability management. We will also have access to inter-bank participatory certificates and will be able to participate in the priority sector lending certificates market wherein we will be able to trade our right of claim for priority sector loans for a fee. Money market borrowings, interbank borrowings and issuance of certificates of deposit will only be permitted or available to us once we become a scheduled commercial bank, which will require additional time. However, we will be unable to raise secured borrowings from banks and financial institutions or raise funds from the issuance of secured NCDs.

As of March 31, 2017, our aggregate secured borrowings were ₹ 52,312.24 million or 73.98% of our Total Borrowings. Of the secured borrowings, current maturities of long-term borrowings were ₹ 9,751.96 million and short term borrowings were ₹ 3,942.91 million aggregating to ₹ 13,694.87 million, or 19.37% of our Total Borrowings, are due and payable on or before March 31, 2018. Our reliance on current, savings and term deposits in the short term as a key source of funding makes us vulnerable to interest rate costs and volatility. We will need to offer competitive interest rates on deposits to attract depositors, corporates or otherwise. We also rely on proceeds from loan assets assigned or securitized to scheduled commercial banks. The RBI requires scheduled commercial banks to meet certain targets in extending loans to priority sectors, such as agriculture, small scale industries, micro credit and export credit sectors. Any change in such targets could affect our ability to assign or securitize loan assets in the future. For further details, see *“Risk Factors - Internal Risk Factors - As an SFB, we will be unable to access some of the sources of funds available to us as an NBFC and our inability to replace such sources of funds in an acceptable and timely manner, or at all, may have an adverse effect on our business, results of operations, financial condition and cash flows.”* on page 20.

Our ability to continue to meet customer demand for new loans will depend primarily on our ability to raise funds by issuing equity and debt securities and to borrow from various external sources on suitable interest rates, other terms and in a timely manner. Our debt service costs and overall cost of funds depend on many external factors, including developments in the Indian credit markets and, in particular, interest rate movements and the existence of adequate liquidity in the debt markets. Internal factors that affect our cost of funds include our credit ratings,

cash flows and available credit limits. As of March 31, 2017, 2016 and 2015, the aggregate of our Total Borrowings were ₹ 70,709.78 million, ₹ 47,826.16 million and ₹ 28,783.11 million, respectively. Any increase in our cost of funds may lead to a reduction in our net interest margin, or require us to increase interest rates on loans disbursed to customers in the future to maintain our net interest margin.

Volatility in Borrowing and Lending Rates

Our results of operations depend substantially on the level of our net interest income, which is the difference between our interest income and other charges, and interest expense and other borrowing costs. Any change in interest rates would affect our interest expense on our floating interest-bearing liabilities, and as such our net interest margins. Our interest income and other charges on loan portfolio constitute the largest component of revenue from operations.

The table below sets for certain key financial indicators as of or for the periods specified in connection with this factor.

(₹ in million)

Metric	As of		
	Year ended March 31, 2017	Year ended March 31, 2016	Year ended March 31, 2015
Total Borrowings	70,709.78	47,826.16	28,783.11
Interest income and other charges on loan portfolio	12,630.97	9,616.32	6,049.57
Interest income and other charges on securitization and direct assignment	1,441.45	753.38	659.24
Finance cost (Interest expense and other borrowing costs)	5,003.33	3,952.53	2,819.74

Net interest income, i.e. interest income and other charges in the relevant period reduced by interest expense and other borrowing costs in such period is an important parameter in our business lines. For further information on our net interest income and net interest margins, see “*Selected Statistical Information*” on page 281. Any adverse change to net interest income and net interest margins in our business lines will have a significant impact on our results of operations. Interest rates are sensitive to many factors beyond our control, including the monetary policies of the RBI, inflation, GDP growth rates, deregulation of the financial sector in India and domestic and international economic conditions. Moreover, interest rates in India are typically correlated with the inflation rate, and as the inflation rate increases, the RBI has historically sought to raise interest rates. Our results of operations are thus affected by changes in interest rates and our inability to re-price our interest-earning assets accordingly.

Credit Quality and Provisioning

Our ability to manage the credit quality of our loans, which we measure in part through NPAs, is a key driver of our results of operations. In addition to requiring us to make a provision on standard assets, the RBI requires us to classify and, depending on the duration of non-payment, make a provision on loans that become NPAs, which are further sub-classified as sub-standard, doubtful and loss assets. As the number of our loans that become NPAs increases, the credit quality of our loan portfolio decreases. As an NBFC, RBI norms required classifying loans that are over 120 days past due as an NPA and as an SFB, RBI norms require classifying loans that are over 90 days past due as an NPA. For details, see “*Selected Statistical Information*” on page 281.

The following table illustrates our NPAs as an NBFC, for the periods indicated:

Metric	As of		
	Year ended March 31, 2017	Year ended March 31, 2016	Year ended March 31, 2015
Gross NPA (₹ in million)	1,072.30	370.61	326.50
Gross NPA/Gross Advances (%)	1.61	0.64	0.92
Net NPA (₹ in million)	693.41	221.54	154.94
Net NPA/ Net Advances (%)	1.05	0.38	0.44

The significant increase in our Gross NPA from ₹ 370.61 million as on March 31, 2016 to ₹ 1,072.30 million as on March 31, 2017 has been primarily on account of the change in the period of classification of loans as an NPA, from 150 days past due as on March 31, 2016 to 120 days past due as on March 31, 2017. As an SFB, this period

will reduce further from 120 days past due to 90 days past due, which may result in a further increase in our Gross NPA. The total amount of our loans, which were between 90 days past due and 120 days past due, as on March 31, 2017 was ₹ 139.21 million.

Further, as an NBFC, any amount recovered from a loan account (which had been classified as an NPA), pursuant to which the days past due rolls back to less than 120 days, was re-classified as an standard asset. However, as an SFB, even if an outstanding amount is recovered from a loan account (which has been classified as an NPA), pursuant to which the days past due rolls back to less than 90 days, the account cannot be reclassified as a standard asset. Such account can be reclassified as a standard asset, only when the entire amount which is outstanding has been repaid, resulting in zero days past due. This may result in us continuing to report Gross NPAs for a longer period of time in our financial statements as an SFB.

For further details, see “*Our Business – Loan Collection and Monitoring*” on page 156 and “*Management’s Discussion and Analysis of Financial Condition and Results of Operations - Statement of Significant Accounting Policies – Provisioning / Write-Off of Assets*” on page 300.

Government Policy and Regulation

Our results of operations and continued growth depend on stable government policies and regulation. As an SFB, we will continue to be affected by a number of regulations promulgated by the RBI that regulate, among other things, NPA provisioning norms, priority sector and other lending stipulations and other operational restrictions. For details, see “*Industry Overview*” on page 119. Any change in the regulatory framework affecting SFBs, and in particular those requiring to maintain certain financial ratios, CRR and SLR requirements, placement restrictions on securitization, accessing funds or lending to SFBs among others, would adversely affect our results of operations and growth. Government regulation that affects the demand for vehicles could also affect our results of operations. Further, the recent Government action of demonetization has resulted in greater market volatility and a reduction in income of some of our customers, and has adversely affected our business in the short term. For details, see “*Risk Factors - Internal Risk Factors - There is uncertainty on the impact of currency demonetization in India on our business.*” on page 30.

General Economic Growth in India

As an SFB operating in India, our financial condition and results of operation are influenced by the general economic conditions prevailing in India. A slowdown in the Indian economy could adversely affect our business and our borrowers, especially if such a slowdown were to be continued and prolonged. Various factors beyond our control, such as a rise in unemployment, prolonged recessionary conditions in the world economy, a sharp and sustained rise in the interest rates, developments in the Indian economy, movements in global commodity markets and exchange rates, increased global competition and changes in Indian laws, regulations and policies could have an adverse impact on the quality of our loan portfolio. Any trends or events which have a significant impact on the economic situation in India, including a rise in interest rates, could have an adverse impact on our business. For details, see “*Industry Overview*” on page 119.

Changes in Accounting Framework as an SFB

As an NBFC, our financial statements were prepared in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014, Companies (Accounting Standards) Amendment Rules, 2016 and the provisions of the RBI as applicable to a Systemically Important Non-Banking Financial Company (“NBFC-ND-SI”).

As an SFB, our financial statements will be prepared under the historical cost convention and on the accrual basis of accounting, unless otherwise stated, and comply with the requirements prescribed under the Third Schedule (Form A and Form B) of the Banking Regulation Act, 1949, as amended. The accounting and reporting policies, used in the preparation of our financial statements shall be required to conform to Indian GAAP, the guidelines issued by RBI from time to time, the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014, Companies (Accounting Standards) Amendment Rules, 2016 to the extent applicable. For further details, see “*Summary of Significant Differences in Accounting Policies Applicable to our Company as a Systematically Important Non-Banking Financial Company*”

and a Small Finance Bank” on page 276.

Volatility from Treasury Earnings

As an NBFC, investments are classified into current investments and non-current investments, while as an SFB, investments are classified into ‘Held for Trading’ (“HFT”), ‘Available for Sale’ (“AFS”) and ‘Held to Maturity’ (“HTM”) categories. As an NBFC, investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments, and all other investments are classified as long-term investments. Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis, whereas long-term investments are carried at cost. As an SFB, investments classified as HTM are carried at amortised cost, whereas investments classified as HFT and AFS are required to be marked-to-market on a periodic basis, as per relevant RBI guidelines. As a result of our transition to an SFB, our investments have significantly increased, primarily for complying with the SLR requirements of investing into Government or other RBI-approved securities. Therefore, we may have to record marked-to-market losses, in case of any adverse movements in the HFT and AFS portfolio, depending on interest rate movements and other factors, which may adversely affect our profitability.

Consolidated Financial Statements

During the financial year 2017, our Company sold its investment in subsidiary companies, Aavas Financiers limited (Formerly known as Au Housing Finance Limited) and Index Money LLP (formerly known as Index Money Limited), and associate companies, M Power Micro Finance Private Limited and Au Insurance Broking Services Private Limited. The aggregate profit on sale of these investments (net of the expenses incurred in connection with such sale) of ₹ 6,703.49 million (₹ 5,168.58 million, net of tax) has been disclosed as an exceptional item in the restated summary statement of profit and loss.

As a result of the sale of 90.10% of the outstanding equity shares of Aavas Financiers Limited (formerly known as Au Housing Finance Limited) on June 22, 2016, and 100% of the outstanding equity shares of Index Money LLP (formerly known as Index Money Limited) on June 16, 2016, our Company does not have any subsidiaries. As a result, the financial statements included in this Prospectus are standalone (unconsolidated) financial statements only. However, as such dispositions occurred during the financial year ending March 31, 2017, our Company is expected to prepare and publish consolidated financial statements as of and for the year ending March 31, 2017, reflecting the effect of consolidation of such subsidiaries and the associates until the sale of equity shares of such entities.

Statement of Significant Accounting Policies

Basis of preparation

Our Restated Financial Statements have been prepared in accordance with Indian GAAP and restated as per the SEBI ICDR Regulations and are prepared to comply in all material respects with the Accounting Standards notified under section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the relevant provisions of the Companies Act, as applicable; the Companies (Accounting Standards) Amendment Rules, 2016 and the provisions of the RBI as applicable to us as a NBFC-ND-SI.

Change in Estimates

- With effect from April 1, 2016, our Company has revised the method of depreciation of fixed assets from written down value method to straight line method, and has also reassessed the estimates of useful lives of certain classes of fixed assets. As a result of these changes in the estimates, the depreciation for the year ended March 31, 2017, has decreased by ₹ 50.18 million.
- In accordance with the requirements to Schedule II to the Companies Act, 2013, our Company has reassessed the useful lives of the fixed assets as on April 1, 2014 :
 - an amount of ₹ 1.62 million has been charged to the opening balance of the retained earnings in respect of the assets whose remaining useful life is nil as at April 1, 2014; and

- an amount of ₹ 20.97 million for the year ended March 31, 2015 representing the additional depreciation on the carrying value of the assets as at April 1, 2014 due to change in the useful life of the assets.
- With effect from April 1, 2016, our Company has revised its estimates of provisioning for loan portfolio, in line with the requirements of the RBI Master Direction DNBR.PD.008/03.10.119/2016-17 dated September 1, 2016. As a result of such change, the profit for year ended March 31, 2017 has decreased by ₹ 45.53 million (including the effect of income reversal on non-performing assets).
- With effect from April 1, 2015, our Company has revised its estimates of provisioning for loan portfolio, in line with the requirements of the RBI Notification No. DNBR. 009/ CGM (CDS) -2015 dated March 27, 2015 and revised its estimate of provisioning for loans over due for a period between 180 to 365 days. As a result of such change, the profit for the year ended March 31, 2016, is lower by ₹ 29.63 million (including the effect of income reversal on non-performing assets).
- For the purpose of Restated Standalone Summary Statements, the above changes in estimates have not been restated.

Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires our management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on our management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to our Company and the revenue can be measured reliably.

Income from financing activities

- Interest income is recognized on a time proportion accrual basis taking into account the amount outstanding and the interest rate implicit in the underlying agreements. Income or any other charges on non-performing assets or on assets taken in custody for recovery of loan through disposal of such assets during the period are recognized only when realized. Any such income recognized and remaining unrealized, before the asset became non-performing or before disposal of assets in custody of the Company, is reversed. Overdue interest is recognized on realization basis. Overdue interest is treated to accrue on realization, due to the uncertainty of their realization.
- Loan origination income i.e. processing fee and other charges collected upfront are recognized at the inception of the loan.
- All other charges such as cheque return charges, legal charges, seizing charges, etc. are recognized on realization basis. These charges are treated to accrue on realization, due to the uncertainty of their realization.

Income from assignment or securitization

For assignment transactions done prior to RBI circular no. DNBS.PD.No. 301/3.10.01/2012-13 dated August 21, 2012:

- In case of assignment of loan assets and related receivables "at par", income is accounted for by applying the interest rate implicit in such assigned contracts as reduced by Internal Rate of Return ("IRR") committed to the purchaser of loan assets.

- In case of assignment of loan assets and related receivables “at premium”, the difference between the consideration received representing the net present value of future receivable assigned and the principal loan amount outstanding as per books is recognized upfront as gain or loss on assignment in the year of assignment.

For transactions done after issuance of the RBI circular no. DNBS.PD.No. 301/3.10.01/2012-13 dated August 21, 2012:

- Gains arising on securitization of assets is recognized over the tenure of securities issued by SPV as per guidelines on securitization of standard assets issued by RBI. Income from excess interest spread is accounted for net of losses when redeemed in cash. Expenditure in respect of securitization (except bank guarantee fees for credit enhancement) is recognized upfront. Bank guarantee fees for credit enhancement are amortized over the tenure of the agreements. Income arising on direct assignment is recognized over the tenure of agreement on accrual basis.

Income from channel finance business

- Income in the nature of interest rate differential i.e., applying the interest rate implicit in the loan contracts as reduced by IRR committed to the bank who records the channel finance business, including related incidental charges are recognized on accrual basis.

Income from deposits

- Interest income on deposits with banks and other financial institutions is recognized on a time proportion accrual basis taking into account the amount outstanding and the rate applicable.

Income from investment

- Dividend is recognized as income when right to receive dividend is established by the date of balance sheet.
- Interest income on investment is recognized on accrual basis.

Property, Plant and Equipment

Property, plant and equipment, capital work in progress are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met, directly attributable cost of bringing the asset to its working condition for the intended use.

Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Depreciation on property, plant and equipment

Leasehold land is amortized on a straight line basis over the period of lease.

With effect from April 1, 2016, depreciation on property, plant and equipment is calculated on a straight-line basis using the rates arrived at, based on the useful lives estimated by the management as given below. Such useful lives, being different from those prescribed under Schedule II to the Companies Act, 2013, are supported by appropriate technical advice and are a matter of judgment and based on various factors such as type and make of an item, its place and pattern of usage, nature of technology, obsolescence factors and availability of spares makes a significant impact on the useful life of an asset.

Particulars	Useful lives adopted (years)
Buildings	60
Additions to leased premises	10
Furniture and fixtures	10

Particulars	Useful lives adopted (years)
Vehicles	8
Computers, printers, servers and other office equipment	3-6
Vaults, strong room doors, ATMs and other equipment for bank operations	10-15

For the period prior to April 1, 2016, depreciation was provided on written down value method as per the rates and manner prescribed under:

- a) Schedule XIV to the Companies Act, 1956 for the period up to March 31, 2014; and
- b) Schedule II to the Companies Act, 2013 for the period from April 1, 2014 to March 31, 2016.

Further, assets individually costing ₹ 5,000 or less are fully depreciated in the year of installation or purchase as the management estimates the useful life of such assets as one year. Depreciation on assets acquired or sold during the period is recognized on a pro-rata basis up to the date of such acquisition/sale.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial period end and adjusted prospectively, if appropriate.

Intangible assets

Intangible assets are amortized on a straight line basis over the estimated useful economic life. Our Company uses a rebuttable presumption that the useful life of an intangible asset will not exceed seven years with effect from April 1, 2016 (four years in year then ended March 31, 2016, March 31, 2015, March 31, 2014 and March 31, 2013) from the date when the asset is available for use. If the persuasive evidence exists to the affect that useful life of an intangible asset exceeds seven years with effect from April 1, 2016 (four years in year then ended March 31, 2016, March 31, 2015, March 31, 2014 and March 31, 2013), our Company amortizes the intangible asset over the best estimate of its useful life.

The amortization period and the amortization method are reviewed at least at each financial period end. If the expected useful life of the asset is significantly different from previous estimates, the amortization period is changed accordingly. If there has been a significant change in the expected pattern of economic benefits from the asset, the amortization method is changed to reflect the changed pattern. Such changes are accounted for in accordance with Accounting Standard 5 - Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Impairment of assets

The carrying amount of assets is reviewed at each balance sheet date if there is any indication of impairment based on internal or external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets, net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

Capital work-in-progress / Intangible assets under development

Costs incurred towards acquisition of assets, including expenses incurred prior to those assets being put to use and directly attributable to bringing them to their working condition are included under "Capital work in progress" or "Intangible assets under development". Capital work in progress and intangible assets under development are stated at the amount incurred up to the date of balance sheet including advances given to vendors.

Retirement and other employee benefits

- The Provident Fund and Employee State Insurance are defined contribution schemes. Our Company recognizes contribution payable to the Provident Fund and Employee State Insurance schemes in the statement of profit and loss during the year in which the services are rendered.
- Gratuity liability is a defined benefit obligation and is provided for at the year end on the basis of an actuarial valuation using the Projected Unit Credit method. Actuarial gains and losses are recognized in the statement of profit and loss as and when incurred.
- Compensated absences are considered as a long-term employee benefit and is provided for based on an actuarial valuation using Projected Unit Credit method. Actuarial gains and losses are recognized in the statement of profit and loss as and when incurred.

Taxes on Income

Tax expenses comprises of current income tax and deferred tax.

Income tax

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961 enacted in India. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized directly in equity is recognized in equity and not in statement of profit and loss.

Deferred tax

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current half year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where our Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

The carrying cost of the deferred tax assets are reviewed at each balance sheet date. Our Company writes down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

Borrowing Cost

Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

Share or Debenture Issue Expenses

Share or debenture issue expenses incurred are expensed in the year of issue and redemption premium payable on debentures is expensed over the term of debentures. These are adjusted to the securities premium account in accordance with the provisions of the Companies Act, to the extent of balance available in such premium account.

Operating Leases

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

Provisioning / Write-Off of Assets

Secured / unsecured loans and receivables are provided for or written off as per our Company's provisioning estimates, as given below, subject to the minimum provision required as per the extant RBI Prudential Norms / Master Directions applicable to an NBFC-ND-SI.

Loans with principal and/or interest overdue have been classified as sub-standard assets, in accordance with the extant RBI Prudential Norms/Master Directions applicable to NBFC-ND-SI after giving effect to the restatements, and have been provided for at the following rates:

Overdue period (in months)	Provision percentage on outstanding amount				
	For the year ended				
	March 31, 2017	March 31, 2016	March 31, 2015	March 31, 2014	March 31, 2013
Up to 6 months					
4 months to 5 months	10%	NA*			
5 months to 6 months	10%	10%	NA*		
6 months to 12 months	40%	40%	50%	50%	50%
12 months and above	Written off @ 100%				

*Not considered substandard as per extant RBI Prudential Norms applicable for respective years

Provision on standard assets is made in accordance with the extant RBI Prudential Norms/ Master Directions applicable to NBFC-ND-SI at the following rates:

Particulars	Provision percentage on outstanding amount				
	For the year ended				
	March 31, 2017	March 31, 2016	March 31, 2015	March 31, 2014	March 31, 2013
Standard assets	0.35%	0.30%	0.25%	0.25%	0.25%

Provision for delinquencies and servicing costs on assets securitized or assigned before introduction of the RBI guidelines on Direct Assignment dated August 21, 2012 is made at following rates, which are based on management estimates developed using the historical data:

- On premium structure: at 0.75% of the principal outstanding; and
- On at par structure: at 0.25% of the principal outstanding.

Provisions and Contingent Liabilities

A provision is recognized when our Company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of our Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. Our Company does not recognize a contingent liability but discloses its existence in its financial statements.

Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand, short-term deposits with an original maturity of three months or less and stamping or franking balance.

Foreign currency transactions

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Foreign currency monetary items are retranslated using the exchange rate prevailing on the close of the financial year.

Exchange differences arises on the settlement of monetary items or on reporting our monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

Forward exchange contracts entered into to hedge foreign currency risk of an existing asset or liability.

The premium or discount arising at the inception of the forward exchange contract is amortized and recognized as an income or expense in the statement of profit and loss over the life of the contract. Exchange difference on such contracts are recognized in the statement of profit and loss in the period in which the exchange rates change.

Share based payments

In case of stock option plan, measurement and disclosure of the employee share-based payment plans is done in accordance with the Guidance Note on Accounting for Employee Share-based Payments, issued by the Institute of Chartered Accountants of India as applicable for equity-settled share based payments.

The cost of equity-settled transactions is measured using the intrinsic value method and recognized, together with a corresponding increase in the "Stock options outstanding account" in reserves. The cumulative expense recognized for equity-settled transactions at each reporting date until the vesting date reflects the extent to which the vesting period has expired and our Company's best estimate of the number of equity instruments that will ultimately vest. The expense or credit recognized in the statement of profit and loss for a period represents the movement in cumulative expense recognized as at the beginning and end of that period and is recognized in employee benefits expense.

Revenue and Expenses

Our revenue and expenditure is reported in the following manner:

Revenue

Total revenue consists of revenue from operations and other income.

Revenue from operations. Revenue from operations comprises interest income and other charges on (i) loan portfolio, (ii) securitization and direct assignment of loans, (iii) bank deposits placed as collateral and (iv) channel finance business.

Revenue from our loan portfolio comprises interest income and other charges on loans extended in our three business lines of vehicle finance, MSME loans, and SME loans.

Revenue from securitization and direct assignment comprise our agriculture and priority sector loans as well as our non-priority sector loans that are transferred through securitization or direct assignment to banks, financial institutions and mutual funds.

Revenue from bank deposits placed as collateral primarily relates to bank deposits made as credit enhancement in connection with securitization transactions.

Revenue from channel finance business comprises income generated from our channel finance business, which was discontinued from November 2012.

Other Income. Other Income comprises income received on investments, miscellaneous income and provisions no longer required, written back.

Expenses

Expenses comprise employee benefit expenses, finance costs, depreciation and amortization expense, other expenses and provisions and write-offs.

Employee benefits expenses. Employee benefit expenses comprise salaries and other benefits, directors remuneration, contribution to provident and other funds, stock option expenditure and staff welfare expenses. Such expense line item does not include manpower supply cost (costs incurred for use of contract personnel) which is incurred under other expenses.

Finance costs. Finance costs primarily comprise interest expense on term loans, working capital facilities, commercial paper, NCDs and subordinated debentures as well as other borrowing costs such as resource mobilization expenses, bank charges and commission.

Depreciation and amortization expense. Depreciation and amortization expense includes depreciation on tangible assets and amortization on intangible assets.

Other expenses. Other expenses primarily comprise manpower supply cost (costs incurred for use of contract personnel), commission and brokerage, travelling and conveyance expenses and legal and professional fees.

Provisions and write-offs. Provisions and write-offs primarily comprise provision on NPAs, provision on old assigned cases, contingent provision against standard assets, loan assets written off, loss on settlement with borrowers and recovery against loans written off.

Financial Year 2017 compared to Financial Year 2016

Our results of operations for the financial year 2017 were particularly affected by the following factors:

- an increase in the amount of loans disbursed by us from an increase in the number of customers in our vehicle finance business, MSME loans business and SME loans business; and
- an increase in provisions and write offs.

Total Revenue

Our total revenue increased by 35.99% to ₹ 14,305.21 million for the financial year 2017 from ₹ 10,519.50 million for the financial year 2016, primarily due to an increase in revenue from operations and other income.

Revenue from Operations. Our revenue from operations increased by 35.35% to ₹ 14,169.93 million for the financial year 2017 from ₹ 10,469.31 million for the financial year 2016, primarily due to an increase in interest income and other charges on loan portfolio to ₹ 12,630.97 million for the financial year 2017 from ₹ 9,616.32 million for the financial year 2016 and an increase in interest income and other charges on securitization and direct assignment to ₹ 1,441.45 million for the financial year 2017 from ₹ 753.38 million for the financial year 2016. The increase in interest income and other charges on our loan portfolio was consistent with the increase in our customer base in our three business lines of vehicle finance, MSME loans and SME loans; we disbursed loans aggregating to ₹ 67,304.67 million during the financial year 2017 as compared to loans aggregating to ₹ 56,192.27 million during the financial year 2016. The increase in interest income and other charges on securitization and direct assignment was on account of higher average outstanding of securitized and assigned loans during the financial year 2017.

Other income. Our other income increased to ₹ 135.28 million for the financial year 2017 from ₹ 50.19 million for the financial year 2016, primarily due to an increase in income received on investments to ₹ 83.28 million for the financial year 2017 from ₹ 14.33 million for the financial year 2016 and an increase in provisions no longer required, written back to ₹ 29.33 million for the financial year 2017 from ₹ 19.32 million for the financial year 2016.

Expenses

Employee benefit expenses. Employee benefit expenses increased by 22.22% to ₹ 1,927.78 million for the financial year 2017 from ₹ 1,577.27 million for the financial year 2016, primarily due to an increase in salaries and other benefits due to an increase in our number of employees as a result of growth in our business and compensation increments given to our employees and an increase in directors' remuneration. Our number of employees increased to 8,515 employees as of March 31, 2017 (including contract personnel which are accounted for under "Other expenses") from 5,072 employees as of March 31, 2016.

Finance costs. Our finance costs increased by 26.58% to ₹ 5,003.33 million for the financial year 2017 from ₹ 3,952.53 million for the financial year 2016, primarily as a result of:

- an increase in interest expense to ₹ 4,828.33 million for the financial year 2017 from ₹ 3,800.46 million for the financial year 2016, primarily due to an increase in interest expense on term loans, cash credit facilities and commercial paper to ₹ 2,182.57 million for the financial year 2017 from ₹ 1,501.62 million for the financial year 2016 and an increase in interest expense on NCDs to ₹ 2,173.12 million for the financial year 2017 from ₹ 1,933.01 million for the financial year 2016; the increase in interest expense was on account of higher average balances of borrowings for the financial year 2017, however such increase was partially offset by a reduction in the average cost of borrowings; and
- an increase in other borrowing costs to ₹ 175.00 million for the financial year 2017 from ₹ 152.07 million for the financial year 2016, primarily due to an increase in resource mobilization expenses to ₹ 150.81 million for the financial year 2017 from ₹ 134.64 million for the financial year 2016.

Depreciation and amortization expense. Our depreciation and amortization expense decreased by 32.13% to ₹ 57.83 million for the financial year 2017 from ₹ 85.21 million for the financial year 2016, on account of a change in the estimated life of assets.

Other expenses. Our other expenses increased by 71.81% to ₹ 1,503.75 million for the financial year 2017 from ₹ 875.24 million for the financial year 2016, primarily on account of an increase in manpower supply cost to ₹ 388.16 million for the financial year 2017 from ₹ 138.01 million for the financial year 2016, an increase in commission and brokerage expenses to ₹ 257.31 million for the financial year 2017 from ₹ 193.54 million for the financial year 2016, an increase in repair and maintenance expenses to ₹ 92.62 million for the financial year 2017 from ₹ 13.26 million for the financial year 2016 and an increase in legal and professional fees to ₹ 109.24 million for the financial year 2017 from ₹ 72.45 million for the financial year 2016.

Provisions and write offs. Our provisions and write offs increased to ₹ 766.73 million for the financial year 2017, comprising net provisions made during the year of ₹ 283.24 million and write offs during the year (net of recoveries) of ₹ 483.49 million, from ₹ 256.82 million for the financial year 2016, comprising net provision made during the year of ₹ 64.78 million and write offs during the year (net of recoveries) of ₹ 192.04 million.

Exceptional item. During the financial year 2017, our Company sold 90.10% of the outstanding equity shares of Aavas Financiers Limited (formerly known as Au Housing Finance Limited), 100.00% of the outstanding equity shares of Index Money LLP (formerly known as Index Money Limited), 29.53% of the outstanding equity shares of M Power Micro Finance Private Limited and 26.00% of the outstanding equity shares of Au Insurance Broking Services Private Limited. The aggregate profit on sale of these investments (net of the expenses incurred in connection with such sale) of ₹ 6,703.49 million (₹ 5,168.58 million, net of tax) has been disclosed as an exceptional item in the restated summary statement of profit and loss.

Total tax expenses. Our total tax expenses increased to ₹ 3,322.15 million for the financial year 2017 from ₹ 1,300.89 million for the financial year 2016, as a result of an increase in profit before tax. For the financial year 2017, we had a current tax expense of ₹ 3,104.84 million, a deferred tax charge of ₹ 172.75 million and tax relating to earlier periods of ₹ 44.56 million. For the financial year 2016, we had a current tax expense of ₹ 1,150.78 million and a deferred tax expense of ₹ 152.62 million, which was partially offset by a tax relating to earlier periods of ₹ 2.51 million.

Profit after tax. Our profit after tax increased to ₹ 8,427.13 million for the financial year 2017 from ₹ 2,471.54

million for the financial year 2016.

Financial Year 2016 compared to Financial Year 2015

Our results of operations for the financial year 2016 were particularly affected by the following factors:

- an increase in the amount of loans disbursed by us from an increase in the number of customers in our vehicle finance business, MSME loans business and SME loans business;
- an increase in employee costs; and
- a reduction in average cost of borrowing and a reduction in provisions and write offs.

Total Revenue

Our total revenue increased by 52.59% to ₹ 10,519.50 million for the financial year 2016 from ₹ 6,894.08 million for the financial year 2015, primarily due to an increase in revenue from operations.

Revenue from Operations. Our revenue from operations increased by 52.39% to ₹ 10,469.31 million for the financial year 2016 from ₹ 6,870.20 million for the financial year 2015, primarily due to an increase in interest income and other charges on loan portfolio to ₹ 9,616.32 million for the financial year 2016 from ₹ 6,049.57 million for the financial year 2015 and an increase in interest income and other charges on securitization and direct assignment to ₹ 753.38 million for the financial year 2016 from ₹ 659.24 million for the financial year 2015. The increase in interest income and other charges on our loan portfolio was consistent with the increase in our customer base in our three business lines of vehicle finance, MSME loans and SME loans; we disbursed loans aggregating to ₹ 56,192.28 million during the financial year 2016 as compared to loans aggregating to ₹ 33,775.25 million during the financial year 2015. The increase in interest income and other charges on securitization and direct assignment was on account of higher average outstanding of securitized and assigned loans during the financial year 2016.

Other income. Our other income increased to ₹ 50.19 million for the financial year 2016 from ₹ 23.88 million for the financial year 2015, primarily due to an increase in provisions no longer required, written back to ₹ 19.32 million for the financial year 2016 from ₹ 7.14 million for the financial year 2015, an increase in income received on investments to ₹ 14.33 million for the financial year 2016 from ₹ 2.54 million for the financial year 2015, and an increase in miscellaneous income to ₹ 16.54 million for the financial year 2016 from ₹ 14.20 million for the financial year 2015.

Expenses

Employee benefit expenses. Employee benefit expenses increased by 66.88% to ₹ 1,577.27 million for the financial year 2016 from ₹ 945.16 million for the financial year 2015, primarily as a result of an increase in salaries and other benefits due to an increase in our number of employees as a result of the growth in our business and compensation increments given to our employees. Our number of employees increased to 5,072 employees as of March 31, 2016 (including contract personnel which are accounted for under “Other expenses”) from 3,553 employees as of March 31, 2015.

Finance costs. Our finance costs increased by 40.17% to ₹ 3,952.53 million for the financial year 2016 from ₹ 2,819.74 million for the financial year 2015, primarily as a result of:

- an increase in interest expense to ₹ 3,800.46 million for the financial year 2016 from ₹ 2,708.65 million for the financial year 2015, primarily due to an increase in interest expense on NCDs to ₹ 1,933.01 million for the financial year 2016 from ₹ 1,144.25 million for the financial year 2015, and an increase in interest expense on term loans, cash credit facilities and commercial paper to ₹ 1,501.62 million for the financial year 2016 from ₹ 1,295.23 million for the financial year 2015; the increase in interest expense was on account of higher average balances of borrowings during the financial year 2016, however, such increase was partially offset by a reduction in average cost of borrowings; and

- an increase in other borrowing costs to ₹ 152.07 million for the financial year 2016 from ₹ 111.09 million for the financial year 2015, primarily due to an increase in resource mobilization expenses to ₹ 134.64 million for the financial year 2016 from ₹ 92.01 million for the financial year 2015.

Depreciation and amortization expense. Our depreciation and amortization expense increased by 30.79% to ₹ 85.21 million for the financial year 2016 from ₹ 65.15 million for the financial year 2015, primarily due to an increase in our asset base of office equipment, vehicles and buildings and software.

Other expenses. Our other expenses increased by 73.51% to ₹ 875.24 million for the financial year 2016 from ₹ 504.44 million for the financial year 2015, primarily due to an increase in commission and brokerage expenses to ₹ 193.54 million for the financial year 2016 from ₹ 100.48 million from the financial year 2015, manpower supply cost to ₹ 138.01 million for the financial year 2016 from nil for the financial year 2015 and travel and conveyance expenses to ₹ 140.70 million for the financial year 2016 from ₹ 101.75 million for the financial year 2015.

Provisions and write offs. Our provisions and write offs for financial year 2016 decreased by 47.21% to ₹ 256.82 million, comprising provisions of ₹ 64.78 million and write offs (net of recoveries against loans written off of ₹ 129.66 million) of ₹ 192.04 million, from ₹ 486.53 million for the financial year 2015, comprising provisions of ₹ 31.10 million and write offs (net of recoveries against loans written off of ₹ 71.37 million) of ₹ 455.43 million.

Total tax expenses. Our total tax expenses increased by 91.71% to ₹ 1,300.89 million for the financial year 2016 from ₹ 678.56 million for the financial year 2015, as a result of an increase in profit before tax. For the financial year 2016, we had a current tax expense of ₹ 1,150.78 million and a deferred tax expense of ₹ 152.62 million, which was partially offset by a tax relating to earlier periods of ₹ 2.51 million. For the financial year 2015, we had a current tax expense of ₹ 756.58 million, which were partially offset by a deferred tax credit of ₹ 57.63 million and a tax relating to earlier periods of ₹ 20.39 million.

Profit after tax. Our profit after tax increased 77.23% to ₹ 2,471.54 million for the financial year 2016 from ₹ 1,394.50 million for the financial year 2015.

Financial Position

Our net worth (as restated) increased by 99.82% to ₹ 19,995.60 million as of March 31, 2017 from ₹ 10,006.66 million as of March 31, 2016.

Assets

Total Assets	98,176.41	62,730.09	39,799.04

As of March 31, 2017, we had total assets of ₹ 98,176.41 million, compared to ₹ 62,730.09 million as of March 31, 2016 and ₹ 39,799.04 million as of March 31, 2015. The significant increase in our total assets was primarily on account of a significant growth in our loan portfolio due to an increase in the number of our customers across our business lines of vehicle finance, MSME loans and SME loans.

Non Current Assets

Property, Plant and Equipment

As of March 31, 2017, we had property, plant and equipment of ₹ 345.60 million, compared to ₹ 224.61 million as of March 31, 2016 and ₹ 172.26 million as of March 31, 2015. The increase in property, plant and equipment was primarily on account of purchase of office equipment, vehicles and furniture and fixtures.

Capital Work In Progress

As of March 31, 2017, we had capital work in progress of ₹ 1,598.27 million, compared to ₹ 3.91 million as of March 31, 2016. The increase in capital work in progress was primarily on account of infrastructure development of branches and purchase of computer hardware.

Intangible Assets Under Development

As of March 31, 2017, we had intangible assets under development of ₹ 800.37 million, as compared to no intangible assets under development as of March 31, 2016. The increase in intangible assets under development was primarily on account of investments in technology.

Non-Current Investments

As of March 31, 2017, we had non-current investments of ₹ 6,152.18 million, compared to ₹ 593.43 million as of March 31, 2016 and ₹ 1,126.53 million as of March 31, 2015. The increase in non-current investments between March 31, 2017 and March 31, 2016 was primarily on account of investments in government securities for meeting the SLR requirements, on the commencement of our SFB operations. The decrease in non-current investments between March 31, 2016 and March 31, 2015 was primarily on account of the reclassification of investments in a subsidiary and an associate from non-current to current due to the commencement of the process of proposed sale of equity shares of such entities.

Deferred Tax Assets (Net)

As of March 31, 2017, we had a deferred tax asset (net) of ₹ 38.40 million. We had deferred tax asset (net) of ₹ 211.15 million as of March 31, 2016, compared to ₹ 363.77 million as of March 31, 2015. The decrease in deferred tax asset (net) between March 31, 2017 and March 31, 2016 was primarily on account of provision for doubtful debts and advances. The decrease in deferred tax asset (net) between March 31, 2016 and March 31, 2015 was primarily on account of restatement of provisions and the provision of current tax.

Receivables Under Financing Activity (Non-Current)

Receivables under financing activity were ₹ 45,177.80 million as of March 31, 2017, compared to ₹ 37,804.55 million as of March 31, 2016 and ₹ 22,481.63 million as of March 31, 2015. Receivables under financing activity represented 46.02%, 60.27% and 56.49% of our total assets as of March 31, 2017, 2016 and 2015, respectively.

The increase in receivables under financing activity was primarily on account of a growth in our operations and branch network resulting in a higher disbursement of loans across our business lines of vehicle finance, MSME loans and SME loans.

Our vehicle finance loan portfolio increased from ₹ 29,305.98 million as of March 31, 2013 to ₹53,956.82 million as of March 31, 2017, at a CAGR of 16.49%. Our MSME loan portfolio increased from ₹5,613.70 million as of March 31, 2013 to ₹32,163.38 million as of March 31, 2017, at a CAGR of 54.71%. Our SME loan portfolio increased from ₹ 2,123.56 million as of March 31, 2013 to ₹ 21,218.38 million as of March 31, 2017, at a CAGR of 77.79%.

Current Assets

Current Investments

Current investments were ₹ 15,350.96 million as of March 31, 2017, compared to ₹ 1,722.26 million as of March 31, 2016, and ₹ 271.87 million as of March 31, 2015. The increase in current investments between March 31, 2017 and March 31, 2015 was primarily on account investments in liquid mutual funds and others and the sale of the investments in subsidiaries and associates during the financial year 2017.

Cash and Bank Balances

Cash and bank balances were ₹ 6,244.96 million as of March 31, 2017, compared to ₹ 1,234.34 million as of March 31, 2016 and ₹ 2,029.24 million as of March 31, 2015.

Receivable Under Financing Activity (Current)

Receivable under financing activity (current) was ₹ 20,902.04 million as of March 31, 2017, compared to ₹ 20,088.88 million as of March 31, 2016 and ₹ 12,749.91 million as of March 31, 2015. The significant increase in our receivables under financing activity was primarily on account of a growth in our operations and branch network resulting in a higher disbursement of loans across our business lines of vehicle finance, MSME loans and SME loans.

Other Current Assets

Other current assets were ₹ 638.60 million as of March 31, 2017, compared to ₹ 466.38 million as of March 31, 2016 and ₹ 275.73 million as of March 31, 2015. The increase in other current assets was primarily on account of an increase in interest accrued but not due on loans to borrowers.

Liabilities and Provisions

The following table sets forth the principal components of our liabilities as of March 31, 2017, 2016 and 2015:

(₹ in million)

Liabilities	As of March 31,		
	2017	2016	2015

Short term provisions	73.46	214.69	171.05
Total Current Liabilities	27,593.53	23,725.28	15,644.19

Non-Current Liabilities

Long Term Borrowings

Our long term borrowings increased to ₹ 49,367.37 million as of March 31, 2017 from ₹ 28,108.52 million as of March 31, 2016 and ₹ 15,795.67 million as of March 31, 2015, in order to satisfy the credit requirements of our

growing customer base as well as our growing vehicle finance, MSME loans and SME loans businesses.

Other Long Term Liabilities

Our other long term liabilities increased to ₹ 591.41 million as of March 31, 2017 from ₹ 567.33 million as of March 31, 2016 and ₹ 431.02 million as of March 31, 2015, primarily due to increase in interest accrued but not due and payable on borrowings.

Long Term Provisions

Our long term provisions increased to ₹ 628.50 million as of March 31, 2017 from ₹ 322.30 million as of March 31, 2016, primarily due to an increase in provisions on NPAs and provision for employees benefits.

Current Liabilities

Short Term Borrowings

Our short term borrowings decreased to ₹ 9,940.45 million as of March 31, 2017 from ₹ 10,065.76 million as of March 31, 2016, primarily due to lower average outstanding working capital borrowings and lower average outstanding commercial paper. Our short term borrowings increased to ₹ 10,065.76 million as of March 31, 2016 from ₹ 9,726.36 million as of March 31, 2015, primarily due to higher average issued and outstanding commercial paper.

Other Current Liabilities

Our other current liabilities, which comprise current maturities of long-term borrowings, interest accrued and due on borrowings and other payables, increased to ₹ 17,579.62 million as of March 31, 2017 from ₹ 13,444.83 million as of March 31, 2016 and ₹ 5,746.78 million as of March 31, 2015, primarily due to increase in term loans from financial institutions, other payables due to assignees towards collections from assigned/secured assets and issuance of secured and unsecured debentures.

Short Term Provisions

Short term provisions were ₹ 73.46 million as of March 31, 2017, primarily due to contingent provisions against standard assets. As of March 31, 2016 and 2015, the short term provisions were ₹ 214.69 million and ₹ 171.05 million, respectively.

Shareholders' Funds

As of March 31, 2017, our shareholders' funds increased to ₹ 19,995.60 million, representing 20.37% of our total assets. Our shareholders' funds increased to ₹ 19,995.60 million as of March 31, 2017 from ₹ 10,006.66 million as of March 31, 2016 primarily due to an increase in reserves and surplus to ₹ 17,153.09 million as of March 31, 2017 from ₹ 9,565.85 million as of March 31, 2016 and an increase in share capital to ₹ 2,842.51 million as of March 31, 2017 from ₹ 440.81 million as of March 31, 2016. As of March 31, 2016, our shareholders' funds represented 15.95% of our total assets.

Our shareholders' funds increased to ₹ 10,006.66 million as of March 31, 2016 from ₹ 7,664.51 million as of March 31, 2015, primarily due to an increase in reserves and surplus to ₹ 9,565.85 million as of March 31, 2016 from ₹ 7,223.70 million as of March 31, 2015. As of March 31, 2015, our shareholders' funds were ₹ 7,664.51 million, representing 19.26% of our total assets.

Liquidity and Capital Resources

The purpose of the liquidity management function is to ensure that we have sufficient funds available to extend loans to our customers across our various business lines, to repay principal and interest on our borrowings and to fund our working capital requirements. We endeavor to diversify our sources of capital. We have access to diverse sources of liquidity, both debt and equity. For the financial year 2017, we received an aggregate ₹ 74,628.27

million from these sources. For the financial year 2016, we received an aggregate ₹ 42,881.73 million from these sources. We typically invest our surplus cash in liquid mutual funds.

We actively manage our liquidity and capital position by raising funds periodically. We regularly monitor our funding levels to ensure that we are able to satisfy the requirements for loan disbursements and maturity of our liabilities. All our loan agreements and debentures contain a number of covenants including financial covenants. In addition, some loans may contain provisions which allow the lender, at its discretion to call for repayment of the loan at short notice and/or require us to prepay on a *pari passu* basis if any other loan is being repaid. Such covenants, if acted upon, may have an impact on our liquidity. For details, see “*Financial Indebtedness*” and “*Risk Factors – Internal Risk Factors - As an SFB, we will be unable to access some of the sources of funds available to us as an NBFC and our inability to replace such sources of funds in an acceptable and timely manner, or at all, may have an adverse effect on our business, results of operations, financial condition and cash flows.*” on pages 317 and 20, respectively.

Quantitative and Qualitative Disclosures about Market Risk

We are exposed to various types of market risks during the normal course of business such as credit risk, interest rate risk, liquidity risk, operational risk, cash management risk, asset risk and inflation risk.

Credit Risk

Credit risk is the risk of loss that may occur from defaults by our customers under our loan agreements. In order to

address credit risk, each of our business lines has a separate set of credit policies that outline a standardized approach for customer selection. Credit approvers and field investigation officers are responsible for ensuring adherence to these policies. We have set-up a robust collections management system, which includes a collection control room that centrally manages allocations between collection agents and we use analytics for the optimum allocation of cases to the collections team. We have also established standardized operating procedures that are backed by our technology platform. We have implemented a real time analytics software for risk management through portfolio profiling, early warning systems, static pool reports, delinquency trend analysis, geographical mapping of risk areas and collection predictive reports. Our credit teams track cases for early signs of stress, ensuring that corrective action is taken in the case of non-starter or early delinquency cases.

Interest Rate Risk

We are subject to interest rate risk, principally because we lend to customers at fixed interest rates and for periods that may differ from our funding sources, while our borrowings are at both fixed and variable interest rates for different periods. We assess and manage our interest rate risk by managing our assets and liabilities. Our Asset Liability Management Committee evaluates asset liability management, and ensures that all significant mismatches, if any, are being managed appropriately. For details, see “*Risk Factors – Internal Risk Factors - Our inability to manage interest rate risk may adversely affect our business, results of operations, financial condition and cash flows.*” on page 23.

Liquidity Risk

Liquidity risk arises due to the unavailability of adequate funds at an appropriate cost or tenure. Our resource mobilization department sources funds from multiple sources, including from banks, financial institutions and capital markets. Our resource mobilization department is responsible for diversifying fundraising sources, managing interest rate risks and maintaining a strong relationship with banks, financial institutions, mutual funds, insurance companies, other domestic and foreign financial institutions and rating agencies. For details, see “*Risk Factors – Internal Risk Factors - As an SFB, we will be unable to access some of the sources of funds available to us as an NBFC and our inability to replace such sources of funds in an acceptable and timely manner, or at all, may have an adverse effect on our business, results of operations, financial condition and cash flows.*” on page 20.

Operational Risk

Operational risks arise from inadequate or failed internal processes, people or systems, or from external events. We control our operational risk by maintaining a comprehensive system of internal controls. Our dedicated operation risk management team identifies all people and process related risks and updates them in a risk register with rank, impact and controllability. In addition, we have leveraged technology to protect us from fraud by taking measures such as verifying customer details and documentation online and using credit bureau data to get information on potential frauds. Our team also manages compliance with requirements set forth by regulatory bodies and our internal standards. For details, see “*Risk Factors – Internal Risk Factors - We have recently introduced additional risk management architecture for our SFB operations and any failure or weakness therein, could adversely affect our business, results of operations, financial condition and cash flows.*” on page 29.

Cash Management Risk

Our branches collect and deposit a large amount of cash through a high volume of transactions taking place in our branch network. To address the cash management risks, we have developed advanced cash management checks that we employ at every level to track and tally accounts. We ensure that cash collected up to a certain time is deposited at local bank branches on the same day. Cash that is to be deposited is accounted for at the branch level and at a central level to avoid discrepancies. Moreover, we conduct regular audits to ensure the highest levels of compliance with our cash management systems. For details, see “*Risk Factors – Our operations involve handling significant amounts of cash, making us susceptible to loss or misappropriation or fraud by our employees.*” on page 28.

Asset Risk

Asset risks arise due to the decrease in the value of collateral over time. The selling price of a re-possessed asset may be less than the total amount of loan and interest outstanding in such borrowing and we may be unable to

realize the full amount lent to our customers due to such a decrease in the value of collateral. We may also face certain practical and execution difficulties during the process of seizing collateral of defaulting customers. We engage collections agencies to repossess such assets and ensure that these repossession agents follow legal procedures and take appropriate care in dealing with customers for seizing assets. We have also set up a collateral appraisal system and legal and technical teams for our MSME and SME loan business to mitigate collateral risk across geographies. For details, see *“Risk Factors – Internal Risk Factors - We may incur losses due to a decline in the value of collateral obtained as security for the loans disbursed by us and our inability to seize and recover the full value of collateral may adversely affect our business, results of operations, financial condition and cash flows.”* on page 26.

Inflation Risk

Inflation rates in India have been volatile in recent years, and such volatility may continue in the future. A return of high inflation rates may result in an increase in overall interest rates which may adversely affect our results of operations. High rates of inflation in the Indian economy could impact the results of our operations, by leading to a lower demand for our vehicle finance and SME and MSME loans. High inflation rates may also adversely affect growth in the Indian economy and our operating expenses.

Unusual or Infrequent Events or Transactions

Except as described in this Prospectus, to our knowledge, there have been no unusual or infrequent events or transactions that have in the past or may in the future affect our business operations or future financial performance.

Significant Economic Changes that Materially affect or are likely to affect Income from Continuing Operations

SECTION VII: LEGAL AND OTHER INFORMATION

OUTSTANDING LITIGATION AND MATERIAL DEVELOPMENTS

*Except as stated below, there is no outstanding (i) criminal litigation involving our Company, its Directors, or Promoters; (ii) actions taken by statutory or regulatory authorities involving our Company, its Directors, or Promoters; (iii) outstanding claims involving our Company, its Directors or Promoters for any direct or indirect tax liabilities; and (iv) other material litigations involving our Company, its Directors or Promoters, in terms of the Materiality Policy, as on the date of this Prospectus. Our Board, in its meeting held on December 20, 2016, has adopted a policy for identification of Group Companies, material creditors and material legal proceedings (“**Materiality Policy**”).*

Further, except as stated in this section, there are no (i) outstanding proceedings initiated for economic offences against our Company; (ii) pending defaults or non-payment of statutory dues by our Company; (iii) material fraud against our Company in the last five years immediately preceding this Prospectus; (iv) inquiry, inspection or investigation initiated or conducted under the Companies Act against our Company during the last five years immediately preceding the year of this Prospectus; (v) prosecutions filed (whether pending or not); fines imposed against or compounding of offences under the Companies Act by our Company, in the last five years immediately preceding the year of this Prospectus; (vi) litigation or legal action, pending or taken, against our Promoters by any ministry or Government department or statutory authority during the last five years immediately preceding this Prospectus; (vii) other pending litigations involving our Company, Directors, Promoters or any other person, as determined to be material by our Board of Directors, in accordance with the SEBI ICDR Regulations; or (viii) outstanding dues to creditors of our Company as determined to be material by our Board of Directors, in accordance with the SEBI ICDR Regulations; and (ix) outstanding dues to small scale undertaking and other creditors; and (x) overdues or defaults to banks or financial institutions by our Company.

Other than the abovementioned legal proceedings, our Company is not involved in any other material legal proceedings, determined material pursuant to the Materiality Policy. For the purposes of disclosure, pursuant to the SEBI ICDR Regulations and the Materiality Policy of our Company, all other pending litigation involving our Company, its Directors, and Promoters, other than criminal proceedings, statutory or regulatory actions and taxation matters, would be considered ‘material’ if the monetary amount of claim by or against the entity or person in any such pending proceeding is in excess of 2.5% of the profit after tax of our Company as on March 31, 2016 as per the Restated Financial Statements or such pending litigation proceedings whose outcome may have a material adverse bearing on the operations or performance of our Company, as the case may be.

*In terms of the Materiality Policy, with respect to (i) outstanding dues to creditors; (ii) material creditors of our Company or (iii) outstanding dues to small scale undertakings and other creditors, determined that outstanding dues to creditors in excess of 2.5 % of our Company’s total dues owed to small scale undertakings and other creditors as per the last Restated Financial Statements, shall be considered as material dues (“**Material Dues**”) and the creditors to whom such Material Dues are outstanding as on March 31, 2017 would be considered as the material creditors of our Company (“**Material Creditors**”).*

Further, it is clarified that for the purpose of the above, pre litigation notices received by our Company, our Promoters, or our Directors, from third parties (excluding statutory / regulatory authorities or notices threatening criminal action) shall, in any event, not be evaluated for materiality until such time that our Company, our Promoters, or our Directors are impleaded as defendants in litigation proceedings before any judicial forum.

All terms defined in a particular disclosure of a litigation matter are for that particular disclosure of that litigation only.

Litigation involving our Company

I. Litigation against our Company

A. Criminal Proceedings

1. Mr. Manish Mohanlal Thakkar has filed a criminal complaint (No. 1173/55 of 2014) before the Chief Metropolitan Magistrate 10th Court at Andheri, Mumbai against, among other persons, our Company, Mr.

Sanjay Agarwal, and Mr. Uttam Tibrewal, under sections 499 and 500 of the IPC. Mr. Manish Mohanlal Thakkar has alleged that the accused have wrongly defamed him by publishing his name as loan defaulter on his CIBIL report and that the accused are allegedly using the same as a tool to threaten the complainant in order to recover undue financial gains. Mr. Manish Mohanlal Thakkar has sought the Court's direction to delete the alleged defamatory loan account information published on the CIBIL database. The matter is currently pending before the Chief Metropolitan Magistrate 10th Court at Andheri, Mumbai.

2. Mr. Shivnarayan Mohan has filed a criminal complaint (No.1049 of 2015) and a criminal miscellaneous application (No. 126 of 2016) before the Judicial Magistrate First Class No. 1, Pimpri, Pune against, among others, our Company alleging offences under sections 420 and 406 of the IPC. Mr. Shivnarayan Mohan has sought directions be issued to a third party to produce the financed vehicle before the Court as a third party bought the vehicle from the complainant and had agreed to pay the outstanding loan amount to our Company. This matter is currently pending before the Judicial Magistrate First Class No. 1 at Pimpri, Pune.
3. Mr. Sanjeev Raghuvanshi has filed a criminal complaint (No. 5396 of 2014) before Judicial Magistrate, First Class, Jabalpur, Madhya Pradesh against certain employees of our Company, under sections 294, 506B, 341, 342, 323, 327, 406, 420 and 452 of IPC and section 3(1)(x) of the Scheduled Castes and the Scheduled Tribes (Prevention of Atrocities) Act, 1989. Mr. Sanjeev Raghuvanshi alleged that the accused have forced him to sign on certain documents and have wrongly repossessed the vehicle financed by our Company, basis such signature. Mr. Sanjeev Raghuvanshi further alleged that the accused have made abusive and derogatory remarks against his caste while forcibly taking possession of the financed vehicle. The Judicial Magistrate First Class, Jabalpur took cognizance of the matter under sections 294 and 420 read with section 34 of the IPC. Our Company preferred a revision petition (No. 320 of 2015) before the Session Judge Jabalpur seeking to set aside the cognizance order passed by the Judicial Magistrate First Class, Jabalpur. Mr. Sanjeev Raghuvanshi also preferred a revision petition (253 of 2016) before the Session Judge, Jabalpur seeking to include the originally alleged charges namely sections 294, 506B, 341, 342, 323, 406, 420, 327 and 452 of IPC and section 3(1)(x) of the Scheduled Castes and the Scheduled Tribes (Prevention of Atrocities) Act, 1989. The Session Judge, Jabalpur through an order dated September 12, 2016 directed the Judicial Magistrate First Class, Jabalpur to register the case under sections 294, 342, 506B and 448 of the Indian Penal Code. The matter is currently pending before the Judicial Magistrate First Class, Jabalpur.
4. Mr. Muralidhar Saini has filed an FIR (No. 237 of 2015) before Police Station Chomu, Jaipur against, among other persons, Mr. Sanjay Agarwal under sections 420, 467, 471, 468, 469 and 120B of the IPC. Mr. Muralidhar Saini has alleged that the accused have forged his signature to illegally charge certain amount and interest, at the time of granting the loan to him for his vehicle. Our Company has filed a criminal miscellaneous petition (No. 3027 of 2015) before the High Court of Judicature for Rajasthan at Jaipur under section 482 of the CrPC alleging among other things that the matter in question has been already decided by two courts, District Consumer Redressal Forum, Jaipur (No. 531 of 2012) and Additional District Judge, Jaipur (No. 195 of 2011), previously and sought to quash the FIR. The High Court of Judicature for Rajasthan at Jaipur has granted interim stay on July 27, 2015. The matter is currently pending before the High Court of Judicature for Rajasthan at Jaipur.

OTHER REGULATORY AND STATUTORY DISCLOSURES

Authority for the Offer

1. Our Board has by way of the resolution dated December 20, 2016 approved the Offer.
2. The Shareholders have approved the Offer pursuant to resolution by way of postal ballot dated January 24, 2017.
3. For details on the authorisations of the Selling Shareholders in relation to the Offer, see “*The Offer*” and “*Capital Structure*” on pages 63 and 76, respectively.
4. Further, the Draft Red Herring Prospectus, the Red Herring Prospectus and this Prospectus have been approved by our Board and the IPO Committee was authorised to make any further modifications to the same.
5. Our Company has received in-principle approvals from the BSE and the NSE for listing of the Equity Shares pursuant to letters dated February 10, 2017 and February 16, 2017, respectively.

The Selling Shareholders, severally and not jointly, confirm that their respective proportion of the Offered Shares, have been held by them for a period of at least one year prior to the filing of the Draft Red Herring Prospectus with SEBI (except for such Offered Shares that have been issued to them by our Company as a result of the bonus issue made pursuant to our Board resolution dated October 19, 2016 and Shareholders’ resolution dated October 10, 2016 where the underlying Equity Shares (on which the bonus issue was made) have been held continuously for a period of one year prior to the filing of the Draft Red Herring Prospectus) or have been issued or received in accordance with Regulation 26(6) of the SEBI ICDR Regulations, and are eligible for being offered for sale in the Offer as required by Regulation 26(6) of the SEBI ICDR Regulations.

The Selling Shareholders have, severally and not jointly, confirmed that their respective proportion of Offered Shares are free from any lien, charge, and encumbrance.

Our Company has received the RBI In-principle Approval and the RBI Final Approval on October 7, 2015 and December 20, 2016 respectively from the RBI. For further details in relation to the RBI In-Principle Approval, RBI Final Approval and no-objection letter, see “*Government and Other Approvals*” on page 331.

The RBI has by way of the RBI In-principle Approval and the SFB Guidelines, communicated that, (i) the existing non-Promoters who currently hold 5% or more in our Company, shall obtain prior approval of the RBI if they desire to continue to hold 5% or more of the post-Offer paid-up share capital of our Company and (ii) our Company shall ensure compliance to the provisions of Section 12B of the Banking Regulation Act. Accordingly, our Company has amended its Articles of Association to state that “Any issue / acquisition of shares which results in a Person holding (by himself or acting in concert with any other Person) five percent (5%) or more of the paid-up equity share capital or voting rights of our Company shall be made with prior approval of RBI, if applicable”.

Further, the RBI, pursuant to its letter dated October 13, 2016, has granted its approval to Ourea Holdings Limited, Labh Investments Limited, International Finance Corporation and Redwood Investment Ltd, to hold more than five per cent but less than ten per cent in our Company. The RBI approval is subject to the condition that Labh Investments Limited, International Finance Corporation and Redwood Investment Ltd. would bring down their shareholding in our Company to less than ten per cent by October 6, 2018.

As of the date hereof, the regulatory framework does not provide whether the restrictions mentioned above are applicable to only an investor (by himself or acting in concert with any other person) or would also include the relatives of, or associated enterprises of, or persons acting in concert with, the investor as described under Section 12B of the Banking Regulation Act (“**Other Persons**”).

Our Company has voluntarily decided to apply such restrictions to the investor or the investing entity, as the case may be, to also include the Other Persons associated with the respective investor or the investing entity, as the case may be. Accordingly, any Bidder who, either by himself directly or indirectly or along with the Other Persons associated with it, Bids for such number of Equity Shares that (along with the existing aggregate

shareholding in our Company of such Bidder and the Other Persons associated with such Bidder), result in such Bidder, together with the Other Persons associated with such Bidder, holding 5% or more of the post-Offer paid-up share capital of our Company, shall obtain a valid and subsisting approval of the RBI to be eligible to acquire and hold, after considering its existing shareholding if any, in our Company, together with the existing shareholding in our Company, if any, of the Other Persons associated with such Bidder, 5% or more of the post-Offer paid-up share capital of our Company, either individually or on an aggregate basis with the Other Persons associated with such Bidder, as the case may be, subject to the subscription level in the Offer.

In the absence of such RBI approval, a Bid by any Bidder, either by himself, directly or indirectly, or along with Other Persons associated with him, for the number of Equity Shares (including any existing aggregate shareholding in our Company of such Bidder and the Other Persons associated with such Bidder) amounting to 5% or more of the post-Offer paid-up share capital of our Company, or which may result into the Bidder holding, post the Offer, 5% or more of the post-Offer paid-up share capital of our Company, either individually or on an aggregate basis together with the Other Persons, as the case may be, shall be considered for Allotment of such number of Equity Shares such that the aggregate shareholding of the Bidders and the Other Persons associated with such Bidders in our Company post-Offer is not equal to or does not exceed 5% of the post-Offer paid-up share capital of our Company. Such Allotment of Equity Shares amongst each Bidder inter-se (together with the Other Persons associated with such Bidder) shall be done on a pro-rata basis taking into account the aggregate of Bids received from such Bidder and the Other Persons associated with such Bidder under all categories, and allocation made under the Anchor Investor Portion.

Please note that it is the responsibility of each Bidder to seek RBI approval, if the Bids submitted by such Bidder (along with the existing aggregate shareholding in our Company of such Bidder and the Other Persons associated with such Bidder), results in the Bidder either by himself directly or indirectly or along with the Other Persons associated with it, holding 5% or more of the post-Offer paid-up share capital of our Company. It may be noted that in the event an approval from RBI is not obtained by any Bidder, it shall not be allotted 5% or more of the post-offer paid-up share capital of our Company.

Our Company, the BRLMs and the Registrar to the Offer will rely strictly and solely on the RBI approvals received from Bidders for making any Allotment of Equity Shares to such Bidders and to the Other Persons, if any, that results in such Bidder, either individually or on an aggregate basis with the Other Persons associated with such Bidder, holding Equity Shares equal to or in excess of 5% of the post-Offer paid-up share capital of our Company thereafter, after considering their existing aggregate shareholding in our Company, if any. Our Company, the Registrar to the Offer and BRLMs will not be responsible for identifying the Other Persons associated with any Bidder, or for the consequences of any Bidder and the Other Persons holding Equity Shares, which together with their existing shareholding amount to 5% or more of the post-Offer paid-up share capital of our Company pursuant to the Allotment made without a valid and subsisting RBI approval.

A clearly legible copy of the RBI approval in the name(s) of the Bidders together with the application submitted for obtaining such RBI approval must be submitted by the Bidders with the Bid cum Application Form as well as to the Registrar to the Offer at any time prior to the date falling one day before the date for finalisation of the Basis of Allotment. Such RBI approval should clearly mention the name(s) of the entities which propose to Bid in the Offer, the aggregate shareholding of the Bidder and the Other Persons in the pre-Offer paid-up share capital of our Company and the maximum permitted holding of Equity Shares by the Other Persons. All allotments to such Bidders and the Other Persons, shall be in accordance with and subject to the conditions contained in such RBI approval.

Under the Banking Regulation Act, an “associated enterprise” of an entity is defined to mean a company, whether incorporated or not, which (i) is a holding company or a subsidiary company of such entity; (ii) is a joint venture of such entity; (iii) controls the composition of the board of directors or other body governing of such entity; (iv) exercises, in the opinion of the RBI, significant influence on such entity in taking financial or policy decisions; or (v) is able to obtain economic benefits from the activities of such entity. A “relative” is defined to have the meaning given to such term under the Companies Act, 1956. Further, under the Banking Regulation Act, persons shall be deemed to be “acting in concert” who, for a common objective or purpose of the acquisition of shares or voting rights in excess of the percentage mentioned in Section 12B of the Banking Regulation Act, pursuant to an agreement or understanding (formal or informal), directly or indirectly cooperate by acquiring or agreeing to acquire shares or voting rights a banking company.

Each Bidder, by submitting a Bid in the Offer, will be deemed to have acknowledged the above restrictions and the terms of the Offer.

Further, pursuant to our Company being established as an SFB and as per the extant FDI Policy and SFB Guidelines, foreign direct investment in our Company is permitted up to 49% under the automatic route and up to 74% under government route in a private sector Indian bank. Currently, 46.94% of our Equity Share capital is held by foreign entities. If any foreign investor purchases or applies for purchasing our Equity Shares which, either exceeds the 49% automatic investment threshold or increases the foreign shareholding percentage of our Company in excess of 49%, the Stock Exchanges may alert the RBI regarding such purchase and consequently, the RBI may either direct the investor to seek its approval prior to such purchase or to bring down the foreign shareholding of our Company below the permissible limit.

Prohibition by the SEBI or other governmental authorities

Our Company, our Directors, our Promoters, Promoter Group, are not and have not been associated as directors or promoters or persons in control of any other company, which is or was debarred from accessing the capital markets under any order or directions made by SEBI. Each of the Selling Shareholders specifically confirms that it has not been prohibited or debarred from accessing the capital markets under any order or direction passed by SEBI or any other governmental authority in India.

There is no prohibition on our Company, our Promoters, Promoter Group, and our Directors, from accessing the capital markets for any reasons by SEBI or any other authorities.

Further, there has been no violation of any securities law committed by any of them in the past and no such proceedings are currently pending against any of them.

Except as given below, none of our Directors or any entity with which our Directors have been associated with as a promoter or a director are associated with the securities market, including any securities related business and there has been no action taken by SEBI against our Directors or any such entity:

1. Mr. Krishan Kant Rathi is the Managing Director of Indianivesh Fund Managers Private Limited, which is the fund manager for Indianivesh Venture Capital Fund, which is a SEBI registered domestic venture capital fund. Further, SEBI has not initiated any action against Indianivesh Fund Managers Private Limited or Indianivesh Venture Capital Fund as on date.
2. Mr. Mannil Venugopalan is on the Board of LICHFL Asset Management Company Limited, which is the asset manager for LICHFL Urban Development Fund, which is a SEBI registered domestic venture capital fund. Further, SEBI has not initiated any action against LICHFL Asset Management Company Limited or LICHFL Urban Development Fund as on date. The listing of securities of our Company has never been refused at any time by any stock exchange in India or abroad.

Prohibition by RBI with respect to Wilful Defaulters

Our Company, our Directors, our Promoters, relatives of our Promoters (as per Companies Act, 1956) have not been categorized as Wilful Defaulters.

Each Selling Shareholder, severally and not jointly, specifically confirms that they have not been classified as Wilful Defaulters.

Eligibility for the Offer

Our Company is eligible for the Offer in accordance with the Regulation 26(1) of the SEBI ICDR Regulations as described below.

“An issuer may make an initial public offer, if:

- (a) *it has net tangible assets of at least three crore rupees in each of the preceding three full years (of twelve months each), of which not more than fifty per cent. are held in monetary assets:*

Provided that if more than fifty per cent. of the net tangible assets are held in monetary assets, the issuer has made firm commitments to utilise such excess monetary assets in its business or project;

Provided further that the limit of fifty per cent. on monetary assets shall not be applicable in case the public offer is made entirely through an offer for sale.

- (b) *it has a minimum average pre-tax operating profit of rupees fifteen crore, calculated on a restated and consolidated basis, during the three most profitable years out of the immediately preceding five years.*
- (c) *it has a Net Worth of at least one crore rupees in each of the preceding three full years (of twelve months each);*

Exclusive jurisdiction for the purpose of any dispute arising out of this Offer will be subject to the competent courts/authorities in Mumbai, Maharashtra, India.

The Equity Shares have not been and will not be registered under the Securities Act or any state securities laws in the United States and may not be offered or sold within the United States, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws in the United States. Accordingly, the Equity Shares are only being offered and sold (i) in the United States only to persons reasonably believed to be “qualified institutional buyers” (as defined in Rule 144A under the Securities Act and referred to in this Prospectus as “U.S. QIBs”, for the avoidance of doubt, the term U.S. QIBs does not refer to a category of institutional investor defined under applicable Indian regulations and referred to in this Prospectus as “QIBs”) in transactions exempt from, or not subject to, the registration requirements of the Securities Act, and (ii) outside the United States in offshore transactions in reliance on Regulation S under the Securities Act and the applicable laws of the jurisdiction where those offers and sales occur.

The Equity Shares have not been and will not be registered, listed or otherwise qualified in any other jurisdiction outside India and may not be offered or sold, and Bids may not be made by persons in any such jurisdiction, except in compliance with the applicable laws of such jurisdiction.

This Prospectus will not, however, constitute an offer to sell or an invitation to subscribe for Equity Shares offered hereby in any jurisdiction other than India, to any person to whom it is unlawful to make an offer or invitation in such jurisdiction. Any person into whose possession this Prospectus comes is required to inform himself or herself about, and to observe, any such restrictions.

No action has been, or will be, taken to permit a public offering in any jurisdiction where action would be required for that purpose, except that the Draft Red Herring Prospectus has been filed with SEBI for its observations. Accordingly, the Equity Shares represented hereby may not be offered or sold, directly or indirectly, and this Prospectus may not be distributed in any jurisdiction, except in accordance with the legal requirements applicable in such jurisdiction. Neither the delivery of this Prospectus nor any sale hereunder shall, under any circumstances, create any implication that there has been no change in the affairs of our Company and the Selling Shareholders and their respective affiliates from the date hereof or that the information contained herein is correct as of any time subsequent to this date.

Until the expiry of 40 days after the commencement of this Offer, an offer or sale of Equity Shares within the United States by a dealer (whether or not it is participating in this Offer) may violate the registration requirements of the Securities Act.

Listing

In-principle listing approvals dated February 10, 2017 and February 16, 2017 have been received from BSE and NSE, respectively. Applications will be made to the Stock Exchanges for final permissions for the listing of the Equity Shares in the Offer and to obtain an official quotation of the Equity Shares. The NSE will be the Designated Stock Exchange with which the 'Basis of Allotment' will be finalised.

If permission to deal in and for an official quotation of the Equity Shares is not granted by any of the Stock Exchanges, our Company will forthwith repay, all moneys received from the applicants in pursuance of the Red Herring Prospectus, as required by applicable law. If such money is not repaid within the prescribed time, then our Company and every officer in default shall be liable to repay the money, with interest as prescribed under applicable laws.

Our Company shall ensure that all steps for the completion of the necessary formalities for listing and commencement of trading at all the Stock Exchanges are taken within six Working Days of the Bid/Offer Closing Date, or such other timeline prescribed under applicable law. Each of the Selling Shareholders, severally and not jointly specifically confirms that it shall provide reasonable support and extend reasonable cooperation as required or necessary and requested by our Company to facilitate this process. If our Company does not Allot Equity Shares pursuant to the Offer within six Working Days from the Bid/Offer Closing Date or within such timeline as prescribed by SEBI, it shall repay without interest all monies received from bidders within the timelines prescribed under applicable law, failing which interest shall be due to be paid to the Bidders at the rate of 15% p.a. for the delayed period.

Subject to applicable law, a Selling Shareholder shall not be liable to pay interest for any delay, unless such delay has been caused solely by such Selling Shareholder and to the extent of its portion of the Offered Shares.

The Equity Shares with a face value of ₹ 10 each shall be transferred in terms of this Prospectus at an Offer Price of ₹ 358 per Equity Share. The Anchor Investor Offer Price is ₹ 358 per Equity Share. At any given point of time, there shall be only one denomination for the Equity Shares, subject to applicable laws.

The Price Band and the minimum Bid Lot was decided by our Company and the Selling Shareholders, in consultation with the BRLMs. These were published by our Company at least five Working Days prior to the Bid/Offer Opening Date with the relevant financial ratios calculated at the Floor Price and at the Cap Price, in Financial Chronicle, an English national daily newspaper, Rashtriya Sahara, a Hindi national daily newspaper (Hindi also being the regional language of Jaipur, where our Registered Office is located), each with wide circulation. Such information shall also be disclosed to the Stock Exchanges for dissemination through, and was pre-filled in the Bid cum Application Forms available on, the Stock Exchanges’ websites.

Offer Program

For details of the Offer program, see “*Offer Structure*” on page 357.

Compliance with SEBI ICDR Regulations

Our Company shall comply with all disclosure and accounting norms as specified by SEBI from time to time.

Rights of the Equity Shareholders

Subject to applicable laws, rules, regulations and guidelines and the provisions of our Articles of Association, the Shareholders of our Company shall have the following rights:

1. Right to receive dividend, if declared;
2. Right to attend general meetings and exercise voting powers, unless prohibited by law;
3. Right to vote on a poll either in person or by proxy or 'e-voting';
4. Right to receive offers for rights shares and be allotted bonus shares, if announced;
5. Right to receive surplus on liquidation subject to any statutory and preferential claims being satisfied;
6. Right of free transferability, subject to applicable law; and
7. Such other rights, as may be available to a shareholder of a listed public company under the Companies Act, 2013, the terms of the SEBI Listing Regulations, and our Memorandum of Association and Articles of Association.

For details on the main provisions of our Company's Articles of Association including those dealing with voting rights, dividend, forfeiture and lien, transfer and transmission and/or consolidation/splitting, see "*Main Provisions of Articles of Association*" on page 415.

Market lot and trading lot

As per the applicable law, the trading of our Equity Shares shall only be in dematerialised form for all investors. Since trading of our Equity Shares will be in dematerialised form, the tradable lot is one Equity Share. In terms of Section 29 of the Companies Act, 2013, the Equity Shares shall be Allotted only in dematerialised form. In this context, our Company and the Registrar to the Offer have entered into agreements dated March 9, 2011 and June 10, 2011, with NSDL and CDSL, respectively. Allotment in the Offer will be done only in electronic form in multiples of one Equity Share subject to a minimum Allotment of 41 Equity Shares to successful Bidders.

Joint Holders

Where two or more persons are registered as the holders of any Equity Shares, they will be deemed to hold such Equity Shares as joint-tenants with benefits of survivorship.

Nomination facility to the Bidders

In accordance with Section 72 of the Companies Act, 2013, read with Companies (Share Capital and Debentures) Rules, 2014, the sole or first Bidder, with other joint Bidders, may nominate any one person in whom, in the event of the death of sole Bidder or in case of joint Bidders, death of all the Bidders, as the case may be, the Equity Shares Allotted, if any, will vest. A nominee entitled to the Equity Shares by reason of the death of the original holder(s), will, in accordance with Section 72 of the Companies Act, 2013, be entitled to the same benefits to which he or she will be entitled if he or she were the registered holder of the Equity Shares. Where the nominee is a minor, the holder(s) may make a nomination to appoint, in the prescribed manner, any person to become entitled to Equity Share(s) in the event of the holder's death during minority. A nomination may be cancelled, or varied by nominating any other person in place of the present nominee, by the holder of the Equity Shares who has made the nomination, by giving a notice of such cancellation or variation to our Company in the prescribed form. A buyer will be entitled to make a fresh nomination in the manner prescribed. Fresh nomination can be made only on the prescribed form available on request at our Registered Office or to the registrar and transfer agents of our Company.

Further, any person who becomes a nominee by virtue of the provisions of Section 72 of the Companies Act, 2013, shall upon the production of such evidence as may be required by the Board, elect either:

1. to register himself or herself as the holder of the Equity Shares; or
2. to make such transfer of the Equity Shares, as the deceased holder could have made.

Further, the Board may at any time give notice requiring any nominee to choose either to be registered himself or herself or to transfer the Equity Shares, and if the notice is not complied with within a period of 90 days, the Board may thereafter withhold payment of all dividends, bonuses or other monies payable in respect of the Equity Shares, until the requirements of the notice have been complied with.

Since the Allotment will be made only in dematerialized mode, there is no need to make a separate nomination with our Company. Nominations registered with respective depository participant of the applicant would prevail. If the investors require a change the nomination, they are requested to inform their respective Depository Participant.

Minimum subscription

As the Offer is by way of an offer for sale, the requirement of minimum subscription is not applicable to the Offer in accordance with SEBI ICDR Regulations. However, in the event our Company does not receive the minimum subscription in the Offer as specified under Rule 19(2)(b) of the SCRR, as applicable, including through devolvement to the Underwriters, as applicable, within sixty (60) days from the date of Bid/Offer Closing Date, our Company shall forthwith refund the entire subscription amount received. In case of delay, if any, in refund within such timeline as prescribed under applicable laws, our Company and the respective Selling Shareholders (in proportion of their respective portion of Offered Shares) shall be liable to pay interest on the application money at the rate of 15% p.a. for the period of delay. It is clarified that, subject to applicable law, none of the Selling Shareholders shall be liable to pay any amounts as refunds or interest for any delay, unless such default or delay has been caused solely by such Selling Shareholder in relation to their respective proportion of the Offered Shares.

Under subscription, if any, in any category except the QIB Portion, would be met with spill-over from the other categories at the discretion of our Company and the Selling Shareholders in consultation with the BRLMs and the Designated Stock Exchange.

Further, pursuant to Regulation 26(4) of the SEBI ICDR Regulations, our Company shall ensure that the number of Bidders to whom Equity Shares will be Allotted shall not be less than 1,000.

Any expense incurred by our Company on behalf of the Selling Shareholders with regard to refunds, interest for delays etc. for the Equity Shares being offered in the Offer will be reimbursed by the Selling Shareholders in relation to their respective proportion of the Offered Shares to our Company in proportion to the Equity Shares being offered for sale by the Selling Shareholders in the Offer.

Arrangements for disposal of odd lots

Since our Equity Shares will be traded in dematerialized form only, the market lot for our Equity Shares will be one, no arrangements for disposal of odd lots are required.

Restriction on transfer and transmission of shares

Except for the lock-in of the pre- Offer Equity Shares, minimum Promoters' contribution, Anchor Investor lock-in, pursuant to the Offer as detailed in "*Capital Structure*" on page 76 and except as provided in "*Main Provisions of Articles of Association*" and "*Other Regulatory and Statutory Disclosures*" on pages 415 and 335, respectively, there are no restrictions on transfers of Equity Shares. Further, there are no restrictions on transmission of shares/ debentures and on their consolidation/ splitting except as provided in "*Main Provisions of Articles of Association*" and "*Other Regulatory and Statutory Disclosures*" on pages 415 and 335, respectively.

Option to receive Equity Shares in Dematerialized Form

In accordance with Section 29 of the Companies Act, 2013, Allotment will only be in the dematerialized form. Bidders will not have the option of Allotment of the Equity Shares in physical form. The Equity Shares on Allotment will be traded only in the dematerialized segment of the Stock Exchanges.

*Subject to finalization of Basis of Allotment.

⁽¹⁾ Our Company and the Selling Shareholders, in consultation with the BRLMs, have allocated 60% of the QIB Category to Anchor Investors on a discretionary basis. One-third of the Anchor Investor Portion was reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the Anchor Investor Allocation Price. For details, see "Offer Procedure" on page 364.

- (2) *Subject to valid Bids being received at or above the Offer Price. The Offer was made in accordance with Rule 19(2)(b) of the SCRR and under Regulation 26(1) of the SEBI ICDR Regulations. The Offer has been made through the Book Building Process wherein 50% of the Net Offer was available for allocation on a proportionate basis to QIBs, provided that our Company and the Selling Shareholders in consultation with the BRLMs have allocated 60% of the QIB Category to Anchor Investors on a discretionary basis. One-third of the Anchor Investor Portion was reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the Anchor Investor Allocation Price. 5% of the QIB Category (excluding the Anchor Investor Portion), was available for allocation on a proportionate basis to Mutual Funds only and the remainder of the QIB Category shall be available for allocation on a proportionate basis to all QIB Bidders (other than Anchor Investors) including Mutual Funds, subject to valid Bids being received at or above the Offer Price. Further, not less than 15% of the Net Offer was available for allocation on a proportionate basis to Non-Institutional Bidders and not less than 35% of the Net Offer was available for allocation to Retail Individual Bidders in accordance with the SEBI ICDR Regulations, subject to valid Bids being received at or above the Offer Price.*
- (3) *Allotment to an Eligible Employee in the Employee Reservation Portion may exceed ₹200,000 only in the event of an under-subscription in the Employee Reservation Portion and such unsubscribed portion may be Allotted on a proportionate basis to Eligible Employees Bidding in the Employee Reservation Portion, subject to the total Allotment to an Eligible Employee not exceeding ₹500,000.*
- (4) *In case of joint Bids, the Bid cum Application Form contained only the name of the first Bidder whose name appeared as the first holder of the beneficiary account held in joint names. The signature of only such first Bidder was required in the Bid cum Application Form and such first Bidder was deemed to have signed on behalf of the joint holders.*
- (5) *In case the Anchor Investor Allocation Price is lower than the Offer Price, the balance amount shall be payable as per the pay-in-date mentioned in the revised CAN. In case the Offer Price is lower than the Anchor Investor Allocation Price, the amount in excess of the Offer Price paid by the Anchor Investors shall not be refunded to them. For details of terms of payment applicable to Anchor Investors, see "Offer Procedure – Allotment Procedure and Basis of Allotment" on page 404.*

Under subscription, if any, in any category except the QIB Portion, would be met with spill-over from the other categories at the discretion of our Company and the Selling Shareholders in consultation with the BRLMs and the Designated Stock Exchange. Any unsubscribed Equity Shares in the Employee Reservation Portion shall be added to the Net Offer.

The RBI has by way of the RBI In-principle Approval and the RBI Final Approval, communicated that, (i) the existing non-Promoters who currently hold 5% or more in our Company, shall obtain prior approval of the RBI if they desire to continue to hold 5% or more of the post-Offer paid-up share capital of our Company and (ii) our Company shall ensure compliance to the provisions of Section 12B of the Banking Regulation Act. Accordingly, our Company has amended its Articles of Association to state that "Any issue / acquisition of shares which results in a Person holding (by himself or acting in concert with any other Person) five percent (5%) or more of the paid-up equity share capital or voting rights of our Company shall be made with prior approval of RBI, if applicable".

As of the date hereof, the regulatory framework does not provide whether the restrictions mentioned above are applicable to only an investor (by himself or acting in concert with any other person) or would also include the relatives of, or associated enterprises of, or persons acting in concert with, the investor as described under Section 12B of the Banking Regulation Act ("**Other Persons**").

Our Company has voluntarily decided to apply such restrictions to the investor or the investing entity, as the case may be, to also include the Other Persons associated with the respective investor or the investing entity, as the case may be. Accordingly, any Bidder who, either by himself directly or indirectly or along with the Other Persons associated with it, Bids for such number of Equity Shares that (along with the existing aggregate shareholding in our Company of such Bidder and the Other Persons associated with such Bidder), result in such Bidder, together with the Other Persons associated with such Bidder, holding 5% or more of the post-Offer paid-up share capital of our Company, shall obtain a valid and subsisting approval of the RBI to be eligible to acquire and hold, after considering its existing shareholding if any, in our Company, together with the existing shareholding in our Company, if any, of the Other Persons associated with such Bidder, 5% or more of the post-Offer paid-up share capital of our Company, either individually or on an aggregate basis with the Other Persons associated with such Bidder, as the case may be, subject to the subscription level in the Offer.

In the absence of such RBI approval, a Bid by any Bidder, either by himself, directly or indirectly, or along with Other Persons associated with him, for the number of Equity Shares (including any existing aggregate shareholding in our Company of such Bidder and the Other Persons associated with such Bidder) amounting to 5% or more of the post-Offer paid-up share capital of our Company, or which may result into the Bidder holding, post the Offer, 5% or more of the post-Offer paid-up share capital of our Company, either individually or on an aggregate basis together with the Other Persons, as the case may be, shall be considered for Allotment of such number of Equity Shares such that the aggregate shareholding of the Bidders and the Other Persons associated with such Bidders in our Company post-Offer does is not equal to or not exceed 5% of the post-Offer paid-up

share capital of our Company. Such Allotment of Equity Shares amongst each Bidder inter-se (together with the Other Persons associated with such Bidder) shall be done on a pro-rata basis taking into account the aggregate of Bids received from such Bidder and the Other Persons associated with such Bidder under all categories, and allocation made under the Anchor Investor Portion.

Please note that it is the responsibility of each Bidder to seek RBI approval, if the Bids submitted by such Bidder (along with the existing aggregate shareholding in our Company of such Bidder and the Other Persons associated with such Bidder), results in the Bidder either by himself directly or indirectly or along with the Other Persons associated with it, holding 5% or more of the post-Offer paid-up share capital of our Company. It may be noted that in the event an approval from RBI is not obtained by any Bidder, it shall not be allotted 5% or more of the post-offer paid-up share capital of our Company.

Our Company, the BRLMs and the Registrar to the Offer will rely strictly and solely on the RBI approvals received from Bidders for making any Allotment of Equity Shares to such Bidders and to the Other Persons, if any, that results in such Bidder, either individually or on an aggregate basis with the Other Persons associated with such Bidder, holding Equity Shares equal to or in excess of 5% of the post-Offer paid-up share capital of our Company thereafter, after considering their existing aggregate shareholding in our Company, if any. Our Company, the Registrar to the Offer and BRLMs will not be responsible for identifying the Other Persons associated with any Bidder, or for the consequences of any Bidder and the Other Persons holding Equity Shares, which together with their existing shareholding amount to 5% or more of the post-Offer paid-up share capital of our Company pursuant to the Allotment made without a valid and subsisting RBI approval.

A clearly legible copy of the RBI approval in the name(s) of the Bidders together with the application submitted for obtaining such RBI approval must be submitted by the Bidders with the Bid cum Application Form as well as to the Registrar to the Offer at any time prior to the date falling one day before the date for finalisation of the Basis of Allotment, *i.e.*, July 4, 2017. Such RBI approval should clearly mention the name(s) of the entities which propose to Bid in the Offer, the aggregate shareholding of the Bidder and the Other Persons in the pre-Offer paid-up share capital of our Company and the maximum permitted holding of Equity Shares by the Other Persons. All allotments to such Bidders and the Other Persons, shall be in accordance with and subject to the conditions contained in such RBI approval.

Under the Banking Regulation Act, an “associated enterprise” of an entity is defined to mean a company, whether incorporated or not, which (i) is a holding company or a subsidiary company of such entity; (ii) is a joint venture of such entity; (iii) controls the composition of the board of directors or other body governing of such entity; (iv) exercises, in the opinion of the RBI, significant influence on such entity in taking financial or policy decisions; or (v) is able to obtain economic benefits from the activities of such entity. A “relative” is defined to have the meaning given to such term under the Companies Act, 1956. Further, under the Banking Regulation Act, persons shall be deemed to be “acting in concert” who, for a common objective or purpose of the acquisition of shares or voting rights in excess of the percentage mentioned in Section 12B of the Banking Regulation Act, pursuant to an agreement or understanding (formal or informal), directly or indirectly cooperate by acquiring or agreeing to acquire shares or voting rights a banking company.

Each Bidder, by submitting a Bid in the Offer, will be deemed to have acknowledged the above restrictions and the terms of the Offer.

Further, pursuant to our Company being established as an SFB and as per the extant FDI Policy and SFB Guidelines, foreign direct investment in our Company is permitted up to 49% under the automatic route and up to 74% under government route in a private sector Indian bank. Currently, 46.94% of our Equity Share capital is held by foreign entities. If any foreign investor purchases or applies for purchasing our Equity Shares which, either exceeds the 49% automatic investment threshold or increases the foreign shareholding percentage of our Company in excess of 49%, the Stock Exchanges may alert the RBI regarding such purchase and consequently, the RBI may either direct the investor to seek its approval prior to such purchase or to bring down the foreign shareholding of our Company below the permissible limit.

Withdrawal of the Offer

Our Company and the Selling Shareholders, severally and not jointly, in consultation with the BRLMs, reserve the right not to proceed with the Offer after the Bid/Offer Closing Date but before the Allotment. In such an event,

our Company in consultation with BRLMs shall issue a public notice in the newspapers in which the pre-Offer advertisements were published, within two days of the Bid/Offer Closing Date or such other time as may be prescribed by SEBI, providing reasons for not proceeding with the Offer. The BRLMs, through the Registrar to the Offer, will instruct the SCSBs to unblock the bank accounts of ASBA Bidders within one Working Day from the date of receipt of such notification. Our Company shall also inform the same to the Stock Exchanges on which the Equity Shares are proposed to be listed. In the event of withdrawal of the Offer and subsequently, plans of a fresh offer by our Company, a fresh draft red herring prospectus will be submitted again to the SEBI.

Notwithstanding the foregoing, the Offer is also subject to obtaining (i) the final listing and trading approvals of the Stock Exchanges, which our Company shall apply for after Allotment, and (ii) the final RoC approval of this Prospectus after it is filed with the RoC.

Bid/ Offer Program

BID/ OFFER OPENED ON	Wednesday, June 28, 2017 ⁽¹⁾
BID/ OFFER CLOSED ON	Friday, June 30, 2017

(1) The Anchor Investor Bidding Date was one Working Day prior to the Bid/ Offer Opening Date in accordance with the SEBI ICDR Regulations.

An indicative timetable in respect of the Offer is set out below:

Event	Indicative Date
Bid/Offer Closing Date	Friday, June 30, 2017
Finalisation of Basis of Allotment with the Designated Stock Exchange	On or about July 5, 2017
Initiation of refunds (if any, for Anchor Investors)/unblocking of funds from ASBA Account	On or about July 6, 2017
Credit of Equity Shares to demat accounts of Allottees	On or about July 7, 2017
Commencement of trading of the Equity Shares on the Stock Exchanges	On or about July 10, 2017

The above timetable, other than the Bid/Offer Closing Date, is indicative and does not constitute any obligation on our Company or the Selling Shareholders or the BRLMs.

While our Company shall ensure that all steps for the completion of the necessary formalities for the listing and the commencement of trading of the Equity Shares on the Stock Exchanges are taken within six Working Days from the Bid/ Offer Closing Date, or as may be required under the applicable law, the timetable may be extended due to various factors, such as any delay in receiving the final listing and trading approval from the Stock Exchanges. The commencement of trading of the Equity Shares will be entirely at the discretion of the Stock Exchanges and in accordance with the applicable laws. The Selling Shareholders confirm that they shall extend reasonable co-operation required by our Company and the BRLMs for the completion of the necessary formalities for listing and commencement of trading of the Equity Shares (offered by each such Selling Shareholders in the Offer for Sale) at all Stock Exchanges within six Working Days from the Bid/ Offer Closing Date.

Submission of Bids (other than Bids from Anchor Investors):

Bid/Offer Closing Date	
Submission and Revision in Bids	Only between 10.00 a.m. and 3.00 p.m. IST

On the Bid/Offer Closing Date, the Bids were uploaded until:

1. 4.00 p.m. IST in case of Bids by QIBs and Non-Institutional Bidders; and
2. until 5.00 p.m. IST or such extended time as permitted by the Stock Exchanges, in case of Bids by Retail Individual Bidders and Eligible Employees.

It is clarified that Bids not uploaded on the electronic bidding system or in respect of which the full Bid Amount is not blocked by SCSBs would be rejected.

Due to limitation of the time available for uploading the Bids on the Bid/Offer Closing Date, Bidders were advised to submit their Bids one day prior to the Bid/Offer Closing Date and, in any case, no later than 1.00 p.m. IST on the Bid/Offer Closing Date. Bidders were cautioned that, in the event a large number of Bids are received on the Bid/ Offer Closing Date, as is typically experienced in public offerings, some Bids may not get uploaded due to lack of sufficient time. Such Bids that cannot be uploaded will not be considered for allocation under the Offer. Bids will be accepted only on Business Days *i.e.*, Monday to Friday (excluding any public holiday). Our Company or any of the Selling Shareholders or the members of Syndicate are not liable for any failure in uploading Bids due to faults in any software/hardware system or otherwise. Any time mentioned in this Prospectus is Indian Standard Time.

In case of any discrepancy in the data entered in the electronic book vis-a-vis the data contained in the physical or electronic Bid cum Application Form, for a particular Bidder, the Registrar to the Offer shall ask for rectified data from the relevant Designated Intermediary.

In case of any discrepancy in the data entered in the electronic book vis-à-vis the data contained in the Bid cum Application Form for a particular Bidder, the details as per the Bid file received from the Stock Exchanges shall be taken as the final data for the purpose of Allotment.

OFFER PROCEDURE

All Bidders should review the General Information Document for Investing in Public Issues prepared and issued in accordance with the circular (CIR/CFD/DIL/12/2013) dated October 23, 2013 notified by SEBI and updated pursuant to SEBI circular bearing number CIR/CFD/POLICYCELL/11/2015 dated November 10, 2015 and SEBI circular bearing number SEBI/HO/CFD/DIL/CIR/P/2016/26 dated January 21, 2016 (“General Information Document”) included below under the sub-section titled “– Part B - General Information Document”, which highlights the key rules, processes and procedures applicable to public issues in general in accordance with the provisions of the Companies Act, the SCRA, the SCRR and the SEBI ICDR Regulations. The General Information Document has been updated to reflect amendments to the SEBI ICDR Regulations and provisions of the Companies Act 2013, to the extent applicable to a public issue and any other enactments and regulations. The General Information Document is also available on the websites of the Stock Exchanges and the BRLMs. Please refer to the relevant portions of the General Information Document which are applicable to the Offer. All Designated Intermediaries in relation to the Offer should ensure compliance with the SEBI circular (CIR/CFD/POLICYCELL/11/2015) dated November 10, 2015, as amended and modified by the SEBI circular (SEBI/HO/CFD/DIL/CIR/P/2016/26) dated January 21, 2016, in relation to clarifications on streamlining the process of public issue of equity shares and convertibles.

Our Company, the Selling Shareholders and the BRLMs do not accept any responsibility for the completeness and accuracy of the information stated in this section and the General Information Document and are not liable for any amendment, modification or change in applicable law which may occur after the date of this Prospectus. Bidders are advised to make their independent investigations and ensure that their Bids are submitted in accordance with applicable laws and do not exceed the investment limits or maximum number of Equity Shares that can be held by them under applicable law or as specified in this Prospectus.

PART A

Book Building Procedure

The Offer has been made through the Book Building Process wherein 50% of the Net Offer was available for allocation to QIBs on a proportionate basis, provided that our Company and the Selling Shareholders in consultation with the BRLMs have allocated 60% of the QIB Category to Anchor Investors on a discretionary basis in accordance with SEBI ICDR Regulations, of which one third was reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the Anchor Investor Allocation Price. 5% of the QIB Category (excluding the Anchor Investor Portion) was available for allocation on a proportionate basis to Mutual Funds only, and the remainder of the QIB Category was available for allocation to all QIB Bidders (other than Anchor Investors) on a proportionate basis, including Mutual Funds, subject to valid Bids being received at or above the Offer Price. 1,000,000 Equity Shares were available for allocation on a proportionate basis to Eligible Employees bidding in the Employee Reservation Portion, subject to valid bids having been received at or above the Offer Price. The maximum Bid Amount under the Employee Reservation Portion by an Eligible Employee shall not exceed ₹500,000 on a net basis. However, Allotment to an Eligible Employee in the Employee Reservation Portion may exceed ₹200,000 only in the event of an under-subscription in the Employee Reservation Portion and such unsubscribed portion may be Allotted on a proportionate basis to Eligible Employees Bidding in the Employee Reservation Portion, for a value in excess of ₹200,000, subject to the total Allotment to an Eligible Employee not exceeding ₹500,000.

Further, not less than 15% of the Net Offer was available for allocation on a proportionate basis to Non-Institutional Bidders and not less than 35% of the Net Offer was available for allocation to Retail Individual Bidders in accordance with the SEBI ICDR Regulations, subject to valid Bids being received at or above the Offer Price.

Under-subscription if any, in any category, except in the QIB Category, would be allowed to be met with spill over from any other category or a combination of categories at the discretion of our Company and the Selling Shareholders, in consultation with the BRLMs and the Designated Stock Exchange. Any unsubscribed portion in Employee Reservation Portion shall be added to the Net Offer. In case of under subscription in the Net Offer category, spill-over to the extent of under-subscription shall be permitted from the reserved category to the Net Offer.

The Equity Shares, on Allotment, shall be traded only in the dematerialised segment of the Stock Exchanges.

Investors should note that the Equity Shares will be Allotted to all successful Bidders only in dematerialised form. The Bid cum Application Forms which do not have the details of the Bidders' depository account, including DP ID, Client ID and PAN, shall be treated as incomplete and will be rejected. Bidders will not have the option of being Allotted Equity Shares in physical form.

Bid cum Application Form

Copies of the ASBA Form and the abridged prospectus will be available with the, Designated Intermediaries at the Bidding Centers, and Registered Office of our Company. An electronic copy of the ASBA Form will also be available for download on the websites of the NSE (www.nseindia.com), the BSE (www.bseindia.com) at least one day prior to the Bid/Offer Opening Date. For Anchor Investors, copies of the Anchor Investor Application Form and the abridged prospectus will be available at the offices of the BRLMs.

All Bidders (other than Anchor Investors) shall mandatorily participate in the Offer only through the ASBA process. Anchor Investors are not permitted to participate in the Offer through the ASBA process. ASBA Bidders must provide bank account details and authorisation to block funds in the relevant space provided in the ASBA Form and the ASBA Forms that do not contain such details are liable to be rejected.

ASBA Bidders shall ensure that the Bids are made on ASBA Forms bearing the stamp of a Designated Intermediary, submitted at the Bidding Centers only (except in case of electronic ASBA Forms) and the ASBA Forms not bearing such specified stamp are liable to be rejected.

The prescribed colour of the Bid cum Application Form for the various categories is as follows:

Category	Colour of Bid cum Application Form*
Resident Indians and Eligible NRIs applying on a non-repatriation basis	White
Non-Residents including Eligible NRIs, FPI, registered multilateral and bilateral development financial institutions applying on a repatriation basis	Blue
Anchor Investors**	White
Eligible Employees bidding in the Employee Reservation Portion	Pink

**Excluding electronic Bid cum Application Form*

***Anchor Investor Application Forms will be made available at the office of the BRLMs*

Designated Intermediaries (other than SCSBs) shall submit/deliver the ASBA Forms to the respective SCSB, where the Bidder has a bank account and shall not submit it to any non-SCSB bank or any Escrow Collection Bank.

The RBI has by way of the RBI In-principle Approval and the RBI Final Approval, communicated that, (i) the existing non-Promoters who currently hold 5% or more in our Company, shall obtain prior approval of the RBI if they desire to continue to hold 5% or more of the post-Offer paid-up share capital of our Company and (ii) our Company shall ensure compliance to the provisions of Section 12B of the Banking Regulation Act. Accordingly, our Company has amended its Articles of Association to state that "Any issue / acquisition of shares which results in a Person holding (by himself or acting in concert with any other Person) five percent (5%) or more of the paid-up equity share capital or voting rights of our Company shall be made with prior approval of RBI, if applicable".

As of the date hereof, the regulatory framework does not provide whether the restrictions mentioned above are applicable to only an investor (by himself or acting in concert with any other person) or would also include the relatives of, or associated enterprises of, or persons acting in concert with, the investor as described under Section 12B of the Banking Regulation Act ("**Other Persons**").

Our Company has voluntarily decided to apply such restrictions to the investor or the investing entity, as the case may be, to also include the Other Persons associated with the respective investor or the investing entity, as the case may be. Accordingly, any Bidder who, either by himself directly or indirectly or along with the Other Persons associated with it, Bids for such number of Equity Shares that (along with the existing aggregate shareholding in our Company of such Bidder and the Other Persons associated with such Bidder), result in such Bidder, together with the Other Persons associated with such Bidder, holding 5% or more of the post-Offer paid-

up share capital of our Company, shall obtain a valid and subsisting approval of the RBI to be eligible to acquire and hold, after considering its existing shareholding if any, in our Company, together with the existing shareholding in our Company, if any, of the Other Persons associated with such Bidder, 5% or more of the post- Offer paid-up share capital of our Company, either individually or on an aggregate basis with the Other Persons associated with such Bidder, as the case may be, subject to the subscription level in the Offer.

In the absence of such RBI approval, a Bid by any Bidder, either by himself, directly or indirectly, or along with Other Persons associated with him, for the number of Equity Shares (including any existing aggregate shareholding in our Company of such Bidder and the Other Persons associated with such Bidder) amounting to 5% or more of the post- Offer paid-up share capital of our Company, or which may result into the Bidder holding, post the Offer, 5% or more of the post- Offer paid-up share capital of our Company, either individually or on an aggregate basis together with the Other Persons, as the case may be, shall be considered for Allotment of such number of Equity Shares such that the aggregate shareholding of the Bidders and the Other Persons associated with such Bidders in our Company post- Offer does is not equal to or not exceed 5% of the post- Offer paid-up share capital of our Company. Such Allotment of Equity Shares amongst each Bidder inter-se (together with the Other Persons associated with such Bidder) shall be done on a pro-rata basis taking into account the aggregate of Bids received from such Bidder and the Other Persons associated with such Bidder under all categories, and allocation made under the Anchor Investor Portion.

Please note that it is the responsibility of each Bidder to seek RBI approval, if the Bids submitted by such Bidder (along with the existing aggregate shareholding in our Company of such Bidder and the Other Persons associated with such Bidder), results in the Bidder either by himself directly or indirectly or along with the Other Persons associated with it, holding 5% or more of the post- Offer paid-up share capital of our Company. It may be noted that in the event an approval from RBI is not obtained by any Bidder, it shall not be allotted 5% or more of the post- offer paid-up share capital of our Company.

Our Company, the BRLMs and the Registrar to the Offer will rely strictly and solely on the RBI approvals received from Bidders for making any Allotment of Equity Shares to such Bidders and to the Other Persons, if any, that results in such Bidder, either individually or on an aggregate basis with the Other Persons associated with such Bidder, holding Equity Shares equal to or in excess of 5% of the post- Offer paid-up share capital of our Company thereafter, after considering their existing aggregate shareholding in our Company, if any. Our Company, the Registrar to the Offer and BRLMs will not be responsible for identifying the Other Persons associated with any Bidder, or for the consequences of any Bidder and the Other Persons holding Equity Shares, which together with their existing shareholding amount to 5% or more of the post- Offer paid-up share capital of our Company pursuant to the Allotment made without a valid and subsisting RBI approval.

A clearly legible copy of the RBI approval in the name(s) of the Bidders together with the application submitted for obtaining such RBI approval must be submitted by the Bidders with the Bid cum Application Form as well as to the Registrar to the Offer at any time prior to the date falling one day before the date for finalisation of the Basis of Allotment, *i.e.*, July 4, 2017. Such RBI approval should clearly mention the name(s) of the entities which propose to Bid in the Offer, the aggregate shareholding of the Bidder and the Other Persons in the pre- Offer paid-up share capital of our Company and the maximum permitted holding of Equity Shares by the Other Persons. All allotments to such Bidders and the Other Persons, shall be in accordance with and subject to the conditions contained in such RBI approval.

Under the Banking Regulation Act, an “associated enterprise” of an entity is defined to mean a company, whether incorporated or not, which (i) is a holding company or a subsidiary company of such entity; (ii) is a joint venture of such entity; (iii) controls the composition of the board of directors or other body governing of such entity; (iv) exercises, in the opinion of the RBI, significant influence on such entity in taking financial or policy decisions; or (v) is able to obtain economic benefits from the activities of such entity. A “relative” is defined to have the meaning given to such term under the Companies Act, 1956. Further, under the Banking Regulation Act, persons shall be deemed to be “acting in concert” who, for a common objective or purpose of the acquisition of shares or voting rights in excess of the percentage mentioned in Section 12B of the Banking Regulation Act, pursuant to an agreement or understanding (formal or informal), directly or indirectly cooperate by acquiring or agreeing to acquire shares or voting rights a banking company.

Each Bidder, by submitting a Bid in the Offer, will be deemed to have acknowledged the above restrictions and the terms of the Offer.

Further, pursuant to our Company being established as an SFB and as per the extant FDI Policy and SFB Guidelines, foreign direct investment in our Company is permitted up to 49% under the automatic route and up to 74% under government route in a private sector Indian bank. Currently, 46.94% of our Equity Share capital is held by foreign entities. If any foreign investor purchases or applies for purchasing our Equity Shares which, either exceeds the 49% automatic investment threshold or increases the foreign shareholding percentage of our Company in excess of 49%, the Stock Exchanges may alert the RBI regarding such purchase and consequently, the RBI may either direct the investor to seek its approval prior to such purchase or to bring down the foreign shareholding of our Company below the permissible limit.

Participation by Promoters, Promoter Group, the BRLMs the Syndicate Members and persons related to the Promoters/Promoter Group/BRLMs

The BRLMs and the Syndicate Members shall not be allowed to purchase Equity Shares in this Offer in any manner, except towards fulfilling their underwriting obligations. However, the associates and affiliates of the BRLMs and the Syndicate Members may Bid for Equity Shares in this Offer, either in the QIB Category or in the Non-Institutional Category as may be applicable to such Bidders, where the allocation is on a proportionate basis and such subscription may be on their own account or on behalf of their clients. All categories of investors, including associates or affiliates of the BRLMs and Syndicate Members, shall be treated equally for the purpose of allocation to be made on a proportionate basis.

The BRLMs and any persons related to the BRLMs (other than Mutual Funds sponsored by entities related to the BRLMs) and our Promoters, Promoter Group and any persons related to our Promoters and Promoter Group cannot apply in the Offer under the Anchor Investor Portion.

Bids by Mutual Funds

With respect to Bids by Mutual Funds, a certified copy of their SEBI registration certificate must be lodged along with the Bid cum Application Form. Failing this, our Company reserves the right to reject any Bid without assigning any reason thereof. Bids made by asset management companies or custodians of Mutual Funds shall specifically state names of the concerned schemes for which such Bids are made.

Bids made by asset management companies or custodian of Mutual Funds shall specifically state the names of the concerned schemes for which such Bids are made.

In case of a Mutual Fund, a separate Bid can be made in respect of each scheme of the Mutual Fund registered with SEBI and such Bids in respect of more than one scheme of the Mutual Fund will not be treated as multiple Bids provided that the Bids clearly indicate the scheme concerned for which the Bid has been made.

No Mutual Fund scheme shall invest more than 10% of its net asset value in equity shares or equity related instruments of any single company provided that the limit of 10% shall not be applicable for investments in case of index funds or sector or industry specific schemes. No Mutual Fund under all its schemes should own more than 10% of any company's paid-up share capital carrying voting rights. **However, in terms of the Banking Regulation Act, prior approval from the RBI is required for any issue / acquisition of shares which results in a person holding (by himself or acting in concert with any other person) five percent (5%) or more of the paid-up equity share capital or voting rights of our Company.**

Bids by Eligible NRIs

Eligible NRIs may obtain copies of Bid cum Application Form from the Designated Intermediaries. Eligible NRI Bidders bidding on a repatriation basis by using the Non-Resident Forms should authorize their SCSB to block their Non-Resident External ("NRE") accounts, or Foreign Currency Non-Resident ("FCNR") Accounts, and eligible NRI Bidders bidding on a non-repatriation basis by using Resident forms should authorize their SCSB to block their Non-Resident Ordinary ("NRO") accounts for the full Bid Amount, at the time of the submission of the Bid cum Application Form.

Eligible NRIs Bidding on non-repatriation basis are advised to use the Bid cum Application Form for residents (white in colour). Eligible NRIs Bidding on a repatriation basis are advised to use the Bid cum Application Form meant for Non-Residents (blue in colour).

In terms of the FDI Policy, Eligible NRIs may hold up to 24% of the Equity Share capital of our Company under the automatic route. For details, see “*Key Regulations and Policies in India*” on page 167.

Further, non-residents should note that, pursuant to our Company being established as an SFB and as per the extant FDI Policy and SFB Guidelines, foreign direct investment in our Company is permitted up to 49% under the automatic route and up to 74% under government route in a private sector Indian bank. Currently, 46.94% of our Equity Share capital is held by foreign entities. If any foreign investor purchases or applies for purchasing our Equity Shares which, either exceeds the 49% automatic investment threshold or increases the foreign shareholding percentage of our Company in excess of 49%, the Stock Exchanges may alert the RBI regarding such purchase and consequently, the RBI may either direct the investor to seek its approval prior to such purchase or to bring down the foreign shareholding of our Company below the permissible limit.

Bids by FPIs

In terms of the SEBI FPI Regulations, the issue of Equity Shares to a single FPI or an investor group (which means the same set of ultimate beneficial owner(s) investing through multiple entities) must be below 10% of our post-Offer Equity Share capital. Further, in terms of the FEMA Regulations, the total holding by each FPI shall be below 10% of the total paid-up Equity Share capital of our Company and the total holdings of all FPIs put together shall not exceed 24% of the paid-up Equity Share capital of our Company. The aggregate limit of 24% may be increased up to the sectoral cap by way of a resolution passed by the Board of Directors followed by a special resolution passed by the Shareholders and subject to prior intimation to RBI. In terms of the FEMA Regulations, for calculating the aggregate holding of FPIs in a company, holding of all registered FPIs shall be included. The existing individual and aggregate investment limits for an FPI in our Company are 10% and 24% of the total paid-up Equity Share capital of our Company, respectively.

FPIs are permitted to participate in the Offer subject to compliance with conditions and restrictions which may be specified by the Government from time to time.

FPI's who wish to participate in the Offer are advised to use Bid cum Application Form for non-residents.

Further, non-residents should note that, pursuant to our Company being established as an SFB and as per the extant FDI Policy and SFB Guidelines, foreign direct investment in our Company is permitted up to 49% under the automatic route and up to 74% under government route in a private sector Indian bank. Currently, 46.94% of our Equity Share capital is held by foreign entities. If any foreign investor purchases or applies for purchasing our Equity Shares which, either exceeds the 49% automatic investment threshold or increases the foreign shareholding percentage of our Company in excess of 49%, the Stock Exchanges may alert the RBI regarding such purchase and consequently, the RBI may either direct the investor to seek its approval prior to such purchase or to bring down the foreign shareholding of our Company below the permissible limit.

Bids by SEBI registered VCFs and AIFs

The SEBI AIF Regulations *inter-alia* prescribe the investment restrictions on the VCFs and AIFs registered with SEBI.

The holding by any individual VCF registered with SEBI in one venture capital undertaking should not exceed 25% of the corpus of the VCF. Further, VCFs can invest only up to 33.33% of the investible funds by way of subscription to an initial public offering.

The category I and II AIFs cannot invest more than 25% of the corpus in one investee company. A category III AIF cannot invest more than 10% of the investible funds in one investee company. A venture capital fund registered as a category I AIF, as defined in the SEBI AIF Regulations, cannot invest more than 1/3rd of its corpus by way of subscription to an initial public offering of a venture capital undertaking. Additionally, the VCFs which have not re-registered as an AIF under the SEBI AIF Regulations shall continue to be regulated by the SEBI VCF Regulations until the existing fund or scheme managed by the fund is wound up.

All Non-Resident Bidders should note that refunds (in case of Anchor Investors), dividends and other distributions, if any, will be payable in Indian Rupees only and net of bank charges and commissions. Neither our Company nor the BRLMs will be responsible for loss, if any, incurred by the Bidder on account of conversion of foreign currency.

Bids by limited liability partnerships

In case of Bids made by limited liability partnerships registered under the Limited Liability Partnership Act, 2008, a certified copy of certificate of registration issued under the Limited Liability Partnership Act, 2008, must be attached to the Bid cum Application Form. Failing this, our Company reserves the right to reject any Bid without assigning any reason thereof.

Bids by banking companies

In case of Bids made by banking companies registered with the RBI, certified copies of: (i) the certificate of registration issued by the RBI, and (ii) the approval of such banking company's investment committee are required to be attached to the Bid cum Application Form failing which, our Company reserves the right to reject any Bid by a banking company without assigning any reason thereof.

The investment limit for banking companies in financial services companies, not being subsidiaries, as per the Banking Regulation Act, and the Master Direction – Reserve Bank of India (Financial Services provided by Banks) Directions, 2016, is 10% of the bank's paid-up share capital and reserves as per the last audited balance sheet or a subsequent balance sheet, whichever is lower. Further, the aggregate investment in subsidiaries and other entities engaged in financial and non-financial services company cannot exceed 20% of the bank's paid-up share capital and reserves.

Bids by SCSBs

SCSBs participating in the Offer are required to comply with the terms of the SEBI circulars dated September 13, 2012 and January 2, 2013. Such SCSBs are required to ensure that for making applications on their own account using ASBA, they should have a separate account in their own name with any other SEBI registered SCSBs. Further, such account shall be used solely for the purpose of making application in public issues and clear demarcated funds should be available in such account for such applications.

Bids under Power of Attorney

In case of Bids made pursuant to a power of attorney or by limited companies, corporate bodies, registered societies, Eligible FPIs, Mutual Funds, insurance companies, insurance funds set up by the army, navy, or air force of India, insurance funds set up by the Department of Posts, India or the National Investment Fund and provident funds with a minimum corpus of ₹ 250 million and pension funds with a minimum corpus of ₹ 250 million (in each case, subject to applicable law and in accordance with their respective constitutional documents), a certified copy of the power of attorney or the relevant resolution or authority, as the case may be, along with a certified copy of the memorandum of association and articles of association and/or bye laws, as applicable must be lodged along with the Bid cum Application Form. Failing this, our Company and the Selling Shareholders reserve the right to accept or reject any such Bid in whole or in part, in either case, without assigning any reasons thereof.

Our Company and the Selling Shareholders in consultation with the BRLMs in their absolute discretion, reserve the right to relax the above condition of simultaneous lodging of the power of attorney along with the Bid cum Application Form.

Bids by insurance companies

In case of Bids made by insurance companies registered with the IRDAI, a certified copy of certificate of registration issued by IRDAI must be attached to the Bid cum Application Form. Failing this, our Company and the Selling Shareholders reserve the right to reject any Bid without assigning any reason thereof.

The exposure norms for insurers are prescribed under the Insurance Regulatory and Development Authority (Investment) Regulations, 2000 ("**IRDA Investment Regulations**"), as amended are broadly set forth below:

- (a) equity shares of a company: the lower of 10% of the outstanding Equity Shares (face value) or 10% of the respective fund in case of life insurer or 10% of investment assets in case of general insurer or reinsurer;
- (b) the entire group of the investee company: not more than 15% of the respective fund in case of a life insurer or 15% of investment assets in case of a general insurer or reinsurer or 15% of the investment assets in all companies belonging to the group, whichever is lower; and
- (c) the industry sector in which the investee company belongs to: not more than 15% of the fund of a life insurer or a general insurer or a reinsurer or 15% of the investment asset, whichever is lower.

The maximum exposure limit, in the case of an investment in equity shares, cannot exceed the lower of an amount of 10% of the investment assets of a life insurer or general insurer and the amount calculated under (a), (b) and (c) above, as the case may be.

Insurance companies participating in this Offer shall comply with all applicable regulations, guidelines and circulars issued by IRDAI from time to time.

Bids by Eligible Employees

The Bid must be for a minimum of 41 Equity Shares and in multiples of 41 Equity Shares thereafter so as to ensure that the Bid Amount payable by the Eligible Employee does not exceed ₹ 500,000 on a net basis. The Allotment in the Employee Reservation Portion will be on a proportionate basis. Eligible Employees under the Employee Reservation Portion may Bid at Cut-off Price.

Bids under Employee Reservation Portion by Eligible Employees shall be:

- (a) Made only in the prescribed Bid cum Application Form or Revision Form (i.e. pink colour form).
- (b) The Bid must be for a minimum of 41 Equity Shares and in multiples of 41 Equity Shares thereafter so as to ensure that the Bid Amount payable by the Eligible Employee does not exceed ₹ 500,000 on a net basis. The maximum Bid in this category by an Eligible Employee cannot exceed ₹ 500,000 on a net basis.
- (c) Allotment to an Eligible Employee in the Employee Reservation Portion will exceed ₹ 200,000 only in the event of an under-subscription in the Employee Reservation Portion and such unsubscribed portion may be Allotted on a proportionate basis to Eligible Employees Bidding in the Employee Reservation Portion, subject to the total Allotment to an Eligible Employee not exceeding ₹ 500,000.
- (d) Eligible Employees should mention their employee number at the relevant place in the Bid cum Application Form.
- (e) The Bidder should be an Eligible Employee as defined above. In case of joint bids, the first Bidder shall be an Eligible Employee.
- (f) Only Eligible Employees would be eligible to apply in this Offer under the Employee Reservation Portion.
- (g) Only those Bids, which are received at or above the Offer Price, would be considered for Allotment under this category.
- (h) Eligible Employees can apply at Cut-off Price.
- (i) Bid by Eligible Employees can be made also in the “Net Offer to the Public” and such Bids shall not be treated as multiple Bids.

- (j) If the aggregate demand in this category is less than or equal to 1,000,000 Equity Shares at or above the Offer Price, full allocation shall be made to the Eligible Employees to the extent of their demand.
- (k) Under-subscription, if any, in the Employee Reservation Portion will be added back to the Net Offer. In case of under-subscription in the Net Offer, spill over to the extent of under-subscription shall be permitted from the Employee Reservation Portion subject to the Net Offer constituting 18.44% of the post-Offer share capital of our Company.

If the aggregate demand in this category is greater than 1,000,000 Equity Shares at or above the Offer Price, the allocation shall be made on a proportionate basis. For the method of proportionate basis of allocation, see “*Offer Procedure – Allotment Procedure and Basis of Allotment*” on pages 404 to 407.

Bids by provident funds/pension funds

In case of Bids made by provident funds/pension funds, subject to applicable laws, with minimum corpus of ₹ 250 million, a certified copy of certificate from a chartered accountant certifying the corpus of the provident fund/pension fund must be attached to the Bid cum Application Form. Failing which, our Company and the Selling Shareholders reserve the right to reject any such Bid, without assigning any reason thereof.

The above information is given for the benefit of the Bidders. Our Company, the Selling Shareholders and the BRLMs are not liable for any amendments or modification or changes in applicable laws or regulations, which may occur after the date of the Red Herring Prospectus. Bidders are advised to make their independent investigations and ensure that any single Bid from them does not exceed the applicable investment limits or maximum number of the Equity Shares that can be held by them under applicable law or regulation or as specified in the Red Herring Prospectus. In accordance with RBI regulations, OCBs cannot participate in the Offer.

General Instructions

Do's:

1. Check if you are eligible to apply as per the terms of the Red Herring Prospectus and under applicable laws, rules, regulations, guidelines and approvals;
2. Ensure that you have Bid within the Price Band;
3. All Bidders (other than Anchor Investors) should submit their Bids through the ASBA process only;
4. Read all the instructions carefully and complete the Bid cum Application Form in the prescribed form. Ensure that you have mentioned the correct ASBA number in the Bid Cum Application Form ;
5. Ensure that the details about the PAN, DP ID and Client ID are correct and the Bidders depository account is active, as Allotment of the Equity Shares will be in the dematerialized form only;
6. Ensure that your Bid cum Application Form bearing the stamp of a Designated Intermediary is submitted to the Designated Intermediary at the Bidding Centers within the prescribed time;
7. If the first applicant is not the bank account holder, ensure that the Bid cum Application Form is signed by the account holder. Ensure that you have an account with an SCSB and have mentioned the correct bank account number of that SCSB in the Bid cum Application Form;
8. With respect to Bids by SCSBs, ensure that you have a separate account in your own name with any other SCSB having clear demarcated funds for applying under the ASBA process and that such separate account (with any other SCSB) is used as the ASBA Account with respect to your Bid;
9. Ensure that the signature of the First Bidder in case of joint Bids, is included in the Bid cum Application Forms;
10. Ensure that you request for and receive a stamped acknowledgement of the Bid cum Application Form and an Acknowledgement Slip for all your Bid options;

11. Ensure that the name(s) given in the Bid cum Application Form is/are exactly the same as the name(s) in which the beneficiary account is held with the Depository Participant. In case of joint Bids, the Bid cum Application Form should contain only the name of the First Bidder whose name should also appear as the first holder of the beneficiary account held in joint names;
12. With respect to ASBA Bids, ensure funds equivalent to the Bid Amount are blocked;
13. Ensure that you request for and receive a stamped acknowledgement, in the form of a counterfoil, of the Bid cum Application Form for all your Bid options or by specifying the application number from the concerned Designated Intermediary;
14. Ensure that you have funds equal to the Bid Amount in the ASBA Account maintained with the SCSB before submitting the Bid cum Application Form under the ASBA process to the respective member of the Syndicate (at the Specified Locations), the SCSBs (at the Designated Branches), the Registered Broker (at the Broker Centers), the RTAs (at the Designated RTA Locations) or CDPs (at the Designated CDP Locations);
15. Submit revised Bids to the same Designated Intermediary, through whom the original Bid was placed and obtain a revised acknowledgment slip;

The exemption for the Central or the State Government and officials appointed by the courts and for investors residing in the State of Sikkim is subject to (a) the Demographic Details received from the respective depositories confirming the exemption granted to the beneficiary owner by a suitable description in the PAN field and the beneficiary account remaining in “active status”; and (b) in the case of residents of Sikkim, the address as per the Demographic Details evidencing the same. All other applications in which PAN is not mentioned will be rejected;
17. Ensure that the Demographic Details are updated, true and correct in all respects;
18. Ensure that thumb impressions and signatures other than in the languages specified in the Eighth Schedule to the Constitution of India are attested by a Magistrate or a Notary Public or a Special Executive Magistrate under official seal;
19. Ensure that the category and the investor status is indicated;
20. Ensure that in case of Bids under power of attorney or by limited companies, corporates, trust, *etc.*, relevant documents are submitted;
21. Ensure that Bids submitted by any person outside India should be in compliance with applicable foreign and Indian laws;
22. Bidders should note that in case the DP ID, Client ID and the PAN mentioned in their Bid cum Application Form and entered into the online IPO system of the Stock Exchanges by the relevant Designated Intermediary, as the case may be, do not match with the DP ID, Client ID and PAN available in the Depository database, then such Bids are liable to be rejected. Where the Bid cum Application Form is submitted in joint names, ensure that the beneficiary account is also held in the same joint names and such names are in the same sequence in which they appear in the Bid cum Application Form;
23. Ensure that the Bid cum Application Forms are delivered by the Bidders within the time prescribed as per the Bid cum Application Form and the Red Herring Prospectus;

24. Ensure that you have correctly signed the authorisation/undertaking box in the Bid cum Application Form, or have otherwise provided an authorisation to the SCSB via the electronic mode, for blocking funds in the ASBA Account equivalent to the Bid Amount mentioned in the Bid cum Application Form at the time of submission of the Bid;
25. Ensure that you receive an acknowledgement from the concerned Designated Intermediary, for the submission of your Bid cum Application Form;
26. Ensure that the name(s) given in the Bid cum Application Form is/ are exactly the same as the name(s) in which the beneficiary account is held with the Depository Participant. In case of joint Bids, the Bid cum Application Form should contain only the name of the First Bidder whose name should also appear as the first holder of the beneficiary account held in joint names;
27. The Bid cum Application Form is liable to be rejected if the above instructions, as applicable, are not complied with;
28. Ensure that you tick the correct investor category, as may be applicable, in the Bid cum Application Form to ensure proper upload of the Bid in the online IPO system of the Stock Exchanges;

This document is applicable to the public issues undertaken through the Book-Building Process as well as to the Fixed Price Issues. The purpose of the “General Information Document for Investing in Public Issues” is to provide general guidance to potential Bidders/Applicants in IPOs and FPOs, on the processes and procedures governing IPOs and FPOs, undertaken in accordance with the provisions of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 (“**SEBI ICDR Regulations, 2009**”)

Bidders/Applicants should note that investment in equity and equity related securities involves risk and Bidder/Applicant should not invest any funds in the Offer unless they can afford to take the risk of losing their investment. The specific terms relating to securities and/or for subscribing to securities in an Offer and the relevant information about the Issuer undertaking the Offer are set out in the Red Herring Prospectus (“**RHP**”)/Prospectus filed by the Issuer with the registrar of companies. Bidders/Applicants should carefully read the entire RHP/Prospectus and the Bid cum Application Form/Application Form and the Abridged Prospectus of the Issuer in which they are proposing to invest through the Offer. In case of any difference in interpretation or conflict and/or overlap between the disclosure included in this document and the RHP/Prospectus, the disclosures in the RHP/Prospectus shall prevail. The RHP/Prospectus of the Issuer is available on the websites of stock exchanges, on the website(s) of the BRLM(s) to the Offer and on the website of Securities and Exchange Board of India (“**SEBI**”) at www.sebi.gov.in.

For the definitions of capitalized terms and abbreviations used herein Bidders/Applicants see “*Definitions and Abbreviations*” on page 1.

SECTION 2: BRIEF INTRODUCTION TO IPOs/FPOs

2.1 Initial public offer (IPO)

An IPO means an offer of specified securities by an unlisted Issuer to the public for subscription and may include an Offer for Sale of specified securities to the public by any existing holder of such securities in an unlisted Issuer.

For undertaking an IPO, an Issuer is *inter alia* required to comply with the eligibility requirements of in terms of either Regulation 26(1) or Regulation 26(2) of the SEBI ICDR Regulations, 2009 For details of compliance with the eligibility requirements by the Issuer. Bidders/Applicants may refer to the RHP/Prospectus.

2.2 Further public offer (FPO)

An FPO means an offer of specified securities by a listed Issuer to the public for subscription and may include Offer for Sale of specified securities to the public by any existing holder of such securities in a listed Issuer.

For undertaking an FPO, the Issuer is *inter alia* required to comply with the eligibility requirements in terms of Regulation 26/Regulation 27 of the SEBI ICDR Regulations. For details of compliance with the eligibility requirements by the Issuer Bidders/Applicants may refer to the RHP/Prospectus.

2.3 Other Eligibility Requirements:

In addition to the eligibility requirements specified in paragraphs 2.1 and 2.2, an Issuer proposing to undertake an IPO or an FPO is required to comply with various other requirements as specified in the SEBI ICDR Regulations, 2009 the Companies Act, 2013, the Companies Act, 1956 (to the extent applicable), the Securities Contracts (Regulation) Rules, 1957 (the “**SCRR**”), industry-specific regulations, if any, and other applicable laws for the time being in force.

For details in relation to the above Bidders/Applicants may refer to the RHP/Prospectus.

2.4 Types of Public Issues – Fixed Price Issues and Book Built Issues

In accordance with the provisions of the SEBI ICDR Regulations, an Issuer can either determine the Offer Price through the Book Building Process (“**Book Built Issue**”) or undertake a Fixed Price Issue (“**Fixed Price Issue**”). An Issuer may mention Floor Price or Price Band in the RHP (in case of a Book Built Issue) and a Price or Price Band in the Draft Prospectus (in case of a fixed price Issue) and determine the price at a later date before registering the Prospectus with the registrar of companies.

The cap on the Price Band should be less than or equal to 120% of the Floor Price. The Issuer shall announce the Price or the Floor Price or the Price Band through advertisement in all newspapers in which the pre-issue advertisement was given at least five Working Days before the Bid/Offer Opening Date, in case of an IPO and at least one Working Day before the Bid/Offer Opening Date, in case of an FPO.

The Floor Price or the Offer price cannot be lesser than the face value of the securities. Bidders/Applicants should refer to the RHP/Prospectus or Offer advertisements to check whether the Offer is a Book Built Issue or a Fixed Price Issue.

2.5 OFFER PERIOD

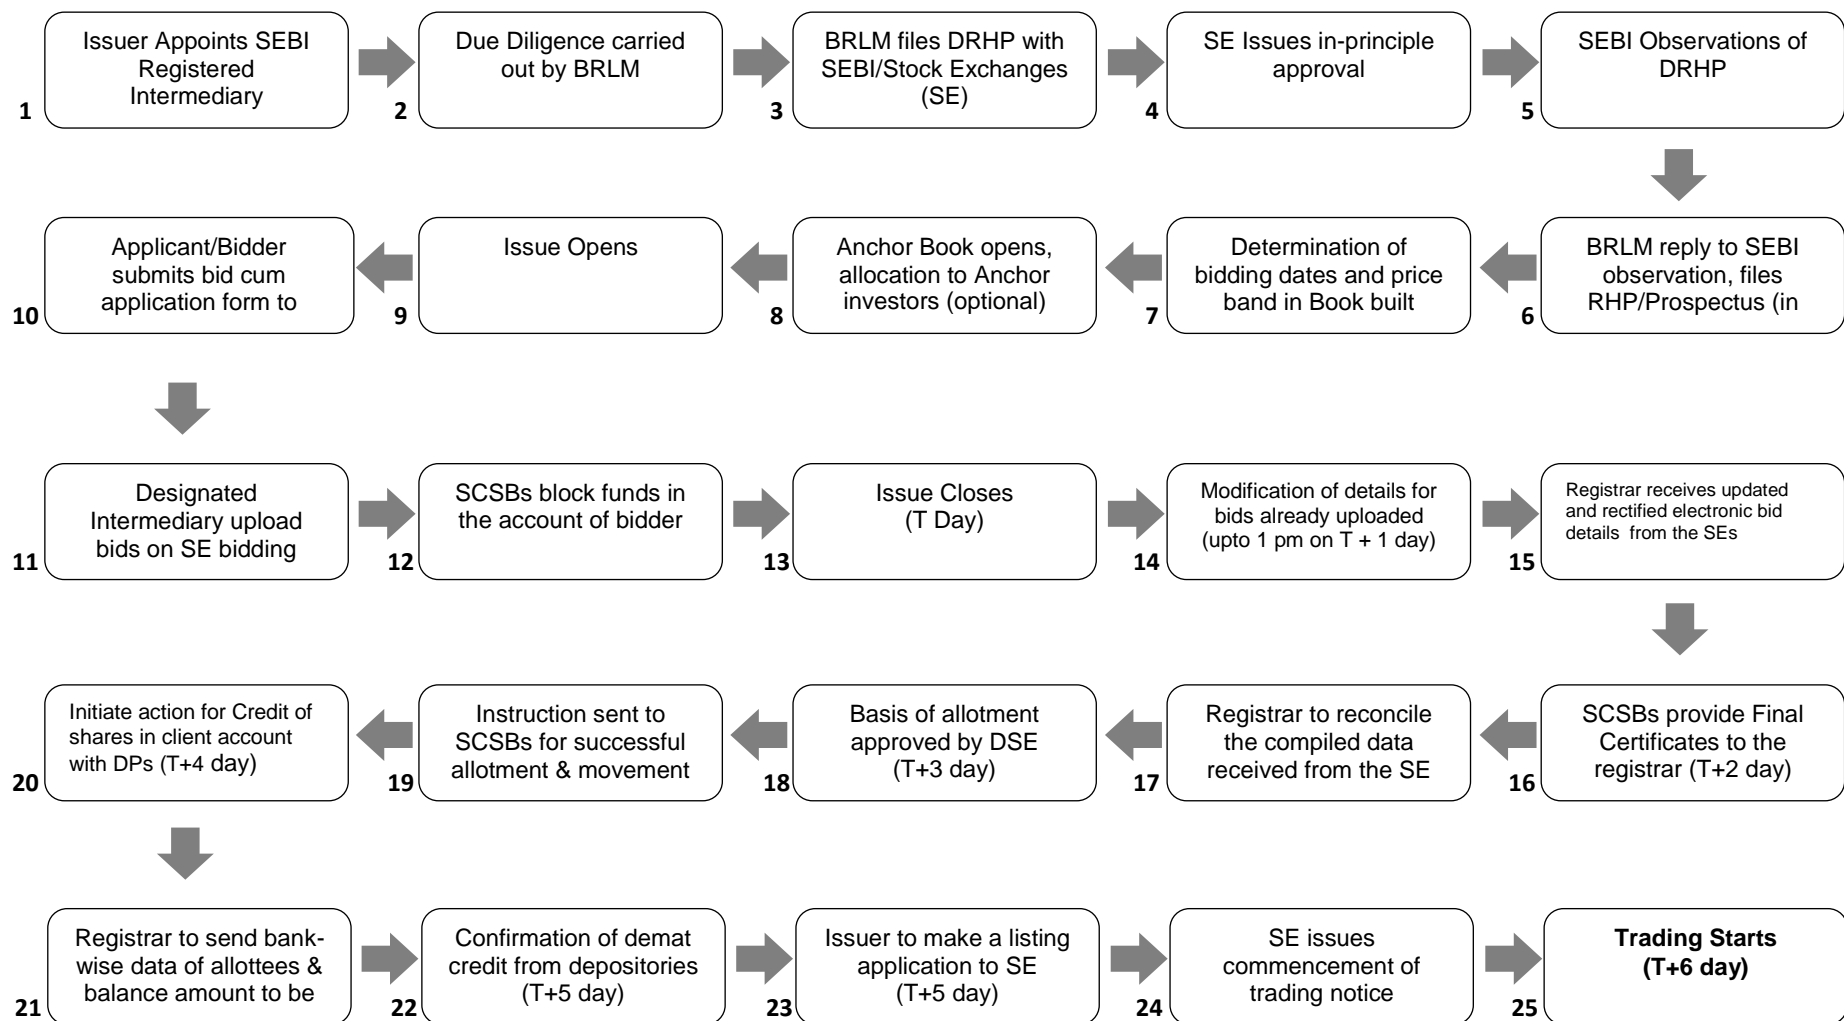

The Offer may be kept open for a minimum of three Working Days (for all category of Bidders/Applicants) and not more than ten Working Days. Bidders/Applicants are advised to refer to the Bid cum Application Form and Abridged Prospectus or RHP/Prospectus for details of the Bid/Offer Period. Details of Bid/Offer Period are also available on the website of Stock Exchange(s).

In case of a Book Built Issue, the Issuer may close the Bid/Offer Period for QIBs one Working Day prior to the Bid/Offer Closing Date if disclosures to that effect are made in the RHP. In case of revision of the Floor Price or Price Band in Book Built Issues the Bid/Offer Period may be extended by at least three Working Days, subject to the total Bid/Offer Period not exceeding 10 Working Days. For details of any revision of the Floor Price or Price Band, Bidders/Applicants may check the announcements made by the Issuer on the websites of the Stock Exchanges, and the BRLMs and the advertisement in the newspaper(s) issued in this regard.

2.6 FLOWCHART OF TIMELINES

A flow chart of process flow in Fixed Price and Book Built Issues is as follows. Bidders/Applicants may note that this is not applicable for Fast Track FPOs:

- (a) In case of Issue other than Book Built Issue (Fixed Price Issue) the process at the following of the below mentioned steps shall be read as:
 - i. Step 7 : Determination of Offer Date and Price
 - ii. Step 10: Applicant submits ASBA Form with any of the Designated Intermediaries and Anchor Investor Application Forms with BRLMs.

SECTION 3: CATEGORY OF INVESTORS ELIGIBLE TO PARTICIPATE IN AN ISSUE

4.1.1 FIELD NUMBER 1: NAME AND CONTACT DETAILS OF THE SOLE/FIRST BIDDER/APPLICANT

- (a) Bidders/Applicants should ensure that the name provided in this field is exactly the same as the name in which the Depository Account is held.
- (b) **Mandatory Fields:** Bidders/Applicants should note that the name and address fields are compulsory and e-mail and/or telephone number/mobile number fields are optional. Bidders/Applicants should note that the contact details mentioned in the Bid-cum Application Form/Application Form may be used to dispatch communications in case the communication sent to the address available with the Depositories are returned undelivered or are not available. The contact details provided in the Bid cum Application Form may be used by the Issuer, Designated Intermediaries and the Registrar to the Offer only for correspondence(s) related to an Offer and for no other purposes.
- (c) **Joint Bids/Applications:** In the case of Joint Bids/Applications, the Bids /Applications should be made in the name of the Bidder/Applicant whose name appears first in the Depository account. The name so entered should be the same as it appears in the Depository records. The signature of only such first Bidder/Applicant would be required in the Bid cum Application Form/Application Form and such first Bidder/Applicant would be deemed to have signed on behalf of the joint holders. All Communications may be addressed to such Bidder and may be dispatched to his or her address as per the Demographic Details received from the Depositories.

Impersonation: Attention of the Bidders/Applicants is specifically drawn to the provisions of sub-section (1) of Section 38 of the Companies Act, 2013 which is reproduced below:

“Any person who:

- a) makes or abets making of an application in a fictitious name to a company for acquiring, or subscribing for, its securities; or*
- b) makes or abets making of multiple applications to a company in different names or in different combinations of his name or surname for acquiring or subscribing for its securities; or*
- c) otherwise induces directly or indirectly a company to allot, or register any transfer of, securities to him, or to any other person in a fictitious name,*

shall be liable for action under Section 447.”

The liability prescribed under Section 447 of the Companies Act, 2013 includes imprisonment for a term which shall not be less than six months extending up to 10 years (provided that where the fraud involves public interest, such term shall not be less than three years) and fine of an amount not less than the amount involved in the fraud, extending up to three times of such amount.

- (d) **Nomination Facility to Bidder/Applicant:** Nomination facility is available in accordance with the provisions of Section 72 of the Companies Act, 2013. In case of Allotment of the Equity Shares in dematerialised form, there is no need to make a separate nomination as the nomination registered with the Depository may prevail. For changing nominations, the Bidders/Applicants should inform their respective DP.

4.1.2 FIELD NUMBER 2: PAN OF SOLE/FIRST BIDDER/APPLICANT

- (a) PAN (of the sole/ first Bidder/Applicant) provided in the Bid cum Application Form/Application Form should be exactly the same as the PAN of the person(s) in whose sole or first name the relevant beneficiary account is held as per the Depositories' records.
- (b) PAN is the sole identification number for participants transacting in the securities market irrespective of the amount of transaction except for Bids/Applications on behalf of the Central or State Government, Bids/Applications by officials appointed by the courts and Bids/Applications by Bidders/Applicants residing in Sikkim ("PAN Exempted Bidders/Applicants"). Consequently, all Bidders/Applicants, other than the PAN Exempted Bidders/Applicants, are required to disclose their PAN in the Bid cum Application Form/Application Form, irrespective of the Bid/Application Amount. Bids/Applications by the Bidders/Applicants whose PAN is not available as per the Demographic Details available in their Depository records, are liable to be rejected.
- (c) The exemption for the PAN Exempted Bidders/Applicants is subject to (a) the Demographic Details received from the respective Depositories confirming the exemption granted to the beneficiary owner by a suitable description in the PAN field and the beneficiary account remaining in "active status"; and (b) in the case of residents of Sikkim, the address as per the Demographic Details evidencing the same.
- (d) Bid cum Application Forms which provide the GIR Number instead of PAN may be rejected.
- (e) Bids/Applications by Bidders/ Applicants whose demat accounts have been 'suspended for credit' are liable to be rejected pursuant to the circular issued by SEBI on July 29, 2010, bearing number CIR/MRD/DP/22/2010. Such accounts are classified as "Inactive demat accounts" and Demographic Details are not provided by depositories.

4.1.3 FIELD NUMBER 3: BIDDERS DEPOSITORY ACCOUNT DETAILS

- (a) Bidders/ Applicants should ensure that DP ID and the Client ID are correctly filled in the Bid cum Application Form/Application Form. The DP ID and Client ID provided in the Bid cum Application Form/ Application Form should match with the DP ID and Client ID available in the Depository database, **otherwise, the Bid cum Application Form is liable to be rejected.**
- (b) Bidders/ Applicants should ensure that the beneficiary account provided in the Bid cum Application Form is active.
- (c) Bidders/ Applicants should note that on the basis of the DP ID and Client ID as provided in the Bid cum Application Form/ Application Form, the Bidder/ Applicant may be deemed to have authorised the Depositories to provide to the Registrar to the Offer, any requested Demographic Details of the Bidder as available on the records of the depositories. These Demographic Details may be used, among other things, for unblocking of ASBA Account or for other correspondence(s) related to an Offer.
- (d) Bidders/ Applicants are, advised to update any changes to their Demographic Details as available in the records of the Depository Participant to ensure accuracy of records. Any delay resulting from failure to update the Demographic Details would be at the Bidders/Applicants' sole risk.

4.1.4 FIELD NUMBER 4: BID OPTIONS

- (a) Price or Floor Price or Price Band, minimum Bid Lot and Discount (if applicable) may be disclosed in the Prospectus/RHP by the Issuer. The Issuer is required to announce the Floor Price or Price Band, minimum Bid Lot and Discount (if applicable) by way of an advertisement in at least one English, one Hindi and one regional newspaper, with wide circulation, at least five Working Days before Bid/Offer Opening Date in case of an IPO, and at least one Working Day before Bid/Offer Opening Date in case of an FPO.

- (b) The Bidders may Bid at or above Floor Price or within the Price Band for IPOs /FPOs undertaken through the Book Building Process. In the case of Alternate Book Building Process for an FPO, the Bidders may Bid at Floor Price or any price above the Floor Price (for further details Bidders may refer to Section 5.6 (e)).
- (c) **Cut-Off Price:** Retail Individual Bidders or Employees or Retail Individual Shareholders can Bid at the Cut-off Price indicating their agreement to Bid for and purchase the Equity Shares at the Offer Price as determined at the end of the Book Building Process. Bidding at the Cut-off Price is prohibited for QIBs and NIBs and such Bids from QIBs and NIBs may be rejected. The maximum Bid Amount under the Employee Reservation Portion by an Eligible Employee shall not exceed ₹500,000 on a net basis. However, Allotment to an Eligible Employee in the Employee Reservation Portion may exceed ₹200,000 (which will be less Employee Discount) only in the event of an under-subscription in the Employee Reservation Portion and such unsubscribed portion may be Allotted on a proportionate basis to Eligible Employees Bidding in the Employee Reservation Portion, for a value in excess of ₹200,000, subject to the total Allotment to an Eligible Employee not exceeding ₹500,000 (which will be less Employee Discount).
- (d) **Minimum Application Value and Bid Lot:** The Issuer in consultation with the BRLMs may decide the minimum number of Equity Shares for each Bid to ensure that the minimum application value is within the range of ₹ 10,000 to ₹ 15,000. The minimum Bid Lot is accordingly determined by an Issuer on basis of such minimum application value.
- (e) **Allotment:** The Allotment of specified securities to each RIB shall not be less than the minimum Bid Lot, subject to availability of shares in the RIB category, and the remaining available shares, if any, shall be Allotted on a proportionate basis. For details of the Bid Lot, Bidders may refer to the RHP/Prospectus or the advertisement regarding the Price Band published by the Issuer.

4.1.4.1 Maximum and Minimum Bid Size

- (a) The Bidder may Bid for the desired number of Equity Shares at a specific price. Bids by Retail Individual Bidders must be for such number of shares so as to ensure that the Bid Amount less Discount (as applicable), payable by the Bidder does not exceed ₹200,000.

In case the Bid Amount exceeds ₹ 200,000 due to revision of the Bid or any other reason, the Bid may be considered for allocation under the Non-Institutional Category (with it not being eligible for Discount if any), then such Bid may be rejected if it is at the Cut-off Price.

The maximum Bid Amount under the Employee Reservation Portion by an Eligible Employee shall not exceed ₹500,000 on a net basis. However, Allotment to an Eligible Employee in the Employee Reservation Portion may exceed ₹200,000 (which will be less Employee Discount) only in the event of an under-subscription in the Employee Reservation Portion and such unsubscribed portion may be Allotted on a proportionate basis to Eligible Employees Bidding in the Employee Reservation Portion, for a value in excess of ₹200,000, subject to the total Allotment to an Eligible Employee not exceeding ₹500,000 (which will be less Employee Discount).

- (b) For NRIs, a Bid Amount of up to ₹ 200,000 may be considered under the Retail Category for the purposes of allocation and a Bid Amount exceeding ₹ 200,000 may be considered under the Non-Institutional Category for the purposes of allocation.
- (c) Bids by QIBs and NIBs must be for such minimum number of shares such that the Bid Amount exceeds ₹ 200,000 and in multiples of such number of Equity Shares thereafter, as may be disclosed in the Bid cum Application Form and the RHP/Prospectus, or as advertised by the Issuer, as the case may be. NIBs and QIBs are not allowed to Bid at 'Cut-off Price'.

- (d) In case the Bid Amount reduces to ₹200,000 or less due to a revision of the Price Band, Bids by the NIBs who are eligible for allocation in the Retail Category would be considered for allocation under the Retail Category.
- (e) For Anchor Investors, if applicable, the Bid Amount shall be at least ₹10 crores. One-third of the Anchor Investor Portion shall be reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the price at which allocation is being done to other Anchor Investors. Bids by various schemes of a Mutual Fund shall be aggregated to determine the Bid Amount. A Bid cannot be submitted for more than 60% of the QIB Category under the Anchor Investor Portion. Anchor Investors cannot withdraw their Bids or lower the size of their Bids (in terms of quantity of Equity Shares or the Bid Amount) at any stage after the Anchor Investor Bid/ Offer Period and are required to pay the Bid Amount at the time of submission of the Bid. In case the Anchor Investor Allocation Price is lower than the Offer Price, the balance amount shall be payable as per the pay-in-date mentioned in the revised CAN. In case the Offer Price is lower than the Anchor Investor Allocation Price, the amount in excess of the Offer Price paid by the Anchor Investors shall not be refunded to them.
- (f) A Bid cannot be submitted for more than the Offer size.
- (g) The maximum Bid by any Bidder including QIB Bidder should not exceed the investment limits prescribed for them under the applicable laws.
- (h) The price and quantity options submitted by the Bidder in the Bid cum Application Form may be treated as optional bids from the Bidder and may not be cumulated. After determination of the Offer Price, the highest number of Equity Shares Bid for by a Bidder at or above the Offer Price may be considered for Allotment and the rest of the Bid(s), irrespective of the Bid Amount may automatically become invalid. This is not applicable in case of FPOs undertaken through Alternate Book Building Process (For details of Bidders may refer to (Section 5.6 (e)).

4.1.4.2 Multiple Bids

- (a) Bidder should submit only one Bid cum Application Form. Bidder shall have the option to make a maximum of three Bids at different price levels in the Bid cum Application Form and such options are not considered as multiple Bids.
- (b) Submission of a second Bid cum Application Form to either the same or to another Designated Intermediary and duplicate copies of Bid cum Application Forms bearing the same application number shall be treated as multiple Bids and are liable to be rejected.
- (c) Bidders are requested to note the following procedures may be followed by the Registrar to the Offer to detect multiple Bids:
 - (i) All Bids may be checked for common PAN as per the records of the Depository. For Bidders other than Mutual Funds, Bids bearing the same PAN may be treated as multiple Bids by a Bidder and may be rejected.
 - (ii) For Bids from Mutual Funds, submitted under the same PAN, as well as Bids on behalf of the PAN Exempted Bidders, the Bid cum Application Forms may be checked for common DP ID and Client ID. Such Bids which have the same DP ID and Client ID may be treated as multiple Bids and are liable to be rejected.
- (d) The following Bids may not be treated as multiple Bids:
 - (i) Bids by Reserved Categories Bidding in their respective Reservation Portion as well as bids made by them in the Net Offer portion in public category.

- (ii) Separate Bids by Mutual Funds in respect of more than one scheme of the Mutual Fund provided that the Bids clearly indicate the scheme for which the Bid has been made.
- (i) Bids by Mutual Funds, submitted with the same PAN but with different beneficiary account numbers, Client IDs and DP IDs.
- (ii) Bids by Anchor Investors under the Anchor Investor Portion and the QIB Category.

4.1.5 FIELD NUMBER 5 : CATEGORY OF BIDDERS/APPLICANTS

- (a) The categories of Bidders/Applicants identified as per the SEBI ICDR Regulations 2009 for the purpose of Bidding, allocation and Allotment in the Offer are RIBs, NIBs and QIBs.
- (b) Up to 60 % of the QIB Category can be allocated by the Issuer, on a discretionary basis subject to the criteria of minimum and maximum number of Anchor Investors based on allocation size, to the Anchor Investors, in accordance with the SEBI ICDR Regulations, with one-third of the Anchor Investor Portion reserved for domestic Mutual Funds subject to valid Bids being received at or above the Offer Price. For details regarding allocation to Anchor Investors, Bidders/Applicants may refer to the RHP/Prospectus.
- (c) An Issuer can make reservation for certain categories of Bidders/Applicants as permitted under the SEBI ICDR Regulations 2009. For details of any reservations made in the Offer, Bidders/Applicants may refer to the RHP/Prospectus.
- (d) The SEBI ICDR Regulations 2009, specify the allocation or Allotment that may be made to various categories of Bidders/Applicants in an Offer depending upon compliance with the eligibility conditions. Details pertaining to allocation are disclosed on reverse side of the Revision Form. For Offer specific details in relation to allocation Bidder may refer to the RHP/Prospectus.

4.1.6 FIELD NUMBER 6: INVESTOR STATUS

- (a) Each Bidder/Applicant should check whether it is eligible to apply under applicable law and ensure that any prospective Allotment to it in the Offer is in compliance with the investment restrictions under applicable law.
- (b) Certain categories of Bidders/Applicants, such as NRIs and FPIs may not be allowed to Bid in the Offer or hold Equity Shares exceeding certain limits specified under applicable law. Bidders/Applicants are requested to refer to the RHP/Prospectus for more details.
- (c) Bidders/Applicants should check whether they are eligible to apply on non-repatriation basis or repatriation basis and should accordingly provide the investor status. Details regarding investor status are different in the Resident Bid cum Application Form and Non-Resident Bid cum Application Form.
- (d) Bidders/Applicants should ensure that their investor status is updated in the Depository records.

4.1.7 FIELD NUMBER 7: PAYMENT DETAILS

- (a) The full Bid Amount (net of any Discount, as applicable) shall be blocked based in the ASBA Account on the authorisation provided in the ASBA Form. If the Discount is applicable in the Offer, the RIBs should indicate the full Bid Amount in the Bid cum Application Form and the funds shall be blocked for Bid Amount net of Discount. Only in cases where the RHP/Prospectus indicates that part payment may be made, such an option can be exercised by the Bidder/Applicant. In case of Bidders/Applicants specifying more than one Bid Option in the Bid cum Application Form, the total Bid Amount may be calculated for the highest of three options at net price, *i.e.*, Bid price less Discount offered, if any.

- (b) RIBs who Bid at Cut-off Price shall arrange to block the Bid Amount based on the Cap Price.
- (c) All Bidders (except Anchor Investors) who have to participate in the Offer only through the ASBA mechanism.
- (d) Bid Amount cannot be paid in cash, through money order or through postal order.

4.1.7.1 Instructions for Anchor Investors:

- (a) Anchor Investors may submit their Bids with a BRLM.
- (b) Payments should be made either by RTGS or NEFT.
- (c) The Escrow Collection Banks shall maintain the monies in the Escrow Account for and on behalf of the Anchor Investors until the Designated Date.

4.1.7.2 Payment instructions for ASBA Bidders/Applicants

- i. Bidders/Applicants may submit the ASBA Form either:
 - (i) in electronic mode through the internet banking facility offered by an SCSB authorizing blocking of funds that are available in the ASBA account specified in the ASBA Form, or
 - (ii) in physical mode to any Designated Intermediary.
- ii. Bidders/Applicants must specify the Bank Account number in the Bid cum Application Form. The Bid cum Application Form submitted by Bidder/Applicant and which is accompanied by cash, demand draft, cheque, money order, postal order or any mode of payment other than blocked amounts in the ASBA Account maintained with an SCSB, will not be accepted.
- iii. Bidders/Applicants should ensure that the Bid cum Application Form is also signed by the ASBA Account holder(s) if the Bidder is not the ASBA Account holder.
- iv. Bidders/Applicants shall note that for the purpose of blocking funds under ASBA facility clearly demarcated funds shall be available in the account.
- v. From one ASBA Account, a maximum of five Bids cum Application Forms can be submitted.
- vi. Bidders/Applicants should submit the Bid cum Application Form only at the Bidding Centers, *i.e.*, to the respective member of the Syndicate at the Specified Locations, the SCSBs, the Registered Broker at the Broker Centers, the RTA at the Designated RTA Locations or CDP at the Designated CDP Locations.
- vii. Bidders/Applicants bidding through a Designated Intermediary, other than a SCSB, should note that ASBA Forms submitted to such Designated Intermediary may not be accepted, if the SCSB where the ASBA Account, as specified in the Bid cum Application Form, is maintained has not named at least one branch at that location for such Designated Intermediary, to deposit ASBA Forms.
- viii. Bidders/ Applicants bidding directly through the SCSBs should ensure that the ASBA Form is submitted to a Designated Branch of a SCSB where the ASBA Account is maintained.
- ix. Upon receipt of the ASBA Form, the Designated Branch of the SCSB may verify if sufficient funds equal to the Bid Amount are available in the ASBA Account, as mentioned in the ASBA Form.

- x. If sufficient funds are available in the ASBA Account, the SCSB may block an amount equivalent to the Bid Amount mentioned in the ASBA Form and for application directly submitted to SCSB by investor, may enter each Bid option into the electronic bidding system as a separate Bid.
- xi. If sufficient funds are not available in the ASBA Account, the Designated Branch of the SCSB may not accept and upload such Bids on the stock exchange platform and such bids are liable to be rejected.
- xii. Upon submission of a completed ASBA Form each Bidder/ Applicant may be deemed to have agreed to block the entire Bid Amount and authorised the Designated Branch of the SCSB to block the Bid Amount specified in the ASBA Form in the ASBA Account maintained with the SCSBs.
- xiii. The Bid Amount may remain blocked in the aforesaid ASBA Account until finalisation of the Basis of Allotment and consequent transfer of the Bid Amount against the Allotted Equity Shares to the Public Offer Account, or until withdrawal or failure of the Offer, or until withdrawal or rejection of the Bid, as the case may be.
- xiv. SCSBs bidding in the Offer must apply through an Account maintained with any other SCSB; else their Bids are liable to be rejected.
- xv. Bidders bidding through a member of the Syndicate should ensure that the Bid cum Application Form is submitted to a member of the Syndicate only at the Specified Locations. Bidders should also note that Bid cum Application Forms submitted to the Syndicate at the Specified Locations may not be accepted by the member of the Syndicate if the SCSB where the ASBA Account, as specified in the Bid cum Application Form, is maintained has not named at least one branch at that location for the members of the Syndicate to deposit Bid cum Application Forms (a list of such branches is available on the website of SEBI at <http://www.sebi.gov.in/sebiweb/home/list/5/33/0/0/Recognised-Intermediaries>).

4.1.7.2.1 Unblocking of ASBA Account

- (a) Once the Basis of Allotment is approved by the Designated Stock Exchange, the Registrar to the Offer may provide the following details to the controlling branches of each SCSB, along with instructions to unblock the relevant bank accounts and for successful applications transfer the requisite money to the Public Offer Account designated for this purpose, within the specified timelines: (i) the number of Equity Shares to be Allotted against each Bid, (ii) the amount to be transferred from the relevant bank account to the Public Offer Account, for each Bid, (iii) the date by which funds referred to in (ii) above may be transferred to the Public Offer Account, and (iv) details of rejected Bids, if any, to enable the SCSBs to unblock the respective bank accounts.
- (b) On the basis of instructions from the Registrar to the Offer, the SCSBs may transfer the requisite amount against each successful Bidder other than Anchor Investors to the Public Offer Account and may unblock the excess amount, if any, in the ASBA Account of the ASBA Bidders.
- (c) In the event of withdrawal or rejection of the ASBA Form and for unsuccessful Bids, the Registrar to the Offer may give instructions to the SCSB to unblock the Bid Amount in the relevant ASBA Account within six Working Days of the Bid/Offer Closing Date.

4.1.7.3 Discount (if applicable)

- (a) The Discount is stated in absolute rupee terms.
- (b) Bidders applying under RIB category, Retail Individual Shareholder and employees are only eligible for discount. For Discounts offered in the Offer, Bidders may refer to the RHP/Prospectus.

- (c) The Bidders entitled to the applicable Discount in the Offer may block an amount *i.e.*, the Bid Amount less Discount (if applicable).
- (d) Bidder may note that in case the net amount blocked (post Discount) is more than two lakh Rupees, the Bidding system automatically considers such applications for allocation under Non-Institutional Category. These applications are neither eligible for Discount nor fall under RIB category.

4.1.8 FIELD NUMBER 8: SIGNATURES AND OTHER AUTHORISATIONS

- (a) Only the First Bidder is required to sign the Bid cum Application Form. Bidders/ Applicants should ensure that signatures are in one of the languages specified in the Eighth Schedule to the Constitution of India.
- (b) If the ASBA Account is held by a person or persons other than the Bidder/ Applicants, then the Signature of the ASBA Account holder(s) is also required.
- (c) The signature has to be correctly affixed in the authorisation/undertaking box in the ASBA Form, or an authorisation has to be provided to the SCSB via the electronic mode, for blocking funds in the ASBA Account equivalent to the Bid Amount mentioned in the ASBA Form.
- (d) Bidders/Applicants must note that Bid cum Application Form/Application Form without signature of Bidder/Applicant and /or ASBA Account holder is liable to be rejected.

4.1.9 ACKNOWLEDGEMENT AND FUTURE COMMUNICATION

- (a) Bidders/ Applicants should ensure that they receive the Acknowledgment Slip duly signed and stamped by the Designated Intermediary, as applicable, for submission of the ASBA Form.
- (b) All communications in connection with Bids made in the Offer may be addressed to the Registrar to the Offer with a copy to the relevant Designated Intermediary to whom the Bid cum Application Form was submitted. The Bidder should give full details such as name of the sole or first Bidder/Applicant, Bid cum Application Form number, Bidders'/Applicants' DP ID, Client ID, PAN, date of the submission of Bid cum Application Form, address of the Bidder/ Applicant, number of the Equity Shares applied for and the name and address of the Designated Intermediary where the Bid cum Application Form was submitted by the Bidder.

The following details (as applicable) should be quoted while making any queries -

- full name of the sole or First Bidder/Applicant, Bid cum Application Form number, Applicants'/Bidders' DP ID, Client ID, PAN, number of Equity Shares applied for, amount paid on application;
- name and address of the Designated Intermediary, where the Bid was submitted;
- In case of Bids other than from Anchor Investors, ASBA Account number in which the amount equivalent to the Bid Amount was blocked; or
- In case of Anchor Investor bids, the unique transaction reference (UTR) number and the name of the relevant bank thereof.

Further, the investor shall also enclose a copy of the Acknowledgment Slip duly received from the Designated Intermediaries in addition to the information mentioned hereinabove.

For further details, Bidder/Applicant may refer to the RHP/Prospectus and the Bid cum Application Form.

4.2 INSTRUCTIONS FOR FILING THE REVISION FORM

- (a) During the Bid/Offer Period, any Bidder (other than QIBs and NIBs, who can only revise their bid upwards) who has registered his or her interest in the Equity Shares at a particular price level is free to revise his or her Bid within the Price Band using the Revision Form, which is a part of the Bid cum Application Form.
- (b) RIB may revise their bids or withdraw their Bids till the Bid/Offer Closing Date.
- (c) Revisions can be made in both the desired number of Equity Shares and the Bid Amount by using the Revision Form.
- (d) The Bidder/ Applicant can make this revision any number of times during the Bid/ Offer Period. However, for any revision(s) in the Bid, the Bidders will have to use the services of the same Designated Intermediary through which such Bidder had placed the original Bid. Bidders are advised to retain copies of the blank Revision Form and the Bid(s) must be made only in such Revision Form or copies thereof.

Instructions to fill each field of the Revision Form can be found on the reverse side of the Revision Form. Other than instructions already highlighted at paragraph 4.1 above, point wise instructions regarding filling up various fields of the Revision Form are provided below:

4.2.1 FIELDS 1, 2 AND 3: NAME AND CONTACT DETAILS OF SOLE/FIRST BIDDER/ APPLICANTS, PAN OF SOLE/FIRST BIDDER & DEPOSITORY ACCOUNT DETAILS OF THE BIDDER

Bidders/ Applicants should refer to instructions contained in paragraphs 4.1.1, 4.1.2 and 4.1.3.

4.2.2 FIELD 4 & 5: BID OPTIONS REVISION ‘FROM’ AND ‘TO’

- (a) Apart from mentioning the revised options in the Revision Form, the Bidder must also mention the details of all the bid options given in his or her Bid cum Application Form or earlier Revision Form. For example, if a Bidder has Bid for three options in the Bid cum Application Form and such Bidder is changing only one of the options in the Revision Form, the Bidder must still fill the details of the other two options that are not being revised, in the Revision Form. The Designated Intermediaries may not accept incomplete or inaccurate Revision Forms.
- (b) In case of revision, Bid options should be provided by Bidders/ Applicants in the same order as provided in the Bid cum Application Form.
- (c) In case of revision of Bids by RIBs and Retail Individual Shareholders, such Bidders should ensure that the Bid Amount, subsequent to revision, does not exceed ₹ 200,000. In case the Bid Amount exceeds ₹ 200,000 due to revision of the Bid or for any other reason, the Bid may be considered, subject to eligibility, for allocation under the Non-Institutional Category, not being eligible for Discount (if applicable) and such Bid may be rejected if it is at the Cut-off Price. The Cut-off Price option is given only to the RIBs and Retail Individual Shareholders indicating their agreement to Bid for and purchase the Equity Shares at the Offer Price as determined at the end of the Book Building Process. The maximum Bid Amount under the Employee Reservation Portion by an Eligible Employee shall not exceed ₹500,000 on a net basis. However, Allotment to an Eligible Employee in the Employee Reservation Portion may exceed ₹200,000 (which will be less Employee Discount) only in the event of an under-subscription in the Employee Reservation Portion and such unsubscribed portion may be Allotted on a proportionate basis to Eligible Employees Bidding in the Employee Reservation Portion, for a value in excess of ₹200,000, subject to the total Allotment to an Eligible Employee not exceeding ₹500,000 (which will be less Employee Discount).
- (d) In case the total amount (*i.e.*, original Bid Amount plus additional payment) exceeds ₹ 200,000, the Bid will be considered for allocation under the Non-Institutional Category in terms of the RHP/Prospectus. If, however, the RIB does not either revise the Bid or make additional payment and the Offer Price is higher than the cap of the Price Band prior to revision, the number of Equity Shares Bid for shall be adjusted downwards for the purpose of allocation, such that no additional payment would be required from the RIB and the RIB is deemed to have approved such revised Bid at Cut-off Price.
- (e) In case of a downward revision in the Price Band, RIBs and Bids by Employees under the Reservation Portion, who have bid at the Cut-off Price could either revise their Bid or the excess amount paid at the time of Bidding may be unblocked after the allotment is finalised.

4.2.3 FIELD 6: PAYMENT DETAILS

- (a) All Bidders/Applicants are required to authorise that the full Bid Amount (less Discount (if applicable) is blocked at the time of submitting the Revision Form. In case of Bidders/Applicants specifying more than one Bid Option in the Bid cum Application Form, the total Bid Amount may

be calculated for the highest of three options at net price, *i.e.*, Bid price less discount offered, if any.

- (b) Bidder/Applicants may issue instructions to block the revised amount based on cap of the revised Price Band (adjusted for the Discount (if applicable) in the ASBA Account, to the same Designated Intermediary through whom such Bidder/Applicant had placed the original Bid to enable the relevant SCSB to block the additional Bid Amount, if any.
- (c) In case the total amount (*i.e.*, original Bid Amount less discount (if applicable) plus additional payment) exceeds ₹200,000, the Bid may be considered for allocation under the Non-Institutional Category in terms of the RHP/Prospectus. If, however, the Bidder/Applicant does not either revise the Bid or make additional payment and the Offer Price is higher than the cap of the Price Band prior to revision, the number of Equity Shares Bid for, where possible, may be adjusted downwards for the purpose of Allotment, such that additional amount is required blocked and the Bidder/Applicant is deemed to have approved such revised Bid at the Cut-off Price.
- (d) In case of a downward revision in the Price Band, RIBs, Employees and Retail Individual Shareholders, who have bid at the Cut-off Price, could either revise their Bid or the excess amount blocked at the time of Bidding may be unblocked after the finalisation of basis of allotment.

4.2.4 FIELDS 7 : SIGNATURES AND ACKNOWLEDGEMENTS

Bidders may refer to instructions contained at paragraphs 4.1.8 and 4.1.9 for this purpose.

4.3 INSTRUCTIONS FOR FILING APPLICATION FORM IN ISSUES MADE OTHER THAN THROUGH THE BOOK BUILDING PROCESS (FIXED PRICE ISSUE)

4.3.1 FIELDS 1, 2, 3 NAME AND CONTACT DETAILS OF SOLE/FIRST BIDDER, PAN OF SOLE/FIRST BIDDER & DEPOSITORY ACCOUNT DETAILS OF THE BIDDER

Applicants should refer to instructions contained in paragraphs 4.1.1, 4.1.2 and 4.1.3.

4.3.2 FIELD 4: PRICE, APPLICATION QUANTITY & AMOUNT

- (a) The Issuer may mention Offer Price or Price Band in the draft Prospectus. However a prospectus registered with RoC contains one price or coupon rate (as applicable).
- (b) Minimum Application Value and Bid Lot: The Issuer in consultation with the BRLMs may decide the minimum number of Equity Shares for each Bid to ensure that the minimum application value is within the range of ₹ 10,000 to ₹ 15,000. The minimum Lot size is accordingly determined by an Issuer on basis of such minimum application value.
- (c) Applications by RIBs and Retail Individual Shareholders, must be for such number of shares so as to ensure that the application amount payable does not exceed ₹ 200,000. The maximum Bid Amount under the Employee Reservation Portion by an Eligible Employee shall not exceed ₹500,000 on a net basis. However, Allotment to an Eligible Employee in the Employee Reservation Portion may exceed ₹200,000 (which will be less Employee Discount) only in the event of an under-subscription in the Employee Reservation Portion and such unsubscribed portion may be Allotted on a proportionate basis to Eligible Employees Bidding in the Employee Reservation Portion, for a value in excess of ₹200,000, subject to the total Allotment to an Eligible Employee not exceeding ₹500,000 (which will be less Employee Discount).
- (d) Applications by other investors must be for such minimum number of shares such that the application amount exceeds ₹ 200,000 and in multiples of such number of Equity Shares thereafter, as may be disclosed in the application form and the Prospectus, or as advertised by the Issuer, as the case may be.

- (e) An application cannot be submitted for more than the Offer size.
- (f) The maximum application by any Applicant should not exceed the investment limits prescribed for them under the applicable laws.
- (g) **Multiple Applications:** An Applicant should submit only one Application Form. Submission of a second Application Form to either the same or other SCSB and duplicate copies of Application Forms bearing the same application number shall be treated as multiple applications and are liable to be rejected.
- (h) Applicants are requested to note the following procedures may be followed by the Registrar to the Offer to detect multiple applications:
 - (i) All applications may be checked for common PAN as per the records of the Depository. For Applicants other than Mutual Funds, Applications bearing the same PAN may be treated as multiple applications by an Applicant and may be rejected.
 - (ii) For applications from Mutual Funds, submitted under the same PAN, as well as Applications on behalf of the PAN Exempted Applicants, the Application Forms may be checked for common DP ID and Client ID. In any such applications which have the same DP ID and Client ID, these may be treated as multiple applications and may be rejected.
- (i) The following applications may not be treated as multiple Bids:
 - (i) Applications by Reserved Categories in their respective reservation portion as well as that made by them in the Offer portion in public category.
 - (ii) Separate applications by Mutual Funds in respect of more than one scheme of the Mutual Fund provided that the Applications clearly indicate the scheme for which the Bid has been made.
 - (iii) Applications by Mutual Funds, submitted with the same PAN but with different beneficiary account numbers, Client IDs and DP IDs.

4.3.3 FIELD NUMBER 5 : CATEGORY OF APPLICANTS

- (a) The categories of applicants identified as per the SEBI ICDR Regulations, 2009 for the purpose of Bidding, allocation and allotment in the Offer are RIBs, individual applicants other than RIB's and other investors (including corporate bodies or institutions, irrespective of the number of specified securities applied for).
- (b) An Issuer can make reservation for certain categories of Applicants permitted under the SEBI ICDR Regulations, 2009. For details of any reservations made in the Offer, applicants may refer to the Prospectus.
- (c) The SEBI ICDR Regulations, 2009 specify the allocation or Allotment that may be made to various categories of applicants in an Offer depending upon compliance with the eligibility conditions. Details pertaining to allocation are disclosed on reverse side of the Revision Form. For Offer specific details in relation to allocation applicant may refer to the Prospectus.

4.3.4 FIELD NUMBER 6: INVESTOR STATUS

Applicants should refer to instructions contained in paragraphs 4.1.6.

4.3.5 FIELD 7: PAYMENT DETAILS

- (a) All Applicants (other than Anchor Investors) are required to only make use of ASBA for applying in the Offer.
- (b) Application Amount cannot be paid in cash, through money order, cheque, demand draft or through postal order or through stock invest.

4.3.5.1 Payment instructions for Applicants:

Applicants should refer to instructions contained in paragraphs 4.1.7.2.

4.3.5.2 Unblocking of ASBA Account

Applicants should refer to instructions contained in paragraphs 4.1.7.2.1.

4.3.5.3 Discount (if applicable)

Applicants should refer to instructions contained in paragraphs 4.1.7.3.

4.3.6 FIELD NUMBER 8: SIGNATURES AND OTHER AUTHORISATIONS & ACKNOWLEDGEMENT AND FUTURE COMMUNICATION

4.4.1 SUBMISSION OF BID CUM APPLICATION FORM/ REVISION FORM

Bidders/ Applicants may submit completed Bid-cum-application form / Revision Form in the following manner:-

Mode of Application	Submission of Bid cum Application Form
Anchor Investors Application Form	1) To the BRLMs of the Syndicate at the locations mentioned in the Anchor Investor Application Form
ASBA Form	(a) To members of the Syndicate in the Specified Locations or Registered Brokers at the Broker Centers or the RTA at the Designated RTA Location or the DP at the Designated DP Location (b) To the Designated Branches of the SCSBs

- (a) Bidders should submit the Revision Form to the same Designated Intermediary through which such Bidder had placed the original Bid.
- (b) Upon submission of the Bid-cum-Application Form, the Bidder will be deemed to have authorised the Issuer to make the necessary changes in the RHP and the Bid cum Application Form as would be required for filing Prospectus with the RoC and as would be required by the RoC after such filing, without prior or subsequent notice of such changes to the relevant Bidder/Applicant.
- (c) Upon determination of the Offer Price and filing of the Prospectus with the RoC, the Bid-cum-Application Form will be considered as the application form.

SECTION 5: OFFER PROCEDURE IN BOOK BUILT ISSUE

Book Building, in the context of the Offer, refers to the process of collection of Bids within the Price Band or above the Floor Price and determining the Offer Price based on the Bids received as detailed in Schedule XI of the SEBI ICDR Regulations. The Offer Price is finalised after the Bid/Offer Closing Date. Valid Bids received at or above the Offer Price are considered for allocation in the Offer, subject to applicable regulations and other terms and conditions.

5.1 SUBMISSION OF BIDS

- (a) During the Bid/Offer Period, Bidders/ Applicants may approach any of the Designated Intermediaries to register their Bids. Anchor Investors who are interested in subscribing for the Equity Shares should approach the BRLM, to register their Bid.
- (b) In case of Bidders (excluding NIBs and QIBs) Bidding at Cut-off Price, the Bidders may instruct the SCSBs to block Bid Amount based on the Cap Price less discount (if applicable).
- (c) For Details of the timing on acceptance and upload of Bids in the Stock Exchanges Platform Bidders are requested to refer to the RHP.

5.2 ELECTRONIC REGISTRATION OF BIDS

- (a) The Designated Intermediary may register the Bids using the on-line facilities of the Stock Exchanges. The Designated Intermediaries can also set up facilities for off-line electronic registration of Bids, subject to the condition that they may subsequently upload the off-line data file into the on-line facilities for Book Building on a regular basis before the closure of the issue.
- (b) On the Bid/Offer Closing Date, Designated Intermediaries may upload the Bids till such time as may be permitted by the Stock Exchanges and as disclosed in the Red Herring Prospectus.
- (c) Only Bids that are uploaded on the Stock Exchanges Platform are considered for allocation/ Allotment. The Designated Intermediary are given up to till 1 p.m on the day following the Bid/Offer Closing Date to modify select fields uploaded in the Stock Exchange Platform during the Bid/Offer Period after which the Stock Exchange(s) send the bid information to the Registrar to the Offer for further processing.

5.3 BUILD UP OF THE BOOK

- (a) Bids received from various Bidders through the Designated Intermediaries may be electronically uploaded on the Bidding Platform of the Stock Exchanges' on a regular basis. The book gets built up at various price levels. This information may be available with the BRLMs at the end of the Bid/Offer Period.
- (b) Based on the aggregate demand and price for Bids registered on the Stock Exchanges Platform, a graphical representation of consolidated demand and price as available on the websites of the Stock Exchanges may be made available at the Bidding Centers during the Bid/Offer Period.

5.4 WITHDRAWAL OF BIDS

- (a) RIBs can withdraw their Bids until Bid/Offer Closing Date. In case a RIB wishes to withdraw the Bid during the Bid/Offer Period, the same can be done by submitting a request for the same to the concerned Designated Intermediary, who shall do the requisite, including unblocking of the funds by the SCSB in the ASBA Account.
- (b) The Registrar to the Offer shall give instruction to the SCSB for unblocking the ASBA Account on the upon or after finalization of basis of allotment. QIBs and NIBs can neither withdraw nor lower the size of their Bids at any stage.

5.5 REJECTION & RESPONSIBILITY FOR UPLOAD OF BIDS

- (a) The Designated Intermediaries are individually responsible for the acts, mistakes or errors or omission in relation to
 - (i) the Bids accepted by the Designated Intermediaries,

- (ii) the Bids uploaded by the Designated Intermediaries,
- (iii) the Bid cum application forms accepted but not uploaded by the Designated Intermediaries.
- (b) The BRLMs and their affiliate Syndicate Members, as the case may be, may reject Bids if all the information required is not provided and the Bid cum Application Form is incomplete in any respect.
- (c) The SCSBs shall have no right to reject Bids, except in case of unavailability of adequate funds in the ASBA account or on technical grounds.
- (d) In case of QIB Bidders, only the (i) SCSBs (for Bids other than the Bids by Anchor Investors); and (ii) the BRLMs and their affiliate Syndicate Members (only in the Specified Locations) have the right to reject bids. However, such rejection shall be made at the time of receiving the Bid and only after assigning a reason for such rejection in writing.
- (e) All bids by QIBs, NIBs & RIBs Bids can be rejected on technical grounds listed herein.

5.5.1 GROUNDS FOR TECHNICAL REJECTIONS

Bid cum Application Forms can be rejected on the below mentioned technical grounds either at the time of their submission to any of the Designated Intermediaries, or at the time of finalisation of the Basis of Allotment. Bidders/Applicants are advised to note that the Bids/Applications are liable to be rejected, inter alia, on the following grounds, which have been detailed at various places in this GID:-

- (j) In case no corresponding record is available with the Depositories that matches the DP ID, the Client ID and the PAN;
- (k) Bids for lower number of Equity Shares than the minimum specified for that category of investors;

- (l) Bids at a price less than the Floor Price & Bids/Applications at a price more than the Cap Price;
- (m) Bids at Cut-off Price by NIBs and QIBs;
- (n) The amounts mentioned in the Bid cum Application Form do not tally with the amount payable for the value of the Equity Shares Bid for;
- (o) Bids for amounts greater than the maximum permissible amounts prescribed by the regulations;
- (p) Submission of more than five Bid cum Application Forms through a single ASBA Account;
- (q) Bids for number of Equity Shares which are not in multiples as specified in the RHP;
- (r) Multiple Bids as defined in this GID and the RHP/Prospectus;
- (s) Bids not uploaded in the Stock Exchanges bidding system;
- (t) Inadequate funds in the bank account to block the Bid Amount specified in the Bid cum Application Form at the time of blocking such Bid Amount in the bank account;
- (u) Where no confirmation is received from SCSB for blocking of funds;
- (v) Bids by Bidders (other than Anchor Investors) not submitted through ASBA process or Bids/Applications by QIBs (other than Anchor Investors) and Non Institutional Bidders accompanied with cheque(s) or demand draft(s);
- (w) Bids submitted to a BRLM at locations other than the Specified Locations and Bid cum Application Forms, under the ASBA process, submitted to the Escrow Collecting Banks (assuming that such bank is not a SCSB where the ASBA Account is maintained), to the issuer or the Registrar to the Offer;
- (x) Bids by SCSBs wherein a separate account in its own name held with any other SCSB is not mentioned as the ASBA Account in the Bid cum Application Form;
- (y) Bid cum Application Forms/Application Forms are not delivered by the Bidders/Applicants within the time prescribed as per the Bid cum Application Forms/Application Form, Bid/Issue Opening Date advertisement and as per the instructions in the RHP and the Bid cum Application Forms;
- (z) Bids/Applications of Bidders (other than Anchor Investors) accompanied by cash, draft, cheques, money order or any other mode of payment other than amounts blocked in the Bidders' ASBA Account maintained with an SCSB;

5.6 BASIS OF ALLOCATION

- (a) The SEBI ICDR Regulations, 2009 specify the allocation or Allotment that may be made to various categories of Bidders in an Offer depending on compliance with the eligibility conditions. Certain details pertaining to the percentage of Offer size available for allocation to each category is disclosed overleaf of the Bid cum Application Form and in the RHP / Prospectus. For details in relation to allocation, the Bidder may refer to the RHP / Prospectus.
- (b) Under-subscription in any category (except QIB Category) is allowed to be met with spill-over from any other category or combination of categories at the discretion of the Issuer and in consultation with the BRLMs and the Designated Stock Exchange and in accordance with the SEBI ICDR Regulations, 2009. Unsubscribed portion in QIB Category is not available for subscription to other categories.

- (c) In case of under subscription in the Net Offer, spill-over to the extent of such under-subscription may be permitted from the Reserved Portion to the Offer. For allocation in the event of an under-subscription applicable to the Issuer, Bidders/Applicants may refer to the RHP.

(d) **Illustration of the Book Building and Price Discovery Process**

Bidders should note that this example is solely for illustrative purposes and is not specific to the Offer; it also excludes Bidding by Anchor Investors.

Bidders can Bid at any price within the Price Band. For instance, assume a price band of ₹20 to ₹24 per share, issue size of 3,000 equity shares and receipt of five bids from bidders, details of which are shown in the table below. The illustrative book given below shows the demand for the equity shares of the issuer at various prices and is collated from bids received from various investors.

Bid Quantity	Bid Price (₹)	Cumulative Quantity	Subscription
500	24	500	16.70%
1,000	23	1,500	50.00%
1,500	22	3,000	100.00%
2,000	21	5,000	166.70%
2,500	20	7,500	250.00%

The price discovery is a function of demand at various prices. The highest price at which the issuer is able to issue the desired number of equity shares is the price at which the book cuts off, i.e., ₹22.00 in the above example. The issuer, in consultation with the book running lead managers, may finalise the offer price at or below such cut-off price, i.e., at or below ₹22.00. All bids at or above the offer price and cut-off bids are valid bids and are considered for allocation in the respective categories.

(e) **Alternate Method of Book Building**

In case of FPOs, Issuers may opt for an alternate method of Book Building in which only the Floor Price is specified for the purposes of Bidding (“**Alternate Book Building Process**”).

The Issuer may specify the Floor Price in the RHP or advertise the Floor Price at least one Working Day prior to the Bid/Offer Opening Date. QIBs may Bid at a price higher than the Floor Price and the Allotment to the QIBs is made on a price priority basis. The Bidder with the highest Bid Amount is allotted the number of Equity Shares Bid for and then the second highest Bidder is Allotted Equity Shares and this process continues until all the Equity Shares have been allotted. RIBs, NIBs and Employees are Allotted Equity Shares at the Floor Price and allotment to these categories of Bidders is made proportionately. If the number of Equity Shares Bid for at a price is more than available quantity then the Allotment may be done on a proportionate basis. Further, the Issuer may place a cap either in terms of number of specified securities or percentage of issued capital of the Issuer that may be Allotted to a single Bidder, decide whether a Bidder be allowed to revise the bid upwards or downwards in terms of price and/or quantity and also decide whether a Bidder be allowed single or multiple bids.

SECTION 6: ISSUE PROCEDURE IN FIXED PRICE ISSUE

Applicants may note that there is no Bid cum Application Form in a Fixed Price Issue. As the Offer Price is mentioned in the Fixed Price Issue therefore on filing of the Prospectus with the RoC, the Application so submitted is considered as the application form.

Applicants may only use the specified Application Form for the purpose of making an Application in terms of the Prospectus which may be submitted through the Designated Intermediary.

Applicants may submit an Application Form either in physical form to any of the Designated Intermediaries or in the electronic form to the SCSB or the Designated SCSB Branches of the SCSBs authorising blocking of funds that are available in the bank account specified in the Application Form only (“ASBA Account”). The Application Form is also made available on the websites of the Stock Exchanges at least one day prior to the Bid/Offer Opening Date.

In a fixed price Issue, allocation in the net offer to the public category is made as follows: minimum fifty % to Retail Individual Bidders; and remaining to (i) individual investors other than Retail Individual Bidders; and (ii) other Applicants including corporate bodies or institutions, irrespective of the number of specified securities applied for. The unsubscribed portion in either of the categories specified above may be allocated to the Applicants in the other category.

For details of instructions in relation to the Application Form, Bidders/Applicants may refer to the relevant section of the GID.

SECTION 7: ALLOTMENT PROCEDURE AND BASIS OF ALLOTMENT

The Allotment of Equity Shares to Bidders other than Retail Individual Bidders and Anchor Investors may be on proportionate basis. For Basis of Allotment to Anchor Investors, Bidders/Applicants may refer to RHP/Prospectus. No Retail Individual Bidder will be Allotted less than the minimum Bid Lot subject to availability of shares in Retail Individual Bidder Category and the remaining available shares, if any will be Allotted on a proportionate basis. The Issuer is required to receive a minimum subscription of 90% of the Net Offer (excluding any Offer for Sale of specified securities). However, in case the Offer is in the nature of Offer for Sale only, then minimum subscription may not be applicable.

7.1 ALLOTMENT TO RIBs

Bids received from the RIBs at or above the Offer Price may be grouped together to determine the total demand under this category. If the aggregate demand in this category is less than or equal to the Retail Category at or above the Offer Price, full Allotment may be made to the RIBs to the extent of the valid Bids. If the aggregate demand in this category is greater than the allocation to in the Retail Category at or above the Offer Price, then the maximum number of RIBs who can be Allotted the minimum Bid Lot will be computed by dividing the total number of Equity Shares available for Allotment to RIBs by the minimum Bid Lot (“**Maximum RIB Allottees**”). The Allotment to the RIBs will then be made in the following manner:

- (a) In the event the number of RIBs who have submitted valid Bids in the Offer is equal to or less than Maximum RIB Allottees, (i) all such RIBs shall be Allotted the minimum Bid Lot; and (ii) the balance available Equity Shares, if any, remaining in the Retail Category shall be Allotted on a proportionate basis to the RIBs who have received Allotment as per (i) above for the balance demand of the Equity Shares Bid by them (*i.e.*, who have Bid for more than the minimum Bid Lot).

In the event the number of RIBs who have submitted valid Bids in the Offer is more than Maximum RIB Allottees, the RIBs (in that category) who will then be Allotted minimum Bid Lot shall be determined on the basis of draw of lots.

7.2 ALLOTMENT TO NIBs

Bids received from NIBs at or above the Offer Price may be grouped together to determine the total demand under this category. The Allotment to all successful NIBs may be made at or above the Offer Price. If the aggregate demand in this category is less than or equal to the Non-Institutional Category at or above the Offer Price, full Allotment may be made to NIBs to the extent of their demand. In case the aggregate demand in this category is greater than the Non-Institutional Category at or above the Offer Price, Allotment may be made on a proportionate basis up to a minimum of the Non-Institutional Category.

7.3 ALLOTMENT TO QIBs

For the Basis of Allotment to Anchor Investors, Bidders may refer to the SEBI ICDR Regulations or RHP / Prospectus. Bids received from QIBs Bidding in the QIB Category (net of Anchor Portion) at or above the Offer Price may be grouped together to determine the total demand under this category. The QIB Category may be available for Allotment to QIBs who have Bid at a price that is equal to or greater than the Offer Price. Allotment may be undertaken in the following manner:

- (a) In the first instance allocation to Mutual Funds for up to 5% of the QIB Category may be determined as follows: (i) In the event that Bids by Mutual Fund exceeds 5% of the QIB Category, allocation to Mutual Funds may be done on a proportionate basis for up to 5% of the QIB Category; (ii) In the event that the aggregate demand from Mutual Funds is less than 5% of the QIB Category then all Mutual Funds may get full Allotment to the extent of valid Bids received above the Offer Price; and (iii) Equity Shares remaining unsubscribed, if any and not allocated to Mutual Funds may be available for allotment to all QIBs as set out at paragraph 7.4(b) below;
- (b) In the second instance, Allotment to all QIBs may be determined as follows: (i) In the event of oversubscription in the QIB Category, all QIBs who have submitted Bids above the Offer Price may be Allotted Equity Shares on a proportionate basis for up to 95% of the QIB Category; (ii) Mutual Funds, who have received allocation as per (a) above, for less than the number of Equity Shares Bid for by them, are eligible to receive Equity Shares on a proportionate basis along with other QIBs; and (iii) Under-subscription below 5% of the QIB Category, if any, from Mutual Funds, may be included for allocation to the remaining QIBs on a proportionate basis.

7.4 ALLOTMENT TO ANCHOR INVESTOR (IF APPLICABLE)

- (a) Allocation of Equity Shares to Anchor Investors at the Anchor Investor Allocation Price will be at the discretion of the issuer subject to compliance with the following requirements:

not more than 60% of the QIB Category will be allocated to Anchor Investors;

- (i) one-third of the Anchor Investor Portion shall be reserved for domestic Mutual Funds, subject to valid Bids being received from domestic Mutual Funds at or above the price at which allocation is being done to other Anchor Investors; and
- (ii) allocation to Anchor Investors shall be on a discretionary basis and subject to:
 - a. a maximum number of two Anchor Investors for allocation up to ₹100 million;
 - b. a minimum number of two Anchor Investors and maximum number of 15 Anchor Investors for allocation of more than ₹100 million and up to ₹2,500 million subject to minimum Allotment of ₹50 million per such Anchor Investor; and
 - c. a minimum number of five Anchor Investors and maximum number of 15 Anchor Investors for allocation of more than ₹2500 million, and an additional 10 Anchor Investors for every additional ₹2500 million or part thereof, subject to minimum Allotment of ₹50 million per such Anchor Investor.
- (b) An Anchor Investor shall make an application of a value of at least ₹100 million in the Offer.
- (c) A physical book is prepared by the Registrar on the basis of the Anchor Investor Application Forms received from Anchor Investors. Based on the physical book and at the discretion of the issuer in consultation with the BRLMs, selected Anchor Investors will be sent a CAN and if required, a revised CAN.

- (d) **In the event that the Offer Price is higher than the Anchor Investor Allocation Price:** Anchor Investors will be sent a revised CAN within one day of the Pricing Date indicating the number of Equity Shares allocated to such Anchor Investor and the pay-in date for payment of the balance amount. Anchor Investors are then required to pay any additional amounts, being the difference between the Offer Price and the Anchor Investor Allocation Price, as indicated in the revised CAN within the pay-in date referred to in the revised CAN. Thereafter, the Allotment Advice will be issued to such Anchor Investors.
- (e) In the event the Offer Price is lower than the Anchor Investor Allocation Price: Anchor Investors who have been Allotted Equity Shares will directly receive Allotment Advice.

7.5 **BASIS OF ALLOTMENT FOR QIBs (OTHER THAN ANCHOR INVESTORS), NIBs AND RESERVED CATEGORY IN CASE OF OVER-SUBSCRIBED ISSUE**

In the event of the Offer being over-subscribed, the Issuer may finalise the Basis of Allotment in consultation with the Designated Stock Exchange in accordance with the SEBI ICDR Regulations.

The allocation may be made in marketable lots, on a proportionate basis as explained below:

- (a) Bidders may be categorized according to the number of Equity Shares applied for;
- (b) The total number of Equity Shares to be Allotted to each category as a whole may be arrived at on a proportionate basis, which is the total number of Equity Shares applied for in that category (number of Bidders in the category multiplied by the number of Equity Shares applied for) multiplied by the inverse of the over-subscription ratio;
- (c) The number of Equity Shares to be Allotted to the successful Bidders may be arrived at on a proportionate basis, which is total number of Equity Shares applied for by each Bidder in that category multiplied by the inverse of the over-subscription ratio;
- (d) In all Bids where the proportionate Allotment is less than the minimum Bid Lot decided per Bidder, the Allotment may be made as follows: the successful Bidders out of the total Bidders for a category may be determined by a draw of lots in a manner such that the total number of Equity Shares Allotted in that category is equal to the number of Equity Shares calculated in accordance with (b) above; and each successful Bidder may be Allotted a minimum of such Equity Shares equal to the minimum Bid Lot finalised by the Issuer;
- (e) If the proportionate Allotment to a Bidder is a number that is more than the minimum Bid Lot but is not a multiple of one (which is the marketable lot), the decimal may be rounded off to the higher whole number if that decimal is 0.5 or higher. If that number is lower than 0.5 it may be rounded off to the lower whole number. Allotment to all Bidders in such categories may be arrived at after such rounding off; and
- (f) If the Equity Shares allocated on a proportionate basis to any category are more than the Equity Shares Allotted to the Bidders in that category, the remaining Equity Shares available for Allotment may be first adjusted against any other category, where the Allotted Equity Shares are not sufficient for proportionate Allotment to the successful Bidders in that category. The balance Equity Shares, if any, remaining after such adjustment may be added to the category comprising Bidders applying for minimum number of Equity Shares.

7.6 **DESIGNATED DATE AND ALLOTMENT OF EQUITY SHARES**

- (a) **Designated Date:** On the Designated Date, the Escrow Collection Banks shall transfer the funds represented by allocation of Equity Shares to Anchor Investors from the Escrow Account, as per the terms of the Escrow Agreement, into the Public Offer Account with the Bankers to the Offer.

The balance amount after transfer to the Public Offer Account shall be transferred to the Refund Account. Payments of refund to the Bidders applying in the Anchor Investor Portion shall be made from the Refund Account as per the terms of the Escrow Agreement and the RHP. On the Designated Date, the Registrar to the Offer shall instruct the SCSBs to transfer funds represented by allocation of Equity Shares from ASBA Accounts into the Public Offer Account.

- (b) **Issuance of Allotment Advice:** Upon approval of the Basis of Allotment by the Designated Stock Exchange, the Registrar shall upload the same on its website. On the basis of the approved Basis of Allotment, the Issuer shall pass necessary corporate action to facilitate the Allotment and credit of Equity Shares. Bidders are advised to instruct their Depository Participant to accept the Equity Shares that may be allotted to them pursuant to the Offer.

Pursuant to confirmation of such corporate actions, the Registrar will dispatch Allotment Advice to the Bidders who have been Allotted Equity Shares in the Offer.

- (c) The dispatch of Allotment Advice shall be deemed a valid, binding and irrevocable contract.
- (d) Issuer will ensure that: (i) the Allotment of Equity Shares; and (ii) credit of shares to the successful Bidders Depository Account will be completed within six Working Days of the Bid/Offer Closing Date.

SECTION 8: INTEREST AND REFUNDS

8.1 COMPLETION OF FORMALITIES FOR LISTING & COMMENCEMENT OF TRADING

The Issuer shall ensure that all steps for the completion of the necessary formalities for listing and commencement of trading at all the Stock Exchanges are taken within six Working Days of the Bid/Offer Closing Date. The Registrar to the Offer may initiate corporate action for credit to Equity Shares the beneficiary account with Depositories, and within six Working Days of the Bid/Offer Closing Date.

8.2 GROUNDS FOR REFUND

8.2.1 NON RECEIPT OF LISTING PERMISSION

An Issuer makes an application to the Stock Exchange(s) for permission to deal in/list and for an official quotation of the Equity Shares. All the Stock Exchanges from where such permission is sought are disclosed in RHP/Prospectus. The Designated Stock Exchange may be as disclosed in the RHP/Prospectus with which the Basis of Allotment may be finalised.

If the Issuer fails to make application to the Stock Exchange(s) or obtain permission for listing of the Equity Shares, in accordance with the provisions of Section 40 of the Companies Act, 2013, the Issuer shall be punishable with a fine which shall not be less than ₹ 5 lakhs but which may extend to ₹ 50 lakhs and every officer of the Issuer who is in default shall be punishable with imprisonment for a term which may extend to one year or with fine which shall not be less than ₹ 50,000 but which may extend to ₹ 3 lakhs, or with both.

If the permissions to deal in and for an official quotation of the Equity Shares are not granted by any of the Stock Exchange(s), the Issuer may forthwith take steps to refund, without interest, all moneys received from Bidders.

If such money is not refunded to the Bidders/ Applicants within the prescribed time after the Issuer becomes liable to repay it, then the Issuer and every director of the Issuer who is an officer in default may, on and from such expiry of such period, be liable to repay the money, with interest at such rate, as disclosed in the RHP/Prospectus.

8.2.2 NON RECEIPT OF MINIMUM SUBSCRIPTION

If the Issuer does not receive a minimum subscription of 90% of the Net Offer (excluding any offer for sale of specified securities), including devolvement to the Underwriters, the Issuer may forthwith, take steps to unblock the entire subscription amount received within six Working Days of Bid/Offer Closing Date and repay without interest, all moneys received from Anchor Investors. In case the Offer is in the nature of Offer for Sale only, then minimum subscription may not be applicable.

If there is a delay beyond the prescribed time after the Issuer becomes liable to pay the amount received from Bidders, then the Issuer and every director of the Issuer who is an officer in default may on and from expiry of 15 Working Days, be jointly and severally liable to repay the money, with interest at the rate of 15% p.a. in accordance with the Companies (Prospectus and Allotment of Securities) Rules, 2014, as amended.

8.2.3 MINIMUM NUMBER OF ALLOTTEES

The Issuer may ensure that the number of prospective Allottees to whom Equity Shares may be Allotted may not be less than 1,000 failing which the entire application monies may be refunded forthwith.

8.2.4 IN CASE OF ISSUES MADE UNDER COMPULSORY BOOK BUILDING

In case an Issuer not eligible under Regulation 26(1) of the SEBI ICDR Regulations, 2009 comes for an Offer under Regulation 26(2) of SEBI ICDR Regulations, 2009 but fails to Allot at least 75% of the Net Offer to QIBs, in such case full subscription money is to be refunded.

8.3 MODE OF REFUND

- (a) **In case of ASBA Bids:** Within six Working Days of the Bid/Offer Closing Date, the Registrar to the Offer may give instructions to SCSBs for unblocking the amount in ASBA Account on unsuccessful Bid and also for any excess amount blocked on Bidding.
- (b) **In case of Anchor Investors:** Within six Working Days of the Bid/Offer Closing Date, the Registrar to the Offer may dispatch the refund orders for all amounts payable to unsuccessful Anchor Investors.
- (c) In case of Anchor Investors, the Registrar to the Offer may obtain from the depositories the Bidders' bank account details, including the MICR code, on the basis of the DP ID, Client ID and PAN provided by the Anchor Investors in their Anchor Investor Application Forms for refunds. Accordingly, Anchor Investors are advised to immediately update their details as appearing on the records of their depositories. Failure to do so may result in delays in dispatch of refund orders or refunds through electronic transfer of funds, as applicable, and any such delay may be at the Anchor Investors' sole risk and neither the Issuer, the Registrar to the Offer, the Escrow Collection Banks, or the Syndicate, may be liable to compensate the Anchor Investors for any losses caused to them due to any such delay, or liable to pay any interest for such delay. Please note that refunds shall be credited only to the bank account from which the Bid Amount was remitted to the Escrow Collection Bank.

8.3.1 Electronic mode of making refunds for Anchor Investors

The payment of refund, if any, may be done through various electronic modes as mentioned below:

- (a) **NACH** – National Automated Clearing House which is a consolidated system of ECS. Payment of refund would be done through NACH for Applicants having an account at one of the centres specified by the RBI, where such facility has been made available. This would be subject to availability of complete bank account details including Magnetic Ink Character Recognition

(MICR) code wherever applicable from the depository. The payment of refund through NACH is mandatory for Applicants having a bank account at any of the centres where NACH facility has been made available by the RBI (subject to availability of all information for crediting the refund through NACH including the MICR code as appearing on a cheque leaf, from the depositories), except where applicant is otherwise disclosed as eligible to get refunds through NEFT or Direct Credit or RTGS.

- (b) **NEFT**—Payment of refund may be undertaken through NEFT wherever the branch of the Anchor Investors' bank is NEFT enabled and has been assigned the Indian Financial System Code ("IFSC"), which can be linked to the MICR of that particular branch. The IFSC Code may be obtained from the website of RBI as at a date prior to the date of payment of refund, duly mapped with MICR numbers. Wherever the Anchor Investors have registered their nine-digit MICR number and their bank account number while opening and operating the demat account, the same may be duly mapped with the IFSC Code of that particular bank branch and the payment of refund may be made to the Anchor Investors through this method. In the event NEFT is not operationally feasible, the payment of refunds may be made through any one of the other modes as discussed in this section;
- (c) **RTGS**— Anchor Investors having a bank account at any of the centers notified by SEBI where clearing houses are managed by the RBI, may have the option to receive refunds, if any, through RTGS; and
- (d) **Direct Credit** – Anchor Investors having their Bank Account with the Refund Bankers may be eligible and receive funds, if any, through direct credit to such bank account.

Please note that refunds through the above mentioned modes, shall be credited only to the bank account from which the Bid Amount was remitted to the Escrow Collection Bank.

For details of levy of charges, if any, for any of the above methods, Bank charges, if any, for cashing such cheques, pay orders or demand drafts at other centers, *etc.* Anchor Investors may refer to RHP/Prospectus.

8.4 INTEREST IN CASE OF DELAY IN ALLOTMENT OR REFUND

The Issuer may pay interest at the rate of 15% p.a. if Allotment is not made and the refund instructions have not been given to the clearing system in the disclosed manner or instructions for unblocking of funds in the ASBA Account are not dispatched within 15 days of the Bid/Offer Closing Date.

The Issuer may pay interest at 15% p.a. for any delay beyond 15 days from the Bid/ Offer Closing Date, if Allotment is not made.

SECTION IX: MAIN PROVISIONS OF ARTICLES OF ASSOCIATION

Note: By a Special Resolution passed by way of postal ballot on January 24, 2017 these Articles were adopted as the Articles of Association of the Company in substitution for and to the exclusion of all the existing Articles of the Company.

(THE COMPANIES ACT, 2013)

(COMPANY LIMITED BY SHARES)

ARTICLES OF ASSOCIATION

OF

AU SMALL FINANCE BANK LIMITED

The Articles of Association of the Company comprise of two parts, Part A and Part B, which parts shall, unless the context otherwise requires, co-exist with each other. In case of inconsistency or contradiction, conflict or overlap between Part A and Part B, the provisions of Part B shall, subject to Applicable Law, prevail and be applicable. However, Part B shall automatically terminate and cease to have any force and effect from the date of listing and trading of Equity Shares on a recognized stock exchange in India pursuant to an initial public offering of the Equity Shares of the Company, without any further corporate action by the Company or by the shareholders. Further, in terms of Article 13 (b) of Part A herein, the right of the shareholders holding 10% of the paid-up equity share capital of our Company on a fully diluted basis, to nominate one (1) Director each on the Board of the Company shall be exercisable upon receipt of shareholders' approval through a special resolution in a general meeting of the Company held after the successful completion of the Offer.

Our Company has been granted the RBI Final Approval on December 20, 2016 for conversion into a SFB and subsequently our Company has commenced its Small Finance Bank operations on April 19, 2017. The present Articles which were approved by our Shareholders pursuant to their resolution dated January 24, 2017 have come into effect since the conversion of our Company into a Small Finance Bank.
